Rawlings Men

A planet plagued with tumult from outsiders and divided by its own religious dichotomy could face extinction if their faiths are not united and an unholy artifact is destroyed. Safiro, the God of Death, and Sanguina, the Goddess of Life, created two heroes (Vytametas) -- mirror twins separated at birth yet destined to meet in a place where the future of their world will be decided by their powers. The only people who know not the ultimate purpose of the legendary Vytametas are the young heroes themselves. While the teenage Vytametas learn of their world and of their mission, they will be turned against each other by the two faiths they are meant to save: the demented Safiric Brotherhood and the shady Sanguinic Sisterhood.

VideoHound's Golden Movie Retriever 1996

It is easy to be happy, but there is a prerequisite. We first must understand how

happiness works. Like anything else in life, things become a lot easier once we understand them. Doing math, for example, is only difficult as long as we don't understand it. Happiness works on the same principle. Rather than teaching us how happiness works, society presents us with stepping-stones on the road to happiness, such as: if you study this, you will get that job, and then you will be happy. If you own this, you will impress your friends, and then you will be happy. If you eat healthy and exercise regularly, you will lose those pounds, and then you will be happy. Lucky Go Happy is not a stepping-stone and will ? demonstrate how we lose out on more than 70 percent of potential happy time by living for weekends; ? explain how contentment can yield the same amount of happiness as ecstasy; ? provide concrete proof that money can never make us happy; ? highlight why it is absolutely essential to be unhappy at times; ? illustrate how a midlife crisis happens; ? offer the simple formula to calculate the amount of happiness, or unhappiness, you experience; ? show that happiness is not around the next corner; it is here and now; and ? help you understand how happiness works. Written for teenagers and adults, this easy-to-read book will equip you with the knowledge to make you happier and happy more often. Rather than waiting for it, you can make happiness happen for yourself and for those around you. ?Money makes the world go round; however, happiness greases the axle. Without this lubricant, life will seize.?

Rodeo

A cowboy who shoots faster than his own shadow, his sarcastic horse, a quartet of incredibly stupid bandits - this is the Old West at its funniest. The 76th adventure of the Lonesome Cowboy!

Lucky Luke - The Complete Collection

Three founding volumes in which Luke loses his cartoon character appearance to become a true Western hero.

Life in the Asperger's Jungle

At the end of the Civil War, many former soldiers turn to a life of crime to survive. Joss Jamon and his gang are among the worst of such men. After ransacking the town of Los Palitos, they arrange for Lucky Luke to be arrested for their crimes. The lonesome cowboy, a rope already around his neck, is forced to make a deal with the angry citizens: bring the real bandits back within six months or hang.

Paul has learned that his father died in an accident – then, a few days later, he’s seen him pass by in a car, alive and well! Shaken by the discovery, the young man continues his investigation and eventually manages to track him down. Unfortunately, that merely causes him to share in his father’s serious troubles. Meanwhile, an increasing number of strange phenomena plague Altair – and awake the interest of the alien Stepanerks.

Vytameta

Thomas Jefferson is known by most as the third president of the United States, but his legacy extends much further than that. Born to a wealthy plantation owner, Thomas was the third of nine children. When he was just fourteen, his father died, leaving him half his land, slaves, and wealth. These circumstances allowed Thomas to attend college at the age of sixteen, and later on, to study under one of the top lawyers of the time. His political history is one of great triumph and struggle. Jefferson first practiced law and served in the government as a member of the House of Burgesses, later serving as a member of the Continental Congress, where he wrote the Declaration of Independence. Jefferson left Congress in 1776 and returned to Virginia to serve in the legislature, and then as Governor of Virginia for two years. He took a brief sabbatical until 1784, when he replaced Benjamin Franklin as minister to France. In 1790, Jefferson became Secretary of State under George Washington and later served as Vice President to John Adams. Jefferson won the presidency in a heated election in 1800. His first term resulted in some notable achievements, including the purchase of the Louisiana Territory in 1803, and then his support of the Lewis and Clark expedition. In his second term, he faced difficulties in the domestic and foreign fronts and was most remembered for his effort to remain neutral in the midst of the conflict between France and Britain. In 1809, President Jefferson was succeeded by James Madison. While he lived out his final seventeen years at his Virginia plantation, Monticello, Jefferson sold his collection of books to the government. Not only did he lay the foundation for the Library of Congress, but he was also the founder of the University of Virginia. Thomas Jefferson passed away on July 4, 1826, just hours before his friend John

