## The Great Divorce

Seven Spiritual Masterworks by C. S. Lewis This classic collection includes C. S. Lewis's most important spiritual works: Mere Christianity The Screwtape Letters The Great Divorce The Problem of Pain Miracles A Grief Observed The Abolition of Man

### **My Name is Saul**

This original work follows a chronological path through the history of mankind, in relationship to ecosystems around the world. Each chapter concentrates on a general period in human history; each also has three case studies which illustrate the significant patterns occurring at that time.

### **The Great Divorce**

### **Spurious Correlations**

This text deals with one of the most contentious issues of our time -the growth of mass divorce in England and America. Family breakdown has reached epidemic proportions in most countries of the western world. The leading nation of the west, the United States of America, has the highest divorce rate in the civilised world, and England the highest rate in Europe. In the past decade, almost 12,000,000 American and 1,500,000 English families have experienced divorce, involving countless millions of children in the heartbreak of a broken home.

### **Four Views on Hell**

## Read Book The Great Divorce

After receiving an invitation to spend the summer with their estranged grandmother, the Story cousins arrive at her house only to discover that she is not there, and the longer they stay on the island, the more they realize their mysterious family history has some deadly secrets.

### **Castle of Wisdom**

A comprehensive 2010 single-volume study surveying C. S. Lewis's career as an academic, Christian thinker, and creative writer.

### **The Good Divorce**

The story of a boy's spiritual transformation in the shadow of the Scottish Highlands—from the 19th-century author of *David Elginbrod*. In George MacDonald's most well-known novel, published in 1868, the quest of young Robert Falconer for his father becomes a parallel quest to break free from the oppressive Calvinist theology of his grandmother. As he struggles to come to terms with the strict orthodoxy prevalent in Scotland for two centuries, the doctrine of hell looms as the great stumbling block in Robert's mind. His lifelong search reveals to Robert the groundbreaking truth that hell is remedial not punitive, designed to produce ultimate repentance not everlasting punishment. This highly autobiographical work

## Read Book The Great Divorce

offers a rare glimpse into MacDonald's own youthful quandaries, and a window into the development of his faith, which would turn generations toward the Fatherhood of a loving God. After the book's publication, as a result of the bold themes running through the narrative, MacDonald came to be considered a "universalist" and "heretic" in some circles—grievous mischaracterizations that persist to this day. This new edition by MacDonald biographer Michael Phillips streamlines the occasionally ponderous Victorian narrative style and updates the thick Doric brogue into readable English.

### **The Great Divorce Controversy**

The twin Lasserma boys grew up in mid-twentieth century middle America. As children they were as close as one would expect twin boys to be. But as adults their life paths took them to far different destinations, economically, socially and geographically. At a time when they were past middle-aged, a severely divided nation driven by polarizing political demagogues, stressed their moral foundations to the breaking point. What happens beyond the breaking point teaches them a great deal about themselves and each other and has a cataclysmic effect on the nation and the world. This is a must-read for any open-minded, intelligent individuals who want to explore a fictional world where moral norms are cast aside, racial biases are openly exploited, and society is allowed to deteriorate to an unforeseen nadir of base expression and survival mode behavior.

### I, Claudia

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York’s work-advice columnist. There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you’re being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate’s loud speakerphone is making you homicidal
- you got drunk at the holiday party

Advance praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert

## Read Book The Great Divorce

Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Clear and concise in its advice and expansive in its scope, *Ask a Manager* is the book I wish I’d had in my desk drawer when I was starting out (or even, let’s be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck*

### **The Great Divorce**

Three surprising women, their lives riven by divorce both literal and metaphorical: Ellen Clayton, reeling from her husband’s decision to leave her after twenty years, finds meaning in caring for her teenage daughters and in her work as the veterinarian at the New Orleans Zoo. Her young assistant Camille, preyed on by a series of contemptuous men, experiences bizarre episodes in which she feels herself transforming into one of the great cats in her care. And Elisabeth Boyer, a passionate Creole aristocrat trapped on her husband’s antebellum plantation, finds deliverance in the form of a black leopard, a powerful, merciless ally from the wild. Their unfolding stories blur distinctions of time, class and social construct to reveal the ordinary and extraordinary measures required to make our fractured world whole.

### **Robert Falconer**

## Read Book The Great Divorce

C.S. Lewis's dazzling allegory about heaven and hell – and the chasm fixed between them – is one of his most brilliantly imaginative tales, as he takes issue with the ideas in William Blake's 'The Marriage of Heaven and Hell'.

