Instant New York Times, USA Today, and Publishers Weekly bestseller! Boston Globe bestseller #1 Canadian Bestseller OB/GYN, The New York Times columnist, host of the show Jenexplaining, and internationally bestselling author Dr. Jen Gunter now delivers the definitive book on vaginal health, answering the questions you've always had but were afraid to ask—or couldn't find the right answers to. She has been called Twitter's resident gynecologist, the Internet's OB/GYN, and one of the fiercest advocates for women's health...and she's here to give you the straight talk on the topics she knows best. Does eating sugar cause yeast infections? Does pubic hair have a function? Should you have a vulvovaginal care regimen? Will your vagina shrivel up if you go without sex? What's the truth about the HPV vaccine? So many important questions, so much convincing, confusing, contradictory misinformation! In this age of click bait, pseudoscience, and celebrity-endorsed products, it's easy to be overwhelmed—whether it's websites, advice from well-meaning friends, uneducated partners, and even healthcare providers. So how do you separate facts from fiction? OB-GYN Jen Gunter, an expert on women's health—and the internet's most popular go-to doc—comes to the rescue with a book that debunks the myths and educates and empowers women. From reproductive health to the impact of antibiotics and probiotics, and the latest trends, including vaginal steaming, vaginal marijuana products, and jade eggs, Gunter takes us on a factual, fun-filled journey. Discover the truth about:

- The vaginal microbiome
- Genital hygiene, lubricants, and hormone myths and fallacies
- How diet impacts vaginal health
- Stem cells and the vagina
- Cosmetic vaginal surgery
- What changes to expect during pregnancy and after childbirth
- What changes to expect through menopause
- How medicine fails women by dismissing symptoms

Plus:

- Thongs vs. lace: the best underwear for vaginal health
- How to select a tampon
- The full glory of the clitoris and the myth of the G Spot . . . And

so much more. Whether you're a twenty-six-year-old worried that her labia are "uncool" or a sixty-six-year-old dealing with painful sex, this comprehensive guide is sure to become a lifelong trusted resource.

Sexual Behavior in the Human Male

HOW TO EASILY MAKE A WOMAN SQUIRT You won't get the information embedded in this book anywhere else in the world. This book was born out of the desire to help a brother whose wife was messing around with other men. I gave him some tips and tricks, and that was all he needed to keep his beautiful wife back at home. I have slept with countless women, and I know every single damn thing about a woman's body. Making a woman squirt is a technique that isn't common among the male folks. Whoever makes a woman squirt keep her for life irrespective of your misdoings. Several years, making a woman squirt was an art only Cassanova knew, but today I will show you all you need to make her squirt and want more of you all the time. If you've never seen or felt a true G-Spot orgasm, imagine for a moment, an orgasm that causes the whole vagina to spasm rigorously, often contracting so tight that it literally forces out your finger or any object inside the vagina. And imagine that while these intense contractions are throbbing and pulsing throughout the vagina, the vagina becomes very wet and ejaculates a stream or spurt of fluid with each contraction. Imagine an orgasm that causes such intense ecstasy that even the quietest and most controlled woman will yell, buck and become wild; one that makes normal "screamers" go dead silent--the scream caught in her throat--a scream that if freed may wake all the neighbours within a four-block radius. Then you can imagine the satisfaction of never having to wonder: "Did she orgasm? Was it fake, or was it real?" But instead knowing the instant her orgasm begins with clear physical signs that occur involuntarily and comes along with the orgasm. This is the glory of a G-Spot orgasm!!! But we don't want you to take our word for it. We want you to see for yourself. SEE WHAT PEOPLE ABOUT THE MAKING A WOMAN SQUIRT "It was absolutely the furriest, most wonderful climax I've had! It was like warmth started in my vagina center and splashed outward all over my body. Wonderful!" -- J. K. "I thought I took a leak! And then (name withheld) explained what had happened after reading series of books and I could hardly believe it finally happened to me. . . I would prefer having this every day and take the stress of washing the sheets everyday"-- T.C. "After I felt what it's like to squirt, I'd rather die than (name withheld) stop making love to me! Our love life has never been better. . ." -- K. C. Like I said, whoever makes a woman squirt owns her for life. If your wife is about to leave you, divorce you, or having an affair with another man, then you need to satisfy her on bed and watch how she turns over a new leaf. The secrets are embedded right inside this book. this book will expose you to How to initiate sex the right way Ways to make a woman want you on bed How to get her wet Where to locate her G-spot The right way to stimulate the G-spot and Clitoris Understanding a Woman's anatomy How to stimulate yourself as a woman Advanced sexual techniques for ultimate pleasure Sexy positions for G-spot stimulation Making a woman finally squirt If you really want to improve your sex life as a man, or help your husband bedroom skills as a woman, then this book is a must buy. What are you waiting for? Just click the purchase button NOW!!!

