New Adult Paranormal Romance \*\* Mature Content \*\*  
Recommended for ages 16+ due to sexual situations and language This book includes realistic scenes of domestic violence that are not gratuitously graphic, but may be disturbing to sensitive readers. Hearts break. Souls shatter. Love lies in The Space Beyond. As members of the Phoenix, Jeric and Leni are thrust into their new lives, expected to lead Earth's Guardians. But Leni struggles with trusting her own soul, and Jeric is more concerned about keeping Leni safe than meeting others' demands. When Darkness swarms Lake Haven, they embark on their first mission with little preparation and no idea which soul the Dark hunts. Born and raised in Lake Haven, Bex hopes to escape her small-town life, ideally in the arms of her soul mate. She knows he exists, and her heart aches with the need to find him. When her long-lost mama calls to announce she's knockin' on death's door, Bex reluctantly makes the trip to see the uncaring bitch (bless her heart), only to be knocked off her feet by the sexy and charming Dr. Mason Hayes. Is he really The One? Leni's soul felt an instant connection to Bex, but if Bex found her soul mate, she isn't their mission. So who is, and why does Leni instinctively feel drawn to her? Can Leni even trust her intuition? And will Jeric step up and lead when the time comes or continue to hold them back? If they don't learn to trust themselves and each other quickly, Darkness will claim them allalong with the rest of Earth's souls.

“This fascinating collection of hitherto unpublished or ungathered tales . . . will be a treat for any fan of the father of the hardboiled detective story.” —The Wall Street Journal A unique publication from one of the greatest writers of the twentieth century, *The Hunter and Other Stories* includes new Dashiell Hammett stories gleaned from his personal archives along with screen treatments long buried in film industry files, screen stories, and intriguing unfinished narratives. Hammett is regarded as both a pioneer and master of hardboiled detective fiction, but these dozen-and-a-half pieces, which explore failed romance, courage in the face of conflict, hypocrisy, and crass opportunism, show him in a different light. The title story concerns a dogged PI unwilling to let go of a seemingly trivial case, and the collection also includes an unfinished Sam Spade story and two full-length screen treatments: “On the Make,” about a corrupt detective, and “The Kiss-Off,” the basis for *City Streets* (1931), in which Gary Cooper and Sylvia Sydney are caught in a romance complicated by racketeering’s obligations and temptations. Rich in both story and character, this is a volume no Hammett fan should do without. “For aficionados of the genre, the unearthing of new Hammett stories is akin to Christians discovering an epilogue to the New Testament. . . . These stories are among Hammett’s best. . . . [His] prose is always savvy and sturdy, but for the man who invented ‘hard-boiled,’ it can also be surprisingly elegant.” —San Francisco Chronicle

“A hair-raising account of a Barbie Dreamhouse-size Jarndyce and Jarndyce.”—Jill Lepore, *The New Yorker*  
This provocative work spotlights the legal battles between behemoth Mattel and audacious MGA over incredibly successful toys and the ownership of an idea. Law professor Orly Lobel deeply researched this riveting story, interviewing those involved, to draw attention to the contentious debate over creativity and intellectual property. She also explores female images and how we market cultural icons, from the doll that inspired all-American Barbie to the defiant, anti-establishment Bratz—the only doll to outsell Barbie in any year.

A darkly comic novel of an Englishman in nineteenth-century Jamaica: “A powerful and deeply moving tour de force” (*Library Journal*). *The Family Mansion* tells the story of Hartley Fudges, whose personal destiny unfolds against the backdrop of nineteenth-century Britain, a time when English society was based upon the strictest subordination and stratification of the classes. Hartley’s decision to migrate to Jamaica at the age of twenty-three seems sensible at first: in the early 1800s Jamaica was far and away the richest and most opulent of all the crown colonies. But for all its fabulous wealth, Jamaica was a difficult and

inhospitable place for an immigrant. Aside from violent slave revolts, newcomers had to survive the nemesis of the white man in the tropics—namely, yellow fever. From the author of *God Carlos*, who writes with “a genuine fondness for this complicated and conflicted place,” this is a riveting work of historical fiction filled with a blend of sadness and sly humor (Publishers Weekly). “Winkler submits imperialist dogma and the English aristocracy’s casual acceptance of violence and cruelty to punishing satirical critique. He takes special pleasure in redefining the idea of the ‘English gentleman,’ embodied by his clueless and spoiled protagonist, Hartley Fudges, a terrifically rendered young English aristocrat who gets himself banished to Jamaica after attempting to kill his brother for his inheritance . . . Essential reading for fans of literary fiction.” —Library Journal

What if dreams are more than dreams? This magical realism novel is the first in a trilogy that is historical fiction, love story and spiritual quest. It is about magic and mysticism, faith and initiation. It is about the soul of art. Woven through history is a love story of many parts, remembered and built upon through the centuries. A great love passes on through generations in some undeniable memory in the flesh, and also reappears in new lives from distant places. Mystical love calls to couples throughout time to bring them together again and again. This remembering travels both ways in time, existing in that place beyond time where love lives. There are vague memories, subtle warnings and obscure communications between individuals separated by centuries. Lives weave together throughout more than five hundred years, paralleling contemporary events. Religious intolerance, fear and greed generate the Spanish Inquisition and the religious wars in Europe that reach

