Never Forsaken

They say that behind every great man is a great woman but what if that woman is a Werewolf? THIS IS A MONSTER BOOK - We have taken pains to price the book low. (Craig is crying in the corner, don't mention I reduced it to what you see). The readers LOVE the Nomad! "This series is one of the best I've ever read." "This is the series that keeps on going with great writing and wonderful characters." "I absolutely love this series, and hate the wait at the same time between books." The Forsaken have gone into hiding, and Terry sends the Force de Guerre's tactical teams on missions around the globe to root the evil ones out. When Ted can no longer keep the pod flying, things heat up quickly in a race to corner and finish Mister Smith. Nomad's Force starts nearly one-hundred years before Michael's return to earth and the events that happen in Justice Is Calling. What does the mundane look like when gearing up for war? This snippet is a taste of that. How can TH keep the blade sharp when no enemy stands before him? What will his kids do? Always his children, but not children. The FDG finds out how small they really are when they have to search the world for their enemy. And the New Schwabenland pod is getting old and doesn't charge like it used to. Is Terry's dominance waning?

Dragon Invasion

Stephen walked into the office which Barnabas was using as his judge's chamber. While the massive amount of data Bethany Anne's team was throwing at him was more than enough to assuage his curiosity, he had never felt this way in the last one hundred and fifty-two years. He wanted a vacation. He pulled the top manila-folder and took a look at the name, "Clarissa Bernier, CEO." He opened the folder, and it was now in the agreed upon fashion. There was one page with her typical information of name, age, location, and a two paragraph background and the requested punishment. It was a type of joke now between Barnabas and Bethany Anne. No matter the requested punishment, she would strike it out and write "DEATH" and put a happy face on, with fangs. It let him know that she was not letting up on her desire to make a lot of people pay for Michael's death. The team had already executed six individuals across the world in the last three months.

Sean Truitt was just the first one. Stephen interrupted him, "You look tired," he spoke as he took a seat in one of the two blue chairs facing Barnabas's desk. Barnabas leaned back, keeping the folder open, "Is she serious?" He pointed to the document, "Even ADAM, using our agreed punishment matrix is calling for this lady to be punished financially." He closed the folder, "She walks the line towards Michael all the time, brother" To be continued

Queen Bitch

I'm good at two things: finding treasure and killing demons. Lying low is a close third-but not because I want to be good at hiding. I have to be. I'm a FireSoul, one of the unlucky few to inherit a piece of the dragon's soul. Being born with the dragon's covetousness should be a sweet gig - I have the power to find and steal any type of treasure, including the powers of other supernaturals. But it doesn't come without a price - stealing powers requires that I kill, and others would destroy me if they discover what I am. In a world full of magic, hiding my species is the only way to survive. Finding magical artifacts is the only way to pay the bills. It's a dangerous job when you can barely use your magic, but that's one of the things I like about it. When Aidan Merrick, the most powerful shifter in the city, hired me to find an ancient scroll, I didn't want to take the job. His immense amount of power reminds me of too much of murky memories from a past I can't remember. But I don't have a choice. The scroll reveals what I am. And if anyone finds out, I'm dead.

Death Becomes Her

Skylar's death came not at the end, after a long fulfilling existence, not in the middle, as a result of an untimely tragic event-but at the beginning, with her birth. As a final effort to save her dying unborn child, Skylar's pregnant mother, a witch, sacrificed herself by invoking a powerful spirit shade to inhabit Skylar's body, imbuing her with life. For twenty-three years, Skylar lived a life of oblivion, content with her simple job, loving adoptive mother and the monthly inconvenience of a full moon hangover after being sedated and caged when she changed into a wolf. It wasn't exciting but it was her life until one night, she woke up in a strange room in the middle of rural Illinois-bruised and with jumbled memories of her mother's death from a vampire attack. The Midwest pack comes to her rescue. Known for being more ruthless than altruistic, she doesn't know if she can trust them. But after an assassination attempt by a necromancer, an abduction attempt by a mercenary, and more aggressive and violent attacks by the vampires, she has no other choice but to accept their help. The Midwest pack quickly discover that Skylar is the host to a spirit shade, who gives her magical abilities, that make her as much of a danger as an asset and that she is the key to the vampires' plan to perform a ritual that will give them unrestricted power. Tension rises as the pack become divided between those who think her life is worth protecting as a potential ally and those who believe she is too dangerous to live. In the end, Skylar finds herself fighting for her life-a life that may be tragically taken too soon.

Nomad Found

A resource for fans of The Kurtherian Gambit. End of the world as we know it. Plausible. Scary in its simplicity. Horrible in its effect. Set in the Kurtherian Gambit Universe, this story explains how a few mistakes can have grave consequences. Unfortunately, the technology in the following short story is real. Yes, this could happen. Dammit. Who wants to really dwell on these things? This story was written by Craig Martelle, based on the original WWDE Document as authored by Jeff Morris. You get both in this one short story which gives you insight into how a fiction author takes a technical document and makes a story out of it. Otherwise, I would label this, "Crap, I don't want to ever, ever, ever think about."
