The Beaumont Series (Books 1-3)

In the crosshairs of a killer... PI Charlie Dodge may be down, but he's most definitely not out. He's still reeling after a series of earth-shattering events, so when a desperate woman hires Dodge Investigations to find her missing sister, the head-scratcher of a case is exactly the distraction Charlie and his steadfast partner, Wyrick, need. Two days prior, Rachel Dean disappeared without a trace from her locked-from-the-inside Dallas apartment, and every possible trail has gone cold. Grappling with the fallout of her efforts to dismantle the shadowy organization Universal Theorem, Wyrick throws herself into her investigative work. Charlie knows his partner can handle herself, but when she uncovers a past connection that paints a target on her back, the threat of losing her hits Charlie hard. There's nothing he wouldn't do to keep Wyrick safe, but with the clock ticking on a victim they've yet to find, it's only a matter of time before the cold-blooded killer leads them to a deadly end. The Hunted

Cameron Smith is a teenage girl who, with her parents and her two siblings, is fleeing her climate change-ravaged Earth. They are just hours away from boarding a space ark that will take them to New Terra, a habitable planet located on the far side of a recently discovered wormhole. After they board the ark, they blast toward their destination, but they fail to arrive on New Terra. The three Smith children are separated from their parents, and they crash land on an alien world whose dominant inhabitants largely view them as illegal aliens. Just moments before an angry mob of narrow-minded Arap-

Musoogums attack the children, a group of progressive residents intervene. The Smith children befriend their saviors, and through their new friends they learn that political partisanship on Tumuera is not much different from the political divide they left behind on Earth. Cameron, the oldest of the three siblings, is idealistic and empathic, and she imagines that she can prove her worth by working hard and staying humble. But the nativist forces on Tumuera, led by an orange-skinned commander-in-chief, will stop at nothing to deport all illegal aliens from the planet. The Smith children have no way to return to Earth, so deportation means death for them. They will have to fight to survive on Tumuera.

Introduction to Thin Film Transistors

The first comprehensive treatment of North American rodents of conservation concern. This action plan summarizes the rodent fauna of North America and provides available information on every rodent taxon that has been considered to be of conservation concern by state, provincial and private conservation agencies and regional experts. It is hoped that the survey provided in this action plan will serve as a common ground for all these parties in drawing up conservation strategies for rodents.

Return To Me

Willow has had a hard time trusting people, especially men, ever since her reckless father abandoned her at a young age for the romantic facade of life on the open road. After finally graduating from college, she's now enjoying her new job and carefree life on the beach. When an injured stranger shows up on her doorstep looking for her deceased dad, she is instantly thrust back into the dark past she's been trying to escape her whole life. Cocky Caleb has never really had it easy, but lately, things have taken an extreme turn for the worse. Seriously injured and on the run from outlaw bikers hell bent on controlling him, he seeks shelter with the only person who could possibly save him once and for all if he can keep his smart-ass mouth shut.

The Pride Series

Get Free Swept Away Grayton Series Book 5

Free-spirited and more than a little rebellious, seventeen-year-old Jewel Cardwell isn't too thrilled when she gains admission to Grayton Preparatory School, a prestigious, girls-only, top-notch private institution nestled in the South African farmlands of Limpopo. Unfortunately, it's a move that will change her life forever. Almost from the moment she arrives, a string of misfortunes and strange occurrences begin trailing her. The comforts of home have been swept away, and she is plunged into a world where she has to fend for herself. But that pales in comparison to what happens on the nights when there's a full moon. Dark forces swirl during those nights and turn up in the form of hideous monsters and frightening demons. Though Jewel has always been drawn to the darker side of life, this is more than she bargained for. She's also caught between two boys: Darwin Morton, a lad she's known growing up, and Eric Broder, a soccer team leader with a silver spoon in his mouth. Why her love life has to get interesting now is a question she can't answer! The key to it all may be in her grandmother's locket, which Jewel always wears. Will Jewel be able to solve the mystery before evil is unleashed against those she loves?

