life so Ali: A Life is an epic of a biography . . . pages in succession its narrative reads like a novel—a suspenseful novel with a cast of vivid characters.” – Joyce Carol Oates, New York Times Book Review

Muhammad Ali was born Cassius Clay in racially segregated Louisville, Kentucky, the son of a sign painter and a housekeeper. He went on to become a heavyweight boxer with a dazzling mix of power and speed, a warrior for racial pride, a comedian, a preacher, a poet, a draft resister, an actor, and a lover. Millions hated him when he changed his religion, changed his name, and refused to fight in the Vietnam War. He fought his way back, winning hearts, but at great cost. Jonathan Eig, hailed by Ken Burns as one of America’s master storytellers, sheds important new light on Ali’s politics, religion, personal life, and neurological condition through unprecedented access to all the key people in Ali’s life, more than 500 interviews and thousands of pages of previously unreleased FBI and Justice Department files and audiotaped interviews from the 1960s. Ali: A Life is a story about America, about race, about a brutal sport, and about a courageous man who shook up the world.

- Exclusive never-before-seen photos of Ali and other stars of the '70s boxing scene- Celebrates one of the greatest heavyweight champions of all time, as well as those who went up against him in the ring- This edition also includes a special introductory essay by the late, great Jimmy Breslin

From award-winning photographer Michael Brennan comes a book highlighting his extensive archive of powerful and sometimes very moving images from the world of boxing. *They Must Fall: Muhammad Ali and the Men He Fought* features images of not only Ali, the 'Greatest of All Time', but also of the men he fought in the ring. Brennan located former opponents for a special feature that ran over several pages in *Sports Illustrated*, to discover for himself where these great athletes ended up. "Around 1978, I had been in Houston, Texas photographing former Ali opponent George Foreman who had then reinvented himself as a roadside preacher. On the plane back to NYC, I thought, 'if that's what George is doing I wonder what the rest of his opponents are up to?' I set out to track down as many of the old guys as I could find. I really had no idea what I was going to do with the project. My first old opponent was coincidentally Ali's very first professional opponent, a man called Tunney Hunsaker. He was, at that time, the Police Chief of Fayetteville, West Virginia. After finding eight or nine guys, through a friend I pitched the idea to a guy called Gil Rogin, then the Editor of *Sports Illustrated*. I'm not exaggerating when I say he was 'all over it' immediately. He then commissioned me to track down many more." Willie Besmanoff, who fought Ali in 1961, became a youth counsellor. George Logan, who

lost in a technical knockout in 1962, became a school truancy officer. When Brennan took photos of Joe Frazier in 1979, he was performing as a cabaret singer. Frazier fought Ali three times, winning the first fight in a famed Madison Square Garden match in 1971, but later lost in 1974 and 1975. Buster Mathis, who lost in 1971, went on to load trucks. George Foreman, who lost by a knockout in the 8th round in 1974, reinvented himself as a roadside preacher in 1978. This unique book is a look through Brennan's archive with a spotlight on the 1970s. It will contain several never-before-seen photos. With text throughout by Michael Brennan, including his original 1981 Sports Illustrated essay, this is an eye-opening and fascinating account of Ali and the men who challenged him in the ring. This edition also includes a special introductory essay by the late, great Jimmy Breslin.

Scheduled for publication in the same month as three significant anniversaries in Ali's ring career: his return from ring exile against Joe Quarry (35 years ago), his climactic third fight against Joe Frazier (30 years ago) and the beating he absorbed at the hands of Larry Holmes (25 years ago). 'Muhammad Ali: The Lost Legacy' is the most important work on its subject since 'Muhammad Ali: His Life and Times' was published to international acclaim 14 years ago. Thomas Hauser has continued to observe and comment upon Ali with a series of essays that are published here as a collection for the first time, including one final previously unpublished essay. Forty-one black and white photos of Ali accompany the text. 'Muhammad Ali: The Lost Legacy' fills in the gaps in the record of Ali's life from beginning to end. Ali's love affair with the world reached its zenith in 1996, when he was chosen to light the Olympic flame in Atlanta. But since then,' writes Hauser, 'there has been a determined effort to rewrite history. In order to take advantage of Ali's economic potential. All of the rough edges are being filed away from Ali's life story and he has been turned into a virtual Disney

