God Lives in Me Now

The first book in the Treasures of the Nile series Anippe has grown up in the shadows of Egypt's good god Pharaoh, aware that Anubis, god of the afterlife, may take her--or her siblings--at any moment. She watched him snatch her mother and infant brother during childbirth, a moment which awakens in her a terrible dread of ever bearing a child. When she learns that she is to become the bride of Sebak, a kind but quick-tempered Captain of Pharaoh Tut's army, Anippe launches a series of deceptions with the help of the Hebrew midwives—women ordered by Tut to drown the sons of their own people in the Nile—in order to provide Sebak the heir he deserves and yet protect herself from the underworld gods. When she finds a baby floating in a basket on the great river, Anippe believes Egypt's gods have answered her pleas, entrenching her more deeply in deception and placing her and her son Mehy, whom handmaiden Miriam calls Moses, in mortal danger. As bloodshed and savage politics shift the balance of power in Egypt, the gods reveal their fickle natures and Anippe wonders if her son, a boy of Hebrew blood, could one day become king. Or does the god of her Hebrew servants, the one they call El Shaddai, have a different plan for them all?

From the bestselling author of P.S. I Love You and Love, Rosie, Cecelia Ahern, comes an enchanting novel that leads you to wonder if Not Seeing is believing! Readers and critics alike adore Cecelia Ahern for her lighthearted yet insightful stories about modern women and their often unusual situations. In *If You Could See Me Now*, she takes that theme a step further, offering us a heroine who is entirely believable, and the new man in her life who is, well, slightly less so. Elizabeth Egan's life runs on order: Both her home and her emotions are arranged just so, with little room for spontaneity. It's how she counteracts the chaos of her family--an alcoholic mother who left when she was young, an emotionally distant father, and a free-spirited sister, who seems to be following in their mother's footsteps, leaving her own six-yearold son, Luke, in Elizabeth's care. When Ivan, Luke's mysterious new grown-up friend, enters the picture, Elizabeth doesn't know quite what to make of him. With his penchant for adventure and colorful take on things large and small, Ivan opens Elizabeth's eyes to a whole new way of living. But is it for real? Is Ivan for real? *If You Could See Me Now* is a love story with heart--and just a touch of magic.

Augusta Webster was very widely praised in her own time—Christina Rossetti thought her “by far the most formidable” woman poet. Her work has again come into favour, so much so that Isobel Armstrong and her co-editors of the influential anthology, *Nineteenth-Century Women Poets*, declare that “there can be no doubt that Augusta Webster ranks as one of the great Victorian poets.” This collection is the first edition of Webster’s poems since 1895. It is a selection of her best work, emphasizing her powerful dramatic monologues and including a substantial number of her lyrics. With an introduction and background documents that highlight the distinctiveness of her work, this edition will help to re-establish Augusta Webster as a major figure of nineteenth-century English literature.

A Little Star's Dream

This wonderful book links all the elements of her life into one intimate, flowing and absolutely enthralling story - relating details of her beautiful, holy mother; her noble and pious father; her great and generous sisters, all of whom entered the convent; plus her own story - from her infancy to her early entrance into Carmel at 15, to her death at age 24. Toward the end of her life, St. Therese came to an understanding of her own spiritual advancement, for she made several predictions that all came true: That her *Story of a Soul* should be published as soon as possible, that she would let fall a shower of roses on the whole world when she died, that she would assist anyone who called upon her for aid, and finally, that the whole world will love her. And it does! The Little Flower is probably the best known and loved Saint of all time. Also explains St.

"Philip Ridley is a singular writer, a prolific polymath, probably a genius, and the creator of some of the most peculiar, grotesque and compelling British plays (and films) of the last several years" (Time Out) Ridley's film debut *The Reflecting Skin* caused a sensation at the 1990 Cannes Film Festival and went on to win eleven international awards. Set in the Idaho farmlands of the 1950s, the film follows eight-year-old Seth through a mythical summer where reality is heightened to the level of an hallucinogenic, quasi-fantasy. *The Passion of Darkly Noon* is a modern fable; echoing the surrealist style of Ridley's dazzling and innovative debut film. A young man roaming the American countryside, the victim of a savage attack on his religious cult, is rescued by Callie, for whom he develops a dangerous obsession. "Provocative, shocking and disturbing, a true original masterpiece." (What's On)
