York & Associates, Salt Lake City, UT) literally grew up in a CPA firm - his dad didn't teach him how to fix anything, he taught Michael how to deduct it, and Michael has spent decades focusing on nothing but taxes. Andrew L. Stevens, EA, MBA (Houston Tax Advisors, Houston, TX) began working in that same tax firm in 1999, and has since gone to business school, worked in management consulting, started a business and sold it, all while remaining grounded to his roots in taxes. When Michael and Andrew sat down to compare notes, they started with the question, "What is the best thing we have found to educate clients about tax strategy?" Their answers were identical: relatable stories! No one likes code sections and very few understand tax