### **The Great Divorce**

Written after his wife's tragic death as a way of surviving the "mad midnight moment," *A Grief Observed* is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

### **The Most Famous Man in America**

Provides three complete works and selections from Lewis's autobiography, adult fiction, religious and philosophical writings, criticism, poetry, and letters

## **An Environmental History of the World**

"They were the faces of my dreams" Claudia Procula--wife of one of the most controversial figures in ancient history--comes alive to twenty-first-century readers in a groundbreaking new novel by the award-winning author of the Lindsey McCall medical mystery series. For decades, the daughter of the last Oracle at Delphi has suppressed the secrets of her birth, extensive education, and marriage to the notorious Fifth Prelate of Judea--Pontius Pilate. Now, at age seventy-nine, she feels compelled to leave behind her story for the world and set the record straight about the beginnings of modern history. He has had his arms raised for how many hours now? Shouldn't there be a Joshua to help this Moses? I suppressed a smile at my wittiness, knowing better than to voice the thought aloud. My ladies would be shocked by my allusion to the great Jewish prophet. Well aware of my reputation as an empty-headed nitwit among those who served my husband, such low expectations had served me well. Best to maintain the fiction. In a surprising change of genre and style, Wilder brings her extensive research and wide-ranging imagination to bear on the seminal story of our time: the passion of the Christ. The result is a compelling and harrowing love story replete with historical figures such as Seneca, Socrates, and Pilate himself. It is sure to captivate both believers and skeptics alike, and remain in readers' minds long after the last page is turned.

### **The Cambridge Companion to C. S. Lewis**

"Spurious Correlations is the most fun you'll ever have with graphs."--Bustle  
Military intelligence analyst and Harvard Law student Tyler Vigen illustrates the golden rule that "correlation does not equal causation" through hilarious graphs inspired by his viral website. Is there a correlation between Nic Cage films and swimming pool accidents? What about beef consumption and people getting struck by lightning? Absolutely not. But that hasn't stopped millions of people from going to tylervigen.com and asking, "Wait, what?" Vigen has designed software that scours enormous data sets to find unlikely statistical correlations. He began pulling the funniest ones for his website and has since gained millions of views, hundreds of thousands of likes, and tons of media coverage. Subversive and clever, Spurious Correlations is geek humor at its finest, nailing our obsession with data and conspiracy theory.

### **The Great Divorce**

Dante's portrayal of sin and sanctification, of human frailty and divine revelation, are evident in all of Lewis's best work. Readers will see how a modern author can make astonishingly creative use of a predecessor's material--in this case, the way Lewis imitated and adapted medieval ideas about spiritual life for the benefit of his

modern audience.

### **Eucharist**

C.S. Lewis' novel, *The Great Divorce*, about a man who takes a bus trip from Hell to Heaven, is full of fascinating characters and conversations. *C.S. Lewis Goes to Heaven* is the first book dedicated to exploring this story, revealing many important secrets that have gone undetected since its publication in 1946. Discover how leaving a train station in the wrong direction provided Lewis a model for Hell. Learn the real names of an Impressionist painter and a famous detective writer that Lewis placed (anonymously) in Hell. With considerable detective work of his own, David Clark carefully expands ideas found in *The Great Divorce* using supporting references from Lewis' personal correspondence and other books, particularly *Mere Christianity*, *The Screwtape Letters*, *Surprised by Joy* and *Letters to Malcolm*. \* \* \* Clark looks at the story through three different lenses. First, he introduces the characters and their interactions chapter by chapter, including a brief narrative so readers new to Lewis will feel at home. Second, he reveals how even the book's landscapes convey the theology of Lewis. Then the author comes "alongside" Lewis, explaining his theological ideas and insights, showing their far-reaching implications, and providing scriptural references. By these three approaches, the astonishing grasp of Lewis' theology is revealed in accessible language. The book concludes with three appendices, including 40 pages of

## Read Book The Great Divorce

historical character sketches, literary references, and concepts.\*\*\* Considering that Lewis himself thought it surpassed his classic book, *The Screwtape Letters*, it's regrettable that *The Great Divorce* has been neglected for so long. Now for the first time, there is a comprehensive guide to help readers appreciate this profound and entertaining novel, and be awestruck by the grace of God it reveals.\*\*\* "If you want a great guide to *The Great Divorce*, you can't do better than David Clark, who introduces readers to a host of fascinating historical and literary characters - illuminating this popular novel with theological insight and devotional delight. Clark's tour of C. S. Lewis' version of Heaven and Hell provides a truly refreshing holiday."\*\*\* Terry Lindvall, author of *Surprised by Laughter: The Comic World of C.S. Lewis*

