Tilda's Promise

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

Paulo Coelho's charming fable will enchant and inspire students for generations to come. *The Alchemist* is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. The Valkyries

When was the last time you listened to someone, or someone really listened to you? "If you're like most people, you don't listen as often or as well as you'd like. There's no one better qualified than a talented journalist to introduce you to the right mindset and skillset—and this book does it with science and humor." -Adam Grant, #1 New York Times bestselling author of *Originals* and *Give and Take* "An essential book for our times." -Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone* At work, we're taught to lead the conversation. On social media, we shape our personal narratives. At parties, we talk over one another. So do our politicians. We're not listening. And no one is listening to us. Despite living in a world where technology allows constant digital communication and opportunities to connect, it seems no one is really listening or even knows how. And it's making us lonelier, more isolated, and less tolerant than ever before. A listener by trade, New York Times contributor Kate Murphy wanted to know how we got here. In this always illuminating and often humorous deep dive, Murphy explains why we're not listening, what it's doing to us, and how we can reverse the trend. She makes accessible the psychology, neuroscience, and sociology of listening while also introducing us to some of the best listeners out there (including a CIA agent, focus group moderator, bartender, radio producer, and top furniture salesman). Equal parts cultural observation, scientific exploration, and rousing call to action that's full of practical advice, *You're Not Listening* is to listening what Susan Cain's *Quiet* was to introversion. It's time to stop talking and start listening.

After years fruitlessly searching for love, marriage, and children, she decides to take the radical step of seeking spirituality and meaning far outside the parameters of modern life in the insular, ultraorthodox enclave of Boro Park, Brooklyn. There, fate brings her to the dysfunctional home of newly-widowed Jacob, a devout Torah scholar, whose life is also in turmoil, and whose small children are aching for the kindness of a womanly touch. While her mother direly predicts she is ruining her life, enslaving herself to a community that is a misogynistic religious cult, Lola's heart tells her something far more complicated. But it is the shocking and unexpected messages of her new community itself which will finally force her into a deeper understanding of the real choices she now faces and which will ultimately decide her fate.

Summary: the Alchemist

The latest novel from the #1 internationally best-selling author of *The Alchemist*. There is nothing wrong with anxiety. Although we cannot control God's time, it is part of the human condition to want to receive the thing we are waiting for as quickly as possible. Or to drive away whatever is causing our fear. . . . Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with it—just as we have learned to live with storms. * * * July 14, 1099. Jerusalem awaits the invasion of the crusaders who have surrounded the city's gates. There, inside the ancient city's walls, men and women of every age and every faith have gathered to hear the wise words of a mysterious man known only as the Copt. He has summoned the townspeople to address their fears with truth: "Tomorrow, harmony will become discord. Joy will be replaced by grief. Peace will give way to war. . . . None of us can know what tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face." The people begin with questions about defeat, struggle, and the nature of their enemies; they contemplate the will to change and the virtues of loyalty and solitude; and they ultimately turn to questions of beauty, love, wisdom, sex, elegance, and what the future holds. "What is success?" poses the Copt. "It is being able to go to bed each night with your soul at peace." * * * Now, these many centuries later, the wise man's answers are a record of the human

values that have endured throughout time. And, in Paulo Coelho's hands, *The Manuscript Found in Accra* reveals that who we are, what we fear, and what we hope for the future come from the knowledge and belief that can be found within us, and not from the adversity that surrounds us. This eBook edition includes a Reading Group Guide.

The Alchemist (Telugu)

This is the Telugu translation of bestselling title by Paulo Coelho. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.
