The Devil's Dictionary, by Ambrose Bierce

Route 666, also known as "The Devil's Highway", the "Highway to Hell" or "Satan's Highway" is a lonely, deserted stretch of road meandering through almost 200 miles of rugged, sweeping desert wilderness, with a long history of accidents and apparitions. The road is asphalted and crosses several states.

Sonora, the Devil's Highway (2018) - IMDb

The history of the Devil's Backbone, like many areas of the West, has seen its share of violence for Native Americans and white settlers alike. In more recent years, the twisty stretch of highway has been the scene of numerous fatal car accidents as well. And many ghosts seem to have lingered.

It's a story made more relevant, in the construction of the Robert Johnson myth, when coupled with Johnson's frequent references to the Devil. In his songs including, 'Me And The Devil Blues

The Devil's Throat | Fallout Wiki | Fandom

Devil's Fork Loop Trail is perfect for the true back country enthusiasts who are willing to get their feet wet. All hikers should be prepared to scramble over boulders, and should plan their visit during relatively low water conditions. The highlight of the trail is the spectacular Devil's Bathtub, a naturally smooth swimming hole.

Devil's Backbone | Texas Scenic Drives on myscenicdrives.com

Directed by Daniel Haller. With John Cassavetes, Beverly Adams, Mimsy Farmer, Maurice McEndree. An exiled band of Hell's Angels strike a bargain with the Sheriff of a local town, let them stay and the town is safe. But a local girl strays into their lair and sparks off a full scale Angel war.

The Devil's Backbone: The Most Haunted Stretch of Texas

AUTHOR'S PREFACE The Devil's Dictionary was begun in a weekly paper in 1881, and was continued in a desultory way at long intervals until 1906. In that year a large part of it was published in covers with the title The Cynic's Word Book, a name which the author had not the power to reject or happiness to approve. To quote the publishers of the present work:

Devil's Backbone Scenic Drive (Wimberley) - 2021 All You

U.S. Route 491 (US 491) is a north–south U.S. Highway serving the Four Corners region of the United States. One of the newest designations in the U.S. Highway System, it was created in 2003 as a renumbering of U.S. Route 666 (US 666). With the 666 designation, this road was nicknamed the "Devil's Highway" because of the significance of the number 666 to many Christian denominations, which

Devil's Slide Trail | Parks Department

The Devil's Highway . Photos and Text by Gordon Burhop. El Camino del Diablo – the Highway of the Devil – once a 250-mile link between the northwestern frontier of Mexico and the colonies of California, began at Caborca, in Mexico’s state of Sonora. It extended north-northwest across the desert to what is today the United States/Mexican