### **C. S. Lewis Goes to Heaven**

This antiquarian book contains Alexandre Dumas's work "Vaninka". It was first published as part of his eight-volume series "Celebrated Crimes" (1839-40), and recounts the true story of brutal torture and execution in the city of St. Petersburg. A thrilling and authentic retelling of the notorious case, "Vaninka" is not to be missed by fans of the true-crime genre, and constitutes a must-have for collectors of Dumas's work. Alexandre Dumas (1802-1870) was a famous French writer. He is best remembered for his exciting romantic sagas, including "The Three Musketeers" and "The Count of Monte Cristo". Despite making a great deal of

## Read Book The Great Divorce

money from his writing, Dumas was almost perpetually penniless thanks to his lavish lifestyle. His novels have been translated into nearly a hundred different languages, and have inspired over 200 motion pictures. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing this antiquarian book in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

### **The Great Divorce**

The Great Divorce Bible Study Guide takes readers through a Bible study of the C.S. Lewis classic, *The Great Divorce*. This 8-week Bible study guide expands upon Lewis' classic allegorical tale where damned spirits are given a vacation or a "holiday" away from Hell to visit Heaven, where they are invited to stay forever.

### **Essential C. S. Lewis**

What is the point of faith, and, in particular, of the Catholic Faith? Written in a welcoming style, this straightforward book provides a clear, compelling answer to that question. As such, it's meant for non-Catholics who are curious about the Catholic Faith, for cradle Catholics who may never have really understood the

## Read Book The Great Divorce

Faith, and for longtime Catholics who've begun to question the Faith and may even be thinking of leaving it. Here, free of controversies and polemics, you'll encounter the principal beliefs that form the framework of Christianity, and, in particular, a thorough explanation of what the Church teaches about Jesus. To accomplish this faithfully, author Michel Therrien relies on just two sources—the Bible and the Catechism of the Catholic Church—to provide an authoritative overview of what the Faith teaches about God and why believing in Him is important. In twenty short, easy-to-digest chapters, Therrien presents you with Christianity as the Catholic Church understands it. Among scores of other fundamentals of the Faith, this book will teach you: -How we come to know God -How God reveals Himself to us -Who God is, as Scripture reveals Him -Jesus Christ's loving plan for humanity -How to live as a disciple of Jesus Christ -How Catholicism will bring you happiness -And much more!

### **Gods at War**

What do Netflix, our desire for the corner office, and that perfect picture we just posted on Instagram have to do with each other? None of these things is wrong in itself. But when we begin to allow entertainment, success, or social media to control us, we miss out on the joy of God's rule in our hearts. In *Gods at War*, Pastor Kyle Idleman, bestselling author of *Not a Fan*, helps every believer recognize there are false gods at war within each of us, and they battle for the

## Read Book The Great Divorce

place of glory and control in our lives. According to Idleman, idolatry isn't an issue?it is the issue. By asking insightful questions, Idleman reveals which false gods each of us are allowing on the throne of our lives. What do you sacrifice for? What makes you mad? What do you worry about? Whose applause do you long for? We're all wired for worship, but we often end up valuing and honoring the idols of money, sex, food, romance, success, and many others that keep us from the intimate relationship with God that we desire. In this updated edition, Pastor Kyle adds a new introduction as well as new content about the battle many of us face with technology—whether we are tempted to send just one more text, stay online when our bodies need rest, or find ourselves putting email before in-person relationships. How can we seek God with our whole hearts instead? Using true, powerful, and honest testimonies of those who have struggled in each area, Gods at War illustrates a clear path away from the heartache of our 21st century idolatry back to the heart of God—enabling us to truly be completely committed followers of Jesus.

## **The Catholic Faith Explained**

This collection of books by C. S. Lewis includes: The Screwtape Letters; So begins this product of C. S. Lewis's wickedly funny imagination, a correspondence between two devils, Screwtape and his young nephew, Wormwood. The Problem of Pain; The author tackles the question that has plagued humanity for centuries. If

## Read Book The Great Divorce

God is both omnipotent and good, how can we explain the pain and suffering that people experience daily? *Miracles*: Lewis builds a solid and compelling argument for the acceptance of divine intervention. *Mere Christianity*: This book is the authors' forceful and accessible doctrine of Christian belief. *The Great Divorce*: The narrator boards a bus on a drizzly English afternoon and embarks on an incredible voyage through Heaven and Hell. *The Abolition of Man*: The beloved educator and author, reflects on education, society, and nature.