Former boxing legend Muhammad Ali, one of the best-known and best-loved celebrities and an international good-will ambassador, offers inspiration and hope as he describes the spiritual philosophy that sustains him. "During my boxing career, you did not see the real Muhammad Ali. You just saw a little boxing. You saw only a part of me. After I retired from boxing my true work began. I have embarked on a journey of love." So Muhammad Ali begins this spiritual memoir, his description of the values that have shaped and sustained him and that continue to guide his life. In *The Soul of a Butterfly* the great champion takes readers on a spiritual journey through the seasons of life, from childhood to the present, and shares the

beliefs that have served him well. After fighting some of the fiercest bouts in boxing history against Joe Frazier and George Foreman, today Muhammad Ali faces his most powerful foe—outside the boxing ring. Like many people, he battles an illness that limits his physical abilities, but as he says, "I have gained more than I have lost. I have never had a more powerful voice than I have now." Ali reflects on his faith in God and the strength it gave him during his greatest challenge, when he lost the prime years of his boxing career because he would not compromise his beliefs. He describes how his study of true Islam has helped him accept the changes in his life and has brought him to a greater awareness of life's true purpose. As a United Nations "Messenger of Peace," he has traveled widely, and he describes his 2002 mission to Afghanistan to heighten public awareness of that country's desperate situation, as well as his more recent meeting with the Dalai Lama. Ali's reflections on topics ranging from moral courage to belief in God to respect for those who differ from us will inspire and enlighten all who read them. Written with the assistance of his daughter Hana, *The Soul of a Butterfly* is a compassionate and heartfelt book that will provide comfort for our troubled times.

In the time I spent with these two legends, Ali and Schwarzenegger, I learned the secret to what makes a great champion. Ali and Schwarzenegger uniquely invoke this secret. It's elegant in its simplicity and one of the most profound lessons I have ever learned. Arnold Schwarzenegger does not seem to be comparable to Muhammad Ali on the surface. But look closer. Both Ali and Schwarzenegger came from nowhere to win titles. Both men were great physical specimens, but later became known for their wit, humanity and crowd-pleasing nature not merely for their brawn. And, of course, both men became known as two of the greatest icons of their time. They did it largely because they were both able to overcome stereotypes and false perceptions. They are champions, Titans of their generation, for one simple reason: It never occurred to them that they weren't

champions. These two men had an unprecedented awareness, a power within them, which expressed a winner. And, it was merely a matter of time before the rest of the world recognized them as champions. This is a black and white photo essay of Muhammad Ali and Arnold Schwarzenegger during their early years, training for their titles.

The “affectionate...charming” (Kirkus Reviews) story of Tim Shanahan’s remarkable and little-known forty-year friendship with boxing legend Muhammad Ali, filled with stories never told as well as never-before-published personal photos. In 1975, Tim Shanahan was a medical instruments salesman living in Chicago and working with a charity that arranged for pro athletes to speak to underprivileged kids. Muhammad Ali had just reclaimed his title as heavyweight champion of the world by defeating George Foreman (the “Rumble in the Jungle”) and then successfully defended it in a rematch against Joe Frazier (the “Thrilla in Manila”). When Shanahan learned Ali was planning a move to Chicago, he contacted the Champ to ask whether he would participate in the charity program. Not only did Ali agree, he invited Shanahan to his new home, where the two spent a night talking, laughing, and bonding over bowls of ice cream—the beginning of an incredible friendship. Ali soon enlisted Shanahan as his early morning running partner. Quickly, Shanahan became a trusted confidant and travel companion, and Ali often stunned strangers by introducing Shanahan as his cousin. The two grew

even closer over family dinners with Shanahan's wife, Helga, and Ali's wife, Veronica. Shanahan was with Ali as the Champ trained for his legendary battles with Ken Norton, Earnie Shavers, Leon Spinks, and Larry Holmes, and moved to Los Angeles with Ali when the Champ prepared for a life after boxing. Shanahan was a recipient of and witness to Ali's tremendous generosity, and as Ali's health began to deteriorate, Shanahan had a chance to return the favor, encouraging and comforting his ailing friend. *Running with the Champ* is an insightful personal portrait of the Greatest of All Time. But, above all, it is a touching, candid narrative of an extraordinary friendship that continued until Ali's death.

