It was just, like, a great book. But it should've stayed a book. Now it's real. The book is real. And we need to get out of the book. Yes, that's what I'm trying to say. We're physically inside the book Orwell's 1984 and we need to get out of the book. What's that? It's just called 1984? Right, of course.

The BookBrowse Book Club: What We Discussed in 2020

We all know that the government lies and cheats, but Aussie Speeding Fines' e-book will expose to you just how MUCH they lie and cheat in respect to traffic fines (in particular, speeding fines) and, no matter how bad you thought they were before, our FACTS will SHOCK you.. This e-book is NOT designed so everyone can go around speeding lawlessly and just get away with it.

The two founders/leaders of the organization gave everyone a copy of this book, and then we had to participate in discussions on it. The book is fairly easy to read as it is just bullet points and anecdotes, one right after the other. I read through it twice in order to participate in the discussion.
