## The Great Divorce

## Sisterhood of the Squared Circle

The championship winning England team presents for the very first time, 3,000 questions in a quiz book for all the family. Fresh from winning the European

Championships, the England quiz team have put their heads together and compiled 200 quizzes to challenge every member of the family. From questions for kids, to History, TV and Sport, and of course general knowledge, there's a quiz to suit everyone. And for those quiz fanatics among you, there are even a few fiendishly difficult ones that our very own champions struggled to answer. So pit yourself against the best, or just join in for a bit of fun; and whether you're playing in groups or simply testing your own skill, one thing is for sure - a quiz book put together by the best team in Europe is guaranteed to be the only quiz book you'll ever need.

### **The Luckiest Girl**

The Pulitzer Prize-winning columnist's "astonishing" and "enthraling" New York Times bestseller and Notable Book about how the Founders' belief in natural rights created a great American political tradition (Booklist) -- "easily one of the best books on American Conservatism ever written" (Jonah Goldberg). For more than four decades, George F. Will has attempted to discern the principles of the Western political tradition and apply them to America's civic life. Today, the stakes could hardly be higher. Vital questions about the nature of man, of rights, of equality, of majority rule are bubbling just beneath the surface of daily events in America. The Founders' vision, articulated first in the Declaration of Independence and carried out in the Constitution, gave the new republic a framework for government unique in world history. Their beliefs in natural rights,

limited government, religious freedom, and in human virtue and dignity ushered in two centuries of American prosperity. Now, as Will shows, conservatism is under threat -- both from progressives and elements inside the Republican Party. America has become an administrative state, while destructive trends have overtaken family life and higher education. Semi-autonomous executive agencies wield essentially unaccountable power. Congress has failed in its duty to exercise its legislative powers. And the executive branch has slipped the Constitution's leash. In the intellectual battle between the vision of Founding Fathers like James Madison, who advanced the notion of natural rights that pre-exist government, and the progressivism advanced by Woodrow Wilson, the Founders have been losing. It's time to reverse America's political fortunes. Expansive, intellectually thrilling, and written with the erudite wit that has made Will beloved by millions of readers, *The Conservative Sensibility* is an extraordinary new book from one of America's most celebrated political writers.

### **The Cactus League**

One of The Wall Street Journal's 10 New Books You Should Be Picking Up First In 2020 and one of The Millions' Most Anticipated Books of 2020 An explosive, character-driven odyssey through the world of baseball from Emily Nemens, the editor of The Paris Review Jason Goodyear is the star outfielder for the Los Angeles Lions, stationed with the rest of his team

in the punishingly hot Arizona desert for their annual spring training. Handsome, famous, and talented, Goodyear is nonetheless coming apart at the seams. And the coaches, writers, wives, girlfriends, petty criminals, and diehard fans following his every move are eager to find out why—as they hide secrets of their own. Humming with the energy of a ballpark before the first pitch, Emily Nemens' *The Cactus League* unravels the tightly connected web of people behind a seemingly linear game. Narrated by a sportscaster, Goodyear's story is interspersed with tales of Michael Taylor, a batting coach trying to stay relevant; Tamara Rowland, a resourceful spring-training paramour, looking for one last catch; Herb Allison, a legendary sports agent grappling with his decline; and a plethora of other richly drawn characters, all striving to be seen as the season approaches. It's a journey that, like the Arizona desert, brims with both possibility and destruction. Anchored by an expert knowledge of baseball's inner workings, Emily Nemens's *The Cactus League* is a propulsive and deeply human debut that captures a strange desert world that is both exciting and unforgiving, where the most crucial games are the ones played off the field.

## **Hawk**

Anyone who's tuned in to a White Sox game during the past four decades has heard his calls and catchphrases: "Mercy!" "Rack 'em up!" "He gone!" Ken Harrelson is a man who knows how to talk and is brimming with stories, but even the most dedicated

fans haven't heard them all; many of "Hawk's" most memorable tales are simply not suitable for television broadcasts. Now, in his memoir, Harrelson opens up on a wide variety of topics, from his volatile childhood, to life in the major leagues, to stints as a professional golfer and MLB general manager, and of course his storied years in the broadcast booth. He minces no words when reflecting on brawls, blowups, and encounters with figures ranging from Mickey Mantle and Arnold Palmer to Frank Sinatra and Bobby Kennedy. Packed with the enthusiasm and candor audiences have come to expect, Hawk is a no-holds-barred look at a singular life and career.

