First Certificate Skills

American MORE! Six-Level Edition is a version of a course from a highly respected author team that's bursting with features for lower secondary students. Key language for each unit is introduced in a photostory and put to use through the 'Language Focus'. There is thorough coverage of grammar via a dedicated section in each unit. The 'Learn MORE through English' pages introduce cross-curricular learning (CLIL) while the 'Learn MORE about Culture' sections explore English speaking countries. Students learn to 'Read MORE for pleasure' with the extra reading pages and the Audio CD/CD-ROM enables students to practice vocabulary, grammar, and skills. The Combo contains the Student's Book and Workbook material together, providing 50-60 class hours of material.

Everything German Shepherd Book

Cambridge English for Schools Practice Tests have been designed to familiarise students with the level and format of the Cambridge English Key, Preliminary and First (previously known as KET, PET and FCE) for Schools examinations. Students can be assured that they will receive the relevant, up-to-date, appropriate training to successfully undertake these tests. The guidance and tips sections advise students on how to approach each part of the examination and allow them to improve the skills required.

Proficiency Testbuilder

Another title in this popular series of 'Tests that teach', designed to help improve students' exam performance and increase language competence at Proficiency level. Fully Revised for the Cambridge ESOL Proficiency 2013 exam, there is now an option to buy this testbuilder to include access to Macmillan Practice Online.

Our all-time best selling book is now available in a revised and expanded second edition. Thinking with Type is the definitive guide to using typography in visual communication, from the printed page to the computer screen. This revised edition includes forty-eight pages of new content, including the latest information on style sheets for print and the web, the use of ornaments and captions, lining and non-lining numerals, the use of small caps and enlarged capitals, as well as information on captions, font licensing, mixing typefaces, and hand lettering. Throughout the book, visual examples show how to be inventive within systems of typographic form--what the rules are and how to break them. Thinking with Type is a type book for everyone: designers, writers, editors, students, and anyone else who works with words. The popular companion website to Thinking with Type (www.thinkingwithtype.com.) has been revised to reflect the new material in this second edition.
