Death of the Church Victorious

Eyes Wide Open

In *Theology for the Third Millennium*, which culminates thirty years of scholarship, Hans Küng reaffirms the relevance of theology in a modern world where religion is constantly questioned—and frequently attacked.

Always Victorious! The Earliest Church Not Pre - But Post-Millennial

'Anthony Hoekema brings to the study of biblical prophecy and eschatology a maturity that is rare among contemporary works on the subject. Free of sensationalism, he evinces a reverence for the Scriptures and a measured scholarship. One of the best studies on eschatology available.' ---Christianity Today

Victorious Eschatology

The King James Version (KJV) has been a gift of God to the Body of Christ. It has been the standard of truth and inspiration which has stabilized the Protestant Church and blessed millions of People. But someone needs to say it: the KJV is an inferior translation. In these pages, Harold R. Eberle clearly shows the errors and Biases of the KJV, hoping that you will consider the advantages of more modern

Bible translations

The Apocalypse Is Coming

God wants to bless you. He has made all of heaven's supply available to you. But the blessings of God are not automatic. You have a part to play. To find it, you'll need to look no further than the Holy Bible. Throughout His Word, God has indicated His desire to prosper His people. In both the Old and New Testaments, God describes His plan and purpose for prospering you. He wants to bless you abundantly, so you can be a blessing to others. There are some who claim God doesn't promise us physical prosperity, just spiritual. But they're mistaken. God's Word is full of promises about the practical kind of prosperity that gets your bills paid, buys your kids' clothes, and helps pay your pastor's salary. Find out the truth about God's promises and how to tap in to heaven's economy. Discover that God is not keeping prosperity from you, but has provided a sure way to get it to you. Learn how to take action on His promises and become a valuable asset to the kingdom as you are Blessed to Be a Blessing!

Blessed To Be A Blessing

Reclaiming our common hope. Too often discussions about the End Times are

Read Free Victorious Eschatology By Harold R Eberle Ebook

fraught with wild speculation or discord. But a biblical view of eschatology places Jesus' return and victory at the center. All Christians hold this hope in common. In *Jesus Wins*, Dayton Hartman focuses on this common ground to reveal why the way we think about the End Times matters. Christian eschatology should be rooted in biblical orthodoxy to inspire hope and greater faithfulness in the present age. That's the point of eschatology after all! Drawing from his own ministry experience, Hartman testifies to the unifying power of Jesus' victory.

Triumph of the Lamb

Here it is - a biblically-based, optimistic view of the future. Co-authored by Harold R. Eberle and Martin Trench. Along with a historical perspective, they present a clear understanding of Matthew 24, the book of Revelation, and other key passages about the events to precede the return of Jesus Christ. Satan is not going to take over this world. Jesus Christ is Lord and He will reign until every enemy is put under His feet!

The Gospel According to Mark

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological

predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Jesus Wins

God's Plan for Victory

An entire generation of victory-minded Christians, spurred by the victorious postmillennial vision of Chalcedon, has emerged to press what the Puritan Fathers called "the Crown Rights of Christ the King" in all areas of modern life. Central to that optimistic generation is Rousas John Rushdoony's jewel of a study, *God's Plan for Victory* (originally published in 1977). The founder of the Christian Reconstruction movement set forth in potent, cogent terms the older Puritan vision of the irrepressible advancement of Christ's kingdom by his faithful saints employing the entire law-word of God as the program for earthly victory.

The Bible and the Future

Most human cultures govern through the fear of punishment. Yet the New Testament calls the body of Christ to a very different style of government--the

government of mature love, which drives out the fear of punishment (1 John 4:18), and leads people who sin on a journey of repentance, restoration, and reconciliation. Unpunishable lays out a roadmap for making this cultural shift, challenging all believers, and especially leaders, to leave the familiar tools of punishment behind and learn the practices that empower people to walk in the light of freedom and love, own and clean up their messes, and mature into sons and daughters who look like their Heavenly Father.