### **The Great Divorce Study Guide**

The Great Divorce is a theological dream vision by C. S. Lewis, in which he reflects on the Christian conception of Heaven and Hell.

### **The Great Divorce Study Guide for Teens**

“Ilyon Woo presents the earliest child custody laws of this country with vivid relevance . . . both legal and feminist details are fascinating” (St. Louis Post-Dispatch). The Great Divorce is the dramatic, richly textured story of one of nineteenth-century America’s most infamous divorce cases, in which a young mother single-handedly challenged her country’s notions of women’s rights, family, and marriage itself. In 1814, Eunice Chapman came home to discover that her

## Read Book The Great Divorce

three children had been carried off by her estranged husband. He had taken them, she learned, to live among a celibate, religious people known as the Shakers. Defying all expectations, this famously petite and lovely woman mounted an epic campaign against her husband, the Shakers, and the law. In its confrontation of some of the nation's most fundamental debates—religious freedom, feminine virtue, the sanctity of marriage—her case struck a nerve with an uncertain new republic. And its culmination—in a stunning legislative decision and a terrifying mob attack—sent shockwaves through the Shaker community and the nation beyond. With a novelist's eye and a historian's perspective, Woo delivers the first full account of Eunice Chapman's remarkable struggle. A moving story about the power of a mother's love, *The Great Divorce* is also a memorable portrait of a rousing challenge to the values of a young nation. "Modern Americans, bombarded with stories of celebrity divorces, probably assume that the tabloid breakup is a recent phenomenon. This lively, well-written and engrossing tale proves them wrong." —The New York Times Book Review

### **The Great Divorce**

A master theologian and popular Catholic author offers inspiring insights into the mystery of Christ's presence in our lives. As festive as the film "Babette's Feast" and as profound as the work of Ronald Knox, this fresh look at the Eucharist brings to light the meanings of meal, sacrifice, and real presence in our lives.

### **George MacDonald**

No one predicted success for Henry Ward Beecher at his birth in 1813. The blithe, boisterous son of the last great Puritan minister, he seemed destined to be overshadowed by his brilliant siblings—especially his sister, Harriet Beecher Stowe, who penned the century’s bestselling book *Uncle Tom’s Cabin*. But when pushed into the ministry, the charismatic Beecher found international fame by shedding his father Lyman’s Old Testament-style fire-and-brimstone theology and instead preaching a New Testament-based gospel of unconditional love and healing, becoming one of the founding fathers of modern American Christianity. By the 1850s, his spectacular sermons at Plymouth Church in Brooklyn Heights had made him New York’s number one tourist attraction, so wildly popular that the ferries from Manhattan to Brooklyn were dubbed “Beecher Boats.” Beecher inserted himself into nearly every important drama of the era—among them the antislavery and women’s suffrage movements, the rise of the entertainment industry and tabloid press, and controversies ranging from Darwinian evolution to presidential politics. He was notorious for his irreverent humor and melodramatic gestures, such as auctioning slaves to freedom in his pulpit and shipping rifles—nicknamed “Beecher’s Bibles”—to the antislavery resistance fighters in Kansas. Thinkers such as Emerson, Thoreau, Whitman, and Twain befriended—and sometimes parodied—him. And then it all fell apart. In 1872 Beecher was accused by feminist firebrand Victoria Woodhull of adultery with one of his most pious parishioners.

Suddenly the “Gospel of Love” seemed to rationalize a life of lust. The cuckolded husband brought charges of “criminal conversation” in a salacious trial that became the most widely covered event of the century, garnering more newspaper headlines than the entire Civil War. Beecher survived, but his reputation and his causes—from women’s rights to progressive evangelicalism—suffered devastating setbacks that echo to this day. Featuring the page-turning suspense of a novel and dramatic new historical evidence, Debby Applegate has written the definitive biography of this captivating, mercurial, and sometimes infuriating figure. In our own time, when religion and politics are again colliding and adultery in high places still commands headlines, Beecher’s story sheds new light on the culture and conflicts of contemporary America. From the Hardcover edition.

