Lakhmir Singh's Science Physics for ICSE Class 8

Themes in World History

When the world was new, the camel, a creature of 'scruciating idleness, said "Humph!" too often and received for all time a hump[h] from the Djinn of All Deserts.

Inquisitive Social Sciences For Class -8

Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is an intriguing story of two friends-one Hindu and the other Muslim. Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons. Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow. Although it is set in the India of the 1960s, the communal tensions and issues portrayed in the novel make it just as relevant to the troubled times we face today. This fascinating novel will be of tremendous interest to the general reader, as well as to students of literature in translation, partition fiction, and social history. The novel's engagement with intertextuality and metafiction will add to its interest for readers keen on literary theory.

AWARENESS SOCIAL SCIENCES FOR CLASS 8

The educational process has undergone a sea of change in the last few years and has become more demanding than ever before. For more than two decades, Xam idea has helped thousands of students prepare for exams by providing hand-picked questions and solutions strictly in accordance with the CBSE syllabus.

MATHSWIZ BOOK 7

This is an attempt to cater the needs of Indian learners who belong to the disadvantaged regions where English learning becomes obstacle. The book incorporates the basic principle of English Grammar and their usage.

Lakhmir Singh's Science for Class 8

A stunning facsimile of the 1919 first edition of William Butler Yeats's *The Wild Swans at Coole*: an elegant volume showcasing these poems as they would have first been read and a complement to facsimile editions *The Winding Stair* and *The Tower*. Published in 1919 during W.B. Yeats's "middle stage" and composed of poems written during World War I, *The Wild Swans at Coole* is contemplative and elegiac. This collection captures Yeats at a time when he was looking back on his life, coming to terms with the realities of modern war, reflecting on lost love, and defining his place in the world as a poet. It features forty poems, among them "The Fisherman," "In Memory of Major Robert Gregory," "The Wild Swans at Coole," and "On Being Asked for a War Poem." This facsimile of the original 1919 edition presents the reader with the work in its original form, with handsome old fashioned type, how readers and Yeats himself would have seen it in the early twentieth century. A great gift book and collector's item, *The Wild Swans at Coole* also includes an Introduction and notes by esteemed Yeats scholar George Bornstein.

Voices Coursebook - 8

Composite Mathematics is a series of books for Pre Primer to Class 8 which conforms to the latest CBSE curriculum. The main aim of writing this series is to help the children understand difficult mathematical concepts in a simple manner in easy language.

Dreamcatcher 8

Middle School English Grammar and Composition

NCERT English Practice Book 8

History of Modern India presents an authoritative overview of the history of what was known as British India. The text is largely based on the author's research on nationalism and colonialism in India and also draws from the works of eminent historians of the period. Challenging and revising colonial and nationalist interpretations of history, this book moves away from a largely political narrative to a social, economic and religious history of modern India. It explains how conditions in India during the eighteenth century helped the British East India Company establish its rule in India. It also gives us important insights into the primary aim of colonial rule which was the economic exploitation of India through trade and investment. The topics are arranged thematically in order to showcase the various forces that went into the making of independent India. However, in the entire arrangement of themes, the chronology of the period is enmeshed innovatively with the various forces that evolved both as a cause and effect of British imperialist rule of the subcontinent. The book also provides a detailed account of the nationalist movement and introduces us to the contributions of different individuals who were behind the nationalist movement. A comprehensive textbook for students of history and interested readers, History of Modern India is essential reading for a broad based understanding of the making of modern India.

New Log On To Computers - 8

Macavity' (the mystery cat!) is one of the best-loved poems from T. S. Eliot's "Old Possum's Book of Practical Cats - "the inspiration for "Cats: The Musical -" beloved by generations of children and their parents. Now, Macavity is given a new life in this stunning picture book with illustrations from Arthur Robins that perfectly convey all the wit and humor of Eliot's creation. Perfect for ages 3+, children (and parents) will love reading aloud about T.S. Eliot's best-loved cat. To sit alongside other classics such as "The Gruffalo," "The Tiger Who Came to Tea," and Spot.

The Duck and the Kangaroo

This epoch-making and monumental work on Vedic Mathematics unfolds a new method of approach. It relates to the truth of numbers and magnitudes equally applicable to all sciences and arts.

The History of British India

When a letter is found in a secret drawer discussing a wonderful event that happened on Christmas during wartime in 1914, the finder of the letter returns it to the addressee who is living in a nursing home.

Macavity

A once selfish giant welcomes the children to his previously forbidden garden and is eventually rewarded by an unusual little child.

The Discovery of India