The Beast

Compassionate Capitalism is a historical look at the birth and development of capitalism. You will learn how capitalism first developed as God worked among the Hebrew people in Old Testament times. The resultant economic principles spread with Christianity and transformed the Western World. Over the years, conflicts arose, wars ensued, and struggles continue today over the just distribution of wealth. It remains for us to apply the principles of capitalism with Godly compassion. We need a revolution of compassionate capitalism!

The Days of Vengeance

With an uninterrupted printing history since it was first published in 1939, this

classic interpretation of the book of Revelation has served as a solid resource and source of inspiration for generations. Using sound principles of interpretation, William Hendriksen unfolds the mysteries of the apocalypse gradually, always with the purpose of showing that "we are more than conquerors through Christ." Both beginning and advanced students of the Scriptures will find here the inspiration to face a restless and confusing world with a joyful, confident spirit, secure in the knowledge that God reigns and is coming again soon. This edition features a newly designed interior layout.

The Complete Wineskin

Are we near the end of the world? Is the rapture of Christians fast approaching? Stan Newton says, "Absolutely not." "Glorious Kingdom" is a victorious kingdom view of eschatology. After years of teaching on the kingdom, certain things become clear; in order for people to 'see the kingdom' elimination of their dispensational mindset is top priority. With "dispensational eschatology" in his sights, he delivers one shot after another to order to eliminate this faulty doctrine of escapism. He then rebuilds a biblical foundation for the transformation of the church and the world. About the Author Stan Newton -A graduate of Moody Bible Institute and has received his D.Min from Vision International University. He has served as pastor for over 20 years in the United States before relocating to Europe. Along with his wife Virginia, they founded Kingdom Missions and now live in

Bulgaria where they continue their calling to teach and demonstrate the kingdom of God. They have two married sons and four grandchildren. You may contact them by mail or e-mail. Kingdom Missions PO Box 731988 Puyallup, WA. 98373

Christ's Victorious Church: Essays on Biblical Ecclesiology and Eschatology in Honor of Tom Friskney

Christ's Victorious Church represents the synthesis of concerns that made the teaching of Tom Friskney so influential. Written by some of his former students and colleagues, the essays in this collection combine interests in critically informed exegesis, the construction of a genuinely and comprehensively biblical theology, the lived experience of Christianity, and the proclamation of the gospel to the church and the world. Emphasizing the crucial biblical perspectives on the church as the people of God and the last things as the climax and fulfillment of God's work in the world, this volume celebrates and carries forward the legacy of a quietly inspiring scholar, teacher and minister. From 1954 to 2001, Tom Friskney taught as a professor at Cincinnati Bible College and Seminary. Though his many interests enabled him to teach a variety of subjects, his greatest impact was in New Testament studies. That impact can be seen in a generation of former students - serving as college and seminary educators, ministers and volunteers - who cite him

as their formative influence. These essays, written by former students and colleagues to honor their mentor and friend, discuss the twin emphases of Tom Friskney's teaching, the church and the last things. In keeping with the honoree's wide-ranging pursuits, they vary from the scholarly to the homiletical to the reflective.

Navigating the Book of Revelation

A biblically-based, optimistic view of the future. Along with a historical perspective, this book offers a clear understanding of Matthew 24, the Book of Revelation, and other key passages about the events to precede the return of Jesus Christ. Satan is not going to take over this world. Jesus Christ is Lord and He will reign until every enemy is put under His feet!

Victorious Eschatology

A trusted theologian analyzes what Jesus said about his return and the last days.

The Last Days according to Jesus

The eschatological passages of Scripture say more about the Antichrist and his

climb to world rule than any other person (apart from Jesus Christ and his second coming). Nevertheless, the subject has been greatly neglected in books about the end of the age. In *The Apocalypse Is Coming*, Dr. James De Young answers pertinent questions like: - What do the present pandemic and failing economies tell us about the end times? - How is the "mystery of lawlessness" presently at work? - What is the USA's role in restraining the Antichrist? - How does Jesus Christ defeat the Antichrist at Armageddon?

