## A History of the Christian Church

## Basic Theology

Designed for laypeople, these commentaries deal

seriously with the biblical text without being overly technical. Introductory information, doctrinal themes, problem passages, and practical applications are examined.

### **You Can You Will 8 Undeniable Qualities of a Winner**

Anthony Elliott presents a comprehensive introduction to psychoanalytic theory and its applications in the social sciences and humanities in this new and fully revised second edition of *Psychoanalytic Theory*. Elliott provides lucid interpretations of key psychoanalytic theorists such as Freud, Klein, Winnicott, Lacan, Deleuze, Kristeva, and Zizek. This revised edition has much new material, including a survey of psychoanalytic approaches to race and postcolonialism from Fanon to Homi Bhabha, as well as a look at the reframing of sexuality studies by such feminist theorists as Judith Butler, Helene Cixous, and Luce Irigaray. The book follows major themes, highlighting the similarities and differences among influential thinkers and schools of thought. At the same time, *Psychoanalytic Theory* is structured so that the chapters can be read in any order. Each one includes an introductory overview and summary, as well as biographical and historical material for each theorist discussed. This book is an essential starting point for any exploration of the contribution of psychoanalysis to contemporary theory.

### **Eternal Security**

Evangelism is not only misunderstood, it is often unpracticed. Many Christians want to share the gospel with others, but because those Christians don't grasp the fundamentals of witnessing, they feel intimidated and incapable of sharing the truth of the gospel. Yet those believers fail to recognize that God has already established who and how we are to evangelize. In *The Gospel and Personal Evangelism*, Dr. Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask: Who should we evangelize? How should we evangelize? What is evangelism? Why should we evangelize? In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways. As readers understand the fundamentals of evangelism, they will begin to develop a culture of evangelism in their lives and their local churches.

### **El Espiritu Santo**

## **The Word of Truth**

Right now, truth is under attack, and much is at stake. Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack?especially those bringing the assault right into the church. There is no middle ground?no safe zone for the uncommitted in this war. The battle for truth is raging, and this book reveals: The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches "[The postmodern age] is the age of no truth, an age that has reached a point of deadly fatigue when it comes to facing the truth?a generation that no longer believes truth can be known. Dr. John MacArthur knows better, and he is armed with the courage to confront this age with a bold defense of truth. . . . His argument is compelling, his defense of truth is brilliant, and his concern for the church is evident on every page. The evangelical church desperately needs this book, and it arrives just in time." ?R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary

## **The Case for Orthodox Theology**

When does an affair begin? Not with the first forbidden touch...but with the first forbidden thought. Unexpectedly, you find yourself enjoying a powerful

emotional bond with another man. You feel like you matter to someone again. And the door you thought was locked so firmly—the door to sexual infidelity—is suddenly ajar. The only way women can survive the intense struggle for sexual integrity is by guarding not just your body, but your mind and heart as well. Every Woman's Battle can help you learn to do that. Using real-life stories and examples from her own struggle, Shannon Ethridge helps women like you—whether married, engaged, or planning to marry someday.

### **TEOLOGIA BASICA AO ALCANCE DE TODOS**

Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

### **Dispensationalism**

Are you one of the many victims of an unbroken curse? Today, countless Christians throughout the world are plagued by unexplained poverty, calamities, and a variety of adverse circumstances. Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events. Usually they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families. Some of the causes: Hatred and jealousy  
Trespassing on the Devil's territory  
Handling unholy things  
Inherited curses  
Breaking vows to God  
The solution: The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to

recognize, prevent, and break every type of curse.

### **The Truth about Grace**

Do you ever find yourself wondering . . . Is it actually possible to know, beyond the shadow of a doubt, that I am going to heaven? How can an understanding of "eternal security" make a difference in my Christian life? With the wisdom and skill of a man who has personally wrestled with these questions, internationally-known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straight-forward book. With questions at the end of each chapter, Eternally Secure is an excellent choice for individual or group study. "I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you.
