For anyone who has watched and fallen in love with the Star Wars films and wanted to become a Jedi (just as Daniel M Jones did as a young boy). This is the first and only Jedi Bible. Daniel M Jones founded the Church of Jediism in 2007 following the Jedi Census phenomenon of 2001; it now has over 500,000 members around the world. This is the book his fans have been waiting for. In it, Daniel outlines the Jedi perspective and provides practical tools for anyone interested in gaining a deeper understanding of how to use the Force in everyday life. A metaphor for the universal life energy that connects us all, the Force can be both light and dark, good and bad. Now, more than ever, it is our responsibility to overcome the Dark Side. This book does not aim to convert, but to inspire its readers to live a life of meaning and purpose according to the universal spiritual teachings of “the way of the Jedi”. It will include: Daniel’s own fascinating spiritual journey and how overcoming personal struggles has awakened him to his purpose. A complete toolkit that will allow anyone to genuinely embrace “the way of the Jedi” and use Jedi teachings to empower mind, body, heart and spirit. A comprehensive explanation of Jediism as a spiritual movement (a universal desire for self-awareness, spiritual awakening, peace, love and harmony) rather than a religion. Become the Force shows that the Jedi-minded among us might usher in a new spirituality and shift in global consciousness towards peace and harmony that is more powerful than any we can possibly imagine.

Jedi Manual Intermediate

The first book of this series, Jedi Manual Basic, Introduction to Jedi Knighthood, introduces to the reader the requirements for becoming a Jedi Knight. There are examples of how others have accomplished this and what it means to be a Knight. Basic, covers some Jedi philosophy, religious aspects and hands-on techniques that Jedi Knights can use. An important element of the first book is the identification of the twelve paths of the Jedi Knight. Jedi Manual Intermediate, The Path of Truth, focuses the study. If "Basic," is a summary of the many aspects, "Intermediate," is a focus on the essential. It provides you with many more tools for your path of evolution and helps you find the right questions to ask yourself; questions designed to help you delve deep within to find your own answers. It is your answers that ultimately are the truth; your truth. And it is with truth that Jedi are armed for making the world a better place for themselves and others.

Twenty years have passed since Darth Bane, reigning Dark Lord of the Sith, demolished the ancient order devoted to the dark side and reinvented it as a circle of two: one Master to wield the power and pass on the wisdom, and one apprentice to learn, challenge, and ultimately usurp the Dark Lord in a duel to the death. But Bane's acolyte, Zannah, has yet to engage her Master in mortal combat and prove herself a worthy successor. Determined that the Sith dream of galactic domination will not die with him, Bane vows to learn the secret of a forgotten Dark Lord that will assure the Sith's immortality—and his own. A perfect opportunity arises when a Jedi emissary is assassinated on the troubled mining planet Doan, giving Bane an excuse to dispatch his apprentice on a fact-finding mission—while he himself sets out in secret to capture the ancient holocron of Darth Andeddu and its precious knowledge. But Zannah is no fool. She knows that her ruthless Master has begun to doubt her, and she senses that he is hiding something crucial to her future. If she is going to claim the power she craves, she must take action now. While Bane storms the remote stronghold of a fanatical Sith cult, Zannah prepares for her Master's downfall by choosing an apprentice of her own: a rogue Jedi cunning and cold-blooded enough to embrace the Sith way and to stand beside her when she at last wrests from Bane the mantle of Dark Lord of the Sith. But Zannah is not the only one with the desire and power to destroy Darth Bane. Princess Serra of the Doan royal family is haunted by memories of the monstrous Sith soldier who murdered her father and tortured her when she was a child. Bent on retribution, she hires a merciless assassin to find her tormentor— and bring him back alive to taste her wrath. Only a Sith who has taken down her own Master can become Dark Lord of the Sith. So when Bane suddenly vanishes, Zannah must find him—possibly even rescue him—before she can kill him. And so she pursues her quarry from the grim depths of a ravaged world on the brink of catastrophe to the barren reaches of a desert outpost, where the future of the dark side's most powerful disciples will be decided, once and for all, by the final, fatal stroke of a lightsaber. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The secrets within are revealed—the Book of Sith slides into view. The Sith have existed in the galaxy for centuries, lurking, waiting for their chance to seize control. As various Sith Lords emerged and rose to power, they recorded their thoughts, exploits, and plots for Sith control of the galaxy. When they fell, their knowledge vanished with them forever. Or so it seemed. . . . Over the years, these writings were passed among numerous Sith and Jedi, who added their comments to the pages. In his quest for domination, Darth Sidious tracked down what remained of five pivotal Sith texts written by his most powerful predecessors. Then, drawing on the knowledge within the compiled pages, he wrote a sixth text—his own manifesto. Together, these documents, along with several collected objects associated with them, shed light on the philosophy, achievements, and failures of the Sith Order. For years, this collection remained hidden, existing as legend only. But now all who are tempted may unlock the Book of Sith and delve into the dark side. . . .
