remote corner of war-torn Ethiopia, and the significance of the Ark and its mysterious disappearance

Ark Fever

A field scientist and conservationist tracks the elusive Blakiston's Fish Owl in the forbidding reaches of eastern Russia I saw my first Blakiston's fish owl in the Russian province of Primorye, a coastal talon of land hooking south into the belly of Northeast Asia . . . No scientist had seen a Blakiston's fish owl so far south in a hundred years . . . When he was just a fledgling birdwatcher, Jonathan C. Slaght had a chance encounter with one of the most mysterious birds on Earth. Bigger than any owl he knew, it looked like a small bear with decorative feathers. He snapped a quick photo and shared it with experts. Soon he was on a five-year journey, searching for this enormous, enigmatic creature in the lush, remote forests of eastern Russia. That first sighting set his calling as a scientist. Despite a wingspan of six feet and a height of over two feet, the Blakiston's fish owl is highly elusive. They are easiest to find in winter, when their tracks mark the snowy banks of the rivers where they feed. They are also endangered. And so, as Slaght and his devoted team set out to locate the owls, they aim to craft a conservation plan that helps ensure the species' survival. This quest sends them on all-night monitoring missions in freezing tents, mad dashes across thawing rivers, and free-climbs up rotting trees to check nests for precious eggs. They use cutting-edge tracking

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

technology and improvise ingenious traps. And all along, they must keep watch against a run-in with a bear or an Amur tiger. At the heart of Slaght's story are the fish owls themselves: cunning hunters, devoted parents, singers of eerie duets, and survivors in a harsh and shrinking habitat. Through this rare glimpse into the everyday life of a field scientist and conservationist, *Owls of the Eastern Ice* testifies to the determination and creativity essential to scientific advancement and serves as a powerful reminder of the beauty, strength, and vulnerability of the natural world.

Full Moon over Noah's Ark

This book is for the reader who takes interest in an age-old issue that remains contemporary with every succeeding generation. When, how, and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science, and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate. Free from the shackles and bias imposed by the various schools of religious, scientific and philosophical thought, the examinations offered herein are rooted in systematic analyses of the scientific, philosophical, ethical, social and finally the religious; which in turn allows for the explanation and justification of concepts that enable the reader to adopt a

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

perspective relevant to the distinctions of absolute truth and relativistic assumptions. Our age is accurately referred to as the age of advancement and technology and for good reason. The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence. As a result of the significant expansion of the sciences, the desire for an understanding of "self" and simply of "why" has in many ways been diluted, thus negating the never ending questions that once tugged at man's conscious in the middle of the night for thousands of years. Today's amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before. The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations, however coupled with that are the problems of population explosion, which in the not too distant future will give rise to serious concerns. We have the ability to harness the power of the atom, yet along with it comes the ability to destroy all that we hold sacred. Taking into consideration the advanced age we live in, how does one account for the remarkable complexity extant throughout the known universe? Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to "random chance" alone? The law of causation deals with the need for a preceding event leading to the outcome, and despite the fact that this scientific age has left its handprint on every facet of life today, it has failed to satisfy the innate question of simply, . why?

Quest for Discovery

About the Book View from the Ark is a groundbreaking book documenting the work of American researcher, David Fasold, and what is today believed to be the authentic site of Noah's Ark. Fasold's extensive scientific work was the basis for the Turkish government's official and only declaration that Noah's Ark has been found. The site lies in the mountains of Ararat, near the Turkish village of Dogubayazit. This area is now designated as a national park, and the ark site designated in the Turkish as "Nuhun Gemisi" is now a national treasure. Fasold was formerly with the United States Merchant Marines and had traveled the world. He later spent years operating a successful salvaging business in Florida exploring sunken ships and aircraft and was a close friend of the legendary Mel Fisher. Fasold brought his comprehensive nautical skills and understanding of fluid dynamics together with his knowledge of ancient cultures. He then used new technology to answer old questions. He used a molecular frequency generator, and later, ground-penetrating radar, a technology formerly used in projects by NASA. But it was his keen ability to put the pieces together into a coherent whole that brought his work to the attention of the world. Recognized by Turkey's High Commission for Noah's Ark, and under the direction of Dr. Salye Baraktutan of Ataturk University in Erzerum, Turkey, Fasold was the only non-Turkish person ever allowed to sit as a member of the commission.

