### **Girl, Wash Your Face**

Washed in the Blood is an inspiring story of life, loss, hope, suffering, and eventually transcendence. The story revolves around author Jerry Wilde's struggles with kidney failure that led to the need for dialysis in his twenties. After two years being kept alive by a machine he was lucky enough to receive a transplant and for

17 years, he led a normal life. Everything changed when doctors accidentally discovered a large cancerous tumor on his transplanted kidney. The only way to save his life was to remove the tumor and the kidney. So after 17 years of the "good life" Wilde found himself back on dialysis.

## **Washed in the Blood**

## **The National Live-stock Journal**

## **The Delineator**

This is an historically comparative postcolonial study asserting the dialogic relation between Irish and Caribbean narrative form. The book focuses on the demise of empire and the role of geography in creating an 'island imaginary' for writers from James Joyce to Jamaica Kincaid.

## **Wash Your Hands**

## **The Canadian Magazine**

## **Washed and Waiting**

Presents a practical guide to health, describing the health risks of a lack of attention to personal hygiene, health-threatening practices and myths, health concerns in food preparation, and the relation of hygiene and world epidemics.

## **Washed and Waiting**

"Washed in the Blood" is a page-turning read about the the rowdy oil boom days of the early 1960s in Odessa, Texas, when violence often rode the range. It is at once an examination of local mores and foibles, piety and hypocrisy, and an inside-look at the famed Kiss and Kill murder of a 17-year old would-be actress, Betty Jean Williams.

## **You Are Washed in the Water of the Word**

Who was Jesus? What did he say? What did he do? This book puts together the story of Jesus' life and message told by the people who knew him best as recorded

in the four Gospels of the Bible—Matthew, Mark, Luke, and John. Although the words were written over 2000 years ago, his message of peace, hope, love, and forgiveness still resonates with people today. All About Jesus combines the four reports of Jesus' life into a single story from beginning to end, using the easy-to-read text of the NIV Bible. Take a new look at Jesus— his life, his miracles, and his teachings—and to come to your own conclusions about the carpenter from Nazareth. Produced in collaboration with the International Bible Society (now Biblica).

## **The Life You've Always Wanted**

An Out-of-Control Rock Star. An Inescapable Addiction to Drugs. A Miraculous Redemption through Jesus Christ. You think you've heard this story before but you haven't. *Washed by Blood* is a look at the dramatic saving power of Jesus Christ unlike any other—one that shows how God looks out for all of us, even those who seem farthest away from his grace. Brian "Head" Welch was a rock star who thought he had it all. He was the lead guitarist in Korn, one of the biggest and most controversial rock bands on the planet. He lived in a mansion, had millions of dollars in the bank, and legions of fans all over the globe. He was living the good life, and it should have been perfect. But it was all a lie. What no one knew was that backstage and away from the crowds, Head was fighting a debilitating addiction to methamphetamines, and that nothing—not even the birth of his daughter—could make him quit for good. He had given up. He was empty inside. He spent his days contemplating suicide convinced that each high would be his last. And that was when he found God. *Washed by Blood* tells the remarkable story of how God's unconditional love freed Head from his addictions and saved him from death. Here Head describes the joys and struggles of his journey to faith, detailing how Jesus has helped him cope with his pain and find the path that's right for both him and his daughter. An account of triumphs, hardships, and the healing power of Jesus, *Washed by Blood* is an inspirational demonstration that God is always there to save even the most troubled souls.

## **A Harmony of the Gospels for Students, According to the Text of the Revised Standard Version**

A girl's class learns about kashrus and a boy's class learns about blessings in these charming, fun-filled colorful illustrated books. Rich in detail and filled with informative cartoon captions your kids will love.

## **Washed by the Gulf Stream**

\*Is there a place for celibate, gay Christians in the church? \*How do the gospel, holiness, and indwelling sin play out in the life of a Christian experiencing same-sex attraction? And how do brothers and sisters in Christ show love to them? Wesley Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex sexual intimacy. What does it mean for gay Christians to be faithful to God while struggling with the challenge of their homosexuality? What is God's will for

believers who experience same-sex desires? Those who choose celibacy are often left to deal with loneliness and the hunger for relationships. How can gay Christians experience God's favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt? Weaving together reflections from his own life and the lives of other Christians, such as Henri Nouwen and Gerard Manley Hopkins, Hill offers a fresh perspective on these questions. He advocates neither unqualified "healing" for those who struggle nor accommodation to temptation, but rather faithfulness in the midst of brokenness.