### **Reflecting the Eternal**

Most contemporary Christians acknowledge the doctrine of hell, but they’d rather not think about how God punishes the wicked. The authors of *Four Views on Hell* meet this subject head-on with different views on what the Scriptures say. Is hell to be understood literally as a place of eternal smoke and flames? Or are such images simply metaphors for a real but different form of punishment? Is there such a thing as “conditional immortality,” in which God annihilates the souls of the wicked rather than punishing them endlessly? Is there a Purgatory, and if so, how does it fit into the picture? The interactive Counterpoints forum allows the reader to see

## Read Book The Great Divorce

the four views on hell—literal, metaphorical, conditional, and purgatorial—in interaction with each other. Each view in turn is presented, critiqued, and defended. This evenhanded approach is ideal for comparing and contrasting views in order to form a personal conclusion about one of Christianity's key doctrines. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

### **Grief Observed**

A repackaged edition of the revered author's moving theological work in which he considers the most poetic portions from Scripture and what they tell us about God, the Bible, and faith. In this wise and enlightening book, C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—examines the Psalms. As Lewis divines the meaning behind these timeless poetic verses, he makes clear their significance in our daily lives, and reminds us of their power to illuminate moments of grace.

### **Hugh Nibley**

Elias, a curious young man (and the novel's protagonist), sets out to find the "Castle of Wisdom," an old ruin where he believes he will learn the "Master-Truth"--The meaning of life, the secret of existence, the reason for it all. Along the course of his eighteen year journey he experiences everything from romance, joy, and wealth to misery, pain, and poverty.

### **The Great Divorce**

### **The Complete C. S. Lewis Signature Classics**

In his book, former FBI director James Comey shares his never-before-told experiences from some of the highest-stakes situations of his career in the past two decades of American government, exploring what good, ethical leadership looks like, and how it drives sound decisions. His journey provides an unprecedented entry into the corridors of power, and a remarkable lesson in what makes an effective leader. Mr. Comey served as director of the FBI from 2013 to 2017, appointed to the post by President Barack Obama. He previously served as U.S. attorney for the Southern District of New York, and the U.S. deputy attorney

## Read Book The Great Divorce

general in the administration of President George W. Bush. From prosecuting the Mafia and Martha Stewart to helping change the Bush administration's policies on torture and electronic surveillance, overseeing the Hillary Clinton e-mail investigation as well as ties between the Trump campaign and Russia, Comey has been involved in some of the most consequential cases and policies of recent history.

### **My Secret**

"The time I was born for is here. I will wage war against these Christians, and I will emerge victorious. My name is Saul." St. Paul the Apostle is a towering biblical figure, but almost nothing is known about his early life as Saul of Tarsus. As death loomed over him at Mamertine Prison in Rome, under the watchful eye of his jailer and final follower Aurelius, he wrote: I will die tomorrow. In the morning, around sunrise. There are two things for which I am eminently grateful: That I have been permitted to have fought the good fight and finished the race marked out for me; and that I will not have to endure another winter in this place. Starting from that pivotal moment, blending historical fact with audacious creativity, the author of the award-winning *I, Claudia* propels us back through the life of the man who would become St. Paul. Her vividly imagined, well-founded tale of loss, transformation, and divine intervention will captivate believers and non-believers alike who yearn for the human truth and drama behind the scriptures. "I am convinced that Saul is

## Read Book The Great Divorce

a man for our times," explains Wilder, "primarily because he was interested in just one thing: truth."

### **The Cousins**

### **Vaninka (Celebrated Crimes Series)**

A collection of artfully decorated postcards with secrets anonymously written on them by people from all over the world and sent to the founder of PostSecret, a community art project that evolved into a website.

### **Letters of C. S. Lewis**

The letters collected here covers a vast range of subjects -- books, nature, people, and every aspect of God and His world -- and extend from [the author's] early days as a student and atheist up to a few weeks before his death. [It includes] his correspondence with family, friends, and even fans.-Back cover.

### **The Pilgrim's Regress**

## Read Book The Great Divorce

It's never too late to have a good divorce Based on two decades of groundbreaking research, The Good Divorce presents the surprising finding that in more than fifty percent of divorces couples end their marriages, yet preserve their families. Dr. Ahrons shows couples how they can move beyond the confusing, even terrifying early stages of breakup and learn to deal with the transition from a nuclear to a "binuclear" family--one that spans two households and continues to meet the needs of children. The Good Divorce makes an important contribution to the ongoing "family values" debate by dispelling the myth that divorce inevitability leaves emotionally troubles children in its wake. It is a powerful tonic for the millions of divorcing and long-divorces parents who are tired of hearing only the damage reports. It will make us change the way we think about divorce and the way we divorce, reconfirming our commitment to children and families.

