Heroism & Bravery in Lithuania, 1941-1945

Le atmosfere della Buenos Aires degli anni '20 coinvolgono Corto Maltese in un giallo dalle caratteristiche e dai personaggi metropolitani; società segrete che controllano il lucroso traffico della prostituzione, impomatati personaggi che frequentano fumosi locali da biliardo e bellissime ballerine dagli occhi seducenti. Sparatorie e inseguimenti notturni, coloratissime corse di cavalli e musica, tanta musica che segna il ritmo travolgente della passione o quello languido della malinconia.

Bibliographie nationale française

La Montana del Origen es una metáfora de la insurrección contra el orden imaginario establecido. No una guerra de amantes entre sí, ni la oposición de dos o más civilizaciones, sino la campana que desde hace unos quince mil años sostienen los seres humanos dioses encarnados o no contra el aparente vacío de sentido.

Mankind has waged war throughout the ages. Gary Bronski loathes war as much as he loathes himself. As the end draws near, choices must be made which will impact every living soul on the planet. Gary must face his fears, face his enemies and prepare for war.

Banzai! by Parabellum

The English edition includes a list of 22 Nazi criminals who were directly responsible for the extermination of the Jews of Lithuania (pp. 413-415), giving their dates of birth and death, rank, and fate.

French Science Fiction, Fantasy, Horror and Pulp Fiction

Tango de muerte

Set in the late 1970's during the closing stages of Zimbabwe-Rhodesia's long and

bitter Bush War, this terrifyingly vivid, true-to-life account paints an unforgettable picture of life and death on a remote African outpost, deep in the arid heart of the terrorist-infested bushveld. This extraordinarily brutal yet, ultimately, heart-warming real-life drama lays bare the unrelenting horror and constant danger that all those who lived there faced in this chilling cat-and-mouse conflict, the tragic consequences of which still resonate to this day.

A Place Called Charlie Tango

Contemporary World Writers

The trilogy that began with *The Emperor's Blades* and continued in *The Providence of Fire* reaches its epic conclusion, as war engulfs the Annurian Empire in Brian Staveley's *The Last Mortal Bond*. The ancient csestriim are back to finish their purge of humanity; armies march against the capital; leaches, solitary beings who draw power from the natural world to fuel their extraordinary abilities, maneuver on all sides to affect the outcome of the war; and capricious gods walk the earth in human guise with agendas of their own. But the three imperial siblings at the heart of it all--Valyn, Adare, and Kaden--come to understand that even if they survive the holocaust unleashed on their world, there may be no reconciling their conflicting visions of the future. *Chronicle of the Unhewn Throne* *The Emperor's Blades* *The Providence of Fire* *The Last Mortal Bond* Other books in the world of the Unhewn Throne *Skullsworn* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Fantasmés au quotidien

Figures et métamorphoses du meurtre

En las miserias de los adultos, los niños que no las entienden son breves luciérnagas que brillan quedamente en la noche, son la única esperanza que queda, porque se tienen a sí mismos. «La lectura de Luciérnagas no nos aporta información sobre nuestra guerra civil ni emite argumentos a favor de una opción política determinada —tal vez no exista la literatura de género, pero esta novela, además de figurar entre las buenas, sólo pudo escribirla una mujer—, nos cuenta como mucho las vivencias de una muchachita retraída y extraña, silenciosa y apasionada, una hija de familia (imposible no ver en ella semejanzas con la autora), en la turbamulta desenfrenada y delirante de una guerra fratricida, donde aprenderá entre otras cosas el amor (Luciérnagas es una peculiar y hermosa historia de amor total, capaz de transportar a personas de origen social radicalmente distinto e irreconciliable a un mundo en que los dos pasan a ser uno).» —Del prólogo de Esther Tusquets

Connoisseurs of fantasy, science fiction, and horror have long recognized the important contributions of thousands of French authors, filmmakers, and artists. The volume is divided into two parts. Part I gives historical overviews, complete lists, descriptions, and summaries for works in film, television, radio, animation, comic books, and graphic novels. This section also includes interviews with animation director Rene Laloux and comic book artist Moebius, as well as comments from filmmaker Luc Besson. Biographies are provided for over 200 important contributors to television and graphic arts. Part II covers the major authors and literary trends of French science fiction, fantasy, and horror from the Middle Ages to the present day. (French-Canadians and Belgians are also examined.) There is a biographical dictionary of over 3,000 authors, a section on major French awards, and a complete bibliography. Many illustrations (!) illuminate this thorough presentation.

Anthropologie des obsessions

La montaña del origen

A partir del asesinato impune de tres jóvenes a quienes unos etarras tomaron por guardias civiles, ocurrido en el sur de Francia en 1973, se teje una trama en la que varios antiguos miembros de ETA, son perseguidos por abandonar el terrorismo y por su voluntad de ayudar a localizar los restos de aquellas tres víctimas inocentes.
