The Elements of Style: Grammar Workbook

Correct English usage as it's never been taught before: lucidly, memorably, and humorously -- for all ages.

The Elements of Old English

The Only Grammar Book You'll Ever Need

English Explained explores the areas of English grammar that are most affected by misinformation and confusion and supplies the learner with the knowledge to finally grasp the workings of this multifaceted language. The fifty sections of English Explained cover the misunderstood, the misleading, and anything that appears to break the standard grammar 'rules' we are all taught. The book has been written, in the first instance, for teachers and prospective teachers (TESOL/TEFL) whose first language is not English. A key aim of the book, then, is assisting both students and teachers on a practical level by equipping them with the knowledge and the awareness to answer any challenging questions a teacher or an enquiring student may pose over the course of an English class. It will also prove invaluable

to students of all disciplines who seek a better grasp and understanding of English grammar—essential for achieving competency in both writing and reading.

A Grammar of the Persian Language

This Handbook provides a forum for generative syntacticians whose work has had an impact on theoretical syntax over the past 20 years to present their views on one or more aspects of current syntactic theory. Each contribution focuses on one specific aspect of the grammar. The introduction to the volume provides the backdrop for the papers and highlights some of the developments that have occurred in theoretical syntax in the last ten years. This book is relevant for linguists working in the generative framework.

"If you are reading The Elements of Style for an academic course or to improve your writing, this companion workbook can help you to memorize and self-test your knowledge of basic English grammar rules." This workbook is designed for readers of the three most popular versions of William Strunk's grammar classic, The Elements of Style. It can be used by readers of Strunk's original work, now in the public domain; the "Strunk and White" editions by E.B. White; and The Elements of Style: 2018 Classic Edition. In addition, readers of other grammar books, and ESL/EFL learners, may find this workbook useful for learning the core rules of English grammar. Learning grammar may seem like a boring task, but it is a must for students who wish to do well in their courses and for writers who want to improve their grammar and style. This workbook presents a series of 27 quizzes with 626 questions, multiple-choice answers, and a convenient scoring key. Some quizzes

drill on grammar rules covered in all versions of *The Elements of Style*, and others are keyed to a specific edition.

 To derive maximum benefit from this workbook, it is suggested that you complete a few quizzes each day. Take note of your correct and incorrect answers to reinforce the underlying grammar rules. Be sure that you have a firm grasp of each rule before going on to the next quiz. You will know that you are ready to proceed when you have answered all the questions on a quiz correctly.

 Used in classrooms across America and around the world, *The Elements of Style* has helped generations of students and writers learn to write grammatically correct prose. Whether you are taking a course for which Strunk's book is required reading, or you are a writer looking to polish your style, this workbook can help you to learn English grammar rules and use that knowledge to make all your writing exemplary.