Owls of the Eastern Ice

Dilara Kenner, an ambitious young archaeologist, must run for her life when an old friend is murdered right in front of her. Before he dies in her arms, he gasps a few cryptic words about a vast conspiracy to hide an amazing historical artefact and tells Dilara that the only person who can help her is a former Army combat engineer named Tyler Locke. Dilara finds Locke on a North Atlantic oil platform but the helicopter she arrives in suffers a mechanical failure and goes down next to the rig. The quick-thinking Locke manages to rescue everyone on board, including Dilara. She tells him that the helicopter crash was no accident. Someone wants to stop her from finding Noah's Ark. Locke and Dilara head to Arizona, and their investigation reveals a chilling discovery. A group of religious fanatics has recovered a weapon from the Ark that will let them recreate the effects of the biblical flood and mold the remnants of humanity according to their leader's twisted vision. Now Locke and Dilara have just seven days to find the Ark and the secret hidden inside before it is used to wipe out civilization again

Supernatural

T-Rex on Noah's Ark? Right! How did Noah feed him without being fed to him? Not only does this book address the issues of Creation and evolution from scientific and

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

biblical perspectives, it also chronicles the author's personal journey to discover and document the remains of Noah's Ark (1997, '98, '99, 2000, '01, '03, '05) and discusses the overwhelming significance of potential discovery. For anyone educated in American schools (especially secular colleges and universities), the topics, such as those addressed below, will be both challenging and eye-opening. Discover compelling answers to these questions: [What if the story of dinosaurs existing millions of years ago is a myth designed to bolster belief in an evolutionary process, but completely devoid of actual evidence? [What if dinosaurs were brought onto Noah's Ark along with all other air-breathing land animals and survived a global flood? [What if the various (and varying) accounts of "Ice Ages" on Earth are fictitious and have spiritual roots linked to the belief in evolution? [What if the remains of Noah's Ark were found in the upper reaches of Mt. Ararat in eastern Turkey?

The Quest for Truth

Tara and the Ark of the Covenant

In this book, best-selling and award-winning author Don Stewart examines the fascinating subject of the Ark of Covenant. He traces it from its construction on Mt. Sinai, to its various travels, to its mysterious disappearance. He will examine such commonly-asked questions as: What was the purpose of the Ark? Does the Ark have some mysterious power? What preparations are being made for a coming temple? Does the Ark figure into end time Bible prophecy?

Animal Ark

The story of Noah's flood is one of the best-loved and most often retold biblical tales, the inspiration for numerous children's books and toys, novels, and even films. Whether as allusion, archetype, or literal presence--the American landscape

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

is peppered with "recreations" of the ark--the story of Noah's animals and the ark resonates throughout American culture and the world. While most think of Noah's ark as a dramatic myth, others are consumed by the quest for geological and archeological proof that the flood really occurred. Persistent rumors of a large vessel on the mountain of Ararat in Turkey, for instance, have led many pilgrims and explorers over the centuries to visit that fabled peak. Recent finds suggest that there may have been a catastrophic flood on the shores of the Black Sea some 7,600 years ago. Is this then the reality behind the ancient tale of Noah? More to the point, why does it matter? What does the story of the Flood mean to us and why does it so stir the collective imagination? When the Great Abyss Opened examines the history of our attempts to understand the Flood, from medieval Jewish and Christian speculation about the physical details of the ark to contemporary efforts to link it to scientific findings. Unraveling the mythical dimensions of the parallel Mesopotamian flood stories and their deeper social and psychological significance, J. David Pleins also considers the story's positive uses in theology and moral instruction. Noah's tale, however, has also been invoked as a means of justifying exclusion, racism, and anti-homosexual views. Pro-slavery advocates, for example, used the story of Noah's Curse on Ham's son Canaan to rationalize the enslavement of Africans. Throughout this expansive and lively book, Pleins sheds new light on our continuing attempts to understand this ancient primal myth. Noah's Flood, he contends, offers a unique case study that illuminates the timeless and timely question of how fact and faith relate.

