Study Guide: the Great Gatsby by F. Scott Fitzgerald (SuperSummary)

A comprehensive study guide offering in-depth explanation, essay, and test prep for F. Scott Fitzgerald's *The Great Gatsby*, widely considered to be the highest achievement of Fitzgerald's career and a contender for the title of the "Great American Novel." As the quintessential novel of the Jazz Age, Fitzgerald's work serves as both an exquisite portrait of the Roaring Twenties in America and a cautionary tale regarding the American Dream. Acclaimed by generations of readers, the novel continues to embody the American spirit and the nation's enduring admiration for self-made success stories. This Bright Notes Study Guide explores the context and history of Fitzgerald's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Play On

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of

their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing “big things [that] lurk unsaid” in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

F. Scott Fitzgerald

Reader's Guides provide a comprehensive starting point for any advanced student, giving an overview of the context, criticism and influence of key works. Each guide also offers students fresh critical insights and provides a practical introduction to close reading and to analysing literary language and form. The God of Small Things

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton

student. Fitzgerald's first novel and an immediate, spectacular success. Note.

All the King's Men

A lively, deeply reported tour of the science and strategies helping athletes like Tom Brady, Serena Williams, Carli Lloyd, and LeBron James redefine the notion of “peak age.” Season after season, today’s sports superstars seem to defy the limits of physical aging that inevitably sideline their competitors. How much of the difference is genetic destiny and how much can be attributed to better training, medicine and technology? Is athletic longevity a skill that can be taught, or a mental discipline that can be mastered? Can career-ending injuries be predicted and avoided? Journalist Jeff Bercovici spent extensive time with professional and Olympic athletes, coaches and doctors to find the answers to these questions. His quest led him to training camps, tournaments, hospitals, anti-aging clinics and Silicon Valley startups, where he tried out cutting-edge treatments and technologies firsthand and investigated the realities behind health fads like alkaline diets, high-intensity interval training, and cryotherapy. Through fascinating profiles and first-person anecdotes, Bercovici illuminates the science and strategies extending the careers of elite older athletes, uncovers the latest advances in fields from nutrition to brain science to virtual reality, and offers empowering insights about how the rest of us can find peak performance at any age.

So We Read On

“The finest work of fiction by any American writer No American novel comes closer than Gatsby to surpassing literary artistry, and none tells us more about ourselves” THE WASHINGTON POST “A curious book, a mystical, glamorous story that's both boisterous and tragic” THE NEW YORK TIMES “Fantastic proof that chivalry, of a sort, is not dead” LIFE MAGAZINE It's the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past? It's the Roaring Twenties, and it is the time of over-indulgence. As far as the eyes can see and the mind can perceive, there are ostentatious displays of wealth and even more lavish displays of decadency. Unapologetic decadency. But, does it ever stop? It's the Roaring Twenties, and the great American Dream has been perverted. It no longer stands for anything profound that resonates with people. But, does the Idealism even attempt to stop the Materialism? As more and more people lose themselves to the lure of money, ironically the only person who remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties... In this definitive tale on American culture, Fitzgerald pits a chaste dream against the corrupting influences of wealth and comes up with an epic story that can only be defined as ‘A Great American novel’.

The Great Gatsby (Study Guide)

The perfect companion to F. Scott Fitzgerald's "The Great Gatsby," this study guide contains a chapter by chapter analysis of the book, a summary of the plot, and a guide to major characters and themes. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

The Great Gatsby (Study Guide)

The New York Times bestselling author of *The Forgotten Man* and *Coolidge* offers a stunning revision of our last great period of idealism, the 1960s, with burning relevance for our contemporary challenges. "Great Society is accurate history that reads like a novel, covering the high hopes and catastrophic missteps of our well-meaning leaders." —Alan Greenspan

