Do you want to know the real secret to a satisfying and successful marriage? Getting and staying happily married is probably one of the hardest things most of us will ever attempt. In fact, marriage is so challenging that you have to marry well to start with to even have a chance of success. Even worse, the advice you've heard all your life is either wrong or at best incomplete. Heartbroken after his second divorce, Dr. Carroll was determined to solve the puzzle of how to have a successful marriage. Drawing on his professional expertise as a psychiatrist and a wealth of field research, he emerged with a powerful yet simple system for finding your perfect match. Using neuroscience, genetics, behavioral science, psychology, and his work with shamans and other spiritual healers, he will teach you how to marry science with spirituality to attract the perfect man for you - the man you were meant for - and how to get him to the altar in as little as a year. You'll learn: why the usual advice doesn't work why amazing chemistry is a bad sign what type of man is perfectly suited for you how to energetically attract him how to know he's really the one and of course, how to get him to the altar! If you're tired of the singles scene and frustrated by failed attempts at love, *Dont Settle* is the step-by-step, complete solution you've been looking for.

Who You Were Meant To Be

'Your life is precious - a precious gift. It is sacred; every moment of it. The opportunity to live rather than sleepwalk through our days belongs to us. This book is a call to wake up. It is a call to each one of us; to wake up, to live before we die.' It's easy to sleepwalk through life without ever really considering what we're here for. But life presents us with continual opportunities to wake up - and to think about not just what we do with our lives, but who we become while living them. Ultimately it is the story that we believe about ourselves, our lives and the world around us that will shape us - for better or for worse. So where do we find a good story - a convincing narrative that makes sense of it all? Steve Chalke suggests that Jesus' good news about the kingdom of God - a practical, lived-out expression of God's plans for the world - is the best story for us to find ourselves in. Each one of us is called to be part of the drama of the coming kingdom, and it's in this that we find a practical spirituality that helps shape our lives into everything we were meant to be.

Jesus First Jesus Always

A Publishers Weekly Best Book of 2019 Why do we make things by hand? And why do we make them beautiful? Led by the question of why working with our hands remains vital and valuable in the modern world, author and maker Melanie Falick went on a transformative, inspiring journey. Traveling across continents, she met quilters and potters, weavers and painters, metalsmiths, printmakers, woodworkers, and more, and uncovered truths that have been speaking to us for millennia yet feel urgently relevant today: We make in order to slow down. To connect with others. To express ideas and emotions, feel competent, create

something tangible and long-lasting. And to feed the soul. In revealing stories and gorgeous original photographs, Making a Life captures all the joy of making and the power it has to give our lives authenticity and meaning.

Callings

This book is designed not only for coaches but is applicable to any level of leadership.

Making a Life

The message behind the book is to always be true to yourself and always be who you were meant to be! The value of being unique and a great person applies to people of all ages, from birth to two hundred years old. The illustrations and the beautiful colors will make your day brighter, no matter what your age is. After all, age means nothing It's all in how you feel! Each one of us is unique. It is important to remember that your differences are what make you special and what make this world a beautiful place. Share your inner beauty with others. "Be Who You Were Meant To Be" reminds its readers to be themselves and to be proud of who they are. Always be yourself.

The Good Dad

Growing a family isn't always easy and sometimes Mommies and Daddies need a little help. See how the generosity and love of others can grow into the most wonderful gift. *You Were Made For Me* is a look into the unique ways that some families are made and the journey of love that brings them together.

You Are What You Do

It's never too late to be a better father Jim Daly, president and CEO of Focus on the Family, is an expert in fatherhood—in part because his own "fathers" failed him so badly. His biological dad was an alcoholic. His stepfather deserted him. His foster father accused Jim of trying to kill him. All were out of Jim's life by the time he turned 13. Isn't it odd—and reminiscent of the hand of God—that the director of the leading organization on family turned out to be a guy whose own background

as a kid and son were pretty messed up? Or could it be that successful parenting is discovered not in the perfect, peaceful household but in the midst of battles and messy situations, where God must constantly be called to the scene? That is the mystery unraveled in this book. Using his own expertise, humor, and inexhaustible wealth of stories, Jim will show you that God can make you a good dad, a great dad, in spite of the way you've grown up and in spite of the mistakes you've made. Maybe even because of them. It's not about becoming a perfect father. It's about trying to become a better father, each and every day. It's about building relationships with your children through love, grace, patience, and fun—and helping them grow into the men and women they're meant to be.

