English in Common 3 With Activebook and Myenglishlab

A Mighty Long Way

WORLD LINK is a core series for young adult/adult learners of English from the low-beginning to high-intermediate level. Combining dynamic vocabulary with essential grammar and universal topics, WORLD LINK enables students to communicate confidently and fluently. A complete package of supplementary materials motivates students and empowers teachers to maximize classroom time.

Think Level 3 Teacher's Book

Teach with confidence, using the world's favorite English course. Interchange is a four-level, American English course that has been used by over 50 million students worldwide. This Level 3A Workbook provides six pages of additional practice for each unit in the first half of the Student's Book (units 1-8). The workbook helps recycle and review language by providing additional practice in grammar, vocabulary, reading, and writing. It is appropriate for in-class work or can be assigned as homework.

Time Zones 3 Work Book

"Building on the success of previous editions, Focus on Grammar continues to provide an integrated-skills approach to engage students and help them accomplish their goals of communicating confidently, accurately, and fluently"--Back cover.

Fun Home

Challenge and inspire your teenage learners to think beyond language. Think is a fresh, vibrant and upbeat course designed to engage teenage learners and make them think. As well as building students' language skills, it offers a holistic approach to learning: developing their thinking skills, encouraging them to reflect on values and building their self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. Exam-style exercises and tips help students prepare for Cambridge English Key, Preliminary and First. Informed by the Cambridge English Corpus, the course reflects real language usage and 'Get it right' sections help students avoid common mistakes.

Effective Reading Pre-intermediate Student Book

BONUS: This edition contains an A Mighty Long Way discussion guide. When fourteen-year-old Carlotta Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the "Little Rock Nine," as they came to be known, would lead the nation on an even longer and much more turbulent path, one that would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply

getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.

A Book of Abstract Algebra

English in Common is a six-level American English integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. Finding direction and purpose English in Common 3 motivates learners through Can Do objectives which give direction and purpose, ensuring students know what they are learning, why they are learning it, and how they will be able to use the language outside of the classroom. Engaging learners' interest English in Common 3 engages learners' interest by offering a new twist to familiar topics –topics that reflect students' needs and interests. This ensures that students will always have something to say about the content of the lesson. Developing active learners English in Common 3 encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently. English in Common 3 Student Books are divided into either ten or twelve units and have enough material for approximately 60 to 90 hours of instruction. Each Student Book has a bound-in ActiveBook, which contains a digital Student Book with the entire audio program, Extra Listening practice and activities, and a printable Language Portfolio to help students keep a record of their progress. Also available as a blended learning program, with MyEnglishLab, an online learning tool for personalized practice, with automatic gradebook. Level 3 is for Pre-intermediate, and covers competencies in the A2-B1 bands of the CEF.

Keynote Proficient Workbook

World Link is National Geographic Learning's best-selling core series for young adult/adult learners of English from the false beginner to high intermediate level. The second edition has been completely updated and enhanced to reflect modern teaching methods and user feedback. Combining dynamic vocabulary with essential grammar and universal topics, World Link, Second Edition, helps learners to communicate confidently and fluently.

World Link Intro Book

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to

communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Omega: Level 3: Integrated American Workbook

Cambridge English for Scientists is a short course (40-60 hours) for student and professional scientists.

4000 Essential English Words

National Geographic Learning brings the world to your classroom with Life, a six-level integrated-skills series that develops fluency in American English. Through an exploration of real world content from National Geographic presented through stunning images, text, and video, learners will strengthen their existing global connections while learning the English skills needed for communication in the 21st century. To encourage a generation of informed decision-makers, Life prepares learners to think critically while teaching the English skills needed communicate effectively through:

- o Information-rich topics that naturally promote curiosity and challenge learners to understand the themes in English on a deeper level.
- o Developing the 21st century skills needed in a technology-rich environment, like questioning authors and using visually literacy skills to infer meaning.
- o Explicit 'Critical Thinking' sections that take language learners from understanding, to evaluating, and finally to creating their own texts in English.

Cambridge English for Scientists Student's Book with Audio CDs (2)

The new edition of the best-selling six-level Reading Explorer series will bring the world to the classroom like never before through new and updated topics, video, and visuals from National Geographic. Reading Explorer teaches learners to think and read critically to encourage a generation of informed global citizens.