Come as You Are

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

Do you already understand what female ejaculation is, yet wonder how you can achieve it? Have your past attempts at squirting been unsuccessful? Then this book is for you! Squirting: It's Easier Than You Think is a quick book of useful tips and information to help any woman learn how to experience female ejaculation. It doesn't waste time with explaining what female ejaculation is, but instead focuses on providing the best, most useful tips to encourage your body to unleash its flood. The author R. Leigh began experiencing female ejaculation later in adulthood, before she even knew what it was, or her body could do it. Her sexual past included rape, molestation, a physically abusive relationship, and few sexual experiences which were enjoyable nor included a focus on her pleasure. Her first experience with female ejaculation led to a several year journey into understanding her own sexuality, where she embraced pleasure and developed an immense amount of knowledge about the squirting orgasm and how it's accomplished. As she learned more, and became much more comfortable with her body, as well as accepted the fact she deserved pleasure, she learned more about the role a holistic view plays into sexuality. Her goal is to share knowledge of female ejaculation with others, particularly women, to help them understand the strong connection a healthy mind, body and spirit has to pleasurable female sexuality. A healthy sex life is not only crucial to strengthening the connection with your partner, but it's also beneficial to a woman's physical and mental health.

The Art of Female Orgasm

Why women evolved to have orgasms--when most of their primate relatives don't--is a persistent mystery among evolutionary biologists. In pursuing this mystery, Elisabeth Lloyd arrives at another: How could anything as inadequate as the evolutionary explanations of the female orgasm have passed muster as science? A judicious and revealing look at all twenty evolutionary accounts of the trait of human female orgasm, Lloyd's book is at the same time a case study of how certain biases steer science astray. Over the past fifteen years, the effect of sexist or male-centered approaches to science has been hotly debated. Drawing especially on data from nonhuman primates and human sexology over eighty years, Lloyd shows what damage such bias does in the study of female orgasm. She also exposes a second pernicious form of bias that permeates the literature on female orgasms: a bias toward adaptationism. Here Lloyd's critique comes alive, demonstrating how most of the evolutionary accounts either are in conflict with, or lack, certain types of evidence necessary to make their cases--how they simply assume that female orgasm must exist because it helped females in the past reproduce. As she weighs the evidence, Lloyd takes on nearly everyone who has written on the subject: evolutionists, animal behaviorists, and feminists alike. Her clearly and cogently written book is at once a convincing case study of bias in science and a sweeping summary and analysis of what is known about the evolution of the intriguing trait of female orgasm.

Because It Feels Good

An essential exploration of why and how women's sexuality works—based on groundbreaking research and brain science—that will radically transform your sex life into one filled with confidence and joy. Researchers have spent the last decade

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

trying to develop a “pink pill” for women to function like Viagra does for men. So where is it? Well, for reasons this book makes crystal clear, that pill will never be the answer—but as a result of the research that’s gone into it, scientists in the last few years have learned more about how women’s sexuality works than we ever thought possible, and *Come as You Are* explains it all. The first lesson in this essential, transformative book by Dr. Emily Nagoski is that every woman has her own unique sexuality, like a fingerprint, and that women vary more than men in our anatomy, our sexual response mechanisms, and the way our bodies respond to the sexual world. So we never need to judge ourselves based on others’ experiences. Because women vary, and that’s normal. Second lesson: sex happens in a context. And all the complications of everyday life influence the context surrounding a woman’s arousal, desire, and orgasm. Cutting-edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life, is not what you do in bed or how you do it, but how you feel about it. Which means that stress, mood, trust, and body image are not peripheral factors in a woman’s sexual wellbeing; they are central to it. Once you understand these factors, and how to influence them, you can create for yourself better sex and more profound pleasure than you ever thought possible. And Emily Nagoski can prove it.

