The Toronto Guide

Once again, over 50,000 listings from reliable sources are included and carefully checked by an authority on the subject. More than 400 expert advisors make sure only the best and most accurate data remains. Hundreds of sharp photographs accompany the 500+ categories -- glass and porcelain, match holders, purses, cookie jars, jewelry, advertising, furniture, dolls, records -- you name it, Schroeder's has it! History and other pertinent facts complement the descriptive listings, which reflect the current market and developing trends.

Vintage Snapshots

The Rough Guide to Amsterdam is the essential travel guide with clear maps and coverage of the unforgettable attractions of this compact and instantly likeable city. From the Anne Frankhuis to the Reijksmuseum, the Rough Guide will steer you via outstanding art galleries, elegant canal-side architecture and all the unmissable city sites. The guide provides comprehensive coverage of the best restaurants, stylish bars, intimate cafés, vibrant markets and hottest nightlife in Amsterdam for all budgets. The Rough Guide to Amsterdam includes a chapter devoted to day-trips featuring places you can comfortably get to and back from in a day including Haarlem, Alkmaar and Edam. Explore all corners of the city with authoritative background on evrything from the city's canal houses to the art of the Golden Age, relying on the clearest maps of any guide and practical language tips. Whether you're sipping a beer in an old café, or dodging the trams on Dam Square this guide is indispensable. Make the most of your holiday with The Rough Guide to Amsterdam

Collectibles Price Guide 2006

Schroeder's Antiques Price Guide

Provides details on six different looks--girly, edgy, boho, classic, glam, and indie--and how to customize them; offers advice on accessories; and discusses finding jeans, swimsuits, bras, and underwear to fit one's body type.

Time Out London Shopping Guide

The Rough Guide to Toronto is a complete guide to Canada's most diverse city. The guide opens with a full colour introduction to the city's highlights in the glossy 'Things Not to Miss' section with photos of attractions and sights from the CN Tower to Union Station. With informative and entertainingly written accounts, the guide reveals each of the city's many distinct neighbourhoods and the tranquil Toronto islands. There are discriminating reviews of the best places to eat, drink and stay, plus coverage of the arts scene, with features on Toronto's literary and theatre heritage. There is also extensive coverage given to day-trips from the city, including Niagara Falls and the Severn Sound.

Trash Or Treasure Guide of Buyers

In 2006, in celebration of our 25th anniversary, we brought Schroeder's Antiques Price Guide to you for the first time in full color. It was so successful, we decided to keep that format from year to year, and once again are bringing it to you in full color. It still contains over 50,000 listings from reliable sources, more than 500 categories from Advertising to Zsolnay, histories and pertinent facts, and representative full-color photographs. This year s edition will start shipping in August 2008 and is guaranteed to maintain its #1 bestselling status both at Collector Books and across the country. Dealers throughout the U.S. rave annually about Schroeder's, saying it just keeps getting better and better. Undoubtedly this year s edition will be the best! You will be pleased it has kept its new look, and even happier that it is available at one of the lowest prices you'll find for general antiques guides.

Denim Dudes

A guide on: where to stay, restaurants, sightseeing, shopping, and other essential information when touring the Toronto area

WWD Buyer's Guide

Arguably the most beautiful city in the U.S. and self-proclaimed as the most liberal, San Francisco provides a wide variety of sights, activities, and outings. This guide covers them all, from the student haunts of Berkeley to the vineyards of the Napa and Sonoma valleys to the natural beauty of Marin County. of color maps. of color photos.

The Rough Guide to Toronto

Denim jeans, perhaps the most ubiquitous article of clothing to be found in the world today, did not always enjoy such widespread appeal. Prior to the 1950's, denim was largely worn by the working classes, be it farmers, construction or factory workers as a durable, utilitarian fabric that held up well to the elements. This book pieces together finds from all eras and brands to stitch together a picture not only of the history of denim, but also often the histories of their wearers.

The Rough Guide to San Francisco

Denim Dudes is a street style book with a difference. As well as featuring key players in the global denim business, such as Jason Denham (Denham), François Girbaud, (Marithé + François Girbaud), Adriano Goldschmied (Diesel, 7 For All Mankind) and Kenichi and Kenji Shiotani (Warehouse Japan), it also explores the

very best and latest denim styling on the street, from bikers to vintage dealers and store owners. Exclusive photography for the book was shot in Paris, Tokyo, London, New York, LA, Milan, San Francisco, Amsterdam, Stockholm, Barcelona, Melbourne, Gothenburg and Sydney. This inspirational title will appeal not just to designers and fashion professionals but to a public increasingly obsessed with the world of denim. It offers unrivalled insight into the stylish and sometimes eccentric 'dudes' involved in this fascinating and diverse industry.

Secondhand Chic

'Vintage Snapshots' revisits the America of the 1930s through a series of state guide books published by the Federal Writers' Project. It explores the contextual occasion of the American Guides and the mechanics of their making. Their hybrid form - part f

Columbia Guide to New York

Readers' Guide to Periodical Literature

Presents lessons on sewing and customization techniques that can be used to create and enhance a vintage wardrobe, covering such topics as sizing, prepping, tailoring, patternmaking, and fitting.