### **Great Donald Ross Golf Courses You Can Play**

Falling in Love . . . Shelly feels as if she's living in a fantasyland. She's spending the school year in southern California, where flowers bloom in November, oranges grow on trees, and lawns are mowed in winter. When the star of the basketball team smiles at her, Shelly feels as if she's been touch by magic. Now she's about to discover the magic of falling in love! A bittersweet story of first love from one of America's most beloved children's authors.

### **Scouting and Scoring**

Welcome to a future where water is more precious than oil or gold Hundreds of millions of people have already died, and millions more will soon fall-victims of disease, hunger, and dehydration. It is a time of

drought and war. The rivers have dried up, the polar caps have melted, and drinkable water is now in the hands of the powerful few. There are fines for wasting it and prison sentences for exceeding the quotas. But Kai didn't seem to care about any of this. He stood in the open road drinking water from a plastic cup, then spilled the remaining drops into the dirt. He didn't go to school, and he traveled with armed guards. Kai claimed he knew a secret-something the government is keeping from us And then he was gone. Vanished in the middle of the night. Was he kidnapped? Did he flee? Is he alive or dead? There are no clues, only questions. And no one can guess the lengths to which they will go to keep him silent. We have to find him-and the truth-before it is too late for all of us.

### **Three Dark Crowns**

The #1 New York Times bestseller that started a worldwide phenomenon and inspired a major motion picture is now available in a beautifully designed Collector's Edition. This deluxe package features: 72 pages of bonus content, including: Two essays by Veronica Roth, including excerpts from early drafts of *Divergent* An essay about the psychology behind fear and the "exposure therapy" of *Dauntless* initiation Artistic renderings of the Choosing Ceremony Bowls An excerpt from the movie script Favorite quotes from *Divergent*, illustrated by fellow Initiates A map of the *Dauntless* compound *Divergent* discussion questions This edition makes a great gift for established fans who want to expand their *Divergent* library or who already own the *Insurgent* Collector's Edition; readers

new to the series who want a fuller reading experience; and fans of the feature film. Taking place in a futuristic Chicago in which society is divided into five factions, *Divergent* is the gripping story of a dystopian world transformed by courage, self-sacrifice, and love. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark!*

### **Dueling with Kings**

New York Times Bestseller \* New York Public Library Best Book of 2016 \* Chicago Public Library Best Book of 2016 \* Kirkus Best Book of the Year Fans of acclaimed author Kendare Blake's *Anna Dressed in Blood* will devour *Three Dark Crowns*, the first book in a dark and inventive fantasy series about three sisters who must fight to the death to become queen. In every generation on the island of Fennbirn, a set of triplets is born: three queens, all equal heirs to the crown and each possessor of a coveted magic. Mirabella is a fierce elemental, able to spark hungry flames or vicious storms at the snap of her fingers. Katharine is a poisoner, one who can ingest the deadliest poisons without so much as a stomachache. Arsinoe, a naturalist, is said to have the ability to bloom the reddest rose and control the fiercest of lions. But becoming the Queen Crowned isn't solely a matter of royal birth. Each sister has to fight for it. And it's not just a game of win or lose...it's life or death. The night the sisters turn sixteen, the battle begins. The last queen standing gets the crown. Don't miss *Five Dark Fates*, the thrilling conclusion to the

series, coming in September!

## **P Is for Pterodactyl**

This book is for instructors who think that most calculus textbooks are too long. In writing the book, James Stewart asked himself: What is essential for a three-semester calculus course for scientists and engineers? **ESSENTIAL CALCULUS: EARLY TRANSCENDENTALS**, Second Edition, offers a concise approach to teaching calculus that focuses on major concepts, and supports those concepts with precise definitions, patient explanations, and carefully graded problems. The book is only 900 pages--two-thirds the size of Stewart's other calculus texts, and yet it contains almost all of the same topics. The author achieved this relative brevity primarily by condensing the exposition and by putting some of the features on the book's website, [www.StewartCalculus.com](http://www.StewartCalculus.com). Despite the more compact size, the book has a modern flavor, covering technology and incorporating material to promote conceptual understanding, though not as prominently as in Stewart's other books. **ESSENTIAL CALCULUS: EARLY TRANSCENDENTALS** features the same attention to detail, eye for innovation, and meticulous accuracy that have made Stewart's textbooks the best-selling calculus texts in the world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## **Zathura**

After twenty years in the Roughts, Waxillium Ladrian is forced by family tragedy to return to Elendel, where he learns the hard way that the elegant streets of the city can be more dangerous than the dusty plains of the Roughts.

