The Cyclops

The Golden Fleece and the Heroes Who Lived Before Achilles

From master storyteller Padriac Colum, winner of a Newbery Honor for *The Golden Fleece*, comes a collection of fifteen timeless stories inspired by classic Greek literature. Travel back to a mythical time when Achilles, aided by the gods, waged war against the Trojans. And join Odysseus on his journey through murky waters, facing obstacles like the terrifying Scylla and whirring Charybdis, the beautiful enchantress Circe, and the land of the raging Cyclôpes. Using narrative threads from *The Iliad* and *The Odyssey*, Padraic Colum weaves a stunning adventure with all the drama and power that Homer intended.

The Odyssey of Homer

Perfect for reading aloud, this is the finest work of E. Boyd Smith, a noted children's book illustrator of the early twentieth century. It recounts the timeless tale of Noah's ark and the aftermath of the Great Flood with delicately colored full-page illustrations. Readers of all ages will delight in Smith's rollicking animals as well as his inventive explanation of the extinction of the dinosaurs.

The Odyssey

This moving graphic novel tells the story of the affection between a girl and her grandfather. When the grandfather withdraws in grief after his wife dies, the girl is determined to live life fully herself and enters an extraordinary contest — the result is a sensitive portrayal of pursuing a dream. Grandfather, a man of few words, is devastated when his beloved wife succumbs to cancer, and he sinks into depression. His granddaughter (“Mémère,” as he calls her) has a different response. She decides to enter the Who Will Go to the Moon Contest, and when she actually wins, she hopes that Grandfather will be proud of her. She embarks on the thrilling journey and at first it is wonderful, but just as she is about to reach the moon, her journey takes an unexpected turn. Written by Stéphanie Lapointe and beautifully illustrated by Rogé, this imaginative graphic novel explores intergenerational relationships, love, death, dreams and illusions.

Grandfather and the Moon

Even through a hail of gunfire, Homer never loses heart--but will he find his brother? Or will it be too late? With engaging wit and comical repartee reminiscent of Mark Twain, master storyteller Rodman Philbrick introduces us to the unforgettable character of Homer in his latest groundbreaking novel.

Follow Aeneid as he flees a burning Troy with his family and sets out on a dangerous journey to found what will one day become The Roman Empire. Thrill with him as he gets caught up in conflicts between the gods, all the while striving to complete his own grand destiny. Inscribed here are myths and legends and tales of bravery destined to last for all time.

The Tale of Troy

The Children's Homer

Centerburg might be your town. Grampa Hercules and his never-ending tall tales, Dulcy Dooner, the uncooperative citizen, unbusinesslike Uncle Ulysses and his friendly lunchroom, the flustered sheriff, the pompous judge—they are all as American as they come. But there's a subtle and delightful difference. In Centerburg, along with the routine of day-to-day living, the most preposterous things keep happening. But nothing fazes Homer Price! Ragweeds taller than fire ladders, music that sets a whole town dancing—he solves these problems calmly and efficiently. Homer Price is a boy with a good supply of common sense—and ingenuity! Homer's Grampa Hercules is a delightful old rascal and his extravagant reminiscences of his youth are the starting point of many of the episodes. The chapter titles are as enticing as the chapters themselves: The Hide-a-Ride, Looking for Gold, Ever So Much More So, Experiment 13, Grampa Hercules and the Gravity-Bitties, Pie and Punch and You-Know-Whats. Mr. McCloskey's characters have warmth and kindness and a healthy curiosity; but they are not above a few minor faults and foibles. They are unmistakably alive. Like Mr. McCloskey himself, they are perpetually amused by the everyday hazards and discrepancies around them.

Noah's Ark

A retelling of the legend of Kaugjagjuk, an orphan who is mistreated by other villagers, but is helped by his gaurdian, the Man of the Moon.

The Trojan War and the Adventures of Odysseus

Homer is known to have authored the first known literature of Europe. Homer's epic chronicle of the Greek hero Odysseus' journey home from the Trojan War has inspired writers from Virgil to James Joyce. With real poetic power... his book is one no lover of living poetry should miss. —The New York Times

Excalibur

BONUS: This edition contains a new afterword and an excerpt from Gwen Cooper's Love Saves the Day. ONCE IN NINE LIVES, SOMETHING EXTRAORDINARY HAPPENS. The last thing Gwen Cooper wanted was another cat. She already had two, not to mention a phenomenally underpaying job and a recently broken heart. Then Gwen's veterinarian called with a story about a three-week-old eyeless kitten who'd been abandoned. It was love at first sight. Everyone warned that Homer would always be an "underachiever." But the kitten nobody believed in quickly grew into a three-pound dynamo with a giant heart who eagerly made friends with every human who crossed his path. Homer scaled seven-foot bookcases with ease, survived being trapped alone for days after 9/11 in an apartment near the World Trade Center, and even saved Gwen's life when he chased off an intruder who broke into their home in the middle of the night. But it was Homer's unswerving loyalty, his

infinite capacity for love, and his joy in the face of all obstacles that transformed Gwen's life. And by the time she met the man she would marry, she realized that Homer had taught her the most valuable lesson of all: Love isn't something you see with your eyes.
