The Devil's Gardens

"Almighty God—Our sons, pride of our nation, this day have set upon a mighty endeavor." It was with these words that President Franklin D. Roosevelt addressed the troops that were to mount the final assault on Nazi-dominated Europe on D-day, June 6, 1944. The Mighty Endeavor is a sweeping history of American action in the European theater in World War II, covering the entire scope of America's effort "to set free from Nazi tyranny a suffering humanity." From the first landings at Casablanca straight through to the crossing of the Elbe River and V-E Day, this book tells the gripping stories of all the battles in which Americans took part. At its core are accounts of such dramatic episodes as Kasserine Pass, Salerno and Anzio, D-day, the liberation of Paris, the Battle of the Bulge, and the crossing of the Rhine. MacDonald's sources include official U.S. Army records and interviews with soldiers from the lowest ranks to top-level officers such as Generals Eisenhower and Bradley. Since its initial publication in 1969, The Mighty Endeavor has retained its reputation as the best one-volume history of the American war in Europe, a true classic of its kind.

What You Need to Know About Salvation in 12 Lessons

Ben Slayton, T-Man: A Clear and Present Danger - Book #1

When interstellar antiquities dealer Alex Benedict discovers that his new client, writer Vicki Greene, has had her memory wiped, his investigation takes him to a remote world that holds the key to a decades-old political conflict.

No Easy Fix

One of the Boston Globe's Best Sports Books of the Year: "Incisive, heartbreaking, important and even funny" (Jeremy Schaap, New York Times—bestselling author of Cinderella Man). The people of Brazil celebrated when it was announced that they were hosting the World Cup—the world's most-viewed athletic tournament—in

2014 and the 2016 Summer Olympics. But as the events were approaching, ordinary Brazilians were holding the country's biggest protest marches in decades. Sports journalist Dave Zirin traveled to Brazil to find out why. In a rollicking read that travels from the favelas of Rio de Janeiro to the fabled Maracanã Stadium to the halls of power in Washington, DC, Zirin examines Brazilians' objections to the corruption of the games they love; the toll such events take on impoverished citizens; and how taking to the streets opened up an international conversation on the culture, economics, and politics of sports. "Millions will enjoy the World Cup and Olympics, but Zirin justly reminds readers of the real human costs beyond the spectacle." —Kirkus Reviews

Devil You Know

Inside U.S. Trade

On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naïveté, racism and international politics. His message is simple and undeniable: "Never again." When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In *Shake Hands with the Devil*, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire's own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire's personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he'd relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world's dirty wars. Excerpt from *Shake Hands with the Devil* My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes

and villains, although such a work could easily be written. This book is a cri de coeur for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

Brother Esau

The Devil Came on Horseback

The Earth does not belong to man alone The Himalayas bury their secrets well. Two skulls unearthed in the cradle of the human race - the remote heights of Kashmir - throw evolutionary theory into chaos. But a far more disturbing secret lies hidden deep in the bleak mountains and snow-swept valleys unseen by human eyes. A few miles from the explosive triangle of tension where Afghanistan and Pakistan border on India the story of the century breaks. And the echoes of the most shattering revelation yet made to man threaten to plunge the world into total war which will turn the cradle of the human race into its final grave.

The Expositor and Current Anecdotes

Soldier of Fortune

Lively reminiscences of bandit warfare in the sertao, the still primitive Brazilian back country, told by a wise, retired outlaw chief.

Stopping Wars

JR Richards What's worse than wanting the one person you can never have? How about finally getting them. Don't get me wrong the sex was great, but everything that came after? Yeah, it's like they say, be careful what you wish for. Ruslan Belikov My brother made a deal that didn't go as planned. Now I have to get back what's ours and pretty boy Jacoby is the tool to make that happen. I'll torture and use him until I get what I want, then I'll toss him aside like the rest. A motorcycle club and a Mafia family shouldn't make deals. Someone's bound to lose. Family, friends and hearts, nothing's safe in a world fueled by drugs, money and sex. WARNING: Ruslan Belikov and Jacoby Richards may not be for everyone. They are two dominant men thrown into an impossible situation. Some readers may find their story makes them uncomfortable. If you don't like dark and dirty mafia bosses who use torture and sex to get their way turn back now. You have been warned.

Lucha Struggle

Damian Tate. One look into his sad green eyes and I was hooked. I wanted to be the one to make him laugh, to make him smile. I hadn't expected him to be the

one to make me blush, to make me hotto make me fall in love. He was my first kiss, my first love, my first everything. I wanted forever with him, but life got in the way. He enlisted, I went to college, and for years we were never in the same place long enough to pick up where we left off. Thirteen years after he left, tragedy brings him home. The stoic boy I fell in love with grew into a quiet, dangerous and wildly sexy man. He still tugs on all the right strings for me, but he seems determined to keep me at arm's-length. However, when trouble comes knocking at my door, he is the one to put himself between that trouble and me. Spending time with him might drive me insane, or it might be our second chance at first love.