### **Ask a Manager**

What if anyone in Hell could take a bus trip to Heaven and stay there forever if they wanted to? In The Great Divorce C. S. Lewis again employs his formidable talent for fable and allegory. The writer finds himself in Hell boarding a bus bound for Heaven. The amazing opportunity is that anyone who wants to stay in Heaven, can. This is the starting point for an extraordinary meditation upon good and evil, grace and judgment. Lewis's revolutionary idea is the discovery that the gates of Hell are locked from the inside. In Lewis's own words, "If we insist on keeping Hell

## Read Book The Great Divorce

(or even earth) we shall not see Heaven: if we accept Heaven we shall not be able to retain even the smallest and most intimate souvenirs of Hell."

### **Six by Lewis**

As one of the LDS Church's most widely recognized scholars, Hugh Nibley is both an icon and an enigma. Through complete access to Nibley's correspondence, journals, notes and papers, Petersen has painted a portrait that reveals the man behind the legend. Starting with a foreword written by Zina Nibley Petersen (the author's wife and Nibley's daughter) and finishing with appendixes that include some of the best of Nibley's personal correspondence, the biography reveals aspects of the tapestry of the life of one who has truly consecrated his talents to the service of the Lord. The story begins prior to Hugh's birth with a prophetic blessing from John R. Winder, who was then serving both as the president of the Salt Lake Temple and as first counselor to Church President Joseph F. Smith, foretelling the importance of Hugh's work here on earth. It continues through Nibley's mission to Germany, his assignment to Army Intelligence for the 101st Airborne Division during World War 2 and landing on Utah beach on D-Day. After the war the story turns to Hugh's life working for the Improvement Era under Elder John A. Widtsoe, his promise to Elder Widtsoe that he would marry the first girl he met at Brigham Young University, and his subsequent marriage. It continues through Hugh's years of teaching at BYU, his study of many ancient texts, and his writing. Hugh has significantly influenced the

## Read Book The Great Divorce

direction the Church has taken in its approach to the Book of Mormon, the Pearl of Great Price, and the temple. He has touched many individual lives as he has urged the Saints to take the law of consecration more seriously, to respect the environment, and to work for peace. Finally, he has set a wonderful example of faithful discipleship, all while demonstrating how taking the gospel seriously liberates believers to feel joy, laugh at themselves, and relish the gifts of mortality.

### **A Higher Loyalty**

The first book written by C. S. Lewis after his conversion to Christianity, *The Pilgrim's Regress* is, in a sense, a record of Lewis's own search for meaning and spiritual satisfaction, a search that eventually led him to Christianity. Here is the story of the pilgrim John and his odyssey to an enchanting island that creates in him an intense longing -- a mysterious, sweet desire. John's pursuit of this desire takes him through adventures with such people as Mr. Enlightenment, Mr. Mammon, Mother Kirk, and Mr. Sensible and through such cities as Thrill and Eschropolis -- and through the Valley of Humiliation. Though the dragons and giants here are different from those in Bunyan's *Pilgrim's Progress*, Lewis's allegory performs the same function of enabling the author to say with fantasy and simplicity what would otherwise have demanded a full-length philosophy of religion. In Lewis's skillful hands this fable becomes as effective a Christian apologia as Bunyan's.

### **Reflections on the Psalms**

Help Teens Study and Share The Great Divorce! The Great Divorce by C.S. Lewis has been a favorite of teenagers for over 70 years, but for many it has been a little difficult to grasp. The Great Divorce Study Guide for Teens makes it easy and relatable for teenagers to not only read the book but to also study and share this iconic classic with their friends. Imagine being a damned soul on a bus ride from Hell to visit the outskirts of Heaven. Then, once you arrive you are offered a second chance to enter the bliss of Heaven forever. Why would anyone not accept this once in a lifetime, or after life-time-offer? This is just the scenario found in C.S. Lewis' allegorical tale, The Great Divorce. Using Scripture references, discussion questions, and relatable stories, The Great Divorce Study Guide for Teens gives teens a better understanding of the key concepts of the book, the supporting Bible passages, and the relevance to a Christian teen's worldview today. Detailed character sketches and an easy-to-read book summary provide deep insights into each character and letter of the book. To help with those more difficult discussion questions, a complete Answer Guide and Scripture Reference Guide is available for free online. This complete Bible study experience is perfect for youth groups, homeschool groups, and independent Bible study. The Great Divorce Study Guide for Teens includes:

- Daily Bible studies that takes no more than 20 minutes
- Easy-to-read workbook with questions relatable to teenagers
- Complete character sketches and summaries for a better understanding
- Answer Guide to all questions