Grayton Series 4-6

Best of Luck Amber has only ever wanted one thing in life. To be a star. When that dream has finally come true, an old friend ends up getting in the way and friendships may end up jeopardizing everything. Now in a time when privacy is a thing of her past, where paparazzi follow her every move, she'll need to decide what's more important to her, because it's more than just her career on the line. Tom has struggled for years with his feelings towards Amber, his best friend's little sister. The woman has been driving him crazy since... well, forever. Now that she's on every TV set, every movie poster in the country, it's even harder to avoid looking into those sexy blue eyes and not remembering her passion. Especially when she'll be spending the next few months back in Denver filming her latest movie. This time, Tom may not be able to hold back the sparks that fly between them. A Little Luck There's little Ashley wouldn't do for a friend, but she hit her limit with Cole a long time ago. He's always been "that" friend and couldn't remember what life was like without him around. Until one day, two years ago, he'd left without telling anyone where or why. Now, he's waltzed back into her life, and so much has changed. Including her feelings for him. Cole has been deep undercover in one of the most dangerous remote locations that he'd forgotten what it was like to be around a beautiful woman. However, after being around Ashley again, he realizes just how much has changed between them. Going home was needed to keep his sanity since he'd had enough of always checking over his shoulder. The only problem, the danger may have followed him home.

Finding Pride: Megan Kimble has finally freed herself from years of abuse at the hands of her ex. Now she can finally start a new life and figure out just who she really is. When her brother Matt dies suddenly, she takes a big risk and moves cross

country to live in his house and take over his new business. This could be the chance she's needed. There's only one problem now. She can't seem to escape the irresistible charm of her departed brother's best friend. Todd Jordan just lost his best friend and business partner. Watching Matt's sister move into town, his attraction to her is instant. Can he prove to her that all men are not the same, and resist his own desires as she learns to trust again? Overcoming the odds is just part of their journey. The two must first survive a fateful visit from Megan's ex to have any chance at happiness. Discovering Pride: Lacey Jordan is a woman who knows what she wants...and she wants nothing to do with the new doctor in town. He has a perfect smile, perfectly tan muscles, and a way with people—her people! This is her town, her family, and her life, and he's come here shaking everything up, including her heart. Aaron is running away from a tough breakup where heartbreak is the least of his concerns. All he wants now is to take over his grandfather's medical practice, and make his new house a place he can call home. What he hadn't counted on was crashing into a petite goddess with relentless powers of persuasion. When the two get a disturbing visit that could change their lives forever, Aaron must prove his love if they are to survive. Returning Pride: Everything seems to be going Lian's way, he has a successful restaurant, a beautiful home, family, and friends. He's even overcome the loss of his hearing, but why does he still feel like something is missing? Allison has worked hard to make a name for herself in the art world; now all she wants is peace and quiet to work on her passion. But, with her mother overtaken by illness, she has less time than ever. When everything is stripped away in one tragic blow, and she's being stalked by a mad-man, she'll need the help of her hometown and an old flame, to turn everything around and find what she's been looking for.

extreme turn for the worse. Seriously injured and on the run from outlaw biker's hell-bent on controlling him, he seeks shelter with the only person who could possibly save him once and for all... if he can keep his smart-ass mouth shut. High Tide Grace was trying to recover from being left at the altar by the man who had been her best friend since grade school. The fact that Corey had ditched her for some bimbo he'd met during his bachelor party wasn't even the worst thing that had happened to her. No, the worst part was that she'd gone on her honeymoon alone, had a one-night stand with a sexy bartender, and had ended up with the surprise of her life nine months later. Alan was right where he wanted to be—in the thick of singlehood. He loved his job as a bartender at the Boardwalk Bar and Grill, and he finally had money to spare. He enjoyed spending his days on the Gulf and his nights with a new lady. Life was great. That is, until Grace returns. He'd had a fling with her over a year ago and had fallen hard and fast for the blonde. But she'd returned home and had taken the last shred of hope for a better life along with her.