Today, a battle rages in our country. Many Americans are attracted to socialism and economic redistribution while opponents of those ideas argue for purer capitalism. In the 1960s, Americans sought the same goals many seek now: an end to poverty, higher standards of living for the middle class, a better environment and more access to health care and education. Then, too, we debated socialism and capitalism, public sector reform versus private sector advancement. Time and again, whether under John F. Kennedy, Lyndon Johnson, or Richard Nixon, the country chose the public sector. Yet the targets of our idealism proved elusive. What's more, Johnson's and Nixon's programs shackled millions of families in permanent government dependence. Ironically, Shlaes argues, the costs of entitlement commitments made a half century ago preclude the very reforms that Americans will need in coming decades. In *Great Society*, Shlaes offers a powerful companion to her legendary history of the 1930s, *The Forgotten Man*, and shows that in fact there was scant difference between two presidents we consider opposites: Johnson and Nixon. Just as technocratic military planning by "the Best and the Brightest" made failure in Vietnam inevitable, so planning by a team of the domestic best and brightest guaranteed fiasco at home. At once history and biography, *Great Society* sketches moving portraits of the characters in this transformative period, from U.S. Presidents to the visionary UAW leader Walter Reuther, the founders of Intel, and Federal Reserve chairmen William McChesney Martin and Arthur Burns. *Great Society* casts new light on other figures too, from Ronald Reagan, then governor of California, to the socialist Michael Harrington and the protest movement leader Tom Hayden. Drawing on her classic economic expertise and deep historical knowledge, Shlaes upends the traditional narrative of the era, providing a damning indictment of the consequences of thoughtless idealism with striking relevance for today. *Great Society* captures a dramatic contest with lessons both dark and bright for our own time.

Reading Lolita in Tehran

A collection of "commercial short stories" F. Scott Fitzgerald published before he began to work on what would become his

great American novel, The Great Gatsby."--Back cover.

Castle Rackrent and The Absentee

A critical analysis of Fitzgerald's great novel explores its intricate patterns, chronology, locations, imagery and use of colour, and how these contribute to a seamless interplay of social comedy and symbolic landscape.

The Great Gatsby Study Guide 2020

Willie Stark, a well-intentioned idealistic back-country lawyer is unable to resist greed, power, and lust for politics during his rise and fall as an American demagogue.

Brain On Fire: My Month of Madness

Tales of the Jazz Age

50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Critical Studies

A critical review of the work features the contributions of Joseph B. Wagner, Ronald Berman, Elizabeth Preston, and other scholars, discussing the themes and characters of the novel.

Their Eyes Were Watching God

Insight Study Guides are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

The Outsiders

The Satyricon

'My first serious blackout marked the line between sanity and insanity. Though I would have moments of lucidity over the coming days and weeks, I would never again be the same person ' Susannah Cahalan was a happy, clever, healthy twenty-four-year old. Then one day she woke up in hospital, with no memory of what had happened or how she had got there. Within weeks, she would be transformed into someone unrecognizable, descending into a state of acute psychosis, undergoing rages and convulsions, hallucinating that her father had murdered his wife; that she could control time with her mind. Everything she had taken for granted about her life, and who she was, was wiped out. Brain on Fire is Susannah's story of her terrifying descent into madness and the desperate hunt for a diagnosis, as, after dozens of tests and scans, baffled doctors concluded she should be confined in a psychiatric ward. It is also the story of how one brilliant man, Syria-born Dr Najar, finally proved - using a simple pen and paper - that Susannah's psychotic behaviour was caused by a rare autoimmune disease attacking her brain. His diagnosis of this little-known condition, thought to have been the real cause of devil-possession through history, saved her life, and possibly the lives of many others. Cahalan takes readers inside this newly-discovered disease through the progress of her own harrowing journey, piecing it together using memories, journals, hospital videos and records. Written with passionate honesty and intelligence, Brain on Fire is a searingly personal yet universal book, which asks what happens when your identity is suddenly destroyed, and how you get it back. 'With eagle-eye precision and brutal honesty, Susannah Cahalan turns her journalistic gaze on herself as she bravely looks back on one of the most harrowing and unimaginable experiences one could ever face: the loss of mind, body and self. Brain on Fire is a mesmerizing story' -Mira Bartók, New York Times bestselling author of The Memory Palace Susannah Cahalan is a reporter

on the New York Post, and the recipient of the 2010 Silurian Award of Excellence in Journalism for Feature Writing. Her writing has also appeared in the New York Times, and is frequently picked up by the Daily Mail, Gawker, Gothamist, AOL and Yahoo among other news aggregator sites.

A Study Guide for F.Scott Fitzgerald's The Great Gatsby

Presents a selection of critical responses to F. Scott Fitzgerald's novel "The Great Gatsby," including both contemporary and later criticism; and includes brief biographical information about Fitzgerald.

Healing Back Pain

A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in Katharine Woodman-Maynard's exquisite graphic novel--among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, The Great Gatsby Graphic Novel captures the energy of an era and the enduring resonance of one of the world's most beloved books.

