Little Chicken Tales

Little Naomi, Little Chick

Dot is a small chick who's scared of lots of things: wolves, bears, the occasional lawn ornament. But when an egg rolls out of her mother's nest, Dot must pluck up her courage to save the day--and her new sibling! Perfect for kids who need some encouragement to face the challenging world, this story proves that sometimes a big hero is just a little chicken.

Christmas at Silver Dale, the new book in the Animal Ark revisited series, is currently available for pre-order! A romantic and charming holiday read from the Animal Ark Revisited series, featuring the series' original characters. The perfect summer read for fans of Cathy Bramley and Heidi Swain. **** Summer has arrived in Welford, but does a new season mean new beginnings? Veterinary nurse Helen Steer adores her job at Animal Ark, and with the summer ahead things couldn't be better. That is until her best friend goes travelling, leaving Helen unexpectedly jealous and questioning her own stable life with her boyfriend Seb. Charming new vet Toby Gordon, with his flirtatious wit and mysterious family background, suddenly seems a much more exciting prospect. But just as Helen and Toby's friendship starts to become something more, Sunrise Farm, the beautiful fruit farm where Helen lives, is hit by crisis leaving its future in the balance. Along with her friends Mandy and James, who put aside their own problems to help, Helen throws everything she has into saving her home. Though with so much at stake, is there time to think about a new relationship? Or will Helen be forced to let her second

Lucifer Before Sunrise

Jane Hissey's first picture book written especially for very young children. The toys want to do their very own painting - one that will fit into Old Bear's big picture frame. But as the toys begin, things don't go according to plan. Jolly's spots dribble and Little Bear gets more paint on himself than the paper. But Old Bear has a plan that shows just what working together can achieve.

Fox & Chick: The Quiet Boat Ride

Charles Stross

The Land of Sunrise Mountains

Summer Days at Sunrise Farm

In the second book of this lauded series, Fox and Chick are off on three new adventures involving a boat ride, a mysterious box, and an early morning trip to see the sunrise. Despite the antics ensuing from their opposite personalities, the contradictory duo always manages to find a happy center. This early chapter book in comic-book form is perfect for emerging readers, while the sweet and funny characters and captivating art hold appeal for picturebook audiences as well.

In this edge-of-the-seat finale to the trilogy that has reunited the Coleman and Thornton families, New York Times bestselling author Fern Michaels sets our pulses pounding as horsewoman Nealy Coleman faces her greatest challenge--to produce another Derby winner and show the world that a determined woman never quits. . . Kentucky Sunrise When it comes to men, Nealy is very content with her new

Download Ebook The Little Chick Of Sunrise Farm An Easter Animal Story For Kids

husband, lawyer Hatch Littletree. When it comes to horses, she is never satisfied. Nobody can measure up to her standards as a trainer, not even her daughter Emmie, who now runs the family's famous stables, Blue Diamond Farms. But returning to Blue Diamond Farms for a family reunion sends Nealy reeling. Emmie has let the farm slide, and she has picked a small, gutsy colt to send to the Derby--a nice horse, but clearly the wrong one. Suddenly Nealy is back in the game, ready to prove she's not too old to back a winner--even if means taking on another colt as her own personal project. Nealy's determined not to let Emmie's poor judgment undermine the reputation of the business she worked so hard to build. But the damage to her relationship with her daughter may be irreparable, as Emmie fights a secret battle with a crippling illness and fears of losing custody of her child. Now, with the ghosts of the past haunting them both, Emmie and Nealy engage in an unstoppable rivalry, two headstrong women engaged in a battle of wills, each determined to win--no matter what the dangers, no matter what the cost. In Kentucky Sunrise Fern Michaels captures the adrenaline rush of the sport of kings while sending a family toward a shattering climax, where the difference between winning and losing in all aspects of life lies in the choices of the heart. And Don't Miss The Books That Started It All!

This title features new stories from the "Bookbinder". Jackie K. Cooper, the beloved author of "Journey of a Gentle Southern Man", "Chances and Choices", "Halfway Home", and "The Bookbinder" is back with a new collection of stories in "The Sunrise Remembers". Every morning when the sun rises it brings back memories of your life and loans them to you for another day. At least this is what Cooper believes and uses as the inspiration for this new book of stories. As each new day dawns, the sunrise provides us with memories of our past and in that way helps to shape our present and our future. After all, memories are golden drops of dew on the lawn of our lives. They are there for us to discover and to savor. Join Cooper as he remembers a life well lived and a present that is inspiring. From movies to family to the death of a close friend, join Cooper on another homespun and genuine revelry through life's turns. With an entertaining wit and easygoing style, he once again reminds us of life's essentials and what it means to be part of a world that still has the power to leave us speechless. As you open these pages, the sunrise is breaking through the clouds and the memories wait.