You Were Meant to Be

Long a rallying point for concerned Christians who accept the authority of the Bible, this new third edition includes a new preface detailing the book's history and purpose; new material on wife battering, recovery from divorce, caring for aging parents, sexual harassment, and abuse; gender-related issues and the backlash against feminism; and more. An honored resource on the challenges and

opportunities facing Christian women.

Astrology and Aptitude

Joseph Campbell advised everyone to live authentically by following our bliss, but how many of us do? Somewhere along the way, we lose sight of our aims. We forget the myths that guide us and end up lost in the dark. This book is a light in that darkness, a guide to our own natural talents, aptitudes and potential. With *Astrology and Aptitude* you will: Explore abilities related to the planets, signs and houses. Discover over 30 minor asteroids linked to career and creativity. Follow practical delineations and chart examples. Learn about talents hidden in the fixed stars, Vertex and Aries Point. Become the person you are most capable of being. Focusing on the symbolic meaning of the signs, houses, planetary aspects and transits, this book describes ways to identify and boost the natural modes of expression, bringing them out into the open. Included are delineations of asteroid gods and goddesses, fixed stars, Arabic parts, the Vertex, Aries Point, midpoints and Lunar Nodes. Also included is a reference guide to vocational rulerships and a comprehensive index. *Astrology and Aptitude* is a must read for everyone serious about becoming everything they can possibly be, and supporting others to do the same.

The Thriving Introvert

Counselor and therapist Dr. Beth Blevins Cujé's original approach to self-help takes a giant-step beyond most self-help books. *Become the Person You Were Meant to Be* answers the question, "Why am I this way?" but goes on to answer the question, "How do I change?" Providing a framework for self-monitoring, simple tools for change, and four keys steps to guide change, Cuje's Choice-Cube Method equips readers finally to answer both questions. According to Cujé, normal feelings of defensiveness and self-protection can be dangerous when individuals become stuck in those postures. She points out that readers can use her method to check bodily stress, negative emotions, painful and distorted thoughts, and misdirected desires. Then once aware of those reactions, they can learn to take responsibility for them and use her Choice-Cube tools and four key steps to make necessary changes. Developed out of years of experience as a therapist, university adjunct faculty member, and workshop presenter, this down-to-earth application of current brain research, trauma research, and attachment theory can help readers consistently resolve problems in the present, rework past problems, and program their future. The author believes this method can benefit therapists as well as secular readers and believers. "Real-life examples lend credibility and authenticity to the program. Individuals seeking to better themselves might find that the author's insightfulness and the Choice-Cube Method work well for them." - ForeWord Clarion Reviews

Suffering from chronic illness and unable to get satisfactory results from doctors, husband and wife scientists Paul and Shou-Ching Jaminet took an intensely personal interest in health and nutrition. They embarked on five years of rigorous research. What they found changed their lives— and the lives of thousands of their readers. In Perfect Health Diet, the Jaminets explain in layman's terms how anyone can regain health and lose weight by optimizing nutrition, detoxifying the diet, and supporting healthy immune function. They show how toxic, nutrient-poor diets sabotage health, and how on a healthy diet, diseases often spontaneously resolve.

Perfect Health Diet tells you exactly how to optimize health and make weight loss effortless with a clear, balanced, and scientifically proven plan to change the way you eat—and feel—forever!

Influence Redefined

Brief inspirational readings encourage readers to be the unique individual that God created them to be.

You Were Made for Me

Do you feel confident you're a leader with influence? You may be surprised to discover you're not as influential as you think you are. Your team is only as strong as your influence, and many leaders today are mistaken about what it means to be influential. An outdated influence paradigm, along with technological devices and distractions, is making it increasingly challenging for leaders to reach those they need to influence in order to be successful. In fact, many leaders are unwillingly and unknowingly sabotaging themselves and their influence. In her thought-provoking *Influence Redefined*, Stacey Hanke introduces her powerful Influence Model, a step-by-step method for improving communication and producing the ideal type of influence—one that moves people to action long after an interaction is

over. She dispels the most common influence myths and instructs leaders on how to stop sabotaging themselves in order to leave a positive, lasting impression. Using a results-based definition of influence for individuals and organizations, Hanke successfully shows leaders how they can develop influence as a skill through self-awareness, consistency, a positive reputation, adaptability, and impact. With insights from dozens of executives and business leaders, as well as practical how-tos and action steps, *Influence Redefined* will help leaders multiply and expand their influence every day, Monday to Monday®. Through Stacey Hanke, Inc., the author has provided keynotes, mentoring and training on communicating with influence to thousands of leaders across industries. She is the author of *Yes You Can!* and has appeared in the *New York Times* and *SmartMoney*. Hanke was recognized as one of the National Speakers Association's "Top 6 Under 40."