Finding Victory When Healing Doesn't Happen

The book of Revelation is an unveiling, a vivid disclosure of invisible realities. Yet its bizarre imagery often leaves us puzzled. Dennis E. Johnson deftly guides us through questions about how to interpret Revelation, what it meant to its original audience, and how it equips us today. He explains that Revelation fortifies the church against the Enemy's wiles by disclosing the profound paradoxes of Christ's victory and glory. The central themes of Revelation converge with Christ's triumph over the Enemy.

Jesus Wins

Christianity Unshackled

Revelation

Christianity Unshackled follows the development of Western thought over the last 2,000 years, showing how Christianity has grown up side-by-side with Western philosophy. Great errors have resulted from that entanglement, primarily because Western philosophy has its roots in the ancient Greek worldview. After untangling that mess, Harold R. Eberle rebuilds a Christian worldview, laying biblical truths on the ancient Hebrew foundation. This yields a worldview which is liberating, answers the questions of today's society and stands up against the most fearsome attacks from Christianity's modern opponents.

Victorious Eschatology: A Partial Preterist View

A technical study on issues arising in the interpretation of the Book of Revelation. This book takes the position that Revelation was a prophecy regarding the approaching destruction of the Jewish temple in AD 70. The studies within demonstrate the significance of AD 70 in redemptive-history as the old covenant closes and the new covenant opens. It argues that John is taking upon himself the

prophetic mantle and is following the pattern of the Old Testament prophets who rebuke Israel for unfaithfulness to God.

Living and Dying with the King James Bible

Here it is - a biblically-based, optimistic view of the future. Along with a historical perspective, Harold R. Eberle and Martin Trench present a clear understanding of Matthew 24 and other key passages about the events to precede the return of Jesus Christ. Satan is not going to take over this world. Jesus Christ is Lord and He will reign until every enemy is put under His feet?

Unpunishable

Many modern Pretribulationists and other Dispensationalists claim that most (if not all) of the first Early Church Fathers were Rapturists. Such believe Jesus could return any moment to resurrect dead Christians and then secretly rapture His dwindling though still-living Church up in the air before the great tribulation of ungodly earthlings. Thereafter, the Church would then return and rule with Christ on Earth for a thousand years - until God would resurrect the wicked dead. That notion is false. Neither the Church of the Older Testament (even when under foreign domination) nor the always-struggling and often-persecuted Church of the

Read Free Victorious Eschatology By Harold R Eberle Ebook

Newer Testament ever expected to dwindle or to be whisked away; but only to conquer this great planet Earth under her victorious Messiah. That Church expected God not to the rapture her - but to heal the World His Son had come to save.

The Comings of Christ

Opponents and Identity in Philippians applies the social identity approach (SIA) to uncover Paul's manner of identity formation in Philippians, a letter written near the end of his career and amid disagreements in the earliest Christ-believing church.

Revelation

A condensed and compiled version of volumes 1-5 in the Spiritual Realities series. In this book, Harold explains the spiritual world from a Christian perspective.

Glorious Kingdom

Despite the popular theology of our day, Christians should not expect to get out of experiencing the tribulation or the end times. Nowhere in the Bible does the Lord promise us this, say Michael Brown and Craig Keener, two leading, acclaimed Bible

scholars. In fact, they say, Jesus promises us tribulation in this world. Yet this is no reason to fear. In this fascinating, accessible, and personal book, Brown and Keener walk you through what the Bible really says about the rapture, the tribulation, and the end times. What they find will leave you full of hope. God's wrath is not poured out on His people, and He will shield us from it--as he shielded Israel in Egypt during the ten plagues. So instead of taking comfort in what God hasn't promised, take comfort in the words of Jesus: He has overcome the world, and we live in his victory.