#1 NEW YORK TIMES BESTSELLER – OVER 3 MILLION COPIES SOLD Do you ever suspect that everyone else has life figured out and you don't have a clue? If so, Rachel Hollis has something to tell you: that's a lie. If you have ever said any of these things to yourself . . . Something else will make me happy. I'm not a good mom. I will never get past this. I am defined by my weight. I should be further along by now. . . . then you could benefit from the unflinching faith and rock-hard tenacity Rachel Hollis has in store for you. In this challenging but conversational book, Rachel exposes the twenty lies and misconceptions that too often hold us back from living joyfully and productively, lies we've told ourselves so often we don't even hear them anymore. Rachel is real and talks about real issues. More than that, she reveals the specific practical strategies that helped her move past them. In the process, she encourages, entertains, and even kicks a little butt, all to convince you to do whatever it takes to get real and become the joyous, confident woman you were meant to be. Because you really can live with passion and hustle – and give yourself grace without giving up.

#### **A Key to the Shorter Catechism**

Meet Reggie. His story is your story. Reggie is a pig with a dream. He watches from the outside as the farm dog lives a life of love and favor in the farmers house, and Reggie longs for that life too. But how can an ordinary little pig ever hope to be good enough or clean enough to be invited into the house? Everyone wants to feel loved by God. But too often, we think that performance, behavior, and sin management are the key to that closeness. And so, instead of acting like sons and daughters, we live like orphans. The orphan mentality of many Christians causes them to struggle with questions such as: How can I get God to meet my needs?

What is the magic formula for prayer that makes God act? Which Scriptures can I quote to ensure that I get the blessings God promises me? What must I do to experience the benefits of being a child of God? The one who understands the reality of sonship never has to ask such questions. He knows that as a child of God, he is already living in the house, and his place at the table is assured.

## **Let's Learn About**

### **Washed Ashore: The Tower of Stormount Bay**

#### **An Inquiry Into the Usage of Baptiso, and the Nature of Christic and Patristic Baptism, as Exhibited in the Holy Scriptures and Patristic Writings**

There was an old grey weather-beaten stone tower standing on the top of a high rocky promontory, which formed the western side of a deep bay, on the south coast of England. The promontory was known as the Stormy Mount, which had gradually been abbreviated into Stormount, a very appropriate name, for projecting, as it did, boldly out into the ocean, many a fierce storm had, age after age, raged round its summit and hurled the roaring, curling waves into masses of foam against its base, while the white spray flew in showers far above its topmost height. To the west of Stormount, the coast was rocky and fringed by numerous reefs, while on the further side of the bay, also formed by a promontory, less in height than that of Stormount, it consisted of cliffs, broken considerably however by chines and other indentations, and pierced here and there by caverns, some close down to the water, and others high up and almost inaccessible from below. Inland, the country was sparsely cultivated—open downs and fern and gorse-covered heaths prevailing. The more sheltered nooks in the bay contained a few fishermen's cottages, pitched here and there wherever the ground favoured their erection, with very little regard to symmetry or order. Nearer to the water were boat-sheds, and stakes, and spars, on which nets were spread to dry or to be repaired.

#### **Electrical West**

Yet many who sit next to us in the pew at church fit that description, says author Wesley Hill. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex relationships. What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homosexuality? What is God's will for believers who experience same-sex desires? Those who choose celibacy are often left to deal with loneliness and the hunger for relationships. How can gay Christians experience God's favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt? Weaving together reflections from his own life and the lives of other Christians,

such as Henri Nouwen and Gerard Manley Hopkins, Hill offers a fresh perspective on these questions. He advocates neither unqualified "healing" for those who struggle, nor their accommodation to temptation, but rather faithfulness in the midst of brokenness. "I hope this book may encourage other homosexual Christians to take the risky step of opening up their lives to others in the body of Christ," Hill writes. "In so doing, they may find, as I have, by grace, that being known is spiritually healthier than remaining behind closed doors, that the light is better than the darkness.

