Multi-Level Marketing is a business model that has been around for a long time, yet it is also one that will often gain eye rolls and wallet clutching. The brilliance of Multi-Level marketing, which is also known as Network Marketing, has been subverted and lumped in with other, less savory models such as Pyramid Schemes. On the surface, they look similar, yet look beyond the front cover and the truth is revealed - a Pyramid Scheme is just that, a scheme, whereas Network Marketing is a model of business where everyone works towards the same goal, and everyone wins. Yet when choosing the right type of business opportunity for yourself, how can you be sure that the business you have your eye on is a legitimate MLM Opportunity? This guide will walk you through the differences surrounding MLM, what it really means, honest opportunities, how to spot the right one for you and how to succeed in Network Marketing when you do discover your own personal home based gem. There are true companies out there with honest intentions and admirable goals - this guide will

"The Best Network Marketing Book I've Ever Read!" --Mitch Jackson "By Far The Best & Most Complete Resource for Network Marketing!" --Erik Christian "Incredible Resource for Anyone in Network Marketing!" --Marcia J. LeVoir In network marketing nothing is more important than recruiting. If you want passive income, you've got to build a team. Unfortunately, many MLM distributors struggle with recruiting. They can't get prospects to look at the presentation. They invite people to events but they don't show up. They follow-up repeatedly but people don't call them back. What if there was a way to get almost everyone you approach to look at your business presentation? What if you could find out immediately if they were interested? What if you knew how to get more exposures done in a day than you now do all week? Do you think you might get more people to sign up? In *Recruit and Grow Rich*, that's exactly what you'll learn how to do. Author David M. Ward is an attorney who started a network marketing business to build retirement income. His schedule only allowed him to work the business a few hours a week and his business grew slowly. Frustrated with his results, he set out to find ways to "recruit smarter" and quickly sign up more prospects. His methods worked. In his first few years he signed up hundreds of distributors and created a six-figure passive income. In this book, Ward lays out the system he used to quickly identify interested prospects, expose them, and get them signed up--often in a single day. In *Recruit and Grow Rich*, you'll learn: \*\* How to identify the BEST prospects for your multilevel marketing or direct sales business \*\* How to find out if someone is a good prospect in ONE MINUTE OR LESS \*\* How to do MORE exposures in a DAY than you now do all WEEK \*\* How to double or TRIPLE your recruiting results by using different approaches for different people \*\* A simple way to increase the "show up" ratio for prospects you invite to live events and conference calls \*\* How to control the entire exposure process (THE KEY to recruiting MORE people with LESS effort) \*\* The TRUTH about duplication (and why so many people get it WRONG) \*\* How to (finally!) stop leaving messages with people who don't call you back \*\* A simple "two question" close that really works (PLUS: more closes for different situations) \*\* Scripts for approaching, exposing, and closing more distributors \*\* And much more *Recruit and Grow Rich* comes with two bonus chapters: BONUS CHAPTER 1: How to Do Three-Way Calls You'll learn a step-by-step method for using three-way calls to close more prospects. You get the exact words to use to get prospects on the call, and how to introduce them to your third-party expert. BONUS CHAPTER 2: How to Handle Objections How to handle ANY network marketing objection, including, "I don't want to sell," "I don't want to approach my friends and family," and "I don't like MLM." If you've been disappointed with the results you're getting in your business, that's about to change. If you're just getting started and want to know how to make this a profitable business instead of a costly hobby, this book shows you how. You can QUICKLY build a successful network marketing business by recruiting smarter. Get *Recruit and Grow Rich* and learn how.

One tiny story changes everything. A ten-second story equals the impact of 1,000 facts. Now we can use micro-stories to communicate our network marketing message in just seconds. Our prospect becomes involved in the story, and instantly sees what we see. And isn't that what we want? Forget the flip chart, the presentation book, the website, the PowerPoint, and the video. Instead, use stories to get that "Yes" decision now. Later we can do our boring, fact-filled presentation. As an added bonus, stories answer objections. No more frustration or push-back from negative prospects. And of course, stories are easy to remember, both for us and our prospect. Here are the actual stories I use, word-for-word. Join the top earners now and become a professional storyteller. Order your copy now and start enjoying some great MLM and network marketing stories to move your business forward.

