Junior Encyclopedia of Animated Characters (Refresh)

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the

bad, and the best way forward.

When you wish upon a star', 'Whistle While You Work', 'The Happiest Place on Earth' - these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Disney animation, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves throughout the world. DISNEYWAR is the dramatic inside story of what drove this iconic entertainment company to civil war, told by one of America's most acclaimed journalists. Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as hundreds of pages of never-before-seen letters and memos, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years. In riveting detail, Stewart also lays bare the creative process that lies at the heart of Disney. Even as the executive suite has been engulfed in turmoil, Disney has worked - and sometimes clashed - with a glittering array of Hollywood players, many of who tell their stories here for the first time.

Helen's Babies

From its Magic Kingdom theme parks to its udderless cows, the Walt Disney Company has successfully maintained itself as the brand name of conservative American family values. But the Walt Disney Company has also had a long and complex relationship to the gay and lesbian community that is only now becoming visible. In *Tinker Belles and Evil Queens*, Sean Griffin traces the evolution of this interaction between the company and gay communities, from the 1930s use of Mickey Mouse as a code phrase for gay to the 1990s "Gay Nights" at the Magic Kingdom. Armed with first-person accounts from Disney audiences, Griffin demonstrates how Disney animation, live-action films, television series, theme parks, and merchandise provide varied motifs and characteristics that readily lend themselves to use by gay culture. But Griffin delves further to explore the role of gays and lesbians within the company, through an examination of the background of early studio personnel, an account of sexual activism within the firm, and the story of the company's own concrete efforts to give recognition to gay voices and desires. The first book to address the history of the gay community and Disney, *Tinker Belles and Evil Queens* broadly examines the ambiguous legacy of how modern consumerism and advertising have affected the ways lesbians and gay men have expressed their sexuality. Disney itself is shown as sensitive to gay and lesbian audiences, while exploiting those same audiences as a niche market with strong buying power. Finally, Griffin demonstrates how queer audiences have co-opted Disney products for themselves-and in turn how Disney's corporate strategies have influenced our very definitions of sexuality.

A chivalrous knight-errant and the power of his imagination finds reality in this adaptation of the classic novel by Miguel de Cervantes that stars Goofy and Mickey Mouse! Goofy is an uptight comic book store manager with not a care for the fantastical stories in the comics he sells. Mickey, on the other hand, is an eager, enthusiastic store keeper, rejoicing in the next new release. When a box of comics accidentally knocks Goofy over the head, he wakes with a case of literary possession--assuming the persona of knight-errant Don Goofote of Castilla! Worried for his friend's psyche, Mickey humors Goofy's newfound identity and undertakes his place as squire, Sanchito Mouse! For Don Goofote, though the line between fantasy and reality is blurred, he won't let anything escape his binocular eyes and they battle criminals, giants, and beasts. But there's something more sinister lurking beneath Goofy and Mickey's city--something far from make-believe and beyond their dreams . . . Will Don Goofote and Sanchito Mouse find a way back to reality in time to save the day?

A Mickey Mouse Christmas Collection Story: The Prince and the Pauper

From Mouse to Mermaid, an interdisciplinary collection of original essays, is the first comprehensive, critical treatment of Disney cinema. Addressing children's classics as well as the Disney affiliates' more recent attempts to capture adult audiences, the contributors respond to the Disney film legacy from feminist, marxist, poststructuralist, and cultural studies perspectives. The volume contemplates Disney's duality as an American icon and as an industry of cultural production, created in and through fifty years of filmmaking. The contributors treat a range of topics at issue in contemporary cultural studies: the performance of gender, race, and class; the engendered images of science, nature, technology, family, and business. The compilation of voices in From Mouse to Mermaid creates a persuasive cultural critique of Disney's ideology. The contributors are Bryan Attebery, Elizabeth Bell, Claudia Card, Chris Cuomo, Ramona Fernandez, Henry A. Giroux, Robert Haas, Lynda Haas, Susan Jeffords, N. Soyini Madison, Susan Miller, Patrick Murphy, David Payne, Greg Rode, Laura Sells,

and Jack Zipes.
