The White Knight Syndrome

Rescuing others, losing yourself. Are you a white knight? Are you attracted to needy, damaged, or helpless people? Do you feel like your love can heal your partner? Are you overly involved in your partner's problems? Are you hungry for constant reassurance in relationships? Do you make excuses for your partner? Do you try to "save" people from themselves? In legends and fairytales, the white knight rescues the damsel in distress, falls in love, and saves the day. Real-life white knights are men and women who enter into romantic relationships with damaged and vulnerable partners, hoping that love will transform their partner's behavior or life--a relationship pattern that seldom leads to a storybook ending. If this dynamic sounds familiar to you, you may be a white knight; hoping to receive admiration, validation, or love from your partners, but managing only to cheat yourself out of emotionally healthy relationships. It's time to come to your own rescue, and this book can help. With well-written analysis, engaging insight, and salient case studies, The White Knight Syndrome is a much-needed and well-executed guide to understanding and resolving the white knight syndrome in yourself.

Collectors are bound to love The Encyclopedia of Early American Sewing Machines, Second Edition. The first edition of this book, self-published by author Carter Bays in 1993, sold more than 3,000 copies, and he has totally revamped it for this printing. American sewing machines from 1850 through 1920 are featured in more than 450 large, detailed photographs, half of them in color, and current collector values are estimated. The book traces the history and development of the sewing machine industry from 1800 to after 1900. Almost all known U.S. manufacturers of sewing machines up to 1875 (and several beyond) are highlighted: Singer, Wheeler & Wilson, Shaw & Clark, Weed, Howe, and Holly, to name just a few. Do you own your great aunt's antique treadle sewing machine? This book will identify and give the history of the manufacturer. Specific information is provided on restoring antique sewing machines, and toy sewing machines are also

given coverage. This title is sure to become the standard reference for early American sewing machines. 2005 values.

Broadcast News Writing, Reporting, and Producing

Broadcast News Writing, Reporting, and Producing, 7th Edition is the leading book covering all aspects of writing and reporting the news. It identifies the key concepts and terms readers need to know in the news gathering and dissemination process, and provides practical, real-world advice for operating in the modern day newsroom. New to the seventh Edition are profiles of working journalists who give readers a glimpse into the working life of modern reporters, producers, and directors. This new edition also covers important aspects of the use of social media, drone journalism, and digital technology. A new chapter on portfolio development will assist readers in developing the skills to advance in their careers. The text has also been updated to reflect new industry standards in modes of information gathering and delivery, writing style, and technology. Additional features include: Key words at the start of every chapter, identifying important terms and definitions; End of chapter summaries, which allows readers to review the chapter's main points; "Text Your Knowledge," which helps readers quiz themselves on important concepts; Chapter-by-chapter exercises, which readers can apply to a chapter's themes; A companion website featuring video tutorials of necessary skills for journalists, including how to arrange lighting structures, how to hold a microphone, and how to properly conduct an interview.

In Kenneth Grahame's *The Wind in the Willows: A Children's Classic at 100*, editors Jackie C. Horne and Donna R. White have assembled a collection of essays that look at the book in terms of class, gender and nationality, as well as its construction of heteronormative masculinity, the very English novel's appeal to Chinese readers, and the meaning of a text in which animals can be human-like, pets, servants, and even food.

Asthma Management Handbook 2006

The 'Asthma Management Handbook' aims to be both comprehensive and user-friendly. While written primarily for general practitioners and community pharmacists, the Handbook emphasises a team approach to asthma care. It contains: * updated diagnostic, management and prescribing guidelines; * expanded material on asthma and allergy, exercise-induced asthma, occupational asthma, asthma in pregnancy and in older people, and comorbidities; * more detail on diet and complementary medicine; * new chapters on smoking cessation and asthma prevention; * practical advice on providing structured asthma care in the primary care setting.

Kenneth Grahame's The Wind in the Willows

White-Collar Crime describes white-collar crime and criminals. It discusses executive knowledge of white-collar crime, and white-collar crime theories are presented. Executive positions involved in crime, white-collar crime analysis, response to crime suspicion, corporate social responsibility, and corporate reputation damage and repair are some of the core topics of this book. Knowledge strategy, intelligence strategy, and systems strategy are also presented from a strategic management perspective.

Betrayed Birthright

HE'D BEEN ROBBED OF HIS FAMILY, HIS HERITAGE... Walker Ashton wished his sister had never discovered that their mother was still alive. And worse, he wished she hadn't convinced him to find her. After all, he was acting CEO at Ashton-Lattimer, and he had always put business before pleasure.... But pleasure is what he sought when he met Tamra Winter Hawk, the woman caring for his estranged mother, and the most beautiful Native American he'd ever seen. Still, this woman had taken his place in his family. He should be feeling anything but attraction. Walker didn't know why Tamra affected him so deeply, why she made him yearn for a forbidden liaison. Was he trying to punish her? Or was he hell-bent on torturing himself? Only time would tell....