The Great Gatsby

The "Fresh Air" book critic investigates the enduring power of The Great Gatsby -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know The Great Gatsby? As Maureen Corrigan, Gatsby lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes Gatsby great-and utterly unusual-So We Read On takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan

inspires us to re-experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

The Nassau Literary Magazine

Provides specific teaching strategies for each chapter and classroom-tested oral, written, drawing, and dramatic activities that help students make meaning out of the novel and engage them in its thematic and affective elements.

This Side of Paradise Illustrated

Tales of the Jazz Age (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either Metropolitan Magazine (New York), Saturday Evening Post, Smart Set, Collier's, Chicago Sunday Tribune, or Vanity Fair.

The Great Gasbag

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

This Side of Paradise

REA's MAXnotes for Toni Morrison's The Bluest Eye, A Novel MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. A Study Guide for F. Scott Fitzgerald's "The Great Gatsby"

One of our most beloved comedians, the brilliantly witty and outspoken star of *The View*, hits the most unpopular President ever elected where it hurts—and makes us laugh and cheer—in this hilarious alphabetical guide to everything that’s wrong with the "Orange One," Donald Trump. Put down the knife, lock away the gun, lay aside the noose, Joy Behar is here to save you from suicide as she hot walks you through the next four years (two if we are lucky, less if liberal dreams come true). Besides despair, the sane response to the insanity in the White House is laughter. On her hit ABC daytime show *The View*, Joy has been blunt in her condemnation of the comb over-in-chief, and her words have electrified and inspired millions in the resistance for whom #notmypresident has become a rallying cry. *The Great Gasbag* is Joy’s answer to the hell that is the Trump Orange House. Structured as an A-Z guide (G is for Gold . . . en shower; P is for Pence and pussy-grabbing; T is for Tweets; Twits, and Twats, etc.), Joy, joined by New York Times bestselling humor author Larry Amoros, offers much-needed doses of levity and humor for everyone determined to #resist. With a major network television profile and a social media audience in the millions, this fearlessly confident star has a powerful platform to entertain Americans of all stripes—from Never Trumpers to fired-up progressives—as she takes on the worst president since . . . well, since ever.

The Great Gatsby by F. Scott Fitzgerald

The Great Gatsby

We all have dreams—things we fantasize about doing and generally never get around to. This is the story of Azar Nafisi's dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—*Pride and Prejudice*, *Washington Square*, *Daisy Miller* and *Lolita*—their *Lolita*, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby*, which he saw as an immoral work that preached falsehoods of "the Great Satan," she decided to let him put *Gatsby* on trial and stood as the sole witness for the defense. Azar Nafisi's luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women's lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. From the Hardcover edition.

Echoes of the Jazz Age

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of

the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Careless People

The word jazz in its progress toward respectability has meant first meal, then dancing, then music. It is associated with a state of nervous stimulation, not unlike that of big cities on the edge of a war zone.

The Great Gatsby: a Graphic Novel Adaptation

The Satyricon is a Latin work of fiction in a mixture of prose and poetry. It is believed to have been written by Gaius Petronius Arbiter, though the manuscript tradition identifies the author as a certain Titus Petronius. As with the Metamorphoses of Apuleius, classical scholars often describe it as a "Roman novel", without necessarily implying continuity with the modern literary form. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome sixteen-year-old boy named Giton. Throughout the novel, Encolpius has a hard time keeping his lover faithful to him as he is constantly being enticed away by others. Encolpius's friend Ascyltus (who seems to have previously been in a relationship with Encolpius) is another major character. Of the many masterpieces which classical antiquity has bequeathed to modern times, few have attained, at intervals, to such popularity; few have so gripped the interest of scholars and men of letters, as has this scintillating miscellany known as the Satyricon, ascribed by tradition to that Petronius who, at the court of Nero, acted as arbiter of elegance and dictator of fashion. The flashing, wit, the masterly touches which bring out the characters with all the detail of a fine old copper etching; the marvelous use of realism by this, its first prophet; the sure knowledge of the perspective and background best adapted to each episode; the racy style, so smooth, so elegant, so simple when the educated are speaking, beguile the reader and blind him, at first, to the many discrepancies and incoherences with which the text, as we have it, is marred. The more one concentrates upon this author, the more apparent these faults become and the more one regrets the lacunae in the text. Notwithstanding numerous articles which deal with this work, some from the pens of the most profound scholars, its author is still shrouded in the mists of uncertainty and conjecture. He is as impersonal as Shakespeare, as aloof as Flaubert, in the opinion of Charles Whibley, and, it may be added, as genial as Rabelais; an enigmatic genius whose secret will never be laid bare with the resources at our present command.
