Enter at your own Risk: The first ever Goosebumps. Now with creepy bonus features! 11-year-old Josh and 12-year-old Amanda just moved into the oldest and weirdest house on the block--the two siblings think it might even be haunted! But of course, their parents don't believe them. You'll get used to it, they say. Go out and make some new friends. But the creepy kids are not like anyone Josh and Amanda have ever met before. And when they take a shortcut through the cemetery one night, Josh and Amanda learn why.

Frankenstein's Dog (Goosebumps Most Wanted #4)

Robby and his sister Karla beg their parents to take them to a big carnival that has opened on the other side of town. When they arrive, the two kids are delighted by the rides, the sideshow, the interesting displays, and the great food booths. They wander away from their parents and find themselves at a less-trafficked area at the back of the carnival. Inside a large penned-in area, they see a dejected-looking boy about their age sitting on the grass. A sign on the tall metal fence reads: PLEASE DO NOT FEED THE WEIRDO. The kids are reluctant to disobey the sign, but the boy seems really nice. Karla hands him her cone through the fence. He thanks her very politely. He eats the ice cream, delicately at first, then ravenously, noisily- and as Robby and Karla stare in horror, he transforms into a raging, hairy beast.