The Photo Ark

In this groundbreaking study, Seyyed Vali Reza Nasr examines the origins, historical development, and political strategies of one of the oldest and most influential Islamic revival movements, the Jama'at-i Islami of Pakistan. He focuses on the inherent tension between the movement's idealized vision of the nation as a holy community based in Islamic law and its political agenda of socioeconomic change for Pakistani society. Nasr's work goes beyond the exploration of a single party to examine the diverse sociopolitical roots of contemporary Islamic revivalism, challenging many of the standard interpretations about political expressions of Islam.

The ARK Report

One of the most stunning, unique and captivating books on the account of the Ark and the global Flood of Noah's day ever produced. Based on the account recorded in Genesis 6-9 in the Bible, the narrative is true to the biblical record and its timeline of events concerning Noah and the Great Flood, with added insight as to what it might have been like to be in Noah's shoes. The thrilling adventure of Noah comes to life through the dazzling, detailed illustrations by Bill Looney in the exciting True Story of Noah's Ark. The images of the interior of Noah's ark are like

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

nothing you've ever seen before. The people and cities depicted here are certainly more advanced than what you've been led to believe And this is not fiction - it's all biblically and historically based. This book is not just material for Ministry to Children, but can also be used as an excellent Evangelical tool because it comes directly from the multi-media presentation of author Tom Dooley, who uses it to witness to multitudes of people across America every week. This dramatic and exciting retelling of a timeless Bible story is an excellent resource and should have a place in every Church Library.

The Quest for Noah's Ark

Less than fifty thousand years ago mankind had no art, no religion, no sophisticated symbolism, no innovative thinking. Then, in a dramatic and electrifying change, described by scientists as "the greatest riddle in human history," all the skills and qualities that we value most highly in ourselves appeared already fully formed, as though bestowed on us by hidden powers. In *Supernatural* Graham Hancock sets out to investigate this mysterious "before-and-after moment" and to discover the truth about the influences that gave birth to the modern human mind. His quest takes him on a detective journey from the stunningly beautiful painted caves of prehistoric France, Spain, and Italy to rock shelters in the mountains of South Africa, where he finds extraordinary Stone Age art. He uncovers clues that lead him to the depths of the Amazon rainforest to

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

drink the powerful hallucinogen Ayahuasca with shamans, whose paintings contain images of "supernatural beings" identical to the animal-human hybrids depicted in prehistoric caves. Hallucinogens such as mescaline also produce visionary encounters with exactly the same beings. Scientists at the cutting edge of consciousness research have begun to consider the possibility that such hallucinations may be real perceptions of other "dimensions." Could the "supernaturals" first depicted in the painted caves be the ancient teachers of mankind? Could it be that human evolution is not just the "meaningless" process that Darwin identified, but something more purposive and intelligent that we have barely begun to understand? This revised edition of Supernatural is now available for the first time as a paperback original.

Emerald Cup, Ark of Gold

In 1899 the British-Israel Association of London began excavating at the Hill of Tara in County Meath in search of the Ark of the Covenant which they believed was buried there. Carried out in an era of speculative antiquarianism', the excavations caused a huge outcry and a staunch media campaign of opposition began.

stories that are recorded in the Bible. His hunger for adventure and truth leads him to explore Saudi Arabia and Ethiopia--and he takes readers along on a journey to discover where the Ark of the Covenant may lie today.

Dinosaurs on the Ark

In 1985, researchers found Titanic resting on the ocean floor, and the international buzz continues. Now, is there evidence that the worlds other famous ship is perched on the snowy slopes of turkey's Mt. Ararat? Is Noah's ark myth or reality? Veteran explorer Richard Bright has spent two decades investigating the claims for the wooden vessel mentioned in the Bible. Over a dozen expeditions to the site and countless hours in research make Bright an authority on the ship Genesis says preserved the life of eight humans and a cargo of animals during a global cataclysm. This incredible book details the dramatic climbs, political intrigue, and sheer danger involved in a quest for the greatest archaeological treasure of all time. Never-before-seen photographs, expedition accounts, and persuasive evidences point to a massive, manmade abject hidden on remote Mt. Ararat. Read Quest for Discovery and make up your own mind.

