Tender at the Bone

In this exhilarating coming-of-age tale set in the late 19th century, a daring young woman braves the wilds of the mountainous Austrian-Italian border—and the dangerous men who conspired with her missing father to smuggle tobacco—in order to save her family. Jole de Boer is just fifteen years old the first time she accompanies her father—a tobacco grower named Augusto—as he smuggles his product across the Italian border into Austria. She knows the dangers of the treacherous high mountain passes—border guards, brigands, wild animals, ferocious weather—but she is proud that her father has asked her to join him. After all, without the extra money Augusto's smuggling brings in, their family would starve. But when Augusto mysteriously disappears during one of his trips, Jole must retrace the route he took to both find a buyer for her family's tobacco—and the truth behind her father's disappearance. An epic tale of revenge, corruption, and salvation, *The Soul of the Border* is an unforgettable journey into the wild.

Throughout time, people have chosen to adopt a vegetarian or vegan diet for a variety of reasons, from ethics to economy to personal and planetary well-being. Experts now suggest a new reason for doing so: maximizing flavor -- which is too often masked by meat-based stocks or butter and cream. The Vegetarian Flavor Bible is an essential guide to culinary creativity, based on insights from dozens of leading American chefs, representing such acclaimed restaurants as Crossroads and M.A.K.E. in Los Angeles; Candle 79, Dirt Candy, and Kajitsu in New York City, Green Zebra in Chicago, Greens and Millennium in San Francisco, Natural Selection and Portobello in Portland, Plum Bistro in Seattle, and Vedge in Philadelphia. Emphasizing plant-based whole foods including vegetables, fruits, grains, legumes, nuts, and seeds, the book provides an A-to-Z listing of hundreds of ingredients, from avocados to zucchini blossoms, cross-referenced with the herbs, spices, and other seasonings that best enhance their flavor, resulting in thousands of recommended pairings. The Vegetarian Flavor Bible is the ideal reference for the way millions of people cook and eat today -- vegetarians, vegans, and omnivores alike. This groundbreaking book will empower both home cooks and professional chefs to create more compassionate, healthful, and flavorful cuisine.

Get ready to find some things you never expected to find in a book about wine. Things like regrets, migrant labor, war, financial crises, and post-apartheid economics. Things, too, like following a calling, and doing something even though it makes no sense, and creating the life you imagine for yourself. For the people you'll meet in these twelve chapters, wine does so much more than quench thirst. Wine is how they express themselves to the world. It's how they put food on the table for their families. It's how they carve their niche. Sometimes it's even their tool to fight repression and discrimination. *Hungry for Wine* is also a memoir about how the author went from simply liking the taste of wine, to tasting it every day, to writing about it 365 days a year, to traveling the world in search of the people and the stories in this book. Some people see the world in a grain of sand. Now you can see it in a glass of wine. This book will change the way you look at wine. Forever.

Seeking Whom He May Devour

From thriller master Sandrone Dazieri, here is the startling conclusion to the internationally bestselling Caselli and Torre trilogy in which two damaged but deductively brilliant detectives must sort out what is real and what is imagined. Reeling from a deadly bombing in Venice and her investigative partner Dante's disappearance, Detective Colomba Caselli retreats to the rural countryside outside Rome to nurse her wounds. When an apparently autistic teenager appears in her yard, covered in blood, he leads her to a brutal crime scene where nothing is what it seems. As Colomba gets pulled into the investigation and the body count spirals upward, she is implicated in the violence. Soon, she's convinced that a powerful villain is working in the shadows to cause the carnage and frame her, but the only person who can help her is Dante—and he hasn't been seen in over a year and is presumed dead. Colomba is sure he's alive and out there somewhere, but will she find him before it's too late? And can she clear her name and be free of the far-reaching legacy of the villain known as the Father? Bursting with action, ingeniously plotted, and filled with one unexpected twist after another, *Kill the King* is a shocking and satisfying conclusion to this breathtakingly original crime series.

Fever

From the author of the wildly controversial books *Liar* and *Paul's Case* comes one of the most anticipated — and perhaps, in some quarters, feared — books of the year. This is author Lynn Crosbie at her most honest, most cutting, most hilarious,

and most heartbreaking. The stories told here are at once a cache, a repository, of a seven-year period in the author's life; and, too, a gymnasium, a place where she can flex her prodigious wit and her dazzling stash of literary tricks Deft with matters both low- and highbrow (here are stories about 80s big-hair bands and the lasting, theological value of the Rocky series; here, too are stories contemplating critical theory and fine art), Life is About Losing Everything speaks with manic yet grave authority about risking and losing everything, and then sorting through the remains to discover what is beautiful, what is trash, and what, ultimately, belongs.

COME SI MANGIA LOLIO

“Prendete le lenticchie, precedentemente selezionate da due vergini altoatesine, e tagliatele alla julienne, prendendovi cura delle vostre dita, anche se dieci sono sempre state obiettivamente inutili.’ Molti sono i cuochi, ma c’è un solo Alain Tonné. Io l’ho conosciuto una notte sul molo di Marsiglia, sedeva nell’ombra, accarezzava distratto un polipo e osservando un cormorano mormorava: ‘Arrosto? Scottato al sale dell’Himalaya? Emulsionato con vellutata di alghe?’. Mi ha subito fatto pensare a un uomo tormentato da qualcosa. Scusandomi con il polipo, mi sono seduto accanto a lui e gli ho chiesto di raccontarmi la sua storia. Poi non so se mi sono addormentato, o se accarezzare i polipi abbia effetti lisergici. So che mi sono risvegliato il giorno dopo, solo sul molo, con una gran fame e nessuna traccia di Alain Tonné. Stretto nella mano sinistra avevo un biglietto con scritto: ‘Senta, il cormorano lo faccia in crosta, come il gabbiano’.”