Muhammad Ali

"I am the greatest! I am the king!" Muhammad Ali was one of the most electrifying, inspiring, and confrontational athletes of his generation. At the height of his boxing career, Ali was as despised as he was adored. Loud and aggressive as well as confident and dedicated, he was the quintessential showman, the undeniable champion of his sport, and one of the most recognizable faces in the world. He was challenged at every turn: faced with racial discrimination in his everyday life, mocked by the sports media as his career began, ridiculed for adopting a new religion, and stripped by the U.S. government of his very livelihood for refusing to go to war. Muhammad Ali faced the obstacles in his life the way he faced his opponents in the ring, brashly and with all the force at his command. In his private life,

he was also deeply spiritual, committed to standing up against social injustice, and steadfast in his beliefs. Featuring stunning illustrations and covering his entire life from childhood through his professional career to his end of life battle with Parkinson's Syndrome, this is a moving tribute to the legacy of this impressive figure.

The bestselling biography of Muhammad Ali--with an Introduction by Salman Rushdie On the night in 1964 that Muhammad Ali (then known as Cassius Clay) stepped into the ring with Sonny Liston, he was widely regarded as an irritating freak who danced and talked way too much. Six rounds later Ali was not only the new world heavyweight boxing champion: He was "a new kind of black man" who would shortly transform America's racial politics, its popular culture, and its notions of heroism. No one has captured Ali--and the era that he exhilarated and sometimes infuriated--with greater vibrancy, drama, and astuteness than David Remnick, the Pulitzer Prize-winning author of *Lenin's Tomb* (and editor of *The New Yorker*). In charting Ali's rise from the gyms of Louisville, Kentucky, to his epochal fights against Liston and Floyd Patterson, Remnick creates a canvas of unparalleled richness. He gives us empathetic portraits of wisecracking sportswriters and bone-

Muhammad Ali: His Life and Times

Stripping away the revisionism to reveal the true nature of the man himself, this new book recounts the life journey of a fighter universally recognized as a unique and treasured world icon. Few global personalities have commanded an all-encompassing sporting and cultural audience like Muhammad Ali. Many have tried to interpret his impact and legacy into words. Now, Muhammad Ali: A Tribute to the Greatest allows us to more fully appreciate the truth—and understand both the man and the ways in which he helped recalibrate how the world perceives its transcendent figures. In this celebratory volume, New York Times bestselling author Thomas Hauser provides a compelling retrospective of Ali's life, relying on personal insights, interviews with close associates and other contemporaries, and memories gathered over the course of decades on the cutting edge of boxing journalism, Hauser explores Ali in colorful detail inside and outside the ring. Muhammad Ali has attained mythical status. But in recent years, he has been subjected to an image makeover by corporate America as it seeks to homogenize the

electrifying nature of his persona. Hauser argues that there has been a deliberate distortion of what Ali believed, said, and stood for, and that making Ali more presentable for advertising purposes by sanitizing his legacy is a disservice to history as well as to Ali himself.

One of the most recognisable, respected and inspirational men on earth, Muhammad Ali is the world's most famous boxing hero. Ali brought unprecedented speed and grace to the sport, and his charm and wit changed forever what the world expects of a champion athlete. From Olympic gold in Rome, to stunning victory over George Foreman in Zaire, every historic victory and defeat of Ali's career is covered. His controversial embrace of the Nation of Islam - with the renunciation of his 'slave name', Cassius Clay - and the historic refusal to be inducted into the US Army makes for compelling reading.
