### **Powerful Prayer Points, Positive Confessions & Biblical Promises for All Students**

Prayer that Enters into God's Presence and Releases Breakthrough! Many people see prayer as a religious practice, not a fulfilling pleasure. For this reason, many breakthroughs stay locked up in Heaven. God longs to answer our prayers; He is simply listening for prayers that agree with His will. When your prayers come into alignment with God's plans Margie Fleurant teaches people about prayer that enters into God's presence, accesses the strategies of Heaven, and releases breakthrough. She emphasizes that prayer is not a religious practice, but a divine encounter between you and God! In Encountering God Through Prayer, you'll learn how to: Pray from the secret place: draw near to God and discover how breakthrough prayers are born in these intimate encounters Stand in your new creation identity: pray with new boldness and faith as you understand your position in Christ Rest in the Father's love: stop striving in prayer and start simply enjoying the Father's presence Practice powerful prayer: learn simple patterns that, when implemented, will help launch you into a more fulfilling prayer life No matter where your prayer life is today, you can have unlimited access to God's presence and pray Heaven's solutions into your world!

### **Encountering God Through Prayer**

DOZENS OF QUESTIONS WILL BE ANSWERED: Why is prayer necessary? What must we do to be heard by God? How does

God answer our prayers? Does God listen to all prayers? Does God hear everyone's prayers? What may we pray about? Does the Father truly grant everything we ask for? What kind of prayers would the Father reject? How long should our prayers be? How often should we pray? Why should we say "Amen" at the end of a prayer? Must we assume a special position or posture when praying? How does God communicate with us? How does God speak to us when we study the Bible? What should our foremost goal be when we study the Bible? What are some things that we can do to draw closer to God? Have we been struggling in our prayer life? Has it become a challenge even to pray? What can we do? What does the Father expect of us in our prayers? What is the Father truly concerned about? How does the Holy Spirit Plead for us? How should we feel about the pain and suffering of this life? What confidence can we have? Can prayer really solve problems? How will our life be different if we make prayer a regular part of your life? What if we pray for relief of a problem and no relief comes? Should we then conclude that we have not received an answer? God may answer a prayer in subtle ways. God may answer a prayer through our study of His Word. Yes, God's answer to our plea for help may very well come through the Spirit inspired, inerrant, authoritative Bible. Instead of removing the problem, God may give us the strength to cope. God may use spiritual brothers and sisters to help us at just the right time. Who knows, we may be the one being used if we are obeying Bible principles to make ourselves available. We must pay closer attention to the way God answers our prayers. Are we not on God's timetable?

## **THE POWERFUL WEAPON OF PRAYER**

Words are not cheap. Words can kill. Words can heal. Words can start wars and end wars. Words can make a man smile and they can make him weep. Words can create and can destroy. Words are powerful. Jesus said words could move mountains if rightly used. The Bible teaches that life and death are in your words. So your words matter a lot. Your confession matters. God wants you to speak the right set of words so that He can change your life. "But if you have anything to say, go ahead. I want to hear it, for I am anxious to see you justified. (Job 33:32) The devil is also carefully waiting to catch the wrong set of words in your mouth so that he can put you in bondage. "You are snared by the words of your lips, you are caught by the speech of your out" (Prov. 6:2) So you determine on whose side you fall by the kinds of words you speak. This is why you need to always confess positive things into your life with your own mouth. This book is a collection of powerful words and prayer points with scriptural references that can change situation if confessed often. It will show you the power of prayers and positive confession.

## **Prayer Patterns**

Prayers travel a hundred patterns, swirling inside of us, until they are thought or said, and then aim arrow-straight to the heart of a loving God. Johnson explores the many patterns of prayer--words following their own convoluted course in the

hearts of men and women from the Bible--and shows how we can construct our own special patterns.

### **Let Prayer Change Your Life**

### **Supernatural Childbirth**

Fr. Thomas Dubay, a renowned teacher and writer on prayer and the spiritual life, presents a simple, profound and practical book on the most important of all human activities, communion with God. Prayer Primer is written for intelligent adults (and teenagers) who want God and a serious prayer life, but it does not presuppose that they need or have a theological background. It does take up many questions rarely answered adequately in the classroom or from the pulpit, often not mentioned at all: Why pray? (be ready for some surprises) É Why vocal prayer is important and yet should be limited É What contemplation is and is not É Praying with Scripture É Family prayer - even how to introduce children to group meditation É Prayer in a busy life É Pitfalls and problems - together with solutions É Buddhism? New Age? Centering prayer? É What should you do when dry and empty and not at all inclined to pray? How do you even get started? É Where and how to begin? É Assessing progress É Growing in depth. All of these subjects, and more, are clearly and concisely explained for citizens of this 21st century.

