The Foreign Missionary

Explains what happens when Hindus worship in the mandir including how they greet and take gifts for the "murtis" of gods and goddesses, and how the priest performs the "aarti" ceremony. Suggested level: junior, primary.

My Religion

Why are Hindus so ritualistic? Why do they worship idols? Were Hindus always casteist? Are Hindus supposed to be vegetarian? Is divorce permitted according to Hinduism? Why is a Hindu prayer different from a Muslim or Christian prayer? Did the arrival of Muslim invaders a thousand years ago destroy Hindu culture? Answering key questions on Hindu philosophy and associated Indian history in simple, lucid, engaging ways, and exploring the often curious customs and beliefs that are an intrinsic part of the Hindu faith, Devdutt Pattanaik's latest book is a treasure house of information on the complex tenets of Hinduism. For many a curious reader, Faith: Understanding Hinduism will prove to be a delightful and eye-opening introduction to the intricacies of one of the world's most practiced religions.

Living Water and Indian Bowl

Dr. Momen offers an introduction to the Baha'i faith from the perspective of the

Hindu tradition.

Why I Am a Hindu

Physics consumed most of Satish Prasad's life. It was as if his thirst for new discoveries and higher learning was insatiable that he studied in the best schools to be one of the best in this field. This quest for knowledge and excellence took him to America where he found out that success is not an easy journey and that life was more than physical science. Looking back at all his unique experiences in life, he pondered about the problems afflicting mankind for many years and came to a conclusion that humans living today should deeply think about. Satish C. Prasad was born in India. He came to the United States of America in 1966 and received his PhD in Physics from the University of Massachusetts in Amherst in 1972. He was on the faculty in the Department of Radiation Oncology at Washington University in Saint Louis and Upstate Medical University in Syracuse, New York. He wrote the book Review of Radiation Oncology Physics in 2002. He retired from Upstate Medical University in 2010 and lives in Syracuse with his wife, Jayshri Prasad.

The Flower Seeds

Four of the most popular nature titles from the Rainbows series will now be available as great new paperback editions! Each book follows the natural lifecycle of its subject, illustrating natural changes with a mixture of colour artwork and photography. A mixture of running narrative and speech bubbles has been specially developed in association with the National Centre for Language and Literacy (Reading Reading Centre) to draw in both confident and less able readers. This is a book that should be in every classroom, library and home.

Many Paths, One Destination

My Friend Is Muslim

A fascinating look at India's remarkable impact on Western culture, this eye-opening popular history shows how the ancient philosophy of Vedanta and the mind-body methods of Yoga have profoundly affected the worldview of millions of Americans and radically altered the religious landscape. What exploded in the 1960s, following the Beatles trip to India for an extended stay with their new guru, Maharishi Mahesh Yogi, actually began more than two hundred years earlier, when the United States started importing knowledge--as well as tangy spices and colorful fabrics--from Asia. The first translations of Hindu texts found their way into the

libraries of John Adams and Ralph Waldo Emerson. From there the ideas spread to Henry David Thoreau, Walt Whitman, and succeeding generations of receptive Americans, who absorbed India's "science of consciousness" and wove it into the fabric of their lives. Charismatic teachers like Swami Vivekananda and Paramahansa Yogananda came west in waves, prompting leading intellectuals, artists, and scientists such as Aldous Huxley, Joseph Campbell, Allen Ginsberg, J. D. Salinger, John Coltrane, Dean Ornish, and Richard Alpert, aka Ram Dass, to adapt and disseminate what they learned from them. The impact has been enormous, enlarging our current understanding of the mind and body and dramatically changing how we view ourselves and our place in the cosmos. Goldberg paints a compelling picture of this remarkable East-to-West transmission, showing how it accelerated through the decades and eventually moved from the counterculture into our laboratories, libraries, and living rooms. Now physicians and therapists routinely recommend meditation, words like karma and mantra are part of our everyday vocabulary, and Yoga studios are as ubiquitous as Starbucks. The insights of India's sages permeate so much of what we think, believe, and do that they have redefined the meaning of life for millions of Americans—and continue to do so every day. Rich in detail and expansive in scope, *American Veda* shows how we have come to accept and live by the central teaching of Vedic wisdom: "Truth is one, the wise call it by many names."