Archeology of the Fatherland Site

Last Resort (Book 1) When Cassey's business is in jeopardy, she gets an interesting offer from a local hotel owner. He has been trying to run her business into the ground so his family can snatch up the land for cheap. But, how can she turn him away when just the sight of the man makes her heart jump out of her chest? Luke was sent by his father, owner of the swankiest and longest-operating resort along the Florida's Gulf coast, to gain one of the best properties at any cost. But when he sees the owner of the bar and grill, he's torn between his duty to his family and his desire for the silver-eyed beauty. Someday Beach (Book 2) Shelly has always dreamed of going back to Surf Breeze. When she finally sets out on her own and buys a rundown building along the popular boardwalk, she hires a sexy contractor to help her turn it into her dream boutique. But she hadn't counted on slowly changing with her surroundings. Fighting against an overbearing family, she learns to not only follow her own dreams, but to stand up for something she believes in. Marcus has been waiting his whole life for a woman who could see through the horrors he'd been through as a child and the humor he uses to mask it all. Now that he's found her, he's not quite sure what comes next. Rip Current (Book 3) Cole is used to fame and has had his fill of women who fall at his feet, but the one woman he desires the most shows nothing but disdain for him and his reckless ways. Wendy can't stand Cole, at least in her head. Her body and heart, on the other hand, desire him beyond anything else.

Closer to You

My Sweet Valentine: Sara Lander was back in town. She had big plans for her inheritance along with her freshly printed business degree and years of experience in some of Seattle's finest bakeries, she has a rich idea for Pride. Sara's Nook is going to be the next biggest thing to hit town. All she needs now is to steer clear of the hunky ex-Navy SEAL who is hell

bent on taking all her focus away from starting her own business. Allen Masters has been living in Pride for several years. Setting up a new branch of the Coastguard and training all the new recruits took years of skill and all his patience. But when he sees the black-haired beauty, who had come back into town, he realized she was the one he'd been searching for. Taking one taste of her sweets, he knew he'd be in for a sinful time, but losing his focus while flying into the eye of a storm was the last thing he could afford. Return to Me: Becca and Nick were destined to be together. He was the love of her life, or so she thought. Then tragedy strikes and Becca is left heartbroken and devastated. The road to recovery seems almost hopeless at times, but with love and support from the good people of Pride, she's looking forward to putting the past behind her. When Nick's best friend, Sean, returns home a year later, he brings with him an unexpected gift that has her reliving the past all over again. Sean's homecoming is tarnished with the loss of his best friend along with the recent discovery of his fiancée's infidelities while he was deployed. If Sean needs anything right now it's a good friend to lean on and Becca has always been there for him. When the two decide to get away for a while, they're forced to accept the undeniable attraction between them. But now an unforeseen challenge threatens to rip them apart forever. Rescue Me: Lane Austin would do almost anything for his local firehouse, even model for a sexy calendar. But now he's allowed himself to be talked into auctioning himself off. What was he thinking? Abby has just walked away from a terrible relationship that should have ended years ago. What better way to celebrate than having her cousin take her to watch a bunch of firemen be auctioned off to horny housewives? But when Jenna secretly buys Mr. September for her, her entire world and all of her preconceptions about hunky men will change forever.

Swept Away

New York Times bestselling author Jill Sanders strikes gold with a sizzling series about oil-rich playboys whose hearts are up for grabs. No one's more surprised than Tyler McGowan when he discovers he has a knack for running the family's oil business--a role he took on after his father's sudden passing. Now, to keep the old man's legacy afloat, Tyler's giving up his playboy ways and settling into small-town life. But his newfound resolve is tested when trouble strides into his office in five-inch heels. Kristen Howell has spent the last five years working her way up the corporate ladder. And somehow it's landed her smack-dab in the middle of nowhere: Haven, Montana. It's her job to convince the head of McGowan Enterprises to sell. But the tall and rangy hunk is proving to be exceedingly stubborn--and overwhelmingly hot. When someone attempts to derail her negotiations, Kristen is ready to get down and dirty. But the sparks she and Tyler are throwing near the oil field may be dangerously combustible

