The Siren Song

Secret Service Agent Oakes Weaver is in the midst of the biggest assignment of her career—leading the advance team for President Andrew Powell’s impending trip to Philadelphia where everyone expects he will be nominated to run for a second term. The last thing she needs is a tragedy among the president's inner circle that might not be an accident, or the sudden recruitment of Ari Rostof, a woman who might be a lot more than she seems. But Oakes doesn't get a say in policy. She only has to secure the president’s safety—at all costs. First Daughter Blair Powell and her spouse, Cameron Roberts, are among the reelection campaign members accompanying President Andrew Powell to Philadelphia. While the president may be protected by his Secret Service agents, those close to him are literally in the kill zone, and his adversaries will stop at nothing to further their cause—even mass murder.

First Kill

A brutal society needs the team to harness Wraith technology.

The Morpheus Factor

Stargate Command is in crisis - too many teams wounded, too many dead. Tensions are running high and, with the pressure to deliver tangible results never greater, General Hammond is forced to call in the Pentagon strike team to plug the holes. But help has its price.

God of War

Do No Harm

Although unwilling participants, SG-1 soon finds itself fighting with the Vanir against its ancient foe--the brutal giants of Jotunheim--and feasting long into the night. But when dawn arrives, the team find itself in a very different world.

Razor's Edge

One fateful night, a gargoyle discovers he has a forgotten twin. Determined to find his missing brother, Remus travels to the States to begin his search. Little does he know that his whole life will change once he boards the plane. Waiting in the shadows, Joss chases after him, needing his protection, needing his nights. On the run, alone and afraid, Joss knows that Remus is the only one who can help her. As she manipulates her way into his life, she doesn't expect to fall in love with him but it is inevitable. The connection between them is instantaneous and soul deep. Beneath the secrets and the lies, Joss is everything Remus could want and he knows that they are Fated Mates. But what if they're wrong? Book 2 of the Stone Passion Twins Duet

An International Borderland of Concern

Offering deeper insights into the critically acclaimed God of War® franchise, this novel returns us to the dark world of ancient Greek mythology explored in the heart-pounding action of God of War I, the bestselling video game. A brutal warrior, Kratos is a slave to the gods of Olympus. Plagued by the nightmares of his past and yearning for freedom, the Ghost of Sparta would do anything to be free of his debt to the gods. He is on the verge of losing all hope when the gods give him one last task to end his servitude. He must destroy Ares, the god of war. But what chance does a mere mortal have against a god? Armed with the deadly chained Blades of Chaos, guided by the goddess Athena, and driven by his own insatiable thirst for vengeance, Kratos seeks the only relic powerful enough to slay Ares . . . a quest that will take him deep into the mysterious temple borne by the Titan Cronos! From the black depths of Hades to the war-torn city of Athens to the lost desert beyond, God of War sheds a brutal new light on the bestselling video game and on the legend of Kratos. From

the Trade Paperback edition.

Inside an ordinary middle school in an ordinary city, a small redheaded eighth grader is doing something very ordinary, indeed. Ever since Charlotte Mielswetzki and her cousin, Zee, saved the world, life has been rather ordinary. Ordinary, that is, if you call being ultramegagrounded (in Charlotte's case) or treated as if you might fall to pieces (in Zee's case) ordinary. Either way, heroes deserve better. Of course, no one knows Charlotte and Zee are heroes. It's not like they can simply announce that Greek myths are real or proclaim they have returned from the Underworld, where they rescued all of mankind from Philonecron, a deranged demigod with delusions of grandeur. Instead, they are forced to keep this terrible knowledge to themselves, and are stuck in a state of extraordinary ordinariness. But things aren't quite as ordinary as they seem. For Philonecron is the grandson of Poseidon, and you don't mess with the progeny of the second most powerful god in the universe. And Philonecron himself isn't so happy about having all of his delicious plans thwarted by mortal children. He wants revenge, and with his grandfather to help him, he is going to get what he wants. For Charlotte and Zee, their not-

Approaching the Possible

A Princess born of two kingdoms. Twin necromancers born with split magic. A vengeful assassin waiting in the shadows. As a young princess born from the realms of Death and Dream, some question Willow's right to rule. It will one day be her duty to rule the Kingdom of Death and command her Reaper knights to guide all souls of the dead down to her cold caverns of Grim for their afterlife. But for now, she must strengthen her weak magic and sharpen her skills with the scythe if she hopes to be respected for more than her bloodline. Unexpectedly, one of her biggest supporters is a new Reaper-in-training boy with different colored eyes. Xavier and his twin brother Alex didn't know they would be dining with the royal family of Grim on their first day of moving within the palace grounds. And Xavier wasn't prepared to meet an enchanting young Death Princess, let alone one with six elements of magic. He and his brother would be lucky to have even one whole element, but the twins' abilities to raise the dead had been split at birth. Xavier can only use his magic on deceased souls. Alex can only resurrect decaying corpses. Halved magic has never been seen in the five realms, and the twins are considered crippled in the magic community when separated. Together, though, Willow and the twins may be capable of anything. But they aren't prepared for an assassin trapped in the Dream realm for 500 years who has sworn vengeance on the royal families of Death and Dream. And with an ancient, poisonous magic, he won't leave any souls alive. Princess Of Grim is an enchanting prequel to Writer's Digest 1st place winner in Fantasy, Willow of Ashes.