Baby, We Were Meant for Each Other

No matter what you've heard about him, he offers you something nothing or no one else can. If our world had a motto it would be "Me First, Me Always"-and when you think about the life you were meant to live why wouldn't you place yourself at the center of your own universe? It makes sense and it seems way more natural.

But Jesus First, Jesus Always is about seeing life through a new perspective. It's about living life not by the concept of Jesus, but by the reality of him as a person. It's about shaping your world around that reality. It's about recognizing that he claims to be the Alpha point of the universe, the beginning of all things, and the Omega point, the one to which all of history is rushing towards. If he's the first and last, then he is certainly everything in between. Jesus First, Jesus Always is more than a motto, it's a heart revelation that becomes a soul revolution. We're going to be different than before. Why? Because He gives you the ability to look beyond yourself and become an icon of hope so that others can find grace by knowing you.

Rachel is real and talks about real issues. More than that, she reveals the specific practical strategies that helped her move past them. In the process, she encourages, entertains, and even kicks a little butt, all to convince you to do whatever it takes to get real and become the joyous, confident woman you were meant to be. Because you really can live with passion and hustle – and give yourself grace without giving up.

Be Yourself--Discover the Life You Were Meant to Live

Stories of passion, courage, and commitment, following individuals as they pursue the work they were born to do, from StoryCorps founder Dave Isay In Callings, StoryCorps founder Dave Isay presents unforgettable stories from people doing what they love. Some found their paths at a very young age, others later in life; some overcame great odds or upturned their lives in order to pursue what matters to them. Many of their stories have never been broadcast or published by

StoryCorps until now. We meet a man from the barrios of Texas whose harrowing experiences in a family of migrant farmers inspired him to become a public defender. We meet a longtime waitress who takes pride in making regulars and newcomers alike feel at home in her Nashville diner. We meet a young man on the South Side of Chicago who became a teacher in order to help at-risk teenagers like the ones who killed his father get on the right track. We meet a woman from Little Rock who helps former inmates gain the skills and confidence they need to rejoin the workforce. Together they demonstrate how work can be about much more than just making a living, that chasing dreams and finding inspiration in unexpected places can transform a vocation into a calling. Their shared sense of passion, honor, and commitment brings deeper meaning and satisfaction to every aspect of their lives. An essential contribution to the beloved StoryCorps collection, *Callings* is an inspiring tribute to rewarding work and the American pursuit of happiness. From the Hardcover edition.

Look In, Look Up, Look Out!

A story of a man's journey through life and the two women he loves.

Born for This

What do you do when you have to give up the person you love most? Thirty-five-year-old Miranda is not an impulsive person. She's been at Domestic Goddess magazine for eight years, she has great friends, and she's finally moving on after a breakup. Having a baby isn't even on her radar—until the day she discovers an abandoned newborn on the platform of a Brooklyn subway station. Rushing the little girl to the closest police station, Miranda hopes and prays she'll be all right and that a loving family will step forward to take her. Yet Miranda can't seem to get the baby off her mind and keeps coming up with excuses to go check on her, until finally a family court judge asks whether she'd like to be the baby's foster parent—maybe even adopt her. To her own surprise, Miranda jumps at the chance. But nothing could have prepared her for the ecstasy of new-mother love—or the heartbreak she faces when the baby's father surfaces.

CONVERSATION GUIDE INCLUDED "Well-written characters and fascinating plot twists will appeal to book groups and fans of women's fiction."—Library Journal "McDonough does a fabulous job showing that being blind-sided isn't always a bad thing. Sometimes, even the best surprises come out of it. Every facet of the book is compelling, but readers might particularly enjoy the dynamics between the heroine and the two male protagonists. The story's effortless fluidity will have readers questioning how this inspired-by-real-events premise unfolds."—Romantic Times "With a deft, sure touch, Yona Zeldis McDonough explores the ways families are formed and how love can take you by surprise. An absorbing and soul-stirring novel."—Christina Baker Kline, #1 New York Times bestselling author of Orphan Train "Abounding with

warmth and charm, *You Were Meant for Me*, is a profoundly moving novel which explores the intensity of love and the fallout of heartbreak. It will capture your attention from the very first page and never let go."—Emily Liebert, author of *When We Fall*