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

A MISSING ARCHAEOLOGIST A RACE AGAINST TIME AND ONE VERY FAMOUS LOST SHIP Welcome to Mount Ararat, legendary resting spot of Noah's Ark and the setting for J.R. Rain's wildest, boldest adventure yet! In a lonely bar in eastern Turkey, ex-National Geographic photojournalist Sam Ward is hired to find an eccentric professor who disappeared high atop Mount Ararat, fabled resting spot of Noah's Ark. Accompanied by the professor's beautiful daughter, archaeologist Faye Roberts, Sam soon stumbles upon a secret stronghold--a base of operation for unleashing hell on earth. Now running for their lives, Sam and company are about to come face-to-face with the greatest archaeological discovery of all time. For fans of Clive Cussler, James Rollins, and Indiana Jones. The #1 bestseller in half a dozen categories on Amazon, including Action/Adventure, Romance Adventure, Military Fiction, Suspense, Men's Adventure, Travel Adventure Fiction, and Historical Mystery. The Lost Ark is a standalone novel with over 100,000 copies sold. "Gripping, adventurous, and romantic--J.R. Rain's The Lost Ark is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!"--James Rollins, international bestselling author of the "Sigma Force" series ★★★★★ "J.R. Rain weaves a tapestry of interesting, believable characters with a dynamite plot. You will root for the heroes, want to cry a bit in the ending chapters. This book makes you wonder, what if the ark really was found in this day in age. What would society believe as a whole after a find like that was authenticated? The Lost Ark has a lot of action for those of us that like that genre and plenty of mystery." —Amazon reviewer ★★★★★ "I have

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

personally been in the Land of Noah and have been mesmerized by the beauty and mystery of Mount Ararat. My adventure was calm and rather spiritual. J. R. Rain's The Lost Ark is far from calm. It is a thrill ride from the first few pages! And spiritual.. while that interpretation will be left up to the reader. Reads like an Indiana Jones story. I read it in two sittings." —Amazon reviewer ★★★★★ "The Lost Ark was riveting, you were rooting for Sam and Faye to survive while searching for her father and the lost ark. An excellent adventure story that I truly hope to see in a movie someday!" —Amazon reviewer ★★★★★ "The Lost Ark by J.R. Rain is an excellent read! I love a book full of action and adventure and a great hero and heroine. This book has it all and the best of villains! The finding of the ark was exciting and on the edge of my seat the pages just seem to turn themselves. I couldn't wait to get closer to the ending of this book that is full of intrigue. Of course when I did, I was sad it was over. I love J.R. Rain books and can't wait to read more of them. I highly recommend The Lost Ark and hope you enjoy it as much as I did!" —Amazon reviewer ★★★★★ "The Lost Ark is jam-packed with adventure, action, and a little romance thrown in for good measure. The main character, Sam Ward, is a typical J R Rain tough guy with an off beat sense of humor. I would LOVE to see a movie made from this book." —Amazon reviewer

Genesis, but after safely carrying its passengers through the Flood, the Ark disappears from the pages of the Bible. What happened to it? Join Dr. John Morris on the adventure to find the Ark on the icy slopes of Mt. Ararat, where Genesis says it came to rest after many months of violent storm and destruction. You will learn how the existence of the Ark offers evidence of creation what the flood and Ark can teach you about God's character how to respond to claims that the story of the Flood is just a myth Chronicling more than 45 years of personal accounts and offering geological, historical, and biblical evidence of the Flood, Searching for Noah's Ark will inspire you to take confidence in the Bible's historical accounts and its trustworthiness to us today.

Ark

Offers compelling evidence that the Knights Templar may have taken the Ark of the Covenant to the British Isles • Presents scientific evidence affirming the powers attributed to the Ark • Traces the Ark and the Stones of Fire from Jerusalem to Jordan and finally to central England, where the Knights Templar hid them in the 14th century According to legend the Ark of the Covenant was an ornate golden chest that was both a means of communicating with God and a terrible weapon used against the enemies of the ancient Israelites. In order to use it the high priest had to wear a breastplate containing twelve sacred gemstones called the Stones of Fire. These objects were kept in the Great Temple of Jerusalem until they vanished

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

following the Babylonian invasion in 597 B.C.E. At the ancient ruins of Petra in southern Jordan, Graham Phillips uncovered evidence that 13th-century Templars found the Ark and the Stones of Fire, and that they brought these treasures back to central England when they fled the persecution of French king Philip the Fair a century later. The author followed ciphered messages left by the Templars in church paintings, inscriptions, and stained glass windows to what may well be three of the Stones of Fire. When examined by Oxford University scientists these stones were found to possess odd physical properties that interfered with electronic equipment and produced a sphere of floating light similar to ball lightning. The Bible asserts that the Ark had the power to destroy armies and bring down the walls of cities. Now Graham Phillips provides scientific evidence that these claims may be true and offers compelling documentation that the Ark may be located in the English countryside, not far from the birthplace of William Shakespeare at Stratford-upon-Avon.

