Power of Attitude

You've heard the expression, "Attitude is everything." But can a positive mental attitude make all that much difference in your personal and professional life? Deborah Smith Pegues, author of the bestselling *30 Days to Taming Your Tongue*, believes strongly that it can. In *Choose Your Attitude, Change Your Life*, Deborah explores the root causes of 30 negative attitudes, their impact on your life and relationships, and how you can learn to think positively instead. As a result, she helps you recognize and conquer counterproductive behaviors, such as criticizing the choices others make, being inflexible, and being indifferent to the needs of others. Deborah's handy guide uses Bible-based principles and practical strategies to point you toward the path to a better outlook on life, empowering you to display a positive mental attitude in every situation and leading to healthier relationships, personal growth, and the ability to handle life's challenges as never before. Previously titled *30 Days to a Great Attitude*.

Get Off Your Attitude

In this book, you'll find in context, everything Aristotle, Socrates and Plato, had to say and a great deal more, all simplified and explained. Basically, those famous Greek philosophers told us we were gods. I will be explaining how and why that's so and show you how to live your life as a god. I will be explaining how simple it is and show you how to make life less complicated. As gods, we have the power to choose who we will BE. And lessons learned from this book will have you using your god power, BEING power, to make yourself richer, healthier, happier and wiser than you've even imagined possible. The book is written with the intention of providing information that will change your attitude, your point of view and your concept of reality, and with those changes, improve the quality of your life in many ways. Those promised quality of life enhancements will be yours to celebrate if you can convince yourself to read this book with an open mind. Keep this in mind: any idea, belief or reality concept, in order to make a difference in the quality of your life, would have to be contrary to your current reality concept. Most of the ideas offered here will challenge the way you currently think about life. Two of the ideas presented are a different way of looking at life and, once accepted, would drastically alter the way you think and once accepted, would have you attracting a whole new and better quality of circumstances. 1. One of those would be if you chose a different reality concept 2. and the other, if you changed your attitude. You will accomplish both of those changes while reading this if you're truly ready for a change. If you can allow yourself to think outside the box, you will be transformed big time by what you learn while reading this book.

Success Through a Positive Mental Attitude

The Power of Your Attitude

Your success, health, happiness, and wealth depend on how you make up your mind! One side of your mind has positive mental attitude and the other side has negative mental attitude. A positive attitude will naturally attract the good and the beautiful. The negative attitude will rob you of all that makes life worth living. By helping you recognize the important person that you are and making you believe that you can change your world, this book helps you discover and unleash the power of your mental attitude.

Powerful Of Attitude

Change your attitude, change your life. We're very good at explaining why we're unhappy: bad job, bad relationships, bad luck. But there's probably a better reason: bad attitudes. In *Lord, Change My Attitude*, James MacDonald shows us just how much our attitudes affect our lives. One of his bestsellers, this book is classic James: It's clear, it's inspiring, and it packs a punch. Drawing from the experience of the Israelites who grumbled through the wilderness, MacDonald shows how bad attitudes rob us of joy. Coveting, complaining, and being critical are not what our hearts were made for. They were made for thankfulness, contentment, and love. Is your heart straining under the weight of a bad attitude? Don't read this book if you're looking for a quick fix. Don't read this book if you're unwilling to change. Read it if you're ready for a serious, inside-out attitude adjustment.

Winning Attitude

Attitude is a choice. It can be learned and unlearned. We can choose the attitude that suits our lifestyle.

The Power of Your Brain

Changing your attitude will be the catalyst for everything else you may want or need to change about your life. Discover the magic of being intentional about your behavior. Attitude is Everything for Success

Attitudes, like viruses are catching. They sweep through organization like a tsunami bringing a waves of productivity or eroding morale. People take their cues of how to feel and react to daily events from each other and especially their leaders. Employees want and need a consistent positive work environment to do their best work. Research has demonstrated that positive feelings enhance performance. They look to their leaders to set the behavioral example of the tone and impact of their interactions. While you may be clear about your company direction and strategy, how clear are you about the attitudes that you carry to work? Many people intend to inspire people to do their best but inadvertently end up intimidating them with their negative attitude. Your attitude speaks volumes before you utter a word. Like your shadow, you often are unaware of it. Your attitude permeates everything about you: the way you think, the tone of your voice, what words you choose, and even how you move your body - your body language. While you may think that your thoughts and feelings are purely private, your body is mirroring and in fact is speaking your mind. What you are thinking and feeling gets translated into your body language, and is very much like those electronic signs with a message that flashes, this time across your forehead. Most people don't realize that they are communicating a non-verbal message that often may override the words they speak. Most of the time you may think the problem is just the other person who is being defensive when in fact you may be sending signals that are provoking that response. It is not necessarily easy to catch your self and adjust your mindset/attitude. Most people are consumed with the daily fires that flare up and the deadlines that are looming in their future. This book gives people access and tools to become aware and shift to a positive and productive mindset.