My Hindu Faith and Periscope

"The stories of dialogue and encounter shared in this book demonstrate how drinking from the wells of another tradition often brings a greater appreciation of the faith we call our own. In reflecting on the experiences of others and on her own involvement in Jewish-Christian dialogue, the author explores the challenge of religious commitment pluralistic world."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Modern Hindu Trinity : Ambedkar-Hedgewar-Gandhi

Table of contents

Enlarge My Coast

Layla Reed is only twelve years old, but she has a big project ahead of her. Her teacher has asked her to speak to her seventh grade class about Islam. Layla's best friend, Nancy Winters, is going to help her with the project, and she's going to learn a lot about her friend's religion along the way. Who was Muhammad? What exactly is in the Quran? What is jihaad? Islam is only 1,500 years old, but Muslims believe its message is older than Creation itself. Layla's family is busy fasting for the holy month of Ramadan, and the festival of Eid Al-Fitr is only a week away. Will she and Nancy be ready?

Faith: 40 Insights into Hinduism

"The Test of my Hindu Faith," is about our lives, sacrifices, the Pandemic (we all faced), health, and kindness. The much needed "Kindness." Every family should have this book. Especially, if you have children. Teach them all about life.

Clear and Definite Words

Holocaust survivor and Nobel Prize winner Elie Wiesel has said that there is a new commandment: "Thou shalt not stand idly by." This book articulates a progressive faith that represents a true marriage of the academic work of the modern biblical critical movement and the historical Jesus work of the Jesus Seminar applied within the life of an active parish. Setting aside the magic and superstition found in much of traditional religious life and affirming an evidence-based approach to faith, author Roger Ray strives to apply Wiesel's injunction to actively respond to the injustice, violence, and discrimination in the world. In concrete terms, Ray describes what progressives can embrace intellectually and morally, and how those convictions can be lived out in a faith community.

The Philosophy of Mahatma Gandhi for the Twenty-first Century

Enlarge My Coast tells of Pastor Blackstone's return to India to see the completion of a project inspired during his first trip to the subcontinent of Asia in 2006. This time his traveling companion will be a church deacon of the Emmanuel Baptist Church, Russ Coffin. Blackstone and Coffin travel to Kerala State to help in the dedication of the new Venmony Baptist Church sanctuary and parsonage built through the support of their ministry in Maine. Once again Pastor Blackstone is able to share the wonders and wants of India through the eyes of another adventurous traveler. Enjoy with them the fascination of watching a working elephant beside a rural road; the attempt of catching on film five people on a motorcycle at one time; a houseboat ride on Kerala's largest lake; listening to Russ's first sermon; graduation day at Kerala Baptist Bible College; an Indian barbeque of pancakes and omelets; of trying to find a bell for the college in the busy and confusing markets of one of Kerala's biggest cities; and an auto-rickshaw ride through rubber tree-lined lanes, banana grove-covered valleys, and an Indian road repair crew! As in his other India books, *Though None Go with Me* and *Though One Go with Me*, share the practical spiritual lessons Pastor Blackstone learned on this, his third "India journey" and his first mission trip to the State of Andhra Pradesh as the guest evangelist for the Independent Gospel Baptist Churches of India. Share in the personal experience of a daylong journey on the infamous Indian railway into the backcountry of central India, of driving a bullock cart, eating an Indian catfish, making friends with a dog named Ellie, preaching in a thatched-

roof church, being surprised by a police raid at four in the morning, and witnessing more people coming to Christ at one time than at any other time in the pastor's ministry. Journey for a month into the unpredictable land of India and enjoy the surprises around each corner as Pastor Blackstone travels to three Indian states and gets to meet fellow pastors from five states. The fellowship will be sweet, the food will be hot, and the friendships made will be eternal!