The True Story of Noah's Ark

The story of Professor Tudor Parfitt's 20-year search for the location of the fabled Ark of the Covenant. In 2006, his search finally led him to an ancient artefact identical to the biblical description of the Ark.

The Ark

A compelling brew of mystery, crime, and science revealing the details behind the search for the lost Ark of the Covenant. The Lost Ark of the Covenant is one of the great historical mysteries of all time. To believers, the Ark is the legendary vessel holding the stone tablets of the Ten Commandments. The Bible contains hundreds of references to the Ark's power to level mountains, destroy armies, and lay waste to cities. The Ark itself, however, mysteriously disappears from recorded history sometime after the building of the Temple of Solomon. After ten years of searching through the dusty archives of Europe and the Middle East, as well as braving the real-life dangers of a bloody civil war in Ethiopia, Graham Hancock has succeeded where scores of others have failed. This intrepid journalist tracked down the true story behind the myths and legends--revealing where the Ark is today, how it got there, and why it remains hidden. Part fascinating scholarship and part entertaining adventure yarn, tying together some of the most intriguing tales of all time--from the Knights Templar and Prester John to Parsival and the Holy Grail--this book will appeal to anyone fascinated by the revelation of hidden truths, the discovery of secret mysteries.

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

In national bestselling author Boyd Morrison's debut, the unraveling of one of the greatest archeological mysteries from the bible—Noah's Ark—could threaten civilization itself in this blockbuster hailed by James Rollins as "a stunning thriller." When brilliant archaeologist Dilara Kenner is contacted by Sam Watson, an old family friend who says that he has crucial information about her missing father, Dilara abandons her Peruvian dig and rushes to Los Angeles to meet him. But at the airport, Sam speaks instead of Noah's Ark—the artifact her father had long been searching for—and the possible death of billions. Before Sam can explain, he collapses. With his dying breath, he urges Dilara to find Tyler Locke—a man she's never heard of. Two days later Dilara manages to track down former combat engineer Tyler Locke on an oil rig off Newfoundland. Her helicopter transport goes down well short of the oil rig's landing pad and Dilara and those aboard nearly drown. No sooner is Dilara safely on the rig than she convinces Tyler the crash was no accident. Tyler agrees to help her uncover the secret behind Noah's Ark and, more important, her father's disappearance. As the picture begins to come into focus, they realize they have just seven days to find the Ark before its secret is used to wipe out civilization once again. With a chilling premise and a blistering pace, Boyd Morrison combines all the best elements of a blockbuster thriller with an intelligent and fascinating exploration of one of the Old Testament's great mysteries.

The Quest for the Ark of the Covenant

This lush book of photography represents National Geographic's Photo Ark, a major cross-platform initiative and lifelong project by photographer Joel Sartore to make portraits of the world's animals-especially those that are endangered. His powerful message, conveyed with humor, compassion, and art- to know these animals is to save them.Sartore intends to photograph every animal in captivity in the world. He is circling the globe, visiting zoos and wildlife rescue centers to create studio portraits of 12,000 species, with an emphasis on those facing extinction. He has photographed more than 6,000 already and now, thanks to a multi-year partnership with National Geographic, he may reach his goal. This book showcases his animal portraits- from tiny to mammoth, from the Florida grasshopper sparrow to the greater one-horned rhinoceros. Paired with the eloquent prose of veteran wildlife writer Douglas Chadwick, this book presents a thought-provoking argument for saving all the species of our planet.

Bedtime on Noah's Ark

From ancient texts to local stories, from the Bible to the writings of sixteenth and seventeenth-century Jesuits, this book traces the extraordinary legend of Ethiopia's Ark. It scrutinises various mentions of the Ark in Ethiopian records and tests various theories before reaching the conclusion.

