#1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by

Steven Spielberg. “Enchanting . . . Willy Wonka meets The Matrix.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he’s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he’s beset by rivals who’ll kill to take this prize. The race is on—and the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club “Delightful . . . the grown-up’s Harry Potter.”—HuffPost “An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart.”—CNN “A most excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader.”—Boston Globe “Ridiculously fun and large-hearted . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that’s both hilarious and passionate.”—NPR “[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own.”—iO9

'Brasibraseiro' é um livro de poesia escrito a quatro mãos. O antropólogo baiano Antonio Risério e o professor pernambucano Frederico Barbosa, dois dos mais contundentes poetas contemporâneos do país, uniram-se para, através da poesia, discutir interpretações e saídas para o Brasil. Os poemas se articulam em constante diálogo, seja sobre a questão amorosa, como o par Vers/Revers, seja nas recriações de textos importantes para a compreensão do país, como a Literatura

de Informação quinhentista, a obra de Antonio Vieira, ou os manifestos da Conspiração dos Búzios, de 1798. Assim, de forma lúdica e poética, são discutidos temas fundamentais para a invenção do conceito de Brasil, como o confronto entre europeus e indígenas no descobrimento, a questão do negro, o carnaval e tantos outros.

AVAILABLE FOR THE FIRST TIME IN eBook! On her twelfth birthday, Sierva Maria – the only child of a decaying noble family in an eighteenth-century South American seaport – is bitten by a rabid dog. Believed to be possessed, she is brought to a convent for observation. And into her cell stumbles Father Cayetano Delaura, who has already dreamed about a girl with hair trailing after her like a bridal train. As he tends to her with holy water and sacramental oils, Delaura feels something shocking begin to occur. He has fallen in love – and it is not long until Sierva Maria joins him in his fevered misery. Unsettling and indelible, *Of Love and Other Demons* is an evocative, majestic tale of the most universal experiences known to woman and man.

Da extraordinária e inexplicável aventura que viveram Turista e seus amigos ao perderem suas sombras, na mesma manhã de sol em que Clara, a nova moradora, apareceu na vida deles e encontrou o 11.o andar, que não existia no prédio. Numa manhã de sol, no caminho para a escola, cinco meninos descobrem que suas sombras desapareceram. É também o primeiro dia de aula de Clara, a nova moradora do prédio onde moram os meninos, que, além de cair na mesma sala que eles, atraiu os olhares de cada um na sua primeira aparição ao sair do elevador. Os meninos, amigos inseparáveis, nessa manhã inusitada, se veem inesperadamente perseguidos pelo dono do único casarão do bairro, o Sr. Arandy, que surge de repente no jardim, depois de um deles repetir a mesma travessura de sempre. Eles, um cão e um velho cego, dono de uma biblioteca infinita e labiríntica, moram num prédio que não tem o 11.o andar. Nesse andar que não existe - no livro anterior, *O encanto da Lua Nova*, hospedaram-se nele seres imaginários como Annabel, a feiticeira prisioneira de um encanto, e personagens literários como Poe, Rimbaud, Fernando Pessoa e Emily Dickinson -, agora habitam

novos inquilinos, astrônomos e cientistas, como Galileu, Ptolomeu, Copérnico, Newton, Tales, entre outros. Com o sumiço de suas sombras, os meninos fazem de tudo para reencontrá-las e, ao mesmo tempo, quando se descobrem transparentes ao sol e a qualquer outra luz, eles buscam alguma explicação e tentam desvendar o mistério. As horas claras é uma aventura com a maior sombra de dúvida. Mas as sombras, em vez de esconder, podem revelar muitas coisas. Uma história sobre claros e escuros, atrações e gravidades, encontros e acasos, paixões e poesia, dúvidas e descobertas, e uma grande tentação: "a doença da curiosidade".

Love's Executioner offers us the humane and extraordinary insight of renowned psychiatrist Irvin D. Yalom into the lives of ten of his patients - and through them into the minds of us all Why was Saul tormented by three unopened letters from Stockholm? What made Thelma spend her whole life raking over a long-past love affair? How did Carlos's macho fantasies help him deal with terminal cancer? In this engrossing book, Irvin Yalom gives detailed and deeply affecting accounts of his work with these and seven other patients. Deep down, all of them were suffering from the basic human anxieties - isolation, fear of death or freedom, a sense of the meaninglessness of life - that none of us can escape completely. And yet, as the case histories make touchingly clear, it is only by facing such anxieties head on that we can hope to come to terms with them and develop. Throughout, Dr Yalom remains refreshingly frank about his own errors and prejudices; his book provides a rare glimpse into the consulting room of a master therapist. Reviews: 'Dr Yalom demonstrates once again that in the right hands, the stuff of therapy has the interest of the richest and most inventive fiction' Eva Hoffman, New York Times 'These remarkably moving and instructive tales of the psychiatric encounter bring the reader into novel territories of the mind - and the landscape is truly unforgettable' Maggie Scarf 'Love's Executioner is one of those rare books that suggests both the mystery and the poetry of the psychotherapeutic process. The best therapists are at least partly poets. With this riveting and beautifully written book, Irvin Yalom has joined their ranks' Erica Jong 'Inspired He writes with the narrative wit of O. Henry and the earthy humor of Isaac Bashevis Singer' San Francisco Chronicle 'These stories are wonderful. They make us realize that within every human being lie the pain and the beauty that make life worthwhile' Bernie S. Siegel 'This is an impressive transformation of clinical experience into literature. Dr Yalom's case histories are more gripping than 98 percent of the fiction published today, and he has gone to amazing lengths of honesty to depict himself as a realistic flesh-and-blood character: funny, flawed, perverse, and, above all, understanding' Phillip Lopate 'I loved Love's Executioner. Dr Yalom has learned something that fiction writers learned years ago - that people's mistakes are a lot more interesting than their triumphs' Joanne Greenberg About the author: Irvin D.