Major Knesset Debates, 1948-1981

Former United States Marine Brian Steidle served for six months in Darfur as an unarmed military observer for the African Union. There he witnessed first-hand the ongoing genocide, and documented every day of his experience using email, audio journals, notebook after notebook and nearly 1,000 photographs. Gretchen Steidle Wallace, his sister, who wrote this book with Brian, corresponded with him throughout his time in Darfur. Fired upon, taken hostage, a witness to villages destroyed and people killed, frustrated by his mission's limitations and the international community's reluctance to intervene, Steidle resigned and has since become an advocate for the world to step in and stop this genocide. *The Devil Came on Horseback* depicts the tragic impact of an Arab government bent on destroying its black African citizens, the maddening complexity of international inaction in response to blatant genocide, and the awkward, yet heroic transformation of a former Marine turned humanitarian. It is a gripping and moving memoir that bears witness to atrocities we have too long averted our eyes from, and reveals that the actions of just one committed person have the power to change the world.

U.S. News & World Report

'The image I have is a kid on a country lane on a Saturday afternoon herding his family cattle, meaning no harm to anybody and putting one step wrong. It's one thing to die in combat, it's one thing to die defending land, but it's another thing to die tending cattle on a Saturday afternoon and we want a world where that doesn't happen' - Michael Ignatieff During the twentieth century a landmine plague raged across the globe. It began on the battlefields of two world wars, it gathered momentum in Korea and Vietnam and then spread like wildfire throughout the developing world. *The Devil's Gardens* is the definitive story of the landmine. It is the story of the development and proliferation of a weapon of terror. It is also the story of suffering and devastation, and a worldwide crusade to put an end to the curse of landmines forever. The issues surrounding landmines and their continued use are controversial. Drawing on a wide range of distinguished interviewees and the authors' first-hand experiences in severely mine-affected countries, *The Devil's Gardens* look at all sides of the landmine story.

Towards the Future?

The Devil's Eye

The UN has adopted a "responsibility to protect" mandate for humanitarian intervention in civil wars - but there is no institutional basis for carrying out that mandate. Patricia Marchak argues that unless would-be interveners have an understanding of local issues, agents who speak local languages, and a military force fully prepared to undertake both peaceful and military missions on short notice, UN and other attempts to intervene are unlikely to succeed. While UN-sponsored international criminal courts have been successful in obliging leaders to accept responsibility for their actions during bitter internal wars, Marchak argues that they may not be the best means of bringing truth and reconciliation to survivors. Based on the principle of individual responsibility, they are not designed to deal with collective crimes against humanity and genocide, nor are they good instruments for dealing with the breakdown of societies. Bringing together her own field interviews, documentary material, and secondary sources, Marchak critically assesses the recent history of international interventions and criminal prosecutions. She examines three cases in detail: Cambodia, Rwanda, and the former Yugoslavia in its current forms of Bosnia and Serbia, considers their international context prior to and during internal wars, and argues that each case has to be understood in its own context and history - there is no common pattern and no easy fix that could mend broken societies after the wars. No Easy Fix is of interest to anyone concerned with how the international community deals with civil wars that involve serious crimes against humanity.

My name is Mavi StClair. I'm a monster with a pretty face. An assassin in trade. Guilt, remorse, it's never touched me. I'm as cold as they come and just as professional. Dealing death has always come easily, and I inflict it with ease. It fuels and feeds the twisted darkness inside me. My downfall begins with a single night of untamed passion leaving me hungering for more of him. One wicked soul recognizing another. Now he owns me. The lines of what I know are blurred. I'm playing his game. A pawn, eternally tangled in a web of secrets and lies. He won't let me go. Taking pleasure in my fall from grace. Question is, can I save myself before I'm damned completely?

The Living Age

This is an attempt to catalogue the reasons why some wars are so difficult to stop - even when both sides want the fighting to end. Through detailed case studies, the book assesses the obstacles and points toward solutions for ending wars more quickly. Each chapter is devoted to a specific obstacle which the author analyzes and then illustrates with case studies, drawing on such conflicts as the Iran-Iraq War, the Gulf War and the Yugoslav wars. He assesses the role of third parties in trying to persuade people to stop fighting and examines what happens when obstacles to a cease-fire cannot be overcome.

Haunted Victory

The Devil You Know

A fierce war rages for your soul. Are you ready for battle? Like it or not, you are at war. You face a powerful enemy out to destroy you. You live on the battlefield, so you can't escape the conflict. It's a spiritual war with crucial consequences in your everyday life and its outcome will determine your eternal destiny. You must engage the Enemy. And as you fight, you need a Manual for Spiritual Warfare. This guide for spiritual warriors will help you recognize, resist, and overcome the Devil's attacks. Part One, "Preparing for Battle," answers these critical questions: • Who is Satan, and what powers does he have? • What are his typical strategies? • Who fights him alongside us in battle? • What spiritual weapons and armor do we possess? • How do we keep the Enemy out of our camp? Part Two, "Aids in Battle,"

provides you these essential resources: • Teaching about spiritual warfare from Scripture and Church documents • Scripture verses for battle • Wisdom and inspiration from saints who fought Satan • Prayers for protection, deliverance, and victory • Rosary meditations, hymns, and other devotions for spiritual combat St. Paul urges us to “fight the good fight of the faith” (1 Tim 6:12). Take this Manual for Spiritual Warfare with you into battle. The beautiful Premium UltraSoft gift edition features sewn binding, ribbon marker and silver edges.