Pride Series Books 1-3

These are the films that inspire wonder--you are left wondering how seemingly intelligent people could gather together and spend money to create such bizarre productions. From A-list atrocities to Grade-Z zaniness, 100 of the most wonderfully warped anti-classics have been gathered together for this celebration of cinematic kookiness. Relive the jaw-dropping spectacle of John Wayne as Genghis Khan, Halle Berry as Catwoman, Jack Palance as Fidel Castro, and Jerry Lewis as a Gore Vidal-inspired extra-terrestrial. Sing along with a naked Anthony Newley, tap your toes to a "Pennsylvania Polka" dance number in the middle of an unauthorized remake of *A Streetcar Named Desire*, watch a suicidal Elizabeth Taylor run amok in Rome and appreciate Coleridge's poetry with topless women. Hook up with Edward D. Wood Jr., Phil Tucker, Tommy Wiseau and their peers in the so-bad-they're-good genre, and marvel at how cinema royalty including Stanley Kubrick, George Cukor, Michelangelo Antonioni and Clint Eastwood could conceive celluloid debacles of an unprecedented scale. When it comes to shock and awe, nothing compares to *The 100 Greatest Bad Movies of All Time*. "Read it all in one night and couldn't put it down. This book is insightful and humorous and I actually gained some insight into films I never gave a second thought to." - Steve Kaplan, oldies.com

Traces of History in the Names of Places

It is almost thirty years since Professor G. G. Winberg established the basis for experimental studies in fish energetics with the publication of his monograph, *Rate of Metabolism and Food Requirements of Fishes*. His ultimate aim was to develop a scientific approach to fish culture and management, and the immense volume of literature generated in the ensuing years has been mainly in response to the demand for information from a rapidly expanding, world-wide aquaculture industry and

to the shortcomings of contemporary practices in fisheries management. The purpose of this book is not to review this literature comprehensively, but, assuming an informed readership, to focus attention on topics in which new knowledge and theory are beginning to be applied in practice. Most emphasis has been placed on food; feeding; production (growth and reproduction) and energy budgeting, as these have most influence on the development of fish culture. Some chapters offer practical advice for the selection of methods, and warn of pitfalls in previous approaches. In others the influence of new theory on the interpretation of studies in fish energetics is discussed in the context of resource allocation and adaptation. We hope that the scope of material presented here will have sufficient interest and value to help significantly to fulfil Winberg's original objectives.

In Too Deep

Encyclopedia of Space and Astronomy

Introduction to Thin Film Transistors reviews the operation, application and technology of the main classes of thin film transistor (TFT) of current interest for large area electronics. The TFT materials covered include hydrogenated amorphous silicon (a-Si:H), poly-crystalline silicon (poly-Si), transparent amorphous oxide semiconductors (AOS), and organic semiconductors. The large scale manufacturing of a-Si:H TFTs forms the basis of the active matrix flat panel display industry. Poly-Si TFTs facilitate the integration of electronic circuits into portable active matrix liquid crystal displays, and are increasingly used in active matrix organic light emitting diode (AMOLED) displays for smart phones. The recently developed AOS TFTs are seen as an alternative option to poly-Si and a-Si:H for AMOLED TV and large AMLCD TV applications, respectively. The organic TFTs are regarded as a cost effective route into flexible electronics. As well as treating the highly divergent preparation and properties of these materials, the physics of the devices fabricated from them is also covered, with emphasis on performance features such as carrier mobility limitations, leakage currents and instability mechanisms. The thin film transistors implemented with these materials are the conventional, insulated gate field effect transistors, and a further chapter describes a new thin film transistor structure: the source gated transistor, SGT. The driving force behind much of the development of TFTs has been their application to AMLCDs, and there is a chapter dealing with the operation of these displays, as well as of AMOLED and electrophoretic displays. A discussion of TFT and pixel layout issues is also included. For students and new-comers to the field, introductory chapters deal with basic semiconductor surface physics, and with classical MOSFET operation. These topics are handled analytically, so that the underlying device physics is clearly revealed. These treatments are then used as a reference point, from which the impact of additional band-gap states on TFT behaviour can be readily appreciated. This reference book, covering all the major TFT technologies, will be of interest to a wide range of scientists and engineers in the large area electronics industry. It will also be a broad

introduction for research students and other scientists entering the field, as well as providing an accessible and comprehensive overview for undergraduate and postgraduate teaching programmes.