## **A History of Pi**

An in-depth look at the intersection of judgment and statistics in baseball Scouting and scoring are considered fundamentally different ways of ascertaining value in baseball. Scouting seems to rely on experience and intuition, scoring on performance metrics and statistics. In *Scouting and Scoring*, Christopher Phillips rejects these simplistic divisions. He shows how both scouts and scorers rely on numbers, bureaucracy, trust, and human labor to make sound judgments about the value of baseball players. Tracing baseball's story from the nineteenth century to today, Phillips explains that the sport was one of the earliest fields to introduce numerical analysis, and new methods of data collection were supposed to enable teams to replace scouting with scoring. But that's not how things turned out. From the invention of official scorers and Statcast to the creation of the Major League Scouting Bureau, *Scouting and Scoring* reveals the inextricable connections between human expertise and data science, and offers an entirely fresh understanding of baseball.

## **Creed Thoughts**

Ken Jennings's Trivia Almanac is the ingeniously organized book where, for a change, the all-time Jeopardy! champ gets to ask the questions—and where every day of the year will give you the chance to test your trivia mettle. For example—February 21: In 1912, on this day, Teddy Roosevelt coined the political phrase “hat in the ring,” so Ken Jennings fires off a series of “ring” questions. What two NFL quarterbacks have four Super Bowl rings each?\* What rings are divided by the Cassini Division?\*\* Also on this date, in 1981, the “goth” music scene was born in London, so here's a quiz on black-clad icons like Darth Vader, Johnny Cash, and Zorro. Do you know the secret identities of Ivanhoe's Black Knight\*\*\* or Men in Black's Agent M\*\*\*\*? In this ultimate book for trivia buffs and other assorted know-it-alls, the 365 entries feature “This Day in History” factoids, trivia quizzes, and questions categorized by Jennings as “Easy,” “Hard,” and “Yeah, Good Luck.” Topics cover every subject under the sun, from paleontology to mixology, sports feats to Bach suites, medieval popes to daytime soaps. This addictive gathering of facts, oddities, devilishly clever quizzes, and other flights of fancy will make each day a fun and intriguing new challenge. From the Hardcover edition.

### **This Day in Music**

At age seventeen, Shawn Fanning designed a computer program that transformed the Internet into an unlimited library of free music. Tens of millions of young people quickly signed on, Time magazine put Fanning on its cover, and his company, Napster,

became a household name. It did not take long for the music industry to declare war, one that has now engulfed the biggest entertainment and technology companies on the planet. For All the Rave, top cyberculture journalist Joseph Menn gained unprecedented access to Fanning, other key Napster and music executives, reams of internal e-mails, unpublished court records, and other resources. The result is the definitive account of the Napster saga, for the first time revealing secret take-over and settlement talks, the unseen role of Shawn's uncle in controlling Napster, and hidden agendas and infighting from Napster's trenches to the top ranks of the German media giant Bertelsmann. All the Rave is a riveting account of genius and greed, visionary leaps and disastrous business decisions, and the clash of the hacker and investor cultures with that of the copyright establishment. Napster left a generation of music fans feeling that paying the recording industry close to twenty dollars for a CD was a foolish and unnecessary extravagance, which provoked a still-growing backlash against digital media consumers that might leave them with less control than ever. Here is the inside story of the young visionary and the company that made it happen. From the Hardcover edition.

### **Matilda**

### **You Shall Know Our Velocity**

## **The Only Quiz Book You Will Ever Need**

Ricky Beamer is furious when he gets kicked off the school paper, so he decides to play a joke on Tashas, the bossy editor-in-chief. Just a little joke. Harmless, really. After school one day he sticks a message in the paper. "If you're a creep call Tasha after midnight" it reads. But somehow Ricky's message gets messed up. And now he's getting calls! Strange calls from kids who say they are creeps. Creeps with scaly purple skin. And long sharp fangs

## **Life Hacks**

This is the definitive movie trivia book, from the authority on classic film. Rediscover your favorite films and put your movie knowledge to the test with more than 4,000 questions that draw on a century of landmark cinema. Questions range from early Hollywood to the 1960s and beyond, including key genres, stars, directors, behind-the-scenes facts, famous quotes, and more all highlighted by spotlight trivia features and hundreds of images and film stills. A foreword by TCM host Robert Osborne and a challenging Experts Only section round out this ultimate volume for classic film aficionados.