A Hindu Gentleman's Reflections Respecting the Works of Swedenborg and the Doctrines of the New Jerusalem Church

Every patient, whatever their cultural background and religious affiliation, is entitled to receive healthcare that is sensitive, appropriate and person- centred. In the UK today, there are people from many different minority groups. There are also members of the host population who follow religions other than Christianity, either from birth or personal choice. The patient's chosen or birth faith should always play an integral part in their care. This helpful guide enables healthcare practitioners to rise to the challenge of providing culturally sensitive services by giving them an understanding of patients' varying potential requirements and how to meet them.

My Hindu Faith

My Health, My Faith, My Culture

The Gospel in All Lands

Unique insights from an atheist's Sunday-morning odyssey When Hemant Mehta was a teenager he stopped believing in God, but he never lost his interest in religion. Mehta is "the eBay atheist," the nonbeliever who auctioned off the opportunity for the winning bidder to send him to church. The auction winner was Jim Henderson, a former pastor and author of *Evangelism Without Additives*. Since then, Mehta has visited a variety of church services—posting his insightful critiques on the Internet and spawning a positive, ongoing dialogue between atheists and believers. *I Sold My Soul on eBay* tells how and why Mehta became an atheist and features his latest church critiques, including descriptions of his visits to some of the best-known churches in the country. His observations will surprise and challenge you, revealing how the church comes across to those outside the faith. Who better than a nonbeliever to offer an eye-opening assessment of how the gospel is being presented—and the elements that enhance or detract from the presentation. Mehta announced prior to his churchgoing odyssey that he would watch for any signs of God's existence. After spending Sunday mornings in some of the nation's leading churches, what happened to the man who sold his soul on

eBay? Did attending church change his lack of belief? The answers can be found inside. From the Trade Paperback edition.

My Neighbor's Faith: Stories of Interreligious, Encounter, Growth, and Transformation

Budi, a twelve-year-old boy living on the island of Sumatra, explains what it means to follow the religion of Islam, discussing the origins, history, holy places, beliefs, and practices of the faith.

The Missionary, an Indian Tale

Each book in this series follows the natural lifecycle of its subject, illustrating natural changes with a mixture of colour artwork and photography. This title looks at frogs.

The Church at Home and Abroad

Frog's Eggs

Looks at some household hazards such as matches, plastic bags, electrical appliances, sharp objects, and suggest ways to make home a safe place. Suggested level: junior.

American Veda

While the Hindu population is growing rapidly in the United States, most American Christians don't know enough about Hinduism to effectively present Christ to this group. The author, an Indian now living and teaching in a Bible college in the United States, helps readers understand the types of Hinduism they're likely to encounter, tips and methods to reach out to Hindu friends, and suggests answers to Hindu concerns about Christianity. The book also can be used by missionaries in India and Asian countries.

Islam

A simple introduction to some of the beliefs, ways of worship, traditions and festivals of the Hindu religion.

Liberating Faith

Clear and Definite Words is a lucid exposure of the present confusion within theological discourse. It charges and proves that avoiding or equivocating on the question of ontology is impossible. It thus undermines the premise of much theological discourse today and lays the way for greater theological clarity and commitment. This book goes head-to-head with great forcefulness and passion against anyone and anything that has served to impede the right of theology to speak with clear and definite words.

Progressive Faith and Practice

The Sathya Sai global civil religious movement incorporates Hindu and Muslim practices, Buddhist, Christian, and Zoroastrian influences, and "New Age"-style rituals and beliefs. Shri Sathya Sai Baba, its charismatic and controversial leader, attracts several million adherents from various national, ethnic, and religious backgrounds. In a dynamic account of the Sathya Sai movement's explosive growth, Winged Faith argues for a rethinking of globalization and the politics of identity in a religiously plural world. This study considers a new kind of cosmopolitanism located in an alternate understanding of difference and contestation. It considers how acts of "sacred spectating" and illusion, "moral stakeholding" and the problems of community are debated and experienced. A thrilling study of a transcultural and transurban phenomenon that questions narratives of self and being, circuits of sacred mobility, and the politics of affect,

Winged Faith suggests new methods for discussing religion in a globalizing world and introduces readers to an easily critiqued yet not fully understood community.