Compassionate Capitalism: A Judeo-Christian Value

Opponents and Identity in the Letter to the Philippians

This book lays the foundation necessary in order for you to properly interpret and understand the Book of Revelation. Embark on a journey of discovery that begins with the words and ministry of Jesus the Messiah. His prophecies were directly linked to the later visions of John the Apostle. John's visions were both historically relevant for the reader of his day and a prophetic canvas that painted a glimpse of things to come! In Revelation: Dawn of this Age, you will: -Understand why the prophecies of Jesus were spoken predominantly to the Jewish people about the end

Read Free Victorious Eschatology By Harold R Eberle Ebook

of the Mosaic Age. -See what led Jesus to eventually come to his friend John in a powerful prophetic encounter that would forever shape the future of God's people. -Revisit some of the well-known discourses of Jesus in the Gospels from the Aramaic text in order to fully extract their meaning and gain new insights. -Be fully prepared to approach the Book of Revelation, having the proper prophetic and historic context that is key to unlocking the mysteries of John's visions. This book isn't a primer to reading Revelation, it's a prerequisite! This is the first book of a three-part series. Book two provides commentary on John's Apocalypse from chapters 1 to 11, and book three from chapters 12 to 22. Both the prophecies of Jesus in much of the Gospels and John's Revelation were primarily for the people of Israel. Many have suggested that either John's Apocalypse has yet to be fulfilled, while others have said that it has been fulfilled entirely. However, there is a third conclusion: In addition to John's prophecy being a message of hope to the first century community of Jewish and Gentile believers, there was more importantly a deeply embedded message of closure and context for the Jewish communities of Judea and of the diaspora. Jesus Himself also went into great detail in His prophecies in order to communicate to the descendants of Abraham this same message of context and closure. More specifically, John's revelation is primarily Jewish-centric and Jewish-focused, re-affirming the Jewish place in the narrative of God's grand design to redeem and restore all creation. The Jews emphatically mattered and still matter to God and Jesus. But just as the Lord spoke through Isaiah, "Behold, I will do a new thing; now it shall spring forth; shall ye not know

it?," (Is 43:19) so too through the words of Jesus and John these themes of the new beginnings are revisited. Isaiah provided Israel with context for the calamity that befell them at that time. More importantly, He provided them with an invitation into the next chapter of God's great work of restoration. John's revelation was like the prophecies of Isaiah, Jeremiah and Ezekiel to the descendants of Abraham. In the midst of great tribulation the ecclesiastical communities throughout Judea and the Roman empire faced, and amidst the tribulation that rattled a Rome on the brink of collapse, John was commissioned to prophesy. He was given a message of hope and context during the last years that led to the fall of Jerusalem and the Second Temple. Hope was proclaimed to the saints who had seen their great leaders martyred, and who themselves were facing tremendous pressure from both Jewish and Roman oppressors. And context was given to the most devastating event in the entire history of the Jewish people: the destruction of the Holy Land, the ancient boundaries of the United Kingdom of Israel, the razing of the Second Temple, and the eventual displacement of the Jews from their homeland. Jesus and John provide the Jewish people with validation and understanding as to why these events took place, and what Yahweh God has invited them to in this age of Messiah.

Christ's Victorious Kingdom

Harold R. Eberle has become known internationally as a teacher to the Body of

Christ. Having traveled extensively and authoring several books, he has influenced leaders' lives all over the world. His passion is for the maturation of the Church.

Escaping Dualism

The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic. Some believe the Beast has come already, while others believe that he is alive today, waiting to take his position of power. One of the key passages cited by all groups is in Revelation 13:1-8, 18. Yet the imagery of the book of Revelation has opened it to misinterpretation by modern-day interpreters who are unfamiliar with the apocalyptic literary genre. Jonathan Leonard explains the meaning of the Beast of Revelation 13:1-8, 18 in its first century context and its relevance to members of the early church. The imagery of the Beast of Revelation is not seen as instilling fear into the hearts of believers concerning the future, but serves as a stinging critique of imperial power, idolatry, and oppression. When properly viewed in its original context, the unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day.