Squirt School

"It Could Be the Best Night of Your Life" You've heard about female ejaculation, right? Most men have Unfortunately, "heard about" is where that knowledge stops. Very few men actually experience female ejaculation. I'm talking about the heat the wetness the passion the total release of all inhibitions that a woman has when she experiences such a powerful orgasm. It's mind-blowing! That's for other guys though not you. Right? Wrong! What if I told you that you could easily turn any woman into a "squirter" by following a few simple techniques? You'd know exactly what to do and say to make it happen any time, over and over again "What You're About to Discover May Surprise You" It surprised me until I experienced it for myself! What I experienced was so profound, and so powerful, that even I was amazed. In fact, those first experiences were what inspired me to write this book. If I can do this, anybody can. And yes, that means you! So get this book, read it (it's short), and make it happen! Alex Jansen is a Toronto-based writer specializing in frank, sexual topics for an adult audience. In other words, not an author your mother would read unless she's really kinky.

Doing It

FEMALE EJACULATION IS REAL! Every Woman Can Do It! Give Me Just One Hour and I'll Prove It to You! You've heard about female ejaculation (or "squirting" as many call it). Now, I'm going to show you how to make it happen, again and again. My "quick and dirty" female ejaculation techniques will work on any woman. I'll show you, step-by-step, exactly what to do, and say, in order to get your lover squirting like a geyser. This isn't your typical sex ed book. I give you what works and get to the point without all the boring, "textbook" stuff. Imagine if you could give your partner the most powerful orgasm of her life and it was as easy as following a basic, straightforward set of instructions that are guaranteed to work. GOOD NEWS: IT IS THAT EASY! In this book, you'll uncover my simple and easy female

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

ejaculation techniques, including: - How to create a perfect atmosphere that will get her in the mood. This is essential if you're going to be successful. - Which "sex toy" is the best for female ejaculation and exactly how you should use it. - A step-by-step method to overcome any fears or skepticism she may have. - My "Make it Happen" checklist of everything you need to have on hand, and be prepared for, to ensure she will "squirt" every time even if you only have a few minutes together. And so much more!

Make Her Squirt!

A sex therapist and neuroscientist describes anhedonia, the inability to feel a satisfactory amount of pleasure--and provides the pathway back to fully enjoying sex, food, time with family and friends, and other pastimes, while also staving off depression, anxiety, and addiction.

Orgasms for Two

"In a culture where female empowerment is used to sell everything from sex toys to soap, most sex education continues to bypass pleasure. The results are stark--we've grown accustomed to slut- and prude-shaming and allowed others to dictate how a "good girl" is meant to feel, act, and look. An unfiltered blend of personal narrative and practical tips on relationships, solo play, journaling, gender issues, and more, Girl Boner will "empower you to own your sexual self and enjoy your whole life a great deal more."--Back cover.

Player's Handbook Volume 3 - Make Her Squirt! a Quick and Dirty Guide to Female Ejaculation and Extended Orgasm

Goal of this module is to introduce you to the healthy mindset you need to have in order to give a woman an orgasm. - The truth is every healthy woman is capable of multiple full body orgasms - Sadly most women will never reach their full orgasmic potential - Stats - Around 29% of women have never had an orgasm at all Around 70% report never having an orgasm during sex Only 20% of women have experienced a vaginal orgasm (deeper orgasm than clitoral orgasm) - There are a number of reasons for this but the biggest is lack of knowledge and understanding of how it works - Very few people realize this but guiding a woman to orgasm requires leading both her mind and body - What I

Studying Intimate Matters

The clitoris has been dismissed, undervalued, unexplored, and misunderstood for hundreds of years, but the truth is out there, and internationally celebrated sex educator Rebecca Chalker has found it. In *The Clitoral Truth*, Chalker offers the only mainstream, in-depth exploration devoted solely to women's genital anatomy and sexual response. Women readers everywhere--be they straight, gay, or bisexual--will learn about the countless sexual sensations and discover how to enhance their sexual responses in a more concrete way than ever before. Enhanced with personal accounts, comprehensive illustrations, and a thorough appendix of female sexuality resources, this book helps women and their partners

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

understand and expand their sexual potential and work toward becoming independent sexual beings.

A Squirting Primer

Do you want amazing, mind-blowing sexual ecstasy--full-body, multiple and extended orgasms, as well as the elusive and mysterious experience of female ejaculation? In this book, you'll learn how to awaken your secret orgasmic trigger, the G-spot. With step-by-step instruction for both men and women, this book shows how to give and receive incred

Live Nude Elf

A joyful and indispensable guide filled with astonishing, important, and little-known information about the vagina that will equip a new generation to make informed choices about their sexual health and happiness. The Wonder Down Under is a comprehensive guide to a miraculous and complex part of the body that too few of us (regardless of gender) are all that familiar with--the vagina. With wisdom, humor, and scientific aplomb, medical student Ellen Støkken Dahl and Dr. Nina Brochmann take readers on a fascinating journey of female sexual organs and sexual health--from the clitoris to contraception to cervical cancer. More than a user's manual, this book is the funny, frank tribute to the vagina that we have been waiting for. The Wonder Down Under is filled with astonishing, essential, and little-known information--relayed with both medical expertise and genuine empathy. Did you know, for instance, that female and male sex organs are merely variations on the same basic structure? Or that there's no such thing as a virginity test--because examining the hymen cannot meaningfully indicate whether or not someone's had sex? Brochmann and Dahl have written a tour-de-force about the biology, anatomy, and reality of the female body, examining the many ways in which widespread misinformation and silence about the vagina have been harmful to women over time. The Wonder Down Under makes crucial contributions to the discussion: the book was an instant bestseller that sold out in its native Norway in just three days. Since then it has been acquired by publishers in more than two dozen countries around the world. The Wonder Down Under is a joyful and indispensable book that will educate readers of all kinds and equip a new generation to make informed choices about their sexual well-being.

The Wonder Down Under

Come As You Are meets How to Date Men When You Hate Men in this sex handbook for the millennial feminist on how to own your body and sexuality, and use that confidence to take charge of your life "This bold, sex-positive book delivers on its promise." —Publishers Weekly Stop Apologizing for Your Sexuality and Take Charge of Your Life If you've ever wished you had a big sister or older cousin who could show you all the ropes of womanhood, look no further: Gigi Engle has done it all and is here to tell you all about it in All the F*cking Mistakes, a practical handbook for all the slutty and wanna-be-slutty women out there. It is the ultimate sex-talk book, demystifying female sexuality without any of the awkwardness of "the talk." From learning how to take back your confidence in a

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

world full of slut shaming, to discovering and owning your sexual empowerment through masturbation, to demanding the love you really deserve, this book is an ode to the women of the world who deserve to be empowered, sexually and otherwise, without guilt. Offering bite-sized lessons that incorporate Gigi's own special brand of no-nonsense advice to provide clarity and guidance on all things slutty, sexually normative and non-normative, and everything that falls between the cracks of these brackets, this book is your how-to guide to living your sexy AF, fabulous life.

The Pleasure Gap

American culture is more sexually liberal than ever. But compared to men, women's sexual pleasure has not grown: Up to 40 percent of American women experience the sexual malaise clinically known as low sexual desire. Between this low desire, muted pleasure, and experiencing sex in terms of labor rather than of lust, women by the millions are dissatisfied with their erotic lives. For too long, this deficit has been explained in terms of women's biology, stress, and age. In *The Pleasure Gap*, Katherine Rowland rejects the idea that women should settle for diminished pleasure; instead, she argues women should take inequality in the bedroom as seriously as we take it in the workplace and understand its causes and effects. Drawing on extensive research and interviews with more than one hundred women and dozens of sexual health professionals, Rowland shows that the pleasure gap is neither medical malady nor psychological condition but rather a result of our culture's troubled relationship with women's sexual expression. This provocative exploration of modern sexuality makes a case for closing the gap for good.

The Case of the Female Orgasm

Like men, women also can ejaculate, enhancing and intensifying their sexual pleasure. In an open, positive style, Deborah Sundahl presents information about female ejaculation including scientific findings, anatomical illustrations, historical accounts, a chapter on how men can help their female partners to ejaculate, and women's and men's experiences collected during the past two decades.

Female Ejaculation

Show Me Where It Squirts! - The Hotter, Wetter, Dripping Guide to Female Ejaculation and Toe-Curling Orgasms

Squirting is without a doubt the most amazing pleasure that a woman can experience. But it is not the philosopher's stone for making her come. It is only one out of many ways to stimulate pleasure in a woman. This book will teach you how to stimulate the G spot, which is the base for having sex connected to the clitoris; but it is also how you stimulate the PS spot, which is connected directly to anal sex. To sum up, the PS spot is responsible for anal pleasure, and stimulating the PS spot is one way that a woman can experience the pleasure of an anal orgasm, even if women aren't open to even talking about anal sex. Obviously, after

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

experiencing an anal orgasm, it will be impossible for a woman not to be interested in anal sex because she will have valid reasons for wanting it. This book is the most complete guide in the world on how to stimulate the PS spot.

The Self-Aware Parent

How to Unlock the Secrets of the Ultimate in Female Pleasure Provided by: HerSexualTriggers.com Finally... the Truth Is Out There! Have you been looking for a way to spice things up in the bedroom? Maybe a way to up your own game? And all that looking has lead you here, because you heard about the Ultimate Female Orgasm... the squirting orgasm! But now you're thinking, "Hmm... why should I get this book? What could it possibly teach me? And who are you anyway?" Hi! My name is Ashley Matthews. I am the creator of ==> HerSexualTriggers.com I'm kind of an expert when it comes to these kinds of things. You know, sex things. And a question I've gotten from my readers time after time after time is, "Ashley, what's the deal with squirting orgasms?" I admit, I've been hesitant to write about it. Mostly because there are a bunch of hurdles to jump over before I can even talk about the fun stuff! Most people don't even think they're real! That's when I decided that was the perfect reason to talk about them! I want to clear the air about this and ALSO help you give your lady friend the best sex imaginable. So what can you expect once you start flipping pages? How about... • A point-by-point takedown of all the most common myths regarding the squirting orgasm. Is it real? What kinds of girls can have one? I answer all of those! • Just what IS it anyway? I go into the science behind the pleasure, and give you a better understanding of just what you're dealing with! • A new form of classic missionary guaranteed to hit the sweet spot. Your girl won't even know what hit her! • Foreplay techniques fine tuned to get her all revved up and ready to explode! Master these and she's in for the ride of her life. ...And more! Like I said, I'm kind of an expert on these things. My whole life has been dedicated to helping guys like you get the great sex they deserve, so now its time to return the favor a little :) One lunch break with my book, and you'll instantly become the best she or anyone else has ever had. What are you waiting for? See you soon! Love, Ashley Matthews HerSexualTriggers.com

Why Good Sex Matters

Are you a woman who squirts? Or do you wish you did? Does the topic fascinate you? Do you wish you knew more about squirting? From the Author of Squirting: It's Easier Than You Think, and the Creator of Squirt School comes Squirt Stories: Tales of Real Life Squirters! Author R. Leigh interviewed all types of women from all parts of the world for this short compilation. In the book she shares the history of squirting, a discussion of female sexuality, facts about the popularity of squirting and then the unedited accounts from these women. While these stories are not meant to be erotic, but instead to encourage women to embrace their sexuality, there is definitely some eroticism. Strip off the old layers of what female sexuality has become, and learn more about the intense, pleasurable release a squirting orgasm provides.

Quick Guide to Female Orgasms

The Clitoral Truth

Live Nude Elf chronicles Reverend Jen's two-year stint as sex columnist for *nerve.com*; she details her "sexperiments," ranging from harrowing (working as a live nude girl at "Wiggles") to embarrassing (fellatio school) to transcendent (reaching a mystical state through tantric sex). Along the way there is transvestitism, female ejaculation, opium smoking, and heartbreak. In the Rev's "art star" world, where a young bisexual boy named Orion has sex with a jar of mayonnaise, the more mundane acts of romance—kissing, buying dinner for a lover, and just making eye contact in the sack—become rare and subversive. The experiments, orgies, balloon fetish parties, a stint as the "lube girl" on a porn set, the "lab partners," and the late nights begin to wear on the Reverend, who craves normalcy, and the columns change their tone: Jen takes care of a friend's baby, navigates yuppie bars trying to snag a millionaire hubby, and dates a silver fox, "someone older, distinguished, wealthy, and simply grooving with the eternal now." After a decade of New York City affairs, Jen unexpectedly falls in love and must decide: Does the life required of an artist and a sex columnist preclude her from monogamous romantic love?

A New View of a Woman's Body

From the Author of *Squirting: It's Easier Than You Think*, *Squirt Stories* and the Creator of *Squirt School*. In *Squirt School: The Book* you'll learn more about squirting, and maybe more importantly you'll learn techniques and be encouraged to participate in exercises which can help you learn to squirt. Features more than 10 positions which help with g-spot stimulation. Also learn clitoral stimulation techniques, including a revolutionary clitoral stimulation technique that unfortunately most people know nothing about. Learn about masturbation techniques, including some warm-ups, and a masturbation technique which may just be the trick to getting you to squirt! *Squirt School: The Book* includes several homework assignments to get you started on the right path to squirting pleasure!

The Secrets of Great G-Spot Orgasms and Female Ejaculation: The Best Positions and Latest

Squirting: It's Easier Than You Think

The Color of Kink explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, *The Color of Kink* makes a unique contribution to the growing scholarship on racialized sexuality.

Female Ejaculation and the G-spot

Hailed by *The New York Times* as a “feminist classic,” and “America’s bestselling book on women’s health,” the comprehensive guide to all aspects of women’s health and sexuality, including menopause, birth control, childbirth, sexual health, sexual orientation, gender identity, mental health and general well-being. Six years after the 2005 overhaul of this classic guide to women’s health, the 2011 edition focuses on what *Our Bodies, Ourselves* does best: provide information on women’s reproductive health and sexuality; practical information on how find and access health information; and resources, stories, and information to educate women about health care injustices and inspire them to work collectively to address them. This new edition of *Our Bodies, Ourselves* includes the latest vital information on:

- Changes in the health care system—especially how health care reform affects women and how to get the care you need.
- Safer sex—how to engage in pleasurable, satisfying sexual experiences while protecting your health and the health of your partner.
- Environmental health risks—including minimizing exposure to everyday pollutants that endanger reproductive health.
- Body image—resisting negative media stereotypes and embracing healthier approaches to looking and feeling good.
- Local and global activism—using social media and organizing tactics to build community and advocate for policies that improve women’s lives.
- As well as crucial information about gender identity, sexual orientation, birth control, abortion, pregnancy and birth, perimenopause, and sexuality and sexual health as we age.

Together with its companion website, OurBodiesOurselves.org, *Our Bodies, Ourselves* is a one-stop resource for women of all generations.

The International Encyclopedia of Human Sexuality

This Encyclopedia is a comprehensive A-Z reference with over 500 entries that define sexuality from a broad biocultural perspective and show the diversity of human sexual behavior and belief systems. * Contains entries ranging from short definitions of scientific, clinical, cultural, and colloquial terms to extended explorations of major concepts * Covers 13 key areas of content, from clinical medicine and body modification to the language of sexuality and the history of sexology * Serves as an essential resource for students, scholars, and researchers with contributions from an international team of top scholars and practitioners 3 Volumes www.encyclopediaofhumansexuality.com

The Casual Sex Project

SEXTING. VIRGINITY. CONSENT. THE BIG O Sex-positive vlogger Hannah Witton covers it all. Nobody really has sex all figured out. So Hannah Witton wrote a book full of honest, hilarious (and sometimes awkward) anecdotes, confessions, and revelations. Hannah talks about doing it safely. Doing it joyfully. Doing it when

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

you're ready. Not doing it. Basically, doing it the way you want, when you want (if you want). Doing It works as an introduction to sex as well as a guidebook for those who are already sexually active, with insight on topics such as healthy relationships, porn, contraception, sex shaming, and more. Approachable and empowering, this is a go-to resource for all things s-e-x.

Women's Anatomy of Arousal

35 Years of Experience & Study of All Things Related to Female Ejaculation - The Full Series

Our Bodies, Ourselves

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Color of Kink

This is The Kinsey Report, the famous work that almost everybody has heard of, but almost nobody has read. There are actually two Kinsey reports, one for the human male and human female. The Report on the human female addresses the hot topic of what percentage of all married women commit adultery. (The surprising answer is: About the same percentage of married men who commit adultery.) Another weighty question is: What percentage of East Coast Farm Boys have ever had sex with a cow. I will not tell you the answer to that one except to say that it is a lot higher than West Coast Farm Boys because out there they have girls for that. (You know how those California girls are!) Because the Kinsey reports are lengthy they have each been divided into two volumes. Volume one of this book, "Sexual Behavior in the Human Male," is about the history and method of this study and the Factors of Sexual Outlet, such as age, marital status and religion. Volume two is about sources of Sexual Outlet, including masturbation, pre-marital intercourse, marital intercourse, extra-marital intercourse, sex with animals and homosexuality. It includes the most famous and much disputed finding of this book, which is that 10% of all men are homosexual. This study was first published in 1948 and was based on interviews of only 8,000 men. In spite of the small number of participants, subsequent studies by many others have verified these results. Perhaps the most surprising of these subsequent studies is that studies of vastly different human groups, such as Chinese, Africans and Native American Indians have produced similar results. This proves that all humans regardless of cultural grouping have about the same sexual habits. Kinsey, a Professor of Zoology, goes even further than that. He finds that not only are all humans similar but we are similar to other primates including gorillas and chimpanzees, who have about the same sexual habits.

