The emphasis of MANAGERIAL ACCOUNTING, 6e is on teaching students to use accounting information to best manage an organization. In a practice Hilton pioneered in the first edition, each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. Known for balanced examples of Service, Retail, Nonprofit and Manufacturing companies, Hilton offers a clear, engaging writing style that has been praised by instructors and students alike. As in previous editions, there is significant coverage of contemporary topics such as activity-based costing, target costing, the value chain, customer profitability analysis, and throughput costing while also including traditional topics such as job-order costing, budgeting and performance evaluation.

Accounting

This ambitious, interdisciplinary book seeks to explain the origins of religion using our knowledge of the evolution of cognition. A cognitive anthropologist and psychologist, Scott Atran argues that religion is a by-product of human evolution just as the cognitive intervention, cultural selection, and historical survival of religion is an accommodation of certain existential and moral elements that have evolved in the human condition.

Expanding on Proven Success with Horngren's Financial and Managerial Accounting Horngren's Financial and Managerial Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab ® MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Accounting

An audience-centered approach to public speaking Public Speaking: An Audience-Centered Approach brings theory and practice together. Its distinctive and popular approach emphasizes the importance of analyzing and considering the audience at every point in the speech making process. This model of public speaking is the foundation of the text, and it guides students through the step-by-step process of public speaking, focusing their attention on the dynamics of diverse audiences, and narrowing the gap between the classroom and the real world. MyCommunicationLab is an integral part of the Beebe/Beebe program. MyCommunicationLab is an integral part of the Beebe/Beebe program. With extensive opportunities for the application of course content, MyCommunicationLab helps students become better speakers and master key public speaking concepts. Interactive videos provide students with the opportunity to watch and evaluate sample speeches. Online self-assessments and pre- and post-tests help students assess their comfort level with public speaking and their knowledge of the material. MediaShare allows students to post speeches and share them with

classmates and instructors. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. --

Loose-leaf Intermediate Accounting

"Introduction to Managerial Accounting," 5/e by Brewer/Garrison/Noreen is based on the market-leading text, "Managerial Accounting," by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; Brewer 5e has been rethought and retooled to meet the needs of the market. Brewer 5e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

Managerial Accounting

Management

Grounded firmly in real-world practice, Forensic Accounting, 2nd Edition, provides the most comprehensive view of fraud investigation on the market. Where other books focus almost entirely on auditing and financial reporting, Hopwood includes a vast range of civil and criminal accounting fraud and related activities, from false business valuations and employer fraud to information security and counter-terrorism. The author team's experience in fraud investigation lends the book a real-world perspective unmatched by any other textbook.

Accounting

Managerial Accounting For Dummies

Make today's management theories and applications meaningful, memorable, and engaging for your students with **MANAGEMENT**. Master storyteller, award-winning educator, and accomplished author Chuck Williams uses a captivating narrative style to illuminate today's most important management concepts and to highlight practices that really work in today's workplace. Because students retain and better understand information that is personally relevant, Dr. Williams weaves more than 50 detailed, unforgettable examples and stories into each chapter in this edition. Proven learning features and self-assessments keep concepts intriguing and applicable to students' daily lives. In addition, fresh scenarios, new cases, and new video cases reflect the latest management innovations at work in well-known organizations throughout the world. The book's comprehensive support package further helps you prepare each student for managerial success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Managerial Accounting

Financial Accounting's distinctive focus company approach motivates students by involving them in the business decisions of a real company, demonstrating how using financial accounting information in decision making makes a difference in the success of a firm. This balanced approach ensures students understand both the preparation and use of financial statements. Libby's pedagogical features and wealth of end of chapter material have been praised by students and instructors alike - making it a market leader in financial accounting. In addition, today's students have diverse learning styles and numerous time commitments and they want technology supplements that help them study more efficiently and effectively. Lyryx Assessment, an online homework assessment solution, and iStudy, an interactive online study guide, provide students with powerful online tools tied directly to Financial Accounting Third Canadian edition. These tools will help students maximize their study time and make their learning experience more enjoyable.

Cornerstones of Managerial Accounting

For undergraduate and graduate courses in advanced accounting. An in-depth guide to accounting that reflects the most up-to-date business developments. This comprehensive textbook addresses practical financial reporting problems while reflecting recent business developments and changes in accounting standards. This edition has been rewritten to align with the Financial Accounting Standards Board Accounting Standards Codification.

IT Strategy: Issues and Practices, Global Edition

Covers the strategic management topics in cost accounting. This title helps students to understand about the management and the role of cost accounting in helping an organization succeed. It addresses issues such as: How does a firm compete? and What type of cost management information is needed for a firm to succeed?

Cost Management

Equip your students with the managerial accounting knowledge they need to become influential business leaders with the unique integrated learning system in CORNERSTONES OF MANAGERIAL ACCOUNTING, 6E. Based on extensive research, the CORNERSTONES approach presents materials the way today's students learn. The step-by-step CORNERSTONES approach helps students establish a strong foundation before moving forward. Students master the basics more quickly so they can transition to analyzing and applying concepts. Rather than focusing on concepts in isolation, the text presents accounting as a system—emphasizing how the end result changes based on how the numbers affect each other. CORNERSTONES OF MANAGERIAL ACCOUNTING's well-rounded approach helps students master basic managerial accounting concepts, explore the interrelationships of key variables, make sound decisions based on careful analysis, and apply their skills to business situations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cost Management

This text is an unbound, three hole punched version. Government and Not-for-Profit Accounting, 7th Edition by Michael Granof, Saleha Khumawala, Thad Calabrese, and Daniel Smith makes students aware of the dynamism of government and not-for-profit accounting and of the intellectual challenges that it presents. Not only does the 7th edition keep students informed of current accounting and reporting standards and practices, but it also ensures that they are aware of the reasons behind them, their strengths and limitations, and possible alternatives.