The Attitude Influence

Why You NEED to Read Change Your Attitude, Change Your Life: The Power of Optimism? This book is for anyone who recognizes how their untamed thoughts are interfering with their focus, productivity, happiness, and peace of mind. This book will be a good fit if you: Often find yourself trapped in anxious, negative, and unproductive thinking Lose valuable time, focus, and energy because of overthinking and worry Feel frustrated and confused about how to stop negative and compulsive thinking Have experienced times of high stress, agitation, anxiety, and even depression as a result of mental overwhelm Find yourself looking to money, possessions, work, success, or prestige to fill a void of emptiness or sadness you feel Feel so busy, overwhelmed, and stressed that you've lost touch with who you really are Would like to change your priorities and learn to manage and understand your thoughts so they don't rule your life Get complaints from your boss,

spouse, or family members about your distraction, disengagement, agitation, or constant stress. Simply desire a more centered, calm, and peaceful lifestyle. Your thinking is Your Window To The World - keep your thought window clean and bright! No doubt, there will always be good days and the seemingly bad ones. These rough & smooth times make up the story of life. You have no control over it. What you can aim to do is influence your thoughts and build a positive mindset. If you desire to have a simplified, calm mental life-and to reclaim some of the time and emotional energy you give up to overthinking and anxiety- then you've come to the right place. Throughout this book, you will not only learn the skills you need to manage your thoughts, but also discover actionable strategies to implement immediately. Download your copy today!

Closing the Attitude Gap

This book, "Positive Thinking: Change your Attitude, Change Your Life" will do just what the title says, it will change your life. This is not your run of the mill power of positive thinking book. It not only tells you about the power of positive thinking and how to utilize this to change your life, but it also explains HOW this works, how your mind works and why negative thinking can and will bring about negative consequences. The author draws upon real life circumstances and analogies to bring the information contained within this book to life, explaining in detail not only how or thinking can keep us from succeeding, but tells us why it works the way it works and how we can combat it to help us succeed in meeting our goals and being the person we were truly meant to be. He does this in a no-nonsense straight forward manner, encouraging us to be the best we can be by silencing those thoughts that tend to put us in this negative cycle. In this book you will learn about: How your mind works to realize your commands How to train your mind to think in positive patterns How to focus on the present and realize the only time is now How to quiet the inner voice of negativity How to overcome those outer voices of negativity How to get past your past How to focus on the present in order to meet your future goals and a whole host of other information to help us understand ourselves, our minds and our potential for being the best we can possibly be. I have personally read many self-help books that promise to bring the power of positive thinking to reality but have often ended up disappointed and disillusioned with the feeling that there was something I was missing, or maybe it was all just some sort of joke or hoax. This book actually helped me to realize what it was I was missing, where many of those books left me still spiraling out of control, trying to use "positive affirmations" but still failing, this book explained in detail the steps I need to take and helped me to really understand how positive thinking works. One chapter, titled "The Power of Negative Thinking" really brought it all into focus and showed me why, previously I was unable to use positive thinking as I was already bogged down with so many negative thoughts. This book also helps you in becoming aware of your "self" to recognize how you might react to situations, then recognize the "voice" that guides you in your reaction and finally using positive affirmations to release the negative. By the time you are finished reading this book you will find yourself much more informed and equipped to do battle with negativity then you ever realized was possible. The reading is easy and informative with man

illustrations and examples so that you can get a great grasp of the subject matter, regardless of your level of comprehension. I read this book to my 9 year old, just to see if he would "get it" and he actually understood the concepts just as well as I did once I finished reading it to him and immediately started putting the concepts into practice. This is the best self-help, positive thinking book I have ever read, which is why I took the time to write this description, as a reader who has been looking for something like this for a long time. I think you will agree that this book will definitely change your attitude and change your mind and will set you on a road to success through Positive Thinking. Give it a read, and let me know what you think in the comments below. I just want to say, if this doesn't help you to see the potential within your own mind, nothing will. Good reading!"

The Power of Your Influence

Attitude affects every facet of our lives—from the way we handle stress to how we communicate at work. The way we view difficulties and setbacks can make the difference between success and failure. Roger Fritz has devoted his career to helping people overcome obstacles and achieve their goals by changing their outlook on life. In *The Power of a Positive Attitude*, he shows readers how to develop a deeper understanding of the effects of their attitude and how it influences not only their performance but the results others achieve. Now, readers can learn to succeed in business by:

- assessing their attitude toward themselves and their co-workers
- overcoming negative attitudes
- learning the dos and don'ts in dealing with their bosses
- becoming better listeners
- overcoming resistance to change in the workplace
- rejecting suggestions without causing resentment
- giving and responding to criticism from team members
- disagreeing with employees and colleagues without being disagreeable
- conquering burnout and stress.

Life-affirming and authoritative, this is an invaluable book that will empower anyone to face life and work with joy and confidence.