Official Export Guide

Look closely at any typically "American" article of clothing these days, and you may be surprised to see a Japanese label inside. From high-end denim to oxford button-downs, Japanese designers have taken the classic American look-known as ametora, or "American traditional"-and turned it into a huge business for companies like Uniqlo, Kamakura Shirts, Evisu, and Kapital. This phenomenon is part of a long dialogue between Japanese and American fashion; in fact, many of the basic items and traditions of the modern American wardrobe are alive and well today thanks to the stewardship of Japanese consumers and fashion cognoscenti, who ritualized and preserved these American styles during periods when they were out of vogue in their native land. In Ametora, cultural historian W. David Marx traces the Japanese assimilation of American fashion over the past hundred and fifty years, showing how Japanese trendsetters and entrepreneurs mimicked, adapted, imported, and ultimately perfected American style, dramatically reshaping not only Japan's culture but also our own in the process.

Denim Branded

Most take for granted that a pair of jeans is not considered complete without patches, rivets, buttons, and other trims. The existence of such design elements is not questioned because they are seen as the standard. Nick Williams's book is exclusively dedicated to denim branding and deconstructs every element that goes into branding a pair of jeans. These elements are a jeans' identity, its source code, a marker from which to discover the jean's provenance. Through beautiful and

inspirational photography, this book tells the fascinating and sometimes surprising history of denim branding from the 1870s to current day. Primary source materials for this book come from the historical archive departments of Levi Strauss & Co., Lee Jeans, Wrangler, Carhartt, and Cone Mills, as well as some of the best contemporary denim brands of today, including Rogue Territory, Dawson Denim, Denham, Kings of Indigo, Endrime, Evisu, Eat Dust, Butcher of Blue, and Tellason.

Not for Tourists Guide to Atlanta

Contains fifty-eight articles that provide information about various forms, genres, or themes of popular culture, and includes illustrations, photo essays, a chronological survey of each topic's history, and a comprehensive index.

The Rough Guide to Amsterdam

“An excellent idea for a book. . . . Next time I spend more than \$40 on an article of clothing, I'll run it by Linett first.” —The New York Times Book Review In a culture where trends are born and die every minute, maintaining style and effortlessness at every age requires that little extra something—the cool factor. Being “cool” isn't about chasing trends or defying age but about following a few key guidelines. Yes, the cool factor is a skill that can be learned! In this photo-packed guide, Andrea Linett, a famed personal stylist and founding creative director of Lucky magazine, offers easy-to-implement, actionable tips that will change the way women dress. The tips are modeled by real-life style icons like Kim Gordon of Sonic Youth and Christene Barberich, founder of Refinery29, as Andrea highlights the ingenious ways in which they skillfully pile on layers, or dress up denim for work or a party. The book is organized into chapters that include wardrobe classics, denim, leather, suits, dressing up, and accessories, and features style hacks that turn an outfit into a masterpiece (choosing shoes that instantly slim you, combining tough and feminine pieces, and accessorizing a day-to-night look). Packed with useful lists and examples, this guide is the would-be stylish woman's best friend.

Ametora

The Greenwood Guide to American Popular Culture: Editorial cartoons through illustration

In this expansive book, over 425 different shirts are displayed in clear color photographs along with an historical text, women's clothing, 20 different button styles, and—for the first time—229 researched manufacturer's and retail labels which help to date and identify the shirts. The success story of aloha shirts, primarily of the 1935 to 1965 era, is woven with the words of the people who themselves created and witnessed the development of this Hawaiian classic.

Fortnite: Battle Royale has taken the world by storm, combining the high-octane action of traditional shooters with the creative construction elements of sandbox games like Minecraft. With 50 million players and counting, competition is fierce,

and strategy is essential. Once you jump from the Battle Bus onto the island below, there can be only one goal: survival. The Big Book of Fortnite has all the tips and tricks you need to master the melee, whether you're playing on a console, PC, or your phone. Illustrated with dozens of full-color screenshots, find essential information on big-picture offensive and defensive tactics, best practices for building, and indispensable combat techniques. Learn all about uncovering loot, optimizing weapons use, exploring map locations, establishing fortresses, and completing challenges—in solo, duo, or squad mode. This comprehensive guide is fully up to date and even includes features on top Twitch streamers and the many celebrities who are Fortnite superfans. The battle is on! Make sure you're the last player standing.

The Cool Factor

Vintage Denim and Mens Clothes Identification and Price Guide

Mend & Patch

With this guide to mending and patching, you don't have to say goodbye to your worn favourite clothes. Throwing away damaged, yet beloved, clothes can be one of the saddest things, but what if you were able to fix those holes and extend their life? With Mend & Patch, you can learn to take care of your clothes, mending, patching and repairing so you can cherish all your garments. In the furthest corner of her clothes store in Stockholm, Sweden, Kerstin has a mending studio where she gives a new lease of life to people's favourite jeans. In this book, she arms you with the skills and ideas you need to mend your own clothes, whatever their wear and tear. There are emergency tips for mending in a hurry, including sewing in a button and repairing split seams. You will learn how to enhance your clothes with

decorative stitches and how to mend with different materials, including leather, cotton, wool and denim. Packed full of simple fixes, as well as more advanced techniques, this book is perfect for sewers, crafters, and fashion lovers of all abilities and for those who want to lead a more sustainable lifestyle.
