Skills for Effective Counseling

Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This beautiful gift edition of Wayne's international bestseller explores intention—not as something we do—but as an energy we're a part of. We're all intended here through the invisible power of intention—a magnificent field of energy we can access to begin co-creating our lives! Part I deals with the principles of intention, offering true stories and examples showing how to make the connection. Wayne identifies the attributes of the all-creating universal mind of intention as kind, loving, beautiful, expanding, endlessly abundant, and receptive, emphasizing the importance of emulating this source of creativity. In Part II, he offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Wayne's vision of an individual connected at all times to the universal mind of intention. "Intention is a force in the universe, and everything and everyone is connected to this invisible force."

Grave Misfortune: The USS Indianapolis Tragedy

The Rise of Christianity

In this exposition of 1 Corinthians, D. A. Carson presents a comprehensive view of what the death of Christ means in preaching and ministering to God's people. He explains the key biblical principles for dynamic, cross-centered ministry and how to put the cross at the center of Christian life.

"Part I of the constitution of the Presbyterian Church (U.S.A.)."

His Needs, Her Needs

This book has been around a while. Since it was first published, a lot of other books about health have come and gone. Some of them have been bigger than this one, but none of them have ever been better. Perhaps you have noticed the explosion in diet and exercise publications. Today it is obvious that the pursuit of health and fitness is more than just a quick fad. Looking and feeling good isn't optional, for many people these days, it's a high lifestyle priority. "The Ministry of Healing" is a book that crusades for total fitness, not just physical fitness because we are human beings and are more than just bodies. This book speaks to the needs of the whole person, body, mind and spirit. For a whole lot less than one visit to the Doctor, this classic on health will tell you how to manage stress, get well and prevent disease while feeling vibrantly alive. - The True Medical Missionary. The Work of the Physician. Medical Missionaries and Their Work. The Care of the Sick. Health Principles. The Home .The Essential Knowledge. The Worker's Need. Scripture Index. General Index

Youcat English

The Battle for the Beginning

The biggest barrier to faith is life itself. Divorce. Cancer. Infertility. Death. There are times in our lives in which God seems very far away. We don't understand His silence. We only feel the intensity of our pain and the echoing question of 'why?' The Bible declares that God is good, but can we still believe this when our lives are falling apart? In Keep Believing, Dr. Pritchard affirms what the Bible declares: that God is good and His mercy endures forever. This is true regardless of our moment-by-moment experience. God has provided comfort in our times of struggle and healing in our times of hurt through the balm of His Word. You believed in the light of day; will you still believe at midnight? Search the Scriptures with Dr. Pritchard for words of encouragement and hope. Put your confidence in the God who sorrowfully watched His Son suffer at Calvary for your benefit. Know that the same loving heavenly Father has everything completely under control. He is with you and longs to comfort you as you struggle through your hard times. Take a tell-tale look at your devotion to the Lord and His never-ending love and commitment to you in Keep Believing. You served God in the sunshine; will you now serve him in the shadows?

Whitaker's Cumulative Book List

Keep Believing: Finding God in Your Deepest Struggles (2019 Edition)

Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church.

But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."

Forgiving What You Can't Forget

YOUCAT is short for Youth Catechism of the Catholic Church, which is the official catechism for World Youth Day. Written for high-school age people and young adults, YOUCAT is an accessible, contemporary expression of the Catholic Faith. The popular format includes Questions-and-Answers, highly-readable commentary, margin pictures and illustrations, summary definitions of key terms, Bible citations, and quotes from the Saints and other great teachers. What's more, YOUCAT is keyed to the Catechism of the Catholic Faith, so people can go deeper. It explains: What Catholics believe (doctrine) How they celebrate the mysteries of the faith (sacraments) How Catholics are to live (moral life) How they should pray (prayer and spirituality) The questions are direct and honest, even at times tough; the answers straightforward, relevant, and compelling. After the Bible, YOUCAT will likely become the go-to place for young people to learn the truth about the Catholic faith. Pope Benedict XVI wrote the foreword; Cardinal Christoph Schoenborn, the editor of YOUCAT and the Archbishop of Vienna, Austria, wrote the afterword.

