Let's Learn the Alphabet

From the award-winning creator of Shh! We Have a Plan comes a vibrantly colorful story about mustering the courage to try something new. Little Crab and Very Big Crab live in a tiny rock pool near the sea. Today they're going for a dip in the big ocean. "This is going to be so great," says Little Crab, splish-splashing and squelch-squelching along, all the way to the very edge. Then comes a first glance down at the waves. WHOOSH! Maybe it's better if they don't go in? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton shows that sometimes a gentle "don't worry, I'm here" can keep tentative little crabs sidestepping ahead -- and help them discover the brilliant worlds that await when they take the plunge.

A Man's Blessing

If you choose to share 'the facts of life' with children at a young age, this is the perfect book to do so. It gently guides the reader through each stage of a child's development within the womb with charming illustrations and simple explanations, inviting lots of discussion and providing answers to all those questions. Shortlisted for the Junior Science Book Award (now the Royal Society's Science Prize).

How Did I Begin?

"Each Geronimo Stilton book is fast-paced, with lively full-color art and a unique format kids 7-10 will love. Holey cheese -- my sister, Thea, was in danger! She had traveled to Easter Island in search of a secret treasure, and now she needed my help. There was no time to lose! My friends and I hopped on a plane to begin our search, aided by a map and a mysterious riddle. What an exciting adventure!"

Valley of the Giant Skeletons

A novel set in Sicily. The anonymous letter arrived in the afternoon mail. The message, spelled out in words that had been cut from a newspaper, read: "This letter is your death sentence. To avenge what you have done, you will die."

THE AWARD-WINNING SERIES CONTINUES Once Upon a Zombie, Book One: The Color of Fear, is the winner of numerous awards, including best YA Fiction (The Purple Dragonfly Award), Best Preteen novel (National Indie Excellence Awards), Best Juvenile Fiction (The President's Award), and featured on Kirkus's Best Books of the Year list. And now the much-anticipated sequel has arrived! Caitlin Fletcher is stunned when all the living dead characters from her last adventure in Wonderland vanished from her life. Had it all been a dream? A hallucination? Or did she suffer some kind of nervous breakdown because of the tragedy she was forced to confront? If only it was that simple It turns out the truth is far more frightening! Everything Caitlin holds dear is threatened when the Lord of the Curtain, the mysterious enchanter from another universe, reaches into Caitlin's world, bringing darkness and death into her life. Her crippling fears, which she had finally gotten under control, now threaten to swallow her whole as her sanity is called into question, her family is in grave danger and a mutant flock of crowmen is sent to hunt her down and kill her. Walking dead Peter Pan, Tinker Bell, the Tin Man, and Scarecrow are just some of the blood-eyed zombies Caitlin must confront as she races against time to prevent her family from succumbing to a powerful force of unspeakable darkness. Provided the zombified mutant crowmen don't catch her first!

Pop-Up Peekaboo! Baby Animals

A comprehensive and instructional guide to the new sexual landscape, covering "new territories" such as bondage, role playing, and sex toys that would make your parents blush. Since the publication of *The Joy of Sex* in 1972, the sexual landscape's boundaries have been expanded to include a host of practices that are unthinkable in that classic tome. Although it also covers the basics, *The Boudoir Bible* fills those niches missing from other sex guides nicely, with full, elaborated chapters on rope bondage, restraints of sound and sight, erotic flagellation, and the stimulation of new erogenous zones, among innumerable other offerings. Well-researched, *The Boudoir Bible* is written from a joyful, sex-positive point of view. Going beyond the "lovemaking" of older guides, this witty and uninhibited tome expands the sexual act to encompass "verboten" topics, with chapters entitled "The Genital Gym," "Nipple Tease," "Male Ejaculation Control," and "The Anthems of Anal Sex." Illustrated by the renowned artist François Berthoud, whose provocative creations have graced both Prada campaigns and museum exhibitions,

The Boudoir Bible provides a fresh view of sexuality in the twenty-first century.

Elmer, Rose and Super El

In this companion to her acclaimed 2005 novel, *A Dog's Life*, Ann M. Martin tells the parallel stories of a stray dog (the brother of the dog featured in *A Dog's Life*), a boy dealing with unspeakable loss, and a boy whose most ardent wish is to own a dog—and everything for a dog. Bone and his sister, Squirrel, are stray dogs born in a shed. Left motherless as puppies, the two dogs survive together for a while, but are soon wrenched apart. Bone doesn't know if his sister is still alive, and must now go on, alone. Charlie is a boy who has suffered a terrible loss. And, as he's healing with the help of his dog, another tragedy occurs. Henry's best friend has moved away. All Henry has wanted is a dog of his own. But his parents won't let him. Bone, Charlie, and Henry live very different lives, but they are fated to intersect in surprising ways. Award-winning author Ann M. Martin has written a powerful, heartfelt novel that's perfect for anyone who has ever longed for a dog, or loved one.