Have you ever met someone with the perfect job? To the outside observer, it seems like they've won the career lottery—that by some stroke of luck or circumstance they've found the one thing they love so much that it doesn't even feel like work—and they're getting paid well to do it. In reality, their good fortune has nothing to do with chance. There's a method for finding your perfect job, and Chris Guillebeau, the bestselling author of *The \$100 Startup*, has created a practical guide for how to do it—whether within a traditional company or business, or by striking out on your own. Finding the work you were “born to do” isn't just about discovering your passion. Doing what brings you joy is great, but if you aren't earning a living, it's a hobby, not a career. And those who jump out of bed excited to go to work every morning don't just have jobs that turn their passions into paychecks. They have jobs where they also can lose themselves for hours in the flow of meaningful work. This intersection of joy, money, and flow is what Guillebeau will help you find in this book. Through inspiring stories of those who have successfully landed their dream career, as well as actionable tools, exercises, and thought experiments, he'll guide you through today's vast menu of career options to discover the work perfectly suited to your unique interests, skills, and experiences. You'll learn how to:

- Hack the job of your dreams within a traditional organization by making it work for you
- Find not only your ideal work but also your ideal working conditions
- Create plans that will allow you to take smarter career risks and “beat the house” every time
- Start a profitable “side hustle” and earn extra cash on top of your primary stream of income
- Escape the prison of

working for someone else and build a mini-empire as an entrepreneur • Become a rock star at any creative endeavor by creating a loyal base of fans and followers
Whichever path you choose, this book will show you how to find that one job or career that feels so right, it's like you were born to do it.

You Were Meant for Me

In How To Create The Life You were meant to live; I reveal the natural path for anyone to create happiness, wealth and freedom. Today in 2020, we are faced with the possibility of massive loss of life and the complete collapse of our financial system. Currently, the world is full of doom and gloom with the narrative of a bleak outlook. I see it differently. Very differently. I see a new world, unlike anything we can fully imagine or comprehend at this time. The future is not bleak; the future is bright and with us today. The method you will discover in this book takes smart goals and turns them on their heads. Smart goals are not the answer to success unless you want to slave away at something that is not you. Not the real you. You only have one life; it makes sense to be engaged in something that gives you your greatest pleasure and provides you with the wealth and security that you need in today's world. The people who say money is not everything don't mean any money at all. What they are saying is that not everything is life is all about money, and I agree up to a point. You see, I have been bankrupt and homeless (I was bankrupt number 45 of the year 1990 in the county of Northamptonshire in the UK) Believe me, when you are bankrupt and homeless with a wife and two young children to

take care of, money becomes pretty important in life. This book will reveal to you the truth about who you really are. Most times, this truth bears no relation to your life now and what you think it does. I use the word truth because this word is essential. Being true to yourself, true to who you are will be vital to you using the contents of this book to create the life you were meant to live. Most of us know deep down that there is something wrong with the way we are living. We know there is more to life than the one we are living. Many people sense that their life is a cage-like existence. This book gives you the tools to break free from your cage and create the life that you were meant to live.

The Real You

Finding one's purpose in life and fulfilling it is a desire we all share. Yet many of us are living the lives and dreams imposed upon us by our family, friends and society. Once we understand the fears, frustrations and loyalties that sabotage our dreams and best efforts at personal growth, we can free ourselves from doubt and defeat and find out what we really want to do with our lives. *You Were Meant to Be* explains how to use our inner guidance to find our most personal and energizing life purpose. Writing in a friendly, active style, psychologist Lindsay Gibson shows us how to get free of the misguided guilt and loyalty that confuse loving others with sacrificing oneself. We can undo self-defeating ideas and claim our right to happiness and autonomy in our life choices. Thanks to the author's clinical

background, this book goes deep enough to address feelings of helplessness, hopelessness, and the common fears that can bring self-actualization to a standstill. Dr. Gibson offers a unique blend of inspiration and pragmatic advice to people who have been reluctant to put themselves first in their own lives. *Who You Were Meant to Be* provides a practical road map out of old habits and shows how to forge a new path on which each of us can discover or recover our true purposes in life and become the people we want to be.

Your Third Story