Adams died on the same date. It was the fiftieth anniversary of the signing of the Declaration of Independence, and Jefferson was eighty-three years old. Spend some time with this distinguished American and buy the book *Thomas Jefferson - A Short Biography*. 30 Minute Book Series Welcome to the ninth book in the 30-Minute Book Series. Each book in the series is fast-paced, well-written, and accurate, covering the story in as much detail as a short book allows. In less than an hour, you can read or listen to the full book. It is a perfect companion for your lunch hour, or perhaps a nice distraction on your train ride home from work. About the Author Doug West is a retired engineer, small business owner, and an experienced non-fiction writer with several books to his credit. His writing interests are general, with special expertise in science, biographies, and "How-To" topics. Doug has a Ph.D. in General Engineering from Oklahoma State University.

Titles

Can a gentleman looking for a governess find the greatest treasure of all? When James Craig is awakened by the sound of a woman's weeping, he fears he's once again being haunted by a ghost from his past. The powerful railroad tycoon has given up all hope of escaping his nightmares. But when he opens his hotel room door, he finds not a memory, but a flesh-and-blood woman. A woman who makes him ache to take her into his arms and dry her tears... Elizabeth Sadler came to San Francisco with a heart full of hope. After her dreams of a bright future are dashed, she finds unlikely solace in the arms of a stranger. A stranger who just happens to be looking for a governess for his four motherless daughters. Although she tries to resist their charms, Elizabeth soon finds James's little girls — his "Treasures" — sneaking their way past her defenses. But it's their handsome father who poses an even greater danger to her battered heart as Elizabeth finds his stolen kisses and tender touches utterly irresistible. As the shadows of the past gather around them, James and Elizabeth must decide just how many dangers they're willing to brave to claim the greatest treasure of all — true love. Rin Tin Can's Inheritance

Raven Joy was 59 years old when her 34 year old son was officially diagnosed with Asperger's Syndrome. While reading about it she realized it explained her life too. This is her story about their adventures in life as undiagnosed Asperger Adults and what she learned about Asperger's Awareness. She lived on the edge of normal, and learned to cope in unusual and interesting ways. Funny, touching, life affirming, and a window into another way of being and seeing.

Lucky Luke Vol. 62: the Cursed Ranch

Seven billion people on earth; it was only a matter of time before you discovered the truth. Your legends--your myths and religions--have called us by many names. Since the beginning, our kind has walked among you as your protectors. We are the only ones who know who you are and why you are here. He wasn't meant to disappear; you weren't meant to know why. Our objective was clear: hunt them, kill them and leave. Once you know, there will be no going back. They will come for you. Are you ready?

Lucky Luke Vol. 72

CMJ New Music Report

A group of girlfriends' words to live by inspired by personal experiences and the experiences of loved ones they went through pain and love with. This book gave them a space to clapback, throw shade, be vindictive, funny, bitter- whatever got them through to be able to share what they've learned or just needed to get off their chest.

Rock and Roll Love

A very practical look at relationships for those married and single.

Happy-go-lucky

This third volume in the collection brings us to the very edge of absolute greatness, with two later, far more mature solo outings - Doc Doxey's Elixir (including Manhunt) and Phil Wire (including Lucky Luke and Pill) were first published in 1955 and 1956, and already Luke was much closer to the cowboy that we now have in mind - followed by Rails on the Prairie, the first collaboration between Morris and Goscinny, that would usher in 30 years of a legendary collaboration. These stories are prefaced by a staggering 46 pages of extra material - biographies, essays, interviews, illustrations - that will delight every fan.

Distant Worlds - Episode 4

The 62nd adventure of Lucky Luke, and the Old West at its funniest!

The Treasure Bride

When Misako comes to the U.S. as an exchange student from Japan, she is overwhelmed by all the differences—the people, the culture, the indigestion! But with the help of her kind host family and their daughter Natalie, she quickly acclimates to her American high school. Then one night, Natalie brings her to see a band and Misako meets Zak, the lead singer. Suddenly Misako's world is turned upside down. Zak is gorgeous and his songs rock Misako to the core. She falls for him hard, but Zak is a girl magnet and much too flirtatious to trust as a boyfriend. So Misako suppresses her feelings and becomes his friend instead. But then Zak starts to give Misako mixed signals. Should she risk their friendship to tell him how she feels? Or will she end up hurting everyone she cares about? Based on the author's own experience, this is an exuberant and funny tale of all the ups and downs of first love.