Dino Hunt

"Little Chicken Tales" is the story of a small flock of Bantams whose loves and conflicts and social order parallel the family and society of the human race. They fight for the right to mate and reproduce themselves. They brood, protect and teach their young chicks, and when danger and death come, they sound the alarm, and are grief stricken. But they learn from their experiences, and they find ways to cope with the predators who threaten them. They also find their way into the feelings and thoughts of the person who feeds and cares for them. The reader will love and care for them, too, sharing both their happiness and their grief. And their triumph over the threat to their lives.

Poultry Tribune

The forest is threatening to overtake one of the great camps of the Adirondacks if Alyce Anderson doesn't act fast. The beneficiary of the will of a former owner of Camp Santanoni, Alyce determines to restore the camp as a memorial to the owners, and to her late husband and daughter. With eyes as smoldering as embers in a campfire and a physique that evokes a towering spruce, Bill Morgan captures Alyce's heart in short order.

In this first book in a funny new character-driven series for toddlers, a reluctant chick named Egg overcomes her fears. Peep is so excited for Egg to hatch! They are going to have the best time together jumping in the hayloft, riding on the sheep's backs, splashing in puddles, and playing hide-and-seek. If only Egg would just hatch already! But Egg thinks the outside world is too dangerous. Thanks to some nudging from Peep, Egg eventually comes out of her shell and discovers that maybe the world isn't so scary with a friend at her side.

Annual Feed Bulletin

Bulletin

Sunrise Sunset at Blythewood Ranch This is a little book that could easily have been named, Two sunrises and two sunsets of East Blythewood. The main characters are two twenty-year old college girls and an older very financially successful male, Dr. Percival Banister. The girl on the cover is Amber. She is the main character. The girl on the left here is Valerie. She is Ambers best friend and you will see how peers do affect your life in the character Valerie. The Doctor had such entanglements with Ambers mother, Veronica that she becomes the other sunset in this book. This little book is not broken into chapters because it all takes place in such a continual flow. However, the Author did break some segments by bold print so the reader would have a chance to pause and breathe between sex scenes. This little book should carry a health warning like drugs meant to help men with erectile disorders. That is, Dont use or in this case dont read this book unless your doctor says that you are healthy enough for sex. An opened mind would also be helpful for you if you read this book. True, this book contains a lot of sex but it is not gratuitous or a book that is about sex without a lot of empirical views of the social examination of the impact of values. In this case, Amber was raised by a single mom, Veronica who once dated Dr. Banister. At this time in our history where many of our children are being raised in homed headed by a single parent. Everyone knows that these single parent heads of house holds are mostly women. These women are many times very courageous women who sometimes work two jobs and endure many hardships. Yet, everyone also knows that most of these women, single heads of house-holds, have men in their lives. This book looks at one such case and probably overly simplifies it but the reader should be able to relate to these characters. There are no villains or victors depending on you point of view. In some readers point of view all of the characters might be villainous or victors. In either or both cases, the Author hopes that you will enjoy reading this book for the joy of it.

Chickens know a few things about feeling fried. That's why they've been practicing yoga for centuries. As this hilariously illustrated guide to simple yoga poses reveals, we have much to learn from their bird-brained wisdom. Anyone who's all cooped up or stressed out by the pecking order will feel like a spring chicken in no time thanks to such postures as Chick's Pose, Snake in the Grass, and Chicken of the Sea. Sections on breathing and stretching enlighten any load, and a series of fix-it routines unscramble such problem areas as neck, thighs, and aching feet. Thoughtful hen koans (why did the chicken cross the road?) and plucky affirmations invite contemplation and are sure to inspire budding yoginis to spread their wings. Googly eyed, combs akimbo, these very funky chickens will illuminate both beginners and the adept, and are sure to make anyone's day more chirpy—all for a nice cheep price. Even the toughest old bird will crack a smile with Yoga for Chickens.

My Life My Story You Be the Judge