a decisive moment with the defeat of the Spanish Armada. Ninety-six years earlier, in the same year that Ferdinand and Isabella sent the three ships that discovered the New World, Spain's power had begun to weaken with the expulsion of the Jews and Muslims. The wisdom and skills of the Islamic and Jewish citizens was what had helped make Spain what it was, but fear caused the end of that golden age. These two critical points in history and what follows are the setting for this novel, but other times are connected over many thousands of years. The story opens in Spain in the 15th Century, with Jewish, Islamic and Christian children playing together as innocents without prejudice or fear. Throughout the book, there is an underlying theme of Hope and Faith manifested in mystical ways. This faith lives in ancient Celtic traditions, as well as Jewish, Islamic and Christian forms, both Catholic and Protestant. Truth is truth, no matter what form it chooses to wrap itself inside. Love empowers many characters in various ways and transforms them into their best. The world of nature sometimes comes to their aid in miraculous ways, and enemies who are treated with love become allies. There are no greater mysteries than time and consciousness and the memories that connect us to the whole of our lives and beyond. The deja vu and vague precognitive experiences that all of us have felt to some degree are the tip of the iceberg of this mystery. The supernatural in our lives is often liberated by powerful emotions like love and fear. We all are familiar with stories about mothers who have sensed when their children are in danger or when a loved one is in crisis. There is an undeniable connection that doesn't fit neatly into our view of

"Say Not What If" is a nearly 10,000 word story written as a long rhyming poem. It is about a man on death row, and has as its theme the concept that time is our most valuable commodity. As someone once said, "waste anything but time, because we really are promised no tomorrows." This theme is explored through the life of a man who sacrifices his marriage and everything else for his career. He realizes much too late the terrible consequences of this decision, and then desperately tries to regain those lost years by making a much worse choice. The resolution of this latter choice involves an additional examination of the concepts of accountability and responsibility, redemption, and the morality of the death penalty. The story has a better than average rating of 4/5 stars on Goodreads and Amazon. There are currently fifty-six ratings and forty-one written reviews on Goodreads at <http://www.goodreads.com/book/show/12788920-say-not-what-if>. Another thirteen ratings and reviews are on Amazon. provoking,” and a “beautifully written piece of literature.” Many enjoyed the story so much that they intend to share it with their family and friends. I have never seen a story written in this format. It has characters and dialogue just like a regular story, and is extremely easy to read and understand, regardless of whether you have a GED or a PHD. You should therefore not be concerned that the format makes the story hard to understand. Many reviewers had the same initial concern, but then pleasantly discovered that the story is very easy to follow. But you can further allay any such fears by reading the first few pages of the story on my website, [www.ascensionenterprise.com](http://www.ascensionenterprise.com). This story will tear at your soul. As many of the reviewers said, it only requires an hour or so to read, but will keep you thinking about its message long after you are finished. Time is quintessentially important and valuable. Who knows how much time anyone has? Would you trade ten or even five years of your life for a million dollars? The story can be purchased from many booksellers, including Amazon and Barnes & Noble. It can also be purchased for only 0.99 as an ebook for Kindle. Best wishes and good luck in all your reading endeavors.

Tasha - I knew Noah Abramovich was trouble the first time our eyes locked. I was sixteen that summer. Sitting by the pool eating an ice-cream I can still remember how it melted over my fingers and dripped onto my thighs as I stared back at him. It wasn't just his Greek god looks, the animalistic Alpha attitude, or his tall, powerful muscled body - it was the aura around him that screamed, Don't fuck with me. At sixteen I wanted him with the passion of a woman, but mine was a world of unwritten rules. Rules that are worth more than a man's life. I didn't need anyone to tell me that he was everything I could not have. He never looked at me again, but I watched him from afar. I could tell there were deep secrets that kept his smile hidden. Dark and mysterious he seemed to fear no one, not even my father. A man he should have. One I feared greatly. As the years passed, the afternoon when time stilled became as unreal as a dream. I am twenty-two now and in six months I will be married to a man my father chose. I will do my duty and bring respectability to my father's dynasty, but before I give myself to that man, I must have a taste of the forbidden. Just one night with the man of my darkest fantasies, so I don't lie on my deathbed, and regret that I never reached out and took the one thing I wanted most in life. But will it heal or destroy me? Noah. - In the Mafia world, your past is never far behind. If you are careless, it seeps into your future and gets you killed. Why the fuck wouldn't I? I've been lusting after it for years. Right here, right now, she is in my world, and she'll damn well play by my rules. ## **Stolen Time**

Jerry D Young was born at home, in Senath, Missouri July 3, 1953. At age 5 the family rented a small farm house on an active farm 40 miles southwest of St. Louis. While the family weren't farmers, they lived something of a homestead type life, raising a milk cow, sometimes two, and calves, a pig or two, chickens, and the occasional goat. Along with the stock, a large garden helped to feed Jerry's three brothers and two sisters for several years. Fishing and hunting contributed to the pantry, as did foraging the wild edibles on the property. At the age of 14, the family, minus a brother and two sisters that were now adults and on their own, moved back to Senath. Having been encouraged from an early age to read, Jerry was a regular patron of the Senath Branch Library. A love of a good story was born within him, and shortly before graduating high school, for a lack of stories that he liked at the library, he began to write short vignettes, and started taking notes for stories that he wanted to tell. Well, a full life interceded, and the writing didn't resume for several years. But while working a job with a much free time, and the then newfangled home computer, Jerry began to write in earnest. With the occasional gap in the process, Jerry continued to research and write, never believing he could ever be published. But when he turned 50, he wanted a change in his life, left the job he was doing and began focusing on his writing. When he became ill, the writing stopped, but not the inspiration.
