Gladiator meets Game of Thrones: a royal woman becomes a skilled warrior to destroy her murderous cousin, avenge her family, and save her kingdom in this first entry in a dazzling fantasy epic from the New York Times and USA Today bestselling author of the Elemental Assassin series—an enthralling tale that combines magic, murder, intrigue, adventure, and a hint of romance. In a realm where one's magical power determines one's worth, Lady Everleigh's lack of obvious ability relegates her to the shadows of the

royal court of Bellona, a kingdom steeped in gladiator tradition. Seventeenth in line for the throne, Evie is nothing more than a ceremonial fixture, overlooked and mostly forgotten. But dark forces are at work inside the palace. When her cousin Vasilia, the crown princess, assassinates her mother the queen and takes the throne by force, Evie is also attacked, along with the rest of the royal family. Luckily for Evie, her secret immunity to magic helps her escape the massacre. Forced into hiding to survive, she falls in with a gladiator troupe. Though they use their talents to entertain and amuse the masses, the gladiators are actually highly trained warriors skilled in the art of war, especially Lucas Sullivan, a powerful magier with secrets of his own. Uncertain of her future—or if she even has one—Evie begins training with the troupe until she can decide her next move. But as the bloodthirsty Vasilia exerts her power, pushing Bellona to the brink of war, Evie's fate becomes clear: she must become a fearsome gladiator herself . . . and kill the queen.

When good fails, chaos rises to the challenge. The daily life of a chaos demon is delightfully sinful—overindulging in Sri Lankan delicacies, trespassing on private beaches in Hawaii, and getting soused at the best angel bar on the planet. But when Bedlam learns that the archdemon Azrael has escaped from the Abyss in order to wreak vengeance against the person who sent her there—Bedlam’s best friend, Khet—he can’t sit idly by. Only one relic possesses the power to kill Khet, who suffers immortality at Lucifer’s request: the mythical Spear of Destiny, which pierced Christ’s side at His crucifixion. Neither angel nor demon has seen the Spear in two thousand years, but Azrael claims to know its location. Bedlam has no choice but to interpret woefully outdated clues and race her to its ancient resting place. His quest is made nearly impossible by the interference of a persnickety archivist, Keziel—his angelic ex—and a dedicated cult intent on keeping the Spear out of the wrong hands. But to Bedlam, “wrong” is just an arbitrary word, and there’s no way he’s letting Khet die without a fight. The Earthbound Angels Series: Book One: Oracle of Philadelphia Book Two: Raising Chaos

The Girl and the Stars

One of fantasy's finest next-generation storytellers continues to break new ground. Michael J. Sullivan's trailblazing career began with the breakout success of his Riyria series: full-bodied, spellbinding fantasy adventures whose imaginative scope and sympathetic characters won a devoted readership and comparisons to fantasy masters Brandon Sanderson, Scott Lynch, and J.R.R. Tolkien himself. Now Age of Myth inaugurates an original five-book series. Since time immemorial, humans have worshipped the gods they call Fhrey, truly a race apart: invincible in battle, masters of magic, and seemingly immortal. But when a god falls to a human blade, the balance of power between humans and those they thought were gods changes forever. Now only a few stand between humankind and annihilation: Raithe, reluctant to embrace his destiny as the God Killer; Suri, a young seer burdened by signs of impending doom; and Persephone, who must overcome personal tragedy to lead her people. The Age of Myth is over. The time of rebellion has begun. Magic, fantasy, and mythology collide in Michael J. Sullivan's Legends of the First Empire series: AGE OF MYTH • AGE OF SWORDS • AGE OF WAR

Sebastian Darke: Prince of Fools

"A stunning new epic fantasy series following a girl who is cast out by her people and must fight with everything she has to survive, set in the same world as Red Sister. In some children, the old blood shows, giving them strength, speed, and mystical power. In the cities of Abeth's Corridor, such children are prized. But on the vast ice plains of Abeth, those traits lead children to burn bright and die young, and the discipline of the priests is harsh. Any child who shows signs of the old races is cast into the Pit of the Missing, never to be seen again. Yaz is only sixteen, but she feels a burgeoning gift and she knows the next gathering will be her last--the priests see everything, and her aberrance will not be tolerated. But then she is spared and her brother is identified as one of the broken and cast down into the pit. Stunned, awash with guilt and grief, she flings herself in after him. She expects to find death. Instead she finds a sprawling, secret civilization, where survival is even less assured than on the ice plains. And she soon realizes that this underground empire revolves around a great truth--and an even greater evil--that puts all of Abeth in danger"--