## **Pop Sonnets**

Based on the massively popular Web site [thisdayinmusic.com](http://thisdayinmusic.com), this extraordinary day-by-day diary recounts the musical firsts and lasts, blockbuster albums and chart-topping tunes, and

other significant happenings on each of the 365 days Of the year.

## **First Class Murder**

“Hilarious behind-the-scenes look at the characters, compulsions, and chaos inside the fantasy sports gold rush.” -Jason Gay, author of *Little Victories As Bringing Down the House* did for card counters and *Positively Fifth Street* did for poker players, Daniel Barbarisi does for Daily Fantasy Sports fans in this leap down the rabbit hole of America’s latest obsession. Daniel Barbarisi quits his job as the New York Yankees beat writer for *The Wall Street Journal* and begins a quest: to join the top one percent of Daily Fantasy Sports (“DFS”) players, the so-called “sharks,” and figure out whether DFS is on the level—while maybe cashing in along the way. DFS is fantasy sports on steroids. It’s the domain of bitter rivals FanDuel and DraftKings, online juggernauts who turned a legal loophole into a billion-dollar industry by allowing sports fans bet piles of cash constructing fantasy teams. Yet as Barbarisi quickly realized, what should have been a fun companion to casual sports viewing was instead a ferocious environment infested with sharks, a top tier of pros wielding complex algorithms, drafting hundreds of lineups, and wagering six figures daily as they bludgeon unsuspecting amateur “fish.” Barbarisi embeds himself inside the world of DFS, befriending and joining its rogue’s gallery as he tries to beat them at their own game. In a work equal parts adventure and rigorously reported investigation, Barbarisi wades into

this chaotic industry at the very moment its existence is threatened by lawmakers sick of its Wild West atmosphere and pushy advertising. All their money made FanDuel and DraftKings seem invincible; but, as Barbarisi reports, they made plenty of dubious—perhaps even scandalous—moves as they vied for market supremacy. In *Dueling with Kings*, Barbarisi uncovers the tumultuous inside story of DFS, all while capturing its peculiar cast of characters, from wide-eyed newly minted millionaires, to sun-starved math geeks, to bros living an endless frat party of keggers and Playboy Bunnies. Can he outwit them all and make it to the top?

### **The Alloy of Law**

These days, everyone is looking for a way to make life easier. From folding a fitted sheet to removing scuffs from furniture, 'Life Hacks' offers readers the simple, everyday solutions that they've been looking for. Each informative entry will help them discover quicker, more efficient techniques for completing ordinary tasks around the home, at the office, and just about anywhere. They'll also learn how to make the most out of any situation with fun, problem-solving tricks like creating an impromptu iPod speaker from toilet paper rolls or snagging a free doughnut at their local Krispy Kreme shop. Filled with 1,000 valuable life hacks, this book proves that readers don't have to search very far for the perfect solution to their everyday problems. AUTHOR: Keith Bradford is the sole owner and webmaster of Bradford Media, which publishes 1000Life Hacks .com, YupThatExists .com,

and many other blogs/sites. Since its launch at the beginning of 2013, Bradford Media has gained a collective readership of more than 200,000, and continues to grow each and every day. ' **SELLING POINTS:** \* A guide to solving problems, simplifying tasks, and reducing day-to-day frustrations \* More than 90,000 monthly Google searches are made for "life hacks," indicating that readers are interested in discovering new ways to make life easier \* Keith Bradford's website has a readership of over 200,000, and his Tumblr, where he posts a majority of his life hacks, has 70,000 followers!

### **The Conservative Sensibility**

C.S. Lewis's dazzling allegory about heaven and hell – and the chasm fixed between them – is one of his most brilliantly imaginative tales, as he takes issue with the ideas in William Blake's 'The Marriage of Heaven and Hell'.

### **Knickerbocker's History of New York**

### **Calling All Creeps (Goosebumps #50)**

In his first novel, Dave Eggers has written a moving and hilarious tale of two friends who fly around the world trying to give away a lot of money and free themselves from a profound loss. It reminds us once again what an important, necessary talent Dave Eggers is. From the Trade Paperback edition.