## **Washed by Blood**

The Lord Jesus made the comment that the prince of this world comes but will find nothing in Him to draw Him away from the purpose of the Heavenly Father for His life. Dr. Bailey presents this book that we might be washed from the things of this world, the flesh, and the devil by the power of the Word of God and not be drawn aside from the high calling of God in Christ Jesus.

## **Heaven**

Ignite a deeper, more vibrant relationship with God that impacts not just your spiritual life but every aspect of your daily life. John Ortberg calls readers back to the dynamic heartbeat of Christianity--God's power to bring change and

growth--and reveals how and why transformation takes place. *The Life You've Always Wanted* offers modern perspectives on the ancient path of the spiritual disciplines. But it is more than just a book about things to do to be a good Christian. It's a road map toward true transformation that starts not with the individual but with the person at the journey's end--Jesus Christ. As with a marathon runner, the secret to finishing a race lies not in trying harder, but in training consistently--training with the spiritual disciplines. The disciplines are neither taskmasters nor ends in themselves. Rather they are exercises that build strength and endurance for the road of growth. The fruit of the Spirit--joy, peace, kindness, etc.--are the signposts along the way. Paved with humor and sparkling anecdotes, *The Life You've Always Wanted* is an encouraging and challenging approach to a Christian life that's worth living--a life on the edge that fills an ordinary world with new meaning, hope, change, and joy.

## **The Seven Christian Initiations in the Gospel of St John**

Here is a book that explains the greatest of Bible themes clearly and logically.

## **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: Homilies on the Gospel of John. Homilies on the First epistle of John. Soliloquies**

Gnosticism was a wide-ranging religious movement of the first millennium CE—with earlier antecedents and later flourishings—whose adherents sought salvation through knowledge and personal religious experience. Gnostic writings offer striking perspectives on both early Christian and non-Christian thought. For example, some gnostic texts suggest that god should be celebrated as both mother and father, and that self-knowledge is the supreme path to the divine. Only in the past fifty years has it become clear how far the gnostic influence spread in ancient and medieval religions—and what a marvelous body of scriptures it produced. The selections gathered here, in poetic, readable translation, represent Jewish, Christian, Hermetic, Mandaean, Manichaeian, Islamic, and Cathar expressions of gnostic spirituality. Their regions of origin include Egypt, the Greco-Roman world, the Middle East, Syria, Iraq, China, and France. Also included are introductions, notes, an extensive glossary, and a wealth of suggestions for further reading.

## **Exposition of the First Epistle to the Corinthians**

A classic manual that has gone through more than twenty printings, this book is the first Harmony of the Gospels to use the Revised Standard Version of the Bible. This simple and nontechnical book presents the Gospel materials in parallel columns in order that the Bible reader can compare the varied texts. It does not restrict itself simply to the Synoptic Gospels but includes the Fourth Gospel as well, thus enabling an overview of the major New Testament descriptions of the life and ministry of Jesus. Dr. Heim presents the story mainly in terms of the action involved, while at the same time disclosing the substance of the teaching passages as adequately as possible. He exposes the major parallels in several accounts without tearing texts from their contexts and without constantly breaking up

passages and transposing verses. He deliberately focuses on the large movements of thought and action, avoiding minutiae of all kinds. Although footnotes and cross references are held to a minimum, an index is provided for easy location of individual passages.

## **The Tribe That Washed Its Spears**

By tracing the long and turbulent history of the Zulus from their arrival in South Africa and the establishment of Zululand, *The Zulus at War* is an important and readable addition to this popular subject area. It describes the violent rise of King Shaka and his colorful successors under whose leadership the warrior nation built a fearsome fighting reputation without equal among the native tribes of South Africa. It also examines the tactics and weapons employed during the numerous intertribal battles over this period. They then became victims of their own success in that their defeat of the Boers in 1877 and 1878 in the Sekhukhuni War prompted the well-documented British intervention. Initially the might of the British Empire was humbled as never before by the surprising Zulu victory at Isandlwana but the 1879 war ended with the brutal crushing of the Zulu nation. But, as Adrian Greaves reveals, this was by no means the end of the story. The little known consequences of the division of Zululand, the Boer War, and the 1906 Zulu Rebellion are analyzed in fascinating detail. An added attraction for readers is that this long-awaited history is written not just by a leading authority but also, thanks to the coauthor's contribution, from the Zulu perspective using much completely fresh material. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
