Shakespeare: Midsummer night's dream

The original CliffsNotes study guides offer a look into critical elements and ideas within classic works of literature. In CliffsNotes on A Midsummer Night's Dream, you dig into Shakespeare's entertaining story of young lovers as they're toyed with by mischievous forest sprites. Shakespeare claimed to have written this romantic comedy to show that "love hath no law but its own." This study guide follows the action from scene to scene with commentaries that bring sense to the entertaining play, which is neither realistic nor tragic. Other features that help you figure out this important work include Life and background of the author Introduction to and synopsis of the play Analyses of all the characters and a character map Summaries of each of the five acts A review section that tests your knowledge and suggests essay topics Classic literature or modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.

Midsummer night's dream. Life of Shakespeare

This is the first book-length analysis of Shakespeare's depiction of specula (mirrors) to reveal the literal and allegorical functions of mirrors in the playwright's art and thought. Adding a new dimension to the plays Troilus and Cressida, Julius Caesar, Macbeth, Hamlet, King Henry the Fifth, Love's Labor's Lost, A Midsummer Night's Dream, and All's Well That Ends

Well, Maurice A. Hunt also references mirrors in a wide range of external sources, from the Bible to demonic practices. Looking at the concept of speculation through its multiple meanings - cognitive, philosophical, hypothetical, and provisional - this original reading suggests Shakespeare as a craftsman so prescient and careful in his art that he was able to criticize the queen and a former patron with such impunity that he could still live as a gentleman.

A Study Guide for William Shakespeare's A Midsummer Night's Dream

Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Erfurt, 10 entries in the bibliography, language: English, abstract: “[By Reading Ovid’s Metamorphoses, the Elizabethans could]() dig beneath its layers of fiction in an effort to recover the most precious secrets of the ancient world, whether moral, philosophical, historical, or scientific.” It is beyond all doubt, that the great poetry of Ovid (43 BC – 17 AD) had a strong influence on William Shakespeare’s work. Understandably enough,

as Ovid's work is a classical masterpiece of Latin literature. It fascinates with its formal perfection, urban humour and Ovid's creative fantasy. His outstanding opus is of course the *Metamorphoses*, the magnificent epic poem containing about 250 transformation legends of Greek and Roman mythology. Ovid's interests in myths show also the *heroides*, which include fictitious love letters. Love – this is undoubtedly a central theme in Ovid's literature. His writings *Amores*, *Ars amatoria* and *Remedia amoris* display that. Although Ovid's literature was banished from public libraries by emperor Augustus after the poet's death, his posthumous fame could not be prevented – fortunately. Ovid's work had a great influence on medieval literature and during renaissance his mythological stories had been example for many novellas . The role of Ovid's greatest opus, the *Metamorphoses* in Shakespeare's work, especially in his comedy *A Midsummer Night's Dream*, is going to be discussed in this paper. At first the focus lies on Ovidian literature in Elizabethan times. Then, the parody of *Pyramus and Thisbe* in *A Midsummer Night's Dream* will be analysed. A special kind of metamorphosis – the one of Bottom brings up the third main emphasis. By the way – what is a metamorphosis? It is said to be a process in which somebody or something changes completely into something different – for example a caterpillar that becomes a beautiful butterfly

Shakespeare's a Midsummer Night's Dream for Kids

Perhaps the most popular from all of Shakespeare's comedies, humorously celebrates the vagaries of love. The approaching wedding festivities of Theseus, Duke of Athens, and his bride-to-be, Hippolyta, Queen of the Amazons, are delightfully crisscrossed with in-again, off-again romances of two young pairs of Athenian lovers; a fateful rivalry between the King and Queen of the Fairies; and the theatrical aspirations of a bumbling troupe of Athenian laborers. It all ends happily in wedding-night revelry complete with a play-within-a-play presented by the laborers to the ecstatic amusement of all. 68 pages, with a reading time of ~2.25 hours (17,035 words), and first published in 1595.