Reforming Marriage

The David Story: A Translation with Commentary of 1 and 2 Samuel

The History of the Adventures of Joseph Andrews

The Stranger on the Road to Emmaus

Here is a book that explains the greatest of Bible themes clearly and logically.

Book of Confessions, Study Edition, Revised

The Power of Your Subconscious Mind will open a world of success, happiness, prosperity, and peace for you. It is one of the most brilliant and beloved spiritual self-help works of all time which can help you heal yourself, banish your fears, sleep better, enjoy better relationships and just feel happier. The techniques are simple and results come quickly. You can improve your relationships, your finances, your physical well-being. In this book, the author fuses his spiritual wisdom and scientific research to bring to light how the sub-conscious mind can be a major influence on our daily lives. Once you understand your subconscious mind, you can also control or get rid of the various phobias that you may have in turn opening a brand new world of positive energy.

Uncle Tom's Cabin

How do you forgive when the wound is still open? People often ask Sarah, "How did you forgive your alcoholic mother?" How do you forgive someone who carelessly brushed aside your pain, who caused such destruction, and who doesn't show remorse? How do you know when to stay and when to go? In *The Complicated Heart*, you will travel through Sarah's story with her, from age 14 and beyond, as she wrestles with these very questions. Prepare yourself: she holds nothing back. If you've struggled with a difficult relationship, if you've felt torn-up and crazy and confused because of it, if you just want to know how to move forward and be okay, this story is for you. Dysfunction does not have to be your destiny or your identity. Victory is on the table. What's more: you'll not only travel with Sarah, you'll travel with her mom as well as you read her mom's journal entries and letters. What goes on in the mind of the person who hurt you the most? In this story, you'll get a rare peek into that mind and heart. In these pages you'll be reminded that light always finds a way in, even in the deepest darkness, and redemption and joy are possible in the midst of trauma and unmet needs. If you want to learn how to forgive when your wound is still open, heal when circumstances don't change, and become a generational bondage-breaker, *The Complicated Heart* is for you. And if not for you, for someone you know. Pass it along.

Vanity Fair

The verse dramatization of the medieval murder of Thomas Becket at Canterbury by the winner of the Nobel Prize for Literature. The Archbishop Thomas Becket speaks fatal words before he is martyred in T. S. Eliot's best-known drama, based on the murder of the Archbishop of Canterbury in 1170. Praised for its poetically masterful handling of issues of faith, politics, and the common good, T. S. Eliot's play bolstered his reputation as the most significant poet of his time. It has been performed on stage, film, and television since 1935 and was the basis for the opera *Assassinio nella Cattedrale* by the Italian composer Ildebrando Pizzetti.

Project Management Case Studies

The battle lines have been drawn. Is the enemy winning? "Thanks to the theory of evolution," writes best-selling author John MacArthur, "naturalism is now the dominant religion of modern society. Less than a century and a half ago, Charles Darwin popularized the credo for this secular religion. Naturalism has now replaced Christianity as the main religion of the Western world, and evolution has become its principal dogma." Many Christians who claim to believe that the Bible is God's revealed truth seem willing to allow modern scientific theories to replace the Genesis account of creation. Such compromises present a conspicuous danger. Bible teacher and pastor, John MacArthur, believes that in Genesis 1-3 we find the foundation of every doctrine that is essential to the Christian faith—the vital underpinnings for everything we believe. *The Battle for the Beginning* draws a clear line on today's theological landscape. "Everything in Scripture that teaches about sin and redemption assumes the literal truth of the first three chapters of Genesis. If we wobble to any degree on the truth of this passage," John MacArthur insists, "we undermine the very foundations of our faith."

Hope for Today's Families

Includes entries for maps and atlases.

The Gospel of Luke

How would you describe the spiritual aroma of your home? The source of this aroma is the relationship between husband and wife. Many can fake an attempt at keeping God's standards in some external way. What we cannot fake is the resulting, distinctive aroma of pleasure to God. Reforming Marriage does what few books on marriage do today: it provides biblical advice. Douglas Wilson points to the need for obedient hearts on the part of both husbands and wives. Godly marriages proceed from obedient hearts, and the greatest desire of an obedient heart is the glory of God.

Awaken The Giant Within

The anniversary edition of "His Needs, Her Needs" is a celebration of how the book has helped thousands of couples revitalize their marriages during the last 15 years. In the new Preface of this edition, Harley recalls his early counseling experiences that led to the writing of this book.