## **Network Marketing Success, Failure, and Everything in Between**

\* Do you want massive MLM marketing success?\* Are you ready to take your MLM business to the next level?\* Are you ready to claim the lifestyle you and your family deserve? Think leads. Lots and lots of fresh MLM leads. Because leads are the name of the game, and you are just moments away from discovering just how easy it really can be to generate 100+ free online MLM leads per day and put your network marketing business on the fast track to creating wealth. Leads are the lifeblood of your business. So here we will focus on\* Automated lead generation, not MLM prospecting\* Online attraction marketing, not pestering family & friends\* High leverage systems, not MLM scripts and scriptbooks\* MLM software, tips, tricks and inside secrets. After all, you may represent the best product, service or network marketing business opportunity in the world but if you do not tell anyone about it if you do not find a way to get your offer in front of a steady stream of new prospects on a daily basis your business is dead in the water. Belly up in the fish bowl.\* Lack of leads is one of the top reasons why most people fail in MLM. Without leads you've got nothing.\* Lack of cash flow is another reason why most people fail in network marketing. Most people never make a dime in MLM, and most people quit within the first year often walking away with less money in their pocket than they had to begin with. It's tragic, but true. And it certainly does not need to be that way. Since 1996, Rob Fore and his wife Lisa have built six profitable businesses working part-time in their spare time online. They have a team of over 11,000 active MLM distributors in one network marketing company and a team earning tens of thousands per month in yet another. Buy the book because success leaves clues and now it is your turn to generate 100+ MLM leads per day and get paid even when people do not join your team. It's time to build a business, not just a downline.

Let our subconscious mind build our network marketing business. How? Through the power of automatic habits. "How do I start my network marketing business? What should I do first? How do I make consistent progress? What if I don't know what to do?" These are questions we ask when we start our network marketing business. What we need is a Magic pill! Creating three simple habits is that magic pill. Tying our shoes, brushing our teeth, and driving the same route every day - all are habits. So why can't we create three automatic habits that effortlessly move us to network marketing success? Well, we can. Every new distributor needs habits. Every experienced leader needs habits. When our team has habits that build consistently, we can push our business into momentum. Now, instead of using the weak willpower of our conscious mind, let's use the huge and automatic forces in our subconscious minds to achieve the success we want. In this book we will learn how to: 1. Create simple, automatic habits. 2. Use three rejection-free habits that anyone can do. 3. Repeat. Here is our chance to use habits to create a powerful stream of activity in our network marketing business. Consistent, automatic activity in the right direction = momentum. Start your team off right with these three powerful habits. Make their success inevitable. Order your copy now!

If you've been looking for a home-based business, you have undoubtedly come upon business opportunities that are referred to as Network Marketing programs. Also known as Multi-Level Marketing or MLM, Network Marketing is just a way for businesses to distribute their products. Rather than using the usual distribution method that moves from manufacturer to a wholesaler or distributor to retailer and finally to the consumer, Network Marketing companies use independent contractor sales people to sell the products directly. If you are looking to be financially independent, own your own business, have more spare time, work from the comfort of your home, then MLM may be for you to be successful. In the past MLM required a lot of face-to-face meetings and sales presentations which are difficult to produce. The Internet, combined with Network Marketing, has created countless opportunities for individuals to develop their own business, working from home. The real ways to make a great deal of money in MLM is by recruiting a team of other independent marketers below you, and thus earn a percentage of their combined sales. This new groundbreaking book will show you how to build a successful business with MLM by harvesting the power of the Internet. In this easy-to-read and comprehensive new book, you will learn what MLM is, how to get people talking about your product or service, how to get your customers to be your sales force, recruiting, goal setting and managing time, getting customers to come to you, getting your MLM message out quickly, creating awareness, working with bloggers and online activists, marketing, dealing