Horngren's Financial & Managerial Accounting, The Managerial Chapters

Solutions Manual for Financial Accounting

Advanced Accounting

Management Accounting explains the contemporary role of management accounting in business and demonstrates how it creates and enhances value. This seventh edition continues to help students build a strong foundation in management accounting by showing how the theory translates into real-world application. Technical accuracy is once again a hallmark of this market-leading and trusted resource. This edition has been thoroughly updated including revisions of sustainability reporting and social responsibility, and numerous case studies of real-world practices from Australia, New Zealand and beyond. Brand new and revised end-of-chapter activities provide students with the opportunity to apply what they are learning in real-world situations. This edition combines authoritative, peer-reviewed content with superior educational technology. The pedagogical framework from the text continues inside the powerful Connect platform to provide a closely integrated learning solution. Interactive algorithmic activities with refreshable data sets provide almost unlimited opportunity for students to practice and receive immediate feedback.

Financial and Managerial Accounting

Accounting for Governmental and Nonprofit Entities

Hilton/Maher/Selto (HMS) addresses traditional cost concepts, but makes cost accounting functional by focusing on measuring and managing costs. HMS maintains that, "Costs don't just happen," and with a pro-active approach toward costs, accountants can add value to an organization. Faculty will appreciate the new and more conventional chapter organization in the first two sections of the text. The real-world approach of this text, including the use of focus companies and the new accompanying focus sites, provides a realistic business environment, and aids in student comprehension and interest in the subject.

Financial Accounting

Garrison - Your guide through the challenging waters of managerial accounting. For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the Canadian eighth edition of Managerial Accounting by Garrison, Chesley, Carroll and Webb with an image that encapsulates the greatest strengths of this market leading text. Garrison is your guide through the challenging waters of managerial accounting. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Managerial Accounting 8ce focuses, now as in the past, on three qualities: Relevance, Balance and Clarity. The authors' steady focus on these core elements has led to tremendous results! As seafarers look to the lighthouse for direction along

unfamiliar shore, so too can Garrison act as a compass for students seeking to master this course.

Forensic Accounting and Fraud Examination

Managerial Accounting

Accounting: Text & Cases, by Anthony, Hawkins, and Merchant covers both financial and managerial accounting as well as broader managerial issues. Chapters 1 -14 cover financial accounting, while Chapters 15-21 cover management accounting, and Chapters 22-28 focus on broader issues of control and corporate strategy. The approximately 120 cases that make up most of the end of chapter material are a combination of classic Harvard style cases and extended problems, with 10 completely new cases added to the 13th edition. Accounting: Text and Cases is a product of lifelong dedication to the discipline of accounting, and users of the book benefit from a breadth of experience that is sure to enrich your course and your students.

Management Accounting 2 (Custom Edition).

Advanced Accounting delivers an in-depth, comprehensive introduction to advanced accounting theory and application, using actual business examples and relevant news stories to demonstrate how core principles translate into real-world business scenarios. Clearly defined and logically organized Learning Objectives aid in student comprehension, while highlighted Related Concepts illustrate how individual concepts fit into the larger picture. Short answer questions throughout the chapter allow students to test their knowledge before reaching the more in-depth end-of-chapter questions, promoting a deeper understanding of both technical and conceptual aspects of the field. Written by active accounting researchers, this text brings clarity and flexibility to the central ideas underlying business combinations, consolidated financial statements, foreign currency transactions, partnerships, non-profit accounting and more. This new Seventh Edition has been updated to reflect the latest changes to FASB and GASB standards, allowing students to build a skill set based on up-to-date practices. With a student-oriented pedagogy designed to enhance comprehension, promote engagement, and build real-world understanding, this user-friendly book provides an essential foundation in current advanced accounting methods and standards.

Managerial Accounting

Introduction to Managerial Accounting

Closely examine the impact of today's changing, competitive environment on commercial banks and banking services, as well as the entire financial services industry, with Koch/MacDonald's BANK MANAGEMENT, 7E. This new edition reflects the latest changes and developments, from complete regulatory updates to details of the many programs evolving amidst today's financial crises. Whether your students are practicing or future professionals, they will gain a better understanding of the risks associated with loans and securities, the process of securitization, excessive leverage and inadequate liquidity. Core business models demonstrate value core operating earnings versus trading as well as price- and volume-driven profits. The book provides a framework for developing effective strategies that ensure a proper balance between management's profit targets and allowable risk taking. The book's unique approach to understanding commercial bank management from a decision-making perspective presents actual bank managers making strong financial decisions. Your students clearly see how decisions in one area affect performance and opportunities in other areas. Students gain a solid foundation in the key issues confronting managers today as they become familiar with basic financial models used to formulate decisions and better understand the strengths and weaknesses of data analysis. With the help of this latest edition, students develop the logical thought processes needed to achieve strong financial and management results.