Journey Through God's Word - Lessons, Condensed

"Journey Through God's Word" is a versatile and easy to use system for teaching children between the ages of 5 and 12 the Word of God. More than just a set of lessons, it is a comprehensive curriculum that provides every resource that you might need to be a successful Bible teacher. The various elements of the curriculum are designed to support all the different ways that children learn and all the different methods and techniques that teachers use to teach. It tells you WHAT to teach, but not HOW to teach it, leaving you free to use your individual imagination and creativity to make each lesson your own. We've done all the hard work to make sure that you have all that you need. The only things missing are the students and YOU! Condensed Lessons are two-page summaries of each of the lessons that are part of the Journey Through God's Word curriculum. They may be used alone or in conjunction with the full lessons and the other curriculum resources.

Disability and Spirituality

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.

The Purpose Driven Church

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation

and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

A Psalm of Life

#1 New York Times Bestseller You deserve to stop suffering because of what other people have done to you. Have you ever felt stuck in a cycle of unresolved pain, playing offenses over and over in your mind? You know you can't go on like this, but you don't know what to do next. Lysa TerKeurst has wrestled through this journey. But in surprising ways, she's discovered how to let go of bound-up resentment and overcome the resistance to forgiving people who aren't willing to make things right. With deep empathy, therapeutic insight, and rich Bible teaching coming out of more than 1,000 hours of theological study, Lysa will help you: Learn how to move on when the other person refuses to change and never says they're sorry. Walk through a step-by-step process to free yourself from the hurt of your past and feel less offended today. Discover what the Bible really says about forgiveness and the peace that comes from living it out right now. Identify what's stealing trust and vulnerability from your relationships so you can believe there is still good ahead. Disempower the triggers hijacking your emotions by embracing the two necessary parts of forgiveness.

The Complicated Heart

The idea that Christianity started as a clandestine movement among the poor is a widely accepted notion. Yet it is one of many myths that must be discarded if we are to understand just how a tiny messianic movement on the edge of the Roman Empire became the dominant faith of Western civilization. In a fast-paced, highly readable book that addresses beliefs as well as historical facts, Rodney Stark brings a sociologist's perspective to bear on the puzzle behind the success of early Christianity. He comes equipped not only with the logic and methods of social science but also with insights gathered firsthand into why people convert and how new religious groups recruit members. He digs deep into the historical evidence on many issues--such as the social background of converts, the mission to the Jews, the status of women in the church, the role of martyrdom--to provide a vivid and unconventional account of early Christianity. The author plots the most plausible curve of Christian growth from the year 40 to 300. By the time of Constantine, Christianity had become a considerable force, with growth patterns very similar to those of modern-day successful religious movements. An unusual number of Christian converts, for example, came from the educated, cosmopolitan classes. Because it offered a new perspective on familiar concepts and was not linked to ethnicity, Christianity had a large following among persons seeking to assimilate into the dominant culture, mainly Hellenized Jews. The oversupply of women in Christian communities--due partly to the respect and protection they received--led to intermarriages with pagans, hence more conversions, and to a high fertility rate.

Stark points out, too, the role played by selflessness and faith. Amidst the epidemics, fires, and other disasters that beleaguered Greco-Roman cities, Christian communities were a stronghold of mutual aid, which resulted in a survival rate far greater than that of the pagans. In the meantime, voluntary martyrdom, especially a generation after the death of Christ, reinforced the commitment of the Christian rank and file. What Stark ultimately offers is a multifaceted portrait of early Christianity, one that appeals to practical reasoning, historical curiosity, and personal reflection.

