10,000+ Practical Hints & Tips

Go to any home improvement center on the weekend and see the do-it-yourself movement in action. People of all ages, shapes and sizes shopping in perfect harmony, all with the same goal in mind: home improvement and repair. If you are like these millions of people, you may also not have the know-how to actually complete all of the projects on your to-do list. That's where author Brooke Stoddard comes in. With his over 25 years of construction experience, Brooke will show you how to complete minor and major home repair and improvement projects in Repair Your Home In No Time. With his guidance, you will cover the 70 most common home improvement projects through step-by-step instructions and illustrations. Each project provides you with: A shopping list A tool list A step-by-step to-do list Get the advice you need to complete your project list without having to spend hours at the home improvement center with Repair Your Home In No Time.

Time-Life Books Complete Home Repair Manual

The Complete Idiot's Guide to Simple Home Repair

The Super Handyman has the answers to these and all your home repair questions in this essential reference tool.

Home Improvement For Dummies

All home improvements don't require a contractor. Installing a smoke detector, painting a room, and unclogging a sink are all home improvements. In fact, doing the job yourself is often cheaper and always more rewarding. There's no mystery to home repair. The most important tool you need to make home repairs is know-how—to fix the problem at hand and to buy the other tools and hardware you'll need! Home Improvement For Dummies is a whole-house repair manual for everyone from fledgling do-it-yourselfers to seasoned handymen and women. This anybody-can-do-it approach will help you with a repair that needs fixing right away or get you started on a project you've been planning. This book is for you if you need advice on these topics and more: Painting and decorating Carpentry Plumbing and electrical Outside repairs Building shelves Tiling Insulating Calculate how much a repair will cost you, and know when to hire a pro. With clear illustrations that walk you, step by step, through projects, Home Improvement For Dummies helps you: Refinish and stain wood Repair squeaky stairs Install floor tiles Improve your home's energy efficiency Maintain and upgrade plumbing Install an outdoor sprinkler system Install a ceiling fan Maintain central air conditioning and heating Whether you just have a few pesky projects you want to fix quickly or you want to become a home-improvement expert, this easy-to-follow guide gives you everything you will ever need to know. A helpful appendix is packed with online resources that let you network with other do-it-yourselfers.

1001 Home Hints and Tips

A professional carpenter and home improvement expert guides readers through dozens of home repair and fix-it projects, organized in an easy and accessible room-by-room guide, with illustrated, step-by-step instructions that lead homeowners through the tools and techniques of defrosting frozen pipes, replacing light fixtures, hanging drywall, and more. Original.

1001 Home Hints

Money Saving Home Repair Guide

Repair Your Home in No Time