The Secrets of Great G-Spot Orgasms and Female Ejaculation: The Best Positions and Latest

In our sophisticated, liberated, Sex and the City age, women are eager to enjoy sex to the fullest. But for many women, it's not quite that easy. In fact, Men's Health columnist Debby Herbenick receives thousands of letters and emails from women

Download Ebook Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

across the country who admit to having less than spectacular sex lives—and they're looking for advice. Herbenick is the kind of confidante every woman longs for—a sex advisor who is as approachable as a girlfriend and as knowledgeable as a sex education professor. At the core of her advice is the belief that sex should be fun, satisfying, and intimate—but first and foremost, it should simply feel good. From enlightening lessons on female anatomy to the complicated issue of libido to an overview of sex toys and positions, *Because It Feels Good* informs women about every aspect of sexual function, providing the knowledge they need to have the sex lives they deserve. This is a pleasure manifesto—and your handbook to a great sex life.

Girl Boner

Discusses our changing understanding of human sexuality, explains the nature and function of the Grafenberg spot, and suggests how women can improve their sexual relationships. Reprint. 30,000 first printing.

The Psychology of Human Sexuality

Squirting - THE EASIEST PATH TO UNBLOCKING A WOMAN'S SEXUALITY

This book provides clear, concise instructions on how to completely please a woman sexually.

All the F*cking Mistakes

Orlando offers a guide for helping women reach powerful sexual releases.

Squirt Stories

A healthy relationship based on mutual trust is every parent's wish. The bond between infant and parent is a natural phenomenon, but as children reach their preteens and form their own personalities, fireworks between the child and parent can ensue. Drawing on 20 years of clinical experience and new theories on attachment, family therapist and consultant to *Parents* magazine Dr. Fran Walfish argues that parents need to distinguish their own personality types in order to make more informed decisions about how they interact and raise their own children. This step-by-step guide shows parents: * how to recognize the strength and weaknesses of your parenting style and how it affects your child; * the ways your style might clash with your child's nature, and how to negotiate a common ground; * the vital importance of establishing trust with a preteen to better prepare for turbulent teen years. Written with warmth, authority, and wit, Dr. Walfish holds a gentle mirror up to parents and helps them understand themselves in order to

create a closer relationship with their child.

The Secrets of The Female Squirting Orgasm

The G Spot

There are many sex manuals on the shelves of bookstores. They offer advice on being sexier, on giving him what he really wants, on making her wild with desire. Most of them are about as substantive as a filmy piece of lingerie. What is missing is a down-to-earth, realistic, honest book. Betty Dodson, Ph.D., is an international authority on sexual self-help and the author of the multimillion-copy bestseller *Sex for One: The Joy of Self-Loving*. She has devoted three decades of her life to sexual liberation for both women and men. In *Orgasms for Two: The Joy of Partnersex*, Dr. Dodson debunks the myths that keep us from having satisfying—and mutually satisfying—sex lives. She shows us how to be happier and healthier through the benefits of pleasure, and she shows us how to get to know ourselves and our partners better, whether it's the inner and outer workings of the anatomy or the best sex toys to bring to bed. She writes often from her own experiences, because she feels people learn best through example, and she writes from the knowledge acquired through years of working with women and men, teaching workshops, and doing research. The knowledge gained through reading *Orgasms for Two* is like having a kindly, remarkably frank guide tell you all the things you've always wanted to know but never had anyone to ask. Open *Orgasms for Two* and see how rewarding it is to cast aside conventional beliefs about sexuality and begin to enjoy the best sex of your life. "Everyone has a right to keep his or her sex life private. The reason I'm willing to go public with mine is because it has been proven to me time and again that the most effective way to teach something as subjective as sexual pleasure is by using the power of example. Since the seventies, I have shared my challenges and successes in the process of exploring sexual pleasure. What is happening to me in terms of my sexuality is not an isolated incident taking place in a vacuum. The chances are good that many other people are dealing with similar issues." Although the idea of pleasure might be frivolous in a world that appears to be on the brink of horrible disasters, I believe one of our best hopes for survival depends upon embracing and celebrating human sexuality as a healing force." —Betty Dodson, Ph.D.