The Sign and the Seal

Western scholars have argued that Indian civilization was the joint product of an invading Indo-European people--the "Indo-Aryans"--and indigenous non-Indo-European peoples. Although Indian scholars reject this European reconstruction of their country's history, Western scholarship gives little heed to their argument. In this book, Edwin Bryant explores the nature and origins of this fascinating debate.

The Quest of Ledgar Dunstan

Download File PDF The Quest For The Ark Of The Covenant The True History Of The Tablets Of Moses

Why do the Ark of the Covenant, Mary's reliquary box, and Jesus' Coffin all have the same imagery? Was the Ark the container of the Covenant, the Ten Commandments, or the Chalice? Does the image of the Shroud of Turin contain a bioelectric field? These questions and others will be explored in *The Ark, The Shroud, and Mary*. Author Philip Gardiner recently won the acclaim of both scholars and the reading public with *The Serpent Grail*, which united three of the most mysterious objects known to man—the Grail, Elixir, and Philosophers Stone. Now, in this unique and thought-provoking work Gardiner proves that the Ark of the Covenant, the Shroud of Turin, and Mary are united in ways never before imagined. Travelling across the world, from Rome to India, Portugal to Egypt, Gardiner uncovers the trail of the Ark and finds that it does not lead to Ethiopia, as many believe, but instead in a direction that nobody could have imagined. The trail of the Ark takes Gardiner on a hunt into the very heart of an ancient secret society with clandestine meetings in far-off lands. Uniting the myth, tradition, and language of the Ark with the Shroud of Turin, Gardiner then goes on to re-date it, reveal how it was made, and identify whose image it actually recreates. Through his new-found contacts in the world of secret societies, Gardiner then shows how this incredible secret was protected by a dual brotherhood throughout time and was the secret source of the enlightenment spoken of by numerous orders from the Sufis to the Knights Templar. *The Ark, The Shroud, and Mary* outshines *The Da Vinci Code* for the simple reason that it is the factual story of one man's fight to uncover the truth.

The Ark

Join the Dragon Protector on her quest to find the rarest dragon in the world. With dragon numbers in rapid decline, time is running out to ensure the survival of the species. Curatoria Draconis, also known as the Dragon Protector, is on a mission to find the rarest dragon on Earth: the Chinese Celestial Dragon. View from the Ark

A howling wolf, a stalking tiger, a playful panda, a dancing bird - pairing the stunning photography of National Geographic photographer Joel Sartore with the delicate poetry of Newbery award-winning author Kwame Alexander, this lush picture book celebrates the beauty, diversity, and fragility of the animal world. Featuring more than 40 unique animal portraits, the pages invite kids to explore each creature's markings, textures, and attributes in stunning detail, while calling on all of us to help protect each and every one. Three picture-packed gatefolds inside showcase even more familiar and exotic species. These images are part of Sartore's lifelong project to photograph every animal in the world, with special attention given to disappearing and endangered species.

The Lost Ark of the Covenant

Acclaimed travel writer Rick Antonson sets his adventurous compass on Mount Ararat, exploring the region's long history, religious mysteries, and complex

politics. Mount Ararat is the most fabled mountain in the world. For millennia this massif in eastern Turkey has been rumored as the resting place of Noah's Ark following the Great Flood. But it also plays a significant role in the longstanding conflict between Turkey and Armenia. Author Rick Antonson joined a five-member expedition to the mountain's nearly 17,000-foot summit, trekking alongside a contingent of Armenians, for whom Mount Ararat is the stolen symbol of their country. Antonson weaves vivid historical anecdote with unexpected travel vignettes, whether tracing earlier mountaineering attempts on the peak, recounting the genocide of Armenians and its unresolved debate, or depicting the Kurds' ambitions for their own nation's borders, which some say should include Mount Ararat. What unfolds in *Full Moon Over Noah's Ark* is one man's odyssey, a tale told through many stories. Starting with the flooding of the Black Sea in 5600 BCE, through to the Epic of Gilgamesh and the contrasting narratives of the Great Flood known to followers of the Judaic, Christian and Islamic religions, *Full Moon Over Noah's Ark* takes readers along with Antonson through the shadows and broad landscapes of Turkey, Iraq, Iran and Armenia, shedding light on a troubled but fascinating area of the world. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national