The Spiritual, Mystical, and Supernatural

Read Free Victorious Eschatology By Harold R Eberle Ebook

When you hear the words "end times," what do you think of? A worldwide tribulation? Wars and rumors of wars? Earthquakes? The antichrist? The church being taken off the earth while the unrighteous are left behind? While that is exactly what many of us have been taught--what if the Bible has a very different story to tell? Every new "end of the world" prediction causes believers from all walks of life to start asking questions. How much time do we have left on earth? What does the future look like? Are we supposed to make the world better now, or will Jesus take care of that in a future millennium? And most importantly, what did Jesus really have to say about all this? Jesus Wins is the true story of one man's thrilling journey to get clarity about what the Bible really teaches about the future. J. A. Hardgrave spent years with questions that couldn't seem to be answered. Then everything changed. While listening to a sermon, he heard an evangelist say a statement about the end-times that was the opposite of what he had been taught. Suddenly, he knew there was a different view of prophecy that he had to discover. Prepare to be filled with optimism for the future, have more confidence than ever to fulfill your destiny, and finally understand Bible prophecy for yourself by receiving simple tools that anyone can use. One thing is certain: after reading this book--you will never see the end-times the same.

Paradise Restored

Among Christians who are already involved in discussions about preterism, the

various views raise heated debates. However, most Christians are unaware of the related issues or profound implications. From this easy-to-understand book you can learn the basics and then make a wise decision concerning the most biblical view.

Spiritual Intelligence

Here it is - a biblically-based, optimistic view of the future. Along with a historical perspective, Harold R. Eberle and Martin Trench present a clear understanding of Matthew 24 and other key passages about the events to precede the return of Jesus Christ. Satan is not going to take over this world. Jesus Christ is Lord and He will reign until every enemy is put under His feet?

Raptureless 2nd Edition

Victorious Eschatology

Theology for the Third Millennium

Two quotients analyze our minds and emotions: I.Q. and E.Q. But Kris Vallotton

believes we are ignoring a deeper dimension--spiritual intelligence. Because believers have the mind of Christ through the Holy Spirit, we have the capacity for brilliance. God invites us to embark on a journey of discovery as he reveals mysteries and helps us bring our perspective in line with his--transforming our understanding and endowing us with spiritual intelligence. In this eye-opening new release, pastor and bestselling author Kris Vallotton says that God invites us to think like him. He answers questions such as · What are the five dimensions of spiritual intelligence? · How can I build new neural pathways to supernatural thinking? · How do I recognize my sphere of influence and the borders of my divine assignment? · And much more! As you listen to the Holy Spirit and realize what it means to have the mind of Christ, you have the capacity for life-transforming spiritual intelligence unavailable in any other way.

Not Afraid of the Antichrist

If you are a Christian who feels that something is seriously wrong with much of modern-day Christianity, and your question is, "Where is the love, compassion and forgiveness?" If you are gaining more and more Biblical knowledge but somehow it just doesn't seem to fit--like you have all the pieces of a jigsaw puzzle but no picture to see how to put them all together. If you are a "spiritual-but-not-religious" seeker who finds Jesus and His message captivating but also sees the Christian Church as off-putting. If you are a pursuer of mysteries, secrets, and hidden things,

Read Free Victorious Eschatology By Harold R Eberle Ebook

and you feel that the Bible contains all kinds of hidden secrets that are ignored or overlooked or even unknown by religious people. Then this book is for you. In *Eyes Wide Open* you will discover: Why the Bible contains zodiac symbols in many of its prophecies The true timing of "The Last Days" and "The End Times" The Culture, Customs, and Calendar of the Biblical writers The Four Spiritual diseases infecting much of the church today A deeper and more authentic relationship with God and much more. Dr. Martin Trench is the co-author of *Victorious Eschatology* and a contributing author of *Miracles Still Happen*. Originally from Scotland, Martin has lived in Canada since 2009 where he is the Lead Pastor of Gateway Alliance Church, an innovative and growing church in Edmonton Alberta. He is also a popular inspirational speaker, Bible teacher and church consultant.

More Than Conquerors

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave
