These finely wrought stories unfold in the Dakotas during the struggling pioneer days and bone-dry landscape of the thirties as well as the verdant years that followed, where the nighttime plains are bathed by softly radiant harvest moons shining down from dazzling northern skies. Young's absorbing narratives begin with the pleasant sense of "Once upon a time" anticipation, but the firmly sketched details, warm humor, and vivid characterizations reveal an unanticipated and satisfying realism. The haunting title story is about a beautiful and tragic pioneer woman and her wedding dress; her gown takes on a

life of its own and turns into an enduring symbol for the grace and compassion of homesteading women on the plains. In "Bank Night," a hired hand working during the midst of the Depression wins \$250 at the movies, careening him into a single night of notoriety that becomes a legend in its time. "The Nights of Ragna Rundhaug" tells the tale of a woman who wants only to be left alone with her white dog, Vittehund, and her crocheting but instead is propelled into a life of midwifery "because there was no one else to do it." The babies have predilection for arriving during blizzards and always at night, when she must be transported across the dark plains by frantic husbands who have fortified themselves with strong drink and headstrong horses. All the stories in *The Wedding Dress* are linked by the enigmatic Nordic characters who people them and by the skill with which Young draws them. Emotions run so deep that they are seldom able to surface; when they do the interaction is extraordinarily luminous, both for the characters themselves and for the fortunate reader. *The Wedding Dress* is for all readers, young and old.

Dirty Wedding Dress - The Dirty Past By: Audrey Malone "Don't get drug through the mud to end up at the altar in a dirty wedding dress" I swear, every day of my life, not a day goes by where there isn't a relationship crises that I am pulled into. It doesn't matter where I go; someone is talking about relationships and marriages. Hell, love and relationships are the top talking points at my gynecologist office, geesh! Both men and women aspire to attain a traditional "happily ever after" in their relationships/marriages, it seems. However, it's looking more and more as if the tradition of marriage is being discarded and strewn to the wayside in our fast-paced society. Too many relationships are plagued with infidelity, abuse, financial woes, and an absence of a spiritual foundation. With that recipe, how can a relationship survive and thrive? After countless lessons in my life and simply observing others, I've witnessed and learned a lot. If marriage or a committed relationship is what you desire, complaining to others will most likely not yield a positive result. There are some things you must never

forget! Some things are good. Some things are bad. Others are simply a lesson you're meant to learn. You are about to experience an immersive lesson on relationships and what it all means in this real world, and it's guaranteed to be a lesson you will never forget! "Her white dress and white veil signifies her innocence, which is glowingly visible on her face. Meanwhile, her side smile tells the entire story of her tainted love affair." "Some of our behaviors were quite nefarious. Behind the "good girl" public image, there lived a fun girl to the 100th power!" "But through it all, your father always professed his love for me. He swore he'd never leave me. He said he didn't know why he beat me, but he was so sorry...always sorry." "I thought if I could just hold on and gain the title of being his wife, all the wrongdoings would somehow instantaneously be made right." "He would come by our house to see my mother for a few hours, here and there. He never once stayed overnight." "Barely able to speak, she said, "I can't do this anymore." In times of great uncertainty, the urgency of the artist's task is only surpassed by its difficulty. Ours is such a time, and rising to the challenge, novelist and

poet Fanny Howe suggests new and fruitful ways of thinking about both the artist's role and the condition of doubt. In these original meditations on bewilderment, motherhood, imagination, and art-making, Howe takes on conventional systems of belief and argues for another, brave way of proceeding. In the essays "Immanence" and "Work and Love" and those on writers such as Carmelite nun Edith Stein, French mystic Simone Weil, Thomas Hardy, and Ilona Karmel—who were particularly affected by political, philosophical, and existential events in the twentieth century--she directly engages questions of race, gender, religion, faith, language, and political thought and, in doing so, expands the field of the literary essay. A richly evocative memoir, "Seeing Is Believing," situates Howe's own domestic and political life in Boston in the late '60s and early '70s within the broader movement for survival and social justice in the face of that city's racism. Whether discussing Weil, Stein, Meister Eckhart, Saint Teresa, Samuel Beckett, or Lady Wilde, Howe writes with consummate authority and grace, turning bewilderment into a lens and a light for finding our way.