Recovering wholeness encompasses their reunion--a cohesion that changes our vision and enables us to everyone as fully human.--Trevor R. Parmenter, Professor Emeritus, Sydney Medical School, University of Sydney

The National Union Catalog, Pre-1956 Imprints

The Ministry of Healing

God and My Neighbor

The Cross and Christian Ministry

This bestselling text by Haddon Robinson, considered by many to be the "teacher of preachers," has sold over 300,000 copies and is a contemporary classic in the field. It offers students, pastors, and Bible teachers expert guidance in the development and delivery of expository sermons. This new edition has been updated throughout and includes helpful exercises. Praise for the Second Edition Named "One of the 25 Most Influential Preaching Books of the Past 25 Years" by Preaching "[An] outstanding introduction to the task of preparing and presenting biblical sermons. More than any other book of the past quarter century, Biblical Preaching has profoundly influenced a generation of evangelical preachers."--Preaching

Darkness Is My Only Companion

Offers clever, realistic, and practical ideas and solutions. It will: ÷ Help you build strong relationships with those around you. ÷ Give you new skills to help build your children's characters. ÷ Share time-proven principles that will facilitate a meaningful and happy life. ÷ Show husbands and wives how to draw closer emotionally, spiritually, financially, and intellectually. ÷ Help you communicate more effectively, understand and heal the roots of violence, prevent distress and divorce, or live happily as a single person. There is hope for you and your family!

Murder in the Cathedral

Anyone in a helping profession—including professional counselors, spiritual directors, pastoral counselors, chaplains and others—needs to develop effective communication skills. But learning these skills is like learning a new language: it takes time and practice to communicate effectively, and lack of practice can lead to the loss of one's ability to use this new language. Suitable for both beginning students and seasoned practitioners, *Skills for Effective Counseling* provides a biblically integrated approach to foundational counseling skills that trains the reader to use specific microskills. These skills include perceiving, attending, validating emotion and empathic connection. Chapters include textbook features such as sample session dialogues, role plays and a variety of both in-class and out-of-class exercises and reflection activities that will engage various learning styles. Strategically interwoven throughout the chapters are special topics related to: multicultural counseling biblical/theological applications current and seminal research related to microskills diagnostic and theoretical implications clinical tips for using skills in "real world" counseling settings the relevance of specific microskills to interpersonal relationships and broader ministry settings This textbook and the accompanying IVP Instructor Resources include all of the activities and assignments that an instructor might need to execute a graduate, undergraduate or lay course in foundational counseling skills. Professors teaching within CACREP-accredited professional counseling programs will be able to connect specific material in the textbook to the latest CACREP Standards.

Save Yourself Some Pain

Biblical Preaching

Dedicated to the Sailors and Marines who lost their lives on the final voyage of USS Indianapolis and to those who survived the torment at sea following its sinking. plus the crews that risked their lives in rescue ships. The USS Indianapolis (CA-35) was a decorated World War II warship that is primarily remembered for her worst 15 minutes. . This ship earned ten (10) battle stars for her service in World War II and was credited for shooting down nine (9) enemy planes. However, this fame was overshadowed by the first 15 minutes July 30, 1945, when she was struck by two (2) torpedoes from Japanese submarine I-58 and sent to the bottom of the Philippine Sea. The sinking of Indianapolis and the loss of 880 crew out of 1,196 --most deaths occurring in the 4-5 day wait for a rescue delayed --is a tragedy in U.S. naval history. This historical reference showcases primary source documents to tell the story of Indianapolis, the history of this tragedy from the U.S. Navy perspective. It recounts the sinking, rescue efforts, follow-up investigations, aftermath and continuing communications efforts. Included are deck logs to better understand the ship location when she sunk and testimony of survivors and participants. For additional historical publications produced by the U.S. Naval History and Heritage Command, please check out these resources here: <https://bookstore.gpo.gov/agency/naval-history-heritage-command> Year 2016 marked the 71st anniversary of the sinking and another spike in public attention on the loss -- including a big screen adaptation of the story, talk of future films, documentaries, and planned expeditions to locate the wreckage of the warship.

The New York Times Index

Catechism of the Catholic Church

Where is God in the suffering of a mentally ill person? What happens to the soul when the mind is ill? How are Christians to respond to mental illness? In this brave and compassionate book, theologian and priest Kathryn Greene-McCreight confronts these difficult questions raised by her own mental illness--bipolar disorder. With brutal honesty, she tackles often avoided topics such as suicide, mental hospitals, and electroconvulsive therapy. Greene-McCreight offers the reader everything from poignant and raw glimpses into the mind of a mentally ill person to practical and forthright advice for their friends, family, and clergy. The first edition has been recognized as one of the finest books on the subject. This thoroughly revised edition incorporates updated research and adds anecdotal and pastoral commentary. It also includes a new foreword by the current Archbishop of Canterbury and a new afterword by the author.