Jesus My Faith

"Using a first-person narrative, explains the beliefs, customs, and festivals of Hinduism. Explains the clothing, traditions, food, historical writings, holy days, and holy places that define Hindus. Includes a map to show where Hinduism originated"--Provided by publisher.

I Sold My Soul on eBay

Hinduism is one of the world's oldest and greatest religious traditions. In captivating prose, Shashi Tharoor untangles its origins, its key philosophical concepts and texts. He explores everyday Hindu beliefs and practices, from worship to pilgrimage to caste, and touchingly reflects on his personal beliefs and relationship with the religion. Not one to shy from controversy, Tharoor is unsparing in his criticism of 'Hindutva', an extremist, nationalist Hinduism endorsed by India's current government. He argues urgently and persuasively that it is precisely because of Hinduism's rich diversity that India has survived and thrived as a plural, secular nation. If narrow fundamentalism wins out, Indian

democracy itself is in peril.

Jewish-Christian Dialogue

Sharing Your Faith With a Hindu

On Human Dilemma

Maharshi Aurobindo believed that the 21st century is for the Hindus. Are the Hindus ready for that? Will they rise to the occasion? It will depend on how the Hindu community has shaped itself in the century that has just ended, the 20th century. Three great men have been mainly responsible for moulding the Hindu society in the bygone century, Ambedkar, Hedgewar and Gandhi. They can be definitely referred to as the MODERN HINDU TRINITY. - Ambedkar raised the standard of revolt against the many evils that had crept up in the Hindu society over a period of time and of which untouchability was the worst and most unpardonable sin. - Hedgewar diagnosed that the Hindu community of his time lacked vitality in the shape of unity. He advocated that once unity was restored in the Hindu community all its weakness will disappear and it will be ready to face all

challenges, both internal and external. - Mahatma Gandhi made social reforms in the Hindu society an integral part of the freedom struggle which he led so very ably from 1920 upto the attainment of Freedom. Read this book to understand and appreciate the vital contributions made by these modern Brahma , Vishnu and Mahesh in making the Hindu community ready for its historic role in the current century. You will also be in a position to realise what part you have to play in making Maharshi Aurobindo's prophecy a reality.

The Complete Idiot's Guide to Hinduism, 2nd Edition

"Many Paths, One Destination" takes an in-depth look at the religions of the world. From Christianity to Sufism, from Buddhism to Sikhism, Ram Ramakrishnan examines the ideas that shape our views on life, in the hopes that by understanding one another we can find common ground, and eventually, peace.

What You Need to Know About Defending Your Faith

Compared to how it looked 150 years ago at the eve of the colonial conquest, today's India is almost completely unrecognizable. A sovereign nation, with a teeming, industrious population, it is an economic powerhouse and the world's largest democracy. It can boast of robust legal institutions and a dizzying plurality

of cultures, in addition to a lively and unrestricted print and electronic media. The question is how did it get to where it is now? Covering the period from 1800 to 1950, this study of about a dozen makers of modern India is a valuable addition to India's cultural and intellectual history. More specifically, it shows how through the very act of writing, often in English, these thought leaders reconfigured Indian society. The very act of writing itself became endowed with almost a charismatic authority, which continued to influence generations that came after the exit of the authors from the national stage. By examining the lives and works of key players in the making of contemporary India, this study assesses their relationships with British colonialism and Indian traditions. Moreover, it analyzes how their use of the English language helped shape Indian modernity, thus giving rise to a uniquely Indian version of liberalism. The period was the fiery crucible from which an almost impossibly diverse and pluralistic new nation emerged through debate, dialogue, conflict, confrontation, and reconciliation. The author shows how the struggle for India was not only with British colonialism and imperialism, but also with itself and its past. He traces the religious and social reforms that laid the groundwork for the modern sub-continental state, proposed and advocated in English by the native voices that influenced the formation India's society. Merging culture, politics, language, and literature, this is a path breaking volume that adds much to our understanding of a nation that looks set to achieve much in the coming century.