## **All the Rave**

A New York Times Bestseller! A "raucous trip through the odd corners of our alphabet." —The New York Times Let's get real—the English language is bizarre. A might be for apple, but it's also for aisle and aeons. Why does the word "gnat" start with a G but the word "knot" doesn't start with an N? It doesn't always make sense, but don't let these rule-breaking silent letters defeat you! This whimsical, funky book from Raj Haldar (aka rapper Lushlife) turns the traditional idea of an alphabet book on its head, poking fun at the most mischievous words in the English language and demonstrating how to pronounce them. Fun and informative for word nerds of all ages!

## **The New Jim Crow**

One of the nation's great "golf architects" shares his unique insights into some of the nation's best courses.

## **Ken Jennings's Trivia Almanac**

The Bard meets the Backstreet Boys in Pop Sonnets, a collection of 100 classic pop songs reimagined as Shakespearean sonnets. All your favorite songs are here, including hits by Jay-Z, Johnny Cash, Katy Perry, Michael Jackson, Talking Heads, and many others. With stirring sentiments on everything from love and despair to wanton women, Pop Sonnets offers inspirational verse for every occasion.

## **Always and Forever, Lara Jean**

From Francesca Zappia, the acclaimed author of *Eliza and Her Monsters!* When Zora Novak is framed for a crime she didn't commit, she must track down the true culprit and clear her name before it's too late. But in a small town obsessed with ghosts, getting people to believe the truth might prove to be impossible. *Stranger Things* meets *Buffy the Vampire Slayer* in this eerie murder mystery. "A darkly humorous, rapid-fire read in which the living are sometimes scarier than the dead."—Kirkus When someone burns down the home of the school janitor and he dies in the blaze, everyone in Addamsville, Indiana, points a finger at Zora. Never mind that Zora has been on the straight and narrow since her father was thrown in jail. With everyone looking for evidence against her, her only choice is to uncover the identity of the real killer. There's one big problem—Zora has no leads. No one does. Addamsville has a history of tragedy, and thirty years ago a similar string of fires left several townspeople dead. The arsonist was never caught. Now, Zora must team up with her cousin Artemis—an annoying self-proclaimed Addamsville historian—to clear her name. But with a popular ghost-hunting television show riling up the townspeople, almost no support from her family and friends, and rumors spinning out of control, things aren't looking good. Zora will have to read between the lines of Addamsville's ghost stories before she becomes one herself. Acclaimed author Francesca Zappia has a perfectly pitched teen voice that shines in this inventive novel. Now Entering Addamsville is perfect

for fans of Brittany Cavallaro, Victoria Schwab, and The Chilling Adventures of Sabrina. Includes interior spot illustrations from the author.

### **The Fall**

Yo guys, Welcome to MAX AND HARVEY (in a book)! Our lives changed last year when we joined Musical.ly. So this year we wanted to keep a record of all the things that have happened to us - and this is it! So if you want to know: · How we ended up making a TV show with CBBC · What it's like to meet famous dogs from the internet · What Max's favourite vegetable is then this is the book for you! We hope you enjoy it!

### **Through the Dark Continent**

A murdered heiress, a missing necklace, and a train full of shifty, unusual, and suspicious characters leaves Daisy and Hazel with a new mystery to solve in this third novel of the Wells & Wong Mystery series. Hazel Wong and Daisy Wells are taking a vacation across Europe on world-famous passenger train, the Orient Express—and it's clear that each of their fellow first-class travelers has something to hide. Even more intriguing: There's rumor of a spy in their midst. Then, during dinner, a bloodcurdling scream comes from inside one of the cabins. When the door is broken down, a passenger is found murdered—her stunning ruby necklace gone. But the killer has vanished, as if into thin air. The Wells & Wong Detective Society is ready to crack the case—but this time, they've got competition.

## **Max and Harvey: In a Book**

Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—“one of the most influential books of the past 20 years,” according to the Chronicle of Higher Education—with a new preface by the author “It is in no small part thanks to Alexander’s account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system.” —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander’s *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander’s unforgettable argument that “we have not ended racial caste in America; we have merely redesigned it.” As the Birmingham News proclaimed, it is “undoubtedly the most important book published in this century about the U.S.” Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the

book has had and the state of the criminal justice reform movement today.