Yalom is Professor Emeritus of Psychiatry at the Stanford University School of Medicine. As well as an award-winning psychiatrist and psychotherapist, he is an extremely prolific author. His many other works include *The Gift of Therapy*, *Staring at the Sun*, *When Nietzsche Wept*, *The Theory and Practice of Group Psychiatry*, *The Schopenhauer Cure*, *Lying on the Couch*, *Momma and the Meaning of Life*, *Existential Psychotherapy*, *I'm Calling the Police*, *Inpatient Group Psychotherapy*, *Every Day Gets a Little Closer* and *The Spinoza Problem*.

A New York Times bestseller Like the classic heroines of Sarah, Plain and Tall, Little Women, and Anne of Green Gables, Ada is a fighter for the ages. Her triumphant World War II journey continues in this sequel to the Newbery Honor-winning *The War that Saved My Life* When Ada's clubfoot is surgically fixed at last, she knows for certain that she's not what her mother said she was--damaged, deranged, crippled mentally as well as physically. She's not a daughter anymore, either. Who is she now? World War II rages on, and Ada and her brother, Jamie, move with their guardian, Susan, into a cottage with the iron-faced Lady Thorton and her daughter, Maggie. Life in the crowded home is tense. Then Ruth moves in. Ruth, a Jewish girl, from Germany. A German? Could Ruth be a spy? As the fallout from war intensifies, calamity creeps closer, and life during wartime grows even more complicated. Who will Ada decide to be? How can she keep fighting? And who will she struggle to save? Ada's first story, *The War that Saved My Life*, was a #1 New York Times bestseller and won a Newbery Honor, the Schneider Family Book Award, and the Josette Frank Award, in addition to appearing on multiple best-of-the-year lists. This second masterwork of historical fiction continues Ada's journey of family, faith, and identity, showing us that real freedom is not just the ability to choose, but the courage to make the right choice. "Honest . . . Daring." --The New York Times "Stunning." --The Washington Post ★ "Ada is for the ages--as is this book. Wonderful." --Kirkus, starred review ★ "Fans of the first book will love the sequel even more." --SLJ, starred review ★ "Bradley sweeps us up . . . even as she moves

us to tears." --The Horn Book, starred review ★ "Perceptive . . . satisfying . . . will stay with readers." --PW, starred review "Beautiful." --HuffPost

O panorama

Les Misérables is a French historical novel by Victor Hugo that is considered one of the greatest novels of the 19th century. Beginning in 1815 and culminating in the 1832 June Rebellion in Paris, the novel follows the lives and interactions of several characters, focusing on the struggles of ex-convict Jean Valjean and his experience of redemption. Examining the nature of law and grace, the novel elaborates upon the history of France, the architecture and urban design of Paris, politics, moral philosophy, antimonarchism, justice, religion, and the types and nature of romantic and familial love. More than a quarter of the novel is devoted to essays that argue a moral point or display Hugo's encyclopedic knowledge. The topics Hugo addresses include cloistered religious orders, the construction of the Paris sewers, argot, and the street urchins of Paris. Even when not turning to other subjects outside his narrative, Hugo sometimes interrupts the straightforward recitation of events, his voice and control of the story line unconstrained by time and sequence. The story begins in 1815 in Digne, as the peasant Jean Valjean, just released from 19 years' imprisonment in the galleys—five for stealing bread for his starving sister and her family and fourteen more for numerous escape attempts—is turned away by innkeepers because his yellow passport marks him as a former convict. He sleeps on the street, angry and bitter. Digne's benevolent Bishop Myriel gives him shelter. At night, Valjean runs off with Myriel's silverware. When the police capture Valjean, Myriel pretends that he has given the silverware to Valjean and presses him to take two silver candlesticks as well, as if he had forgotten to take them. The police accept his explanation and leave. Myriel tells Valjean that his life has been spared for God, and that he should use money from the silver candlesticks to make an honest man of himself. Six years pass and Valjean, using the alias Monsieur Madeleine, has become a wealthy factory owner and is appointed mayor.

Ready Player One

Numa quarta-feira, um elefante indiano de 5 toneladas, pelo menos, aparece entalado na janela do quarto de um menino que mora num apartamento no 13o andar de um prédio numa grande cidade. A partir daí, esse menino faz de tudo para desentalar o elefante e procura por ajuda entre os moradores do prédio e até entre as pessoas que passam na rua, mas ninguém acredita nele e tampouco no que vê, mesmo que seja a enorme bunda de um elefante no alto de um prédio. Luís, o menino, passa todos os dias da semana sozinho no apartamento, depois de voltar da escola, pois seus pais trabalham até tarde da noite. Ele tem um celular, um aparelhinho cheio de amigos que não param de curtir e compartilhar a foto que fez com o elefante. O elefante entalado é uma fábula urbana sobre o real e o imaginário nos dias de hoje. O final mítico surpreende com a magia de ver o mundo através do fabuloso e, candidamente, pelo olhar de um menino.