Look Out at Home

A new look at an ancient religion. The Complete Idiot's Guide® to Hinduism, Second Edition, contains updated and expanded information on how the religion developed from its very fragmented origins, the basic Hindu beliefs, and the multiple Hindu deities, as well as the sociological aspects of the religion including ethics, sacraments, dietary habits, the caste system, and much more. ? Hinduism is the third-largest religion in the world, with over 765 million followers worldwide ? Updated information on the state of Hinduism today ? An exploration of the Hindu paths to enlightenment including karma yoga, bhakti yoga, jnana yoga, tantra and laya yoga ? Expanded information on the Hindu Reformation

Visiting a Mandir

Gandhiji was born a Hindu. But his Hinduism was his own. It had its roots firm in ancient Hinduism, but it grew and developed in the light of his contact with other religions, more especially Christianity, as will be seen from Section Two of this volume. He sought to drink at the spring of all religions, and therefore he felt that he belonged to every religion. And yet, if he had to have a label, the label he preferred and which was his not only by right of birth but also intrinsically, was Hinduism, the religion of his forefathers.

The Review of the Churches

The Test of My Hindu Faith

Winged Faith

Today believers encounter a dizzying array of religious options. What You Need to Know About Defending Your Faith gives every believer seeking answers complete training that will firm up their faith and provide confidence in sharing the gospel. Hinduism

This is an insightful analysis based on personal experience of Christian work among Hindus and the error and inadequacy of Western Christianity in the Hindu world. Numerous anecdotes are the greatest strength of this important book. "He presents the transcultural Good News in culturally understandable ways for the India of the 21st century." -H. Stanley Wood, Center for New Church Development, Columbia Theological Seminary

Making India: Colonialism, National Culture, and the Afterlife of Indian English Authority

This volume shows how Gandhi's thought and action-oriented approach are significant, relevant, and urgently needed for addressing major contemporary problems and concerns, including issues of violence and nonviolence, war and peace, religious conflict and dialogue, terrorism, ethics, civil disobedience, injustice, modernism and postmodernism, oppression and exploitation, and environmental destruction. Appropriate for general readers and Gandhi specialists, this volume will be of interest for those in philosophy, religion, political science, history, cultural studies, peace studies, and many other fields.

Hinduism and the Bahá'í Faith

Every author believes that his or her book is meant for everyone. In this respect, however, I am the biggest beneficiary. In the process of writing these reflections for over ten years, and lately compiling and editing them, I have finally understood my faith deeply. Consequently, confidence that I lacked about Hinduism during my adult years has been replaced with pride in graying years! At times, it has taken me to such a height that in a few reflections, I have propounded a thesis that India will be a true secular country only when it will be constitutionally a Hindu state. The practice of secularism in India since 1947 has been reduced to anti-Hinduism and Hindu bashing—paradoxically more so by Hindus than by non-Hindus. It is making India porous for attacks by the terrorists, who are both homegrown and foreign-based. History is repeating itself! The Hindus remain totally divided in half a dozen political parties. A sterling lesson of India's history is that traders, preachers, and persecuted humanity of every foreign faith were permitted, sheltered, and welcomed by the Hindu kings whose kingdoms stretched from the coasts of Malabar in Kerala to Kuchh in Gujarat to Karachi in Sindh—starting more than one thousand years ago. Doesn't it make pristine Hinduism akin to humanism? What an incredible journey of this realization to dawn after nearly six decades!