## **Divergent Collector's Edition**

A behind-the-scenes look at over a century of female wrestling, with profiles and photos: “Fascinating sports history” (Booklist). From the carnival circuit of the late 1800s to today’s main events, this book offers a look at the business of women’s wrestling with its backstage politics, real-life grudges, and incredible personalities. With more than one hundred profiles, you’ll learn about the careers of many well-known trailblazers and stars of today, including Mildred Burke, the Fabulous Moolah, Mae Young, Penny Banner, Wendi Richter, Trish Stratus, Chyna, Lita, Charlotte, Sasha Banks, and Bayley. With rare photographs and an exploration of women’s wrestling worldwide—including chapters on Japan, Mexico, England, and Australia—*Sisterhood of the Squared Circle* is a priceless contribution to the history of professional wrestling.

## **The Berenstain Bears' Funny Valentine**

Lara Jean’s letter-writing days aren’t over in this follow-up to the bestselling *To All the Boys I’ve Loved Before* and *P.S. I Still Love You*. Soon to be a major motion picture coming to Netflix in 2021—the first two movies in the series are streaming now! Lara Jean is having the best senior year a girl could ever hope for. She is head over heels in love with her boyfriend, Peter; her dad’s finally getting remarried to their next

door neighbor, Ms. Rothschild; and Margot's coming home for the summer just in time for the wedding. But change is looming on the horizon. And while Lara Jean is having fun and keeping busy helping plan her father's wedding, she can't ignore the big life decisions she has to make. Most pressingly, where she wants to go to college and what that means for her relationship with Peter. She watched her sister Margot go through these growing pains. Now Lara Jean's the one who'll be graduating high school and leaving for college and leaving her family—and possibly the boy she loves—behind. When your heart and your head are saying two different things, which one should you listen to?

### **Introduction to International Relations**

Documents the calculation, numerical value, and use of the ratio from 2000 B.C. to the modern computer age, detailing social conditions in eras when progress was made

### **A Day in Hollywood, a Night in the Ukraine**

Left on their own for an evening, two boisterous brothers find more excitement than they bargained for in a mysterious and mystical space adventure board game.

### **Guy Livingstone**

Over the years, The Fall have given me more pleasure

than any other band and, when people ask me why I always say, 'they are always different, they are always the same' John Peel. The first ever authorised biography of this most inscrutable of bands! Together music writer Mick Middles and Fall leader Mark E. Smith have written an exhaustive biography of The Fall. Spanning their years on the fringe of the Manchester punk scene, three dozen albums, numerous tours, two successful stage plays and various spoken word events, this book is as strangely compelling as the band itself. Laced with Smith's distinctive brand of working class intellectualism and trenchant broadsides this is a meticulously researched story to thrill the famously disparate fans of The Fall who revel in a string of classic albums that fly in the face of all fashion, fads and musical trends. Mark E Smith remains famously true to his roots. Uncomfortable in art circles in London or, say, New York, he continues to live a full life in his native Salford, perfectly at home amongst the artisans in the string of local pubs. Just one more reason why Mark E Smith is a truly unique phenomenon with assured longevity. The book is the only authorised account of the enigma that is Mark E Smith. Author Mick Middles has been a close friend of Smith for over 25 years, and the book, written with Smith's complete approval and assistance, delves deep into the heart of that enigma.

## **Now Entering Addamsville**

## **The Water Wars**

This nineteenth-century novel by the author of *Rip Van Winkle* offers a satirical history of New York, from the creation of the world to the fall of New Amsterdam. Washington Irving's debut novel, *Knickerbocker's History of New York* was an immediate sensation when it was first published in 1809. Posing as the work of a fictional Dutch historian named Dietrich Knickerbocker, it both catapulted Irving's literary reputation and established the "Father Knickerbocker" character as a popular icon of New York. Knickerbocker discusses the development of New Netherland, the seventeenth-century Dutch colony, with a special focus on New Amsterdam, the settlement located on present-day Manhattan. The thoroughly tongue-in-cheek chronicle contains "among many surprising and curious matters, the unutterable ponderings of Walter the Doubter, the disastrous projects of William the Testy, and the chivalric achievements of Peter [Stuyvesant] the Headstrong."

### **Essential Calculus: Early Transcendentals**

Come for a visit in Bear Country with this classic First Time Book® from Stan and Jan Berenstain. It's Valentine's Day and Sister has a special card for a cub named Billy. But when Billy ends up having a special card for Sister, the tables are turned. This beloved story is a perfect way to Celebrate Valentines Day.
