## **The Encyclopaedia Britannica**

## **The British National Bibliography**

The two-volume *A Companion to Sparta* presents the first comprehensive, multi-authored series of essays to address all aspects of Spartan history and society from its origins in the Greek Dark Ages to the late Roman Empire. Offers a lucid, comprehensive introduction to all aspects of Sparta, a community recognised by contemporary cities as the greatest power in classical Greece. Features in-depth coverage of Sparta history and culture contributed by an international cast including almost every noted specialist and scholar in the field. Provides over a dozen images of Spartan art that reveal the evolution of everyday life in Sparta. Sheds new light on a modern controversy relating to changes in Spartan society from the Archaic to Classical periods.

## **A Companion to Women in the Ancient World**

## **Edinburgh Companion to the History of Democracy**

This companion to the British Constitution was born out of the view that the tendency for modern political studies to concentrate on processes rather than structures results in a failure to understand basic political terminology. Readers coming to politics for the first time often do not have the basic vocabulary with which to understand the subject. This book is an attempt to provide that basic vocabulary. An introductory survey of concepts relating to the constitutional framework leads to a glossary in which basic terminology is clearly defined and extensively cross-referenced. The glossary can therefore be used as a reference to find the meaning of a word or expression, as an aid to developing a newcomer's ideas or to provide illustrative material for essays.

## **A Companion to Paleopathology**

## **The Politics Today Companion To the British Constitution**

African diaspora in the Americas and the Caribbean from the 15th to the 20th centuries. Central to the book are detailed chronologies on the development and decline of the slave trade, slavery in colonial North and South America, the Caribbean and the United States, movements for emancipation, and the progress of black civil rights. Separate sections look at the long-running resistance against slavery and the black civil rights movements in the Americas and the Caribbean, with a comparative chronology of apartheid in South Africa. Supported by biographies of over 100 key individuals and a full glossary providing definitions of crucial terms, expressions, ideas and events, this is required reading for anyone interested in the historical experience of slavery.

### **The Magistrate's Pocket Companion**

What did the ancient Greeks eat and drink? What role did migration play? Why was emperor Nero popular with the ordinary people but less so with the upper classes? Why (according to ancient authors) was Oedipus ('with swollen foot') so called? For over 2,000 years the civilizations of ancient Greece and Rome have captivated our collective imagination and provided inspiration for so many aspects of our lives, from culture, literature, drama, cinema, and television to society, education, and politics. Many of the roots of the way life is lived in the West today can be traced to the ancient civilizations, not only in politics, law, technology, philosophy, and science, but also in social and family life, language, and art. Beautiful illustrations, clear and authoritative entries, and a useful chronology and bibliography make this Companion the perfect guide for readers interested in learning more about the Graeco-Roman world. As well as providing sound information on all aspects of classical civilization such as history, politics, ethics, morals, law, society, religion, mythology, science and technology, language, literature, art, and scholarship, the entries in the Companion reflect the changing interdisciplinary aspects of classical studies, covering broad thematic subjects, such as race, nationalism, gender, ethics, and ecology, confirming the impact classical civilizations have had on the modern world.

### **Documents of the Senate of the State of New York**

Selected by Choice as a 2012 Outstanding Academic Title Awarded a 2012 PROSE Honorable Mention as a Single Volume Reference/Humanities & Social Sciences A Companion to Women in the Ancient World presents an interdisciplinary, methodologically-based collection of newly-commissioned essays from prominent scholars on the study of women in the ancient world. The first interdisciplinary, methodologically-based collection of readings to address the study of women in the ancient world Explores a broad range of topics relating to women in antiquity, including: Mother-Goddess Theory; Women in Homer, Pre-Roman Italy, the Near East; Women and the Family, the State, and Religion; Dress and Adornment; Female Patronage; Hellenistic Queens; Imperial Women; Women in Late Antiquity; Early Women Saints; and many more Thematically arranged to emphasize the importance of historical themes of continuity, development, and innovation Reconsiders much of the well-known evidence and preconceived notions relating to women in antiquity Includes contributions from many of the most prominent scholars associated with the study of women in antiquity

## **The Edinburgh Companion to Ancient Greece and Rome**

The Edinburgh Companion, newly available in paperback, is a gateway to the fascinating worlds of ancient Greece and Rome. Wide-ranging in its approach, it demonstrates the multifaceted nature of classical civilisation and enables readers to gain guidance.

## **Justice of the Peace**

## **The Police Court Companion**

## **The Cambridge Companion to Spinoza's Ethics**

## **The Oxford Companion to Classical Civilization**

## **A Companion to Augustine**

Since its publication in 1677, Spinoza's Ethics has fascinated philosophers, novelists, and scientists alike. It is undoubtedly one of the most exciting and contested works of Western philosophy. Written in an austere, geometrical fashion, the work teaches us how we should live, ending with an ethics in which the only thing good in itself is understanding. Spinoza argues that only that which hinders us from understanding is bad and shows that those endowed with a human mind should devote themselves, as much as they can, to a contemplative life. This Companion volume provides a detailed, accessible exposition of the Ethics. Written by an internationally known team of scholars, it is the first anthology to treat the whole of the Ethics and is written in an accessible style.

## **The Canadian Parliamentary Companion**

This title offers a broad overview of the field that has evolved over the last few decades into an exploration of disease processes in the human skeleton.

## **The Encyclopaedia Britannica, Or Dictionary of Arts, Sciences, and General Literature**

A Companion to Livy features a collection of essays representing the most up-to-date international scholarship on the life and works of the Roman historian Livy. Features contributions from top Livian scholars from around the world Presents for the first time a new interpretation of Livy's historical philosophy, which represents a key to an overall interpretation of Livy's body of work Includes studies of Livy's work from an Indo-European comparative aspect Provides the most modern studies on literary archetypes for Livy's narrative of the history of early Rome

## **The Longman Companion to the Labour Party, 1900-1998**

## **The Stanford Companion to Victorian Fiction**

A Companion to Augustine presents a fresh collection of scholarship by leading academics with a new approach to contextualizing Augustine and his works within the multi-disciplinary field of Late Antiquity, showing Augustine as both a product of the cultural forces of his times and a cultural force in his own right. Discusses the life and works of Augustine within their full historical context, rather than privileging the theological context. Presents Augustine's life, works and leading ideas in the cultural context of the late Roman world, providing a vibrant and engaging sense of Augustine in action in his own time and place. Opens up a new phase of study on Augustine, sensitive to the many and varied perspectives of scholarship on late Roman culture. State-of-the-art essays by leading academics in this field.

## **The Union Bible Companion**

Legal terms are defined, concepts and principles explained, and notable judges and jurists portrayed from the origins of the Western legal tradition in ancient Greece and Rome to the present.

## **Binn's Justice, Or Magistrate's Daily Companion**

An engaging guide to a rich literary heritage, The Stanford Companion presents a fascinating parade of novels, authors, publishers, editors, reviewers, illustrators, and periodicals that created the culture of Victorian fiction. Its more than 6,000 alphabetical entries provide an incomparable range of useful and little-known source material, its scholarship enlivened by the author's wit and candor.