The Christmas Cat

When Charles Darwin published *The Origin of Species* in 1859, he forever altered the way people looked at their place in the world humans were just another animal species that evolved from more primitive life forms. After graduating college,

Charles was hired as a naturalist aboard the HMS Beagle where he would collect the specimens he would use to make the case for biologic evolution through natural selection. By the time he returned to England in 1836 he was a celebrity, but it would be more than 20 years before he published his groundbreaking work. Darwin s theory ultimately helped Richard Owen solve the riddle of the enormous fossils found all over the world they were not dragon bones of lore, but the remnants of extinct species that once inhabited the earth. Darwin and the True Story of the Dinosaurs is a fast-paced, entertaining biography of the naturalist who changed humankind s understanding of its origins. In addition to its lively story, it includes 220 illustrations, a glossary, and sidebars covering related topics, from fossils to continental drift to medicine in the 19th century."

Charlie Chan Carries On

Set on the beautiful island of Islay, The Christmas Secret is a gripping story filled with emotion from Karen Swan, author of Christmas Under the Stars. Alex Hyde is the leaders' leader. An executive coach par excellence, she's the person the Great and the Good turn to when the pressure gets too much; she can change the way they think, how they operate, she can turn around the very fortunes of their companies. Her waiting list is months' long, but even she can't turn down the unorthodox but highly lucrative crisis call that comes her way a few weeks before Christmas, regarding the troublesome - and troubled - head of an esteemed whisky company in Scotland: Lochlan Farquhar, CEO of Kentallen Distilleries, is a maverick, an enigma and a renegade, and Alex needs to get inside his head before he brings the company to its knees. It should be business as usual. She can do this in her sleep. Only, when she gets to the remote island of Islay, with the winter snows falling, Alex finds herself out of her comfort zone. For once, she's not in control - Lochlan, though darkly charismatic, is unpredictable and destructive, her usual methods gaining no traction with him - and with Christmas and her deadline fast approaching, she must win his trust and find a way to close on this deal. But as she pulls ever closer to him, boundaries become blurred, loyalties loosen and Alex finds herself faced with an impossible choice as she realizes nothing and no-one is as they first seemed. 'Fun and great escapism' -Tracy Rees, author of The Hourglass 'I devoured it like a tray of warm mince pies. A delicious winter tale' - Sarah Morgan, bestselling author of Moonlight Over Manhattan 'If you're anything like us, then a book by Karen Swan has become synonymous with Christmas, and her latest is arguably her best yet smart plots, brilliant characters and juicy romance' - Heat

The Aardvark Who Wasn't Sure

Savage. Menacing. Ruthless. Predators get a pretty bad rap. Sure, they prey on helpless animals that never stand a chance, but behind those jagged teeth, powerful jaws, and razor-sharp claws, every predator has a softer side. Maybe even an adorable one. Everyone has compassion for the cute bunny or lamb. But what about their predators who are working hard for their meal? Capturing their prey is a life-or-death game. Just think about the last time you had to hunt for food while hangry. You can understand, right? Including famous quotes from history that give context to these disturbingly cute illustrations, Alex Solis shares his sense of humor while giving readers a way to enjoy the darkest parts of life with a smile. It's time to give theses predators a break! Because, in the end, both predators and their prey play a role. I mean, it's not their fault they were made this way! They're just living off of instincts, doing what comes naturally to them. So rather than turning away from nature, let's celebrate all the animals who complete *The Adorable Circle of Life*.

The Storyteller's Secret

This early work by Earl Derr Biggers was originally published in 1930 and we are now republishing it with a brand new introductory biography. "Charlie Chan Carries On" is the fifth novel in the Charlie Chan series. Inspector Duff, a Scotland Yard detective and friend of Chan's, first introduced in Behind That Curtain, is pursuing a murderer on an around-the-world voyage; so far, there have been murders in London, France, Italy and Japan. While his ship is docked in Honolulu, the detective is shot and wounded by his quarry; though he survives, he is unable to continue with the cruise, and Chan takes his place instead. Earl Derr Biggers was born on 26th August 1884 in Warren, Ohio, USA. Biggers received his further education at Harvard University, where he developed a reputation as a literary rebel, preferring the popular modern authors, such as Rudyard Kipling and Richard Harding Davis to the established figures of classical literature. Following in their footsteps upon graduating, he himself began a career as a popular writer, penning humorous articles and reviews for the Boston Traveler. While on holiday in Hawaii, Biggers heard tales of a real-life Chinese detective operating in Honolulu, named Chang Apana. This inspired him to create his most enduring legacy in the character of super-sleuth Charlie Chan. The first Chan story "The House Without a Key" (1925) was published as a serialised story in the Saturday Evening Post and then released as a novel in the same year. Biggers went on to write five more Chan novels and all were licensed for movie adaptations by Fox Films. These films were hugely popular with several different actors taking the lead role of Chan. Eventually; over 40 films were produced featuring the character. Biggers only saw the early on-screen successes of Charlie Chan due to his death at the age of only 48 from a heart attack in April 1933.