### **Forward Message about Prayer Progression Vol 1**

This comprehensive, psychological, and naturalistic analysis of prayer offers an alternative to William James's model of prayer. Faber analyzes religious faith psychologically and anthropologically, concluding that subjective prayer is finally an instance of homeopathic "magical" conduct. It ritualistically conjures up a version of the first, primal, biological situation, in which the dependent "little" one cries out to a parental "big" one for physical and emotional nourishment. Eventually, religion, and its expression of faith through prayer, provides us with a magical protective presence that is natural in its return to the primal, rather than supernatural, as James argues, in its presence and existence.

### **The Unfinished Life of Benjamin Franklin**

Anderson's carefully considered work makes a persuasive case for revisiting this celebrated book with a keener appreciation for the subtlety and beauty of Franklin's performance.

### **Prayer of Lamentation**

This book proposes a new and comprehensive chiasmic structure as well as a new unifying theme for the Letter of James. In accord with this structure that organizes its oral performance, the words "worship to live by" express what the letter as a whole is exhorting its audience to adopt. "Worship" includes not only liturgical worship but also the ethical behavior that complements it, so that the result is a holistic way of worshiping God. And the words "to live by" embrace the worshipful conduct by which to live out presently one's birth to a new life as a believer before the final coming of the Lord Jesus Christ, with a view to the future eternal life to be granted at the last judgment as the outcome of such worship. In short, the Letter of James urges its audience to practice the worship to live by now in order to live eternally.

This classic of world spiritual literature is the firsthand account of a pilgrim's journey as he endeavors to live out Saint Paul's instruction to "pray without ceasing." The narrator, an unnamed nineteenth-century peasant, sets out on his pilgrimage with nothing but a Bible, a rosary, and some dried bread. As he walks, he recites the Jesus prayer ("Lord Jesus Christ, have mercy on me")—a prayer that is said to quiet anxiety and fill the heart with love for all creation. With this prayer constantly on his lips, the pilgrim undergoes a profound spiritual education. This edition includes the sequel to *The Way of a Pilgrim*, entitled *A Pilgrim Continues His Way*, which contains a lengthy appendix reviewing the teachings of the Holy Fathers on the Jesus prayer.

## **Touching Hearts, Changing Lives**

Rabbi Zalman Schachter-Shalomi, known simply as Reb Zalman to his many devoted followers, was born in Poland to a hasidic father who had a deep interest in Western culture. As such, he grew up and was educated in both secular and religious schools in Vienna, where the family had moved and lived until the Nazis arrived in Austria. As Reb Zalman says of his upbringing, "I went to yeshivah and at the same time attended a leftist Zionist high school, where I learned Latin and modern Hebrew. I danced the horah with Marxist Zionists and also celebrated the farewell to the Sabbath with Orthodox anti-Zionists. My father wanted me to go both to gymnasium (secular co-ed high school) and to yeshivah after school. My own life - not only my father's - was always full of contradictions." After receiving rabbinic ordination from the Lubavitcher Yeshiva in Brooklyn, New York, in 1947, Reb Zalman began a lifelong career that would take him from roles as congregational rabbi to university professor. He has studied and taught with major religious figures in Buddhist, Hindu, Moslem, and Christian traditions, served as Hillel chaplain, helped plant the seeds of the Havurah movement, ordained scores of rabbis and influenced countless others, has written over 175 books and articles, and created a number of audio and video cassettes. His energy and enthusiasm have made him one of the most well known and beloved rebbes of our time. Reb Zalman was the person who taught many rabbis, Jewish scholars, poets, and songwriters to "rehydrate the freeze-

dried" prayers of the prayer book, tie the words on the page to the experiences of a life "of spirit, soul, heart, mind, and body. " Worlds of Jewish Prayer is a festschrift, a tribute to Reb Zalman in an offering of words from students and colleagues on a subject dear to his heart, davvenology. Davvenology is a term coined by Reb Zalman to denote the study of davvenen. What is davvenen? "Just as the eskimos have many words for snow, because their lives depend on it, so the Yiddin have many words for prayer, for we are a praying people," says Reb Zalman. "But davvening differs from both prayer and worship. . . . Davvenen is living the liturgical life in the presence of God. " Reb Zalman teaches that we must remember the Holy Presence not only in our sacred assemblies and feasts, but in the passing moments of our lives that have the potential for sanctity. Worlds of Jewish Prayer: A Festschrift in Honor of Rabbi Zalman M. Schachter-Shalomi includes more than forty contributions on how to davven in new and exciting ways, including the use of dreams, meditations, and rituals, and how to bring davvenen into the process of repairing oneself and the world. Pieces by noted authors Arthur Green, Lawrence Kushner, Harold Schulweis, and Howard Schwartz, and feminist writers Ruth Brin and Deena Metzger, are gems set in a dazzling tiara of spiritual riches. It is a collection of interest to all who wish to connect their prayer lives to their dreams of a better, more joyous world or who seek to revitalize their worship.