Kid Lucky

Lucky Luke has run afoul of a desperado. Fortunately, this ain't his first rodeo! Lucky Luke arrives at Navajo City just in time to sign up for the town's big rodeo. But the prize money promised to the winner is attracting some unsavoury types, and among the participating cowboys is one Cactus Kid, an unrepentant bully and outlaw. The clash is inevitable, both in and outside the arena, and Luke will have to fight with his customary aplomb and humour before riding off to new adventures."

Thomas Jefferson

1871 . . . The very proud Duke of Wexford was about to have his orderly world blown apart. At the age of nineteen Blake Sanders had wed a beautiful, dutiful wife, and she had borne him three children. But now as mid-life approached, the Duchess had the unheard of temerity to leave him! Too mortified by her behavior to mix in ton company, Blake sought companionship with his best friend and neighbor, Anthony Burroughs and his wife Elizabeth. But Blake had forgotten the Burroughs were entertaining a houseguest, Elizabeth's distant cousin, a spinsterish 'Amazon from America'. Gertrude Finch, a champion for women's rights, had long ago decided most men were pretty useless other than Uncle Fred who'd raised her on his horse ranch near Chicago. While traveling with other Suffragists, Gert lectured women on the perils of passion, and the value of independence, but thought of neither when Blake kissed her. While opposite in nearly every way, other than an attraction neither could deny, their one night of passion would change her world, and send Gert scurrying her way back home across the ocean. When Blake discovered his heir had stowed away on Gertrude's ship, he sets out on his own adventure to America, to bring the boy home and to see her once again. Traversing America's vast wilderness, Blake discovered that Gertrude had changed his life. Whether riding the rails or meeting common folk, Blake saw a whole new way of living, but most of all, he realized something about love. He found he was not immune, and his heart could love, and love deeply.

Lucky Go Happy

The Rawlings men have always had a close association with the police force. Those who don't become policemen themselves have always flocked toward related professions. The family is full of forensic psychologists, scene of crime officers and police advisers. And as for those rare Rawlings men who have no interest in maintaining law and order - they can still appreciate a man in uniform, and a finely crafted pair of handcuffs! This volume contains the first four stories in the series: In Handcuffs and Leather, Dr. Rawlings wants nothing more than to help Constable Hadley overcome a traumatic event endured while on the job. Nothing, perhaps, except to teach the younger man what dominance and submission are really about. Hadley's about to find out what it's like to be restrained by a lover rather than a criminal. In Handcuffs and Glory Holes, Sergeant Conrad Rawlings discovers that even hiding behind a glory holes can't stop him coming face to face with a submissive in need. When he catches sight of Willis, as they exit neighboring cubicles, what was supposed to be a fleeting hook up quickly becomes far more. In Handcuffs and Headlocks, undercover police officer Ed Rawlings has become so good at playing pretend he's finding it increasingly difficult to return to reality and remember who he really is. Can martial arts instructor Derby Fitzgerald remind Ed how good it feels to be himself? In Handcuffs and Trouble, Trent Rawlings has just joined the force. He isn't surprised to find himself being hazed. He's content to play along and take it in good grace. Kieran Osmond, however, is furious to find a newbie stumbling into his undercover operation. He has no choice but to rescue Trent, but he has no idea how much trouble that will lead to.

Can I Get a Little Help? I'm Married! / I'm Single

In a response to the book Neurotribes and the idea of neurodiversity Travis talks about the dangers of the neurodiversity movement and advocates for more advocacy movements for people with autism who would like a cure for autism. Autism looks different for everyone so each person wants something different and there is a great need to meet the needs of all autistic people to ensure their happiness. Autism is such a wide spectrum that Travis speaks of a need to have more diagnosis than just autism and asperger syndrome because there are so many different functioning levels to it. The more diagnosis that we end up having the better we will be able to provide help to those in need because we have a greater understanding of what each type of person is looking for. This book is all about how to advocate for all people and include all people with autism and not just a specific group of people.

Fancy Coloring

Pi & The English Alphabet Volume 3 is the continued exploration of sacred number and the mystical properties of language. Delving deeply into such things as the Monogram of Christ, Billiards, the Pythagorean Theorem, the Skull & Bones society as well as the Hebrew, French, German and Spanish alphabets, to name but a few, Pi & TEA Vol. 3 is the ultimate esoteric journey into the mathematics of language.
